

# Chapter 2840– 2841 of A Dish Best Served Cold Novel

## Chapter 2840

After comforting Ye Ya, Mark looked at the fat man and motioned him to continue.

The fat man nodded and continued to read: “Among these people, besides the old relatives and friends of the three company bosses Ye Tian, Ye Ya, and Samantha ye, there are eight other friends who Ye Jian made in the society.”

“The average degree is mostly primary school graduates. Both belong to the same game team.”

“Before I joined the job, I was a vagrant in the society. I played games with Ye Jian in Internet cafes all night.”

“Later, Ye Jianjun was all part of the company, and within three months, all were promoted to the company’s middle-level leaders.”

“Daily work is to accompany Ye Jian to play games.”

“Wages far exceed those of employees at the same level.”

“In addition, according to the reaction of the company’s employees, during his tenure as the deputy general manager of the personnel department, Ye Jian misappropriated the company’s special fund privately, used his power to avenge private grievances and suppress dissidents.”

.....

The fat man was still talking, but Ye Ya was a bit on pins and needles, his old face was almost red to pig liver.

Even his father is like this, one can imagine how Ye Jian was in his mood at this time.

In the end, Ye Ya couldn’t listen anymore, turned his head and stared at his son, and asked sternly: “What he said is true?”

“Dad, he farts!”

“Don’t listen to this fat man talking nonsense.”

“He deliberately retaliated against me.”

“He decided I was resenting me for letting him clean the toilet before, so he framed me with nonsense!”

Ye Jian was a little flustered and explained bitterly.

“Framework?”

“Ye Jian, you still don’t admit it until now.”

“Do you have to let me take a few bosses to the personnel department to check the list of personnel?”

“At that time, these ugly things you have done, I am afraid that everyone in the whole group will know it.”  
The fat man looked at Ye Jian and sneered.

“Cao Nima, fat man!”

“You talk nonsense to me again~”

“I am killing you!”

Finally, Ye Jian couldn’t sit still.

He jumped up quickly and cursed directly at the fat man with red eyes:

Finally ran over and even had to do something on the fat man.

The fat man didn’t save him face, so he kicked Ye Jian on his belly with a backhand.

Before he endured it, it was to save face for Mark.

Now that Mark has decided to run him, the fat man naturally doesn’t need to hesitate.

“Ah~”

“It hurts me!”

“Fatty man, you are a dog slave who works in the Ye family. You are so brave, how dare you kick me?”

“I have to kill you today~”

After being kicked in the stomach by the fat man, Ye Jian was undoubtedly even more angry, cursing like a mad dog.

However, at this time, Ye Ya who was next to him clashed on the case and slapped Ye Jian directly on his face.

“brute!”

“Shut up to me~”

“Isn’t it embarrassing enough?”

“I Ye Jianying, why did you give birth to such a beast in the end?”

“It’s all about leaving Yang Xiao. Noifork University is also considered to be a top 20 school in the hot summer. I can help you deal with him if he comes in.”

“A few hooligans, bastards who haven’t graduated from elementary school, would you dare to get me in with this kind of stuff?”

“Also let them middle-level leaders!”

“me..”

“I have to kill you today!”

Ye Ya was also furious.

After all, what Ye Jian did was his father, who couldn’t listen to it.

## Chapter 2841

Before coming, Ye Ya still thought about relying on his old face today to help his son intercede, and try to let him keep his position in the company.

But for now, it’s a fart.

Not to mention Mark, his father wanted to kick his asshole son to death.

“Nephew, I have no choice but to teach my son, and it is also my negligence to discipline.”

“I don’t care about this matter.”

“Ye Jian is your brother. Do whatever you like to do with it.”

After scolding Ye Jian, Ye Ya had no face to plead with Mark.

In the end, I had to leave Mark to deal with it.

“Uncle, it’s not that you’re a nephew who doesn’t give you face.”

“The main reason is that Ye Jian is too nonsense. If I don’t punish him severely, how can I convince the public?”

“Moreover, I have more than that, and some actions have violated the law.”

“If it is sent to the government, it may be possible to sentence him to a few years.”

Mark said lightly, but when Ye Ya heard this, his old face was frightened, and Ye Jian was also very frightened.

“However, don’t worry, they are all relatives, and my nephew would not do it this way.”

“What happened before, let’s just pass it.”

“As for the future, this Mufan Group, I am afraid that Ye Jian will not have a foothold.”

“The result of this treatment, uncle, don’t you have any comments.”

Mark smiled slowly, seemingly in a negotiating tone, but both Ye Ya and Ye Tian knew that they were not qualified to express their opinions at all.

“By the way, there is one more thing, I want to inform the two uncles.”

“Now that my mother is no longer in Fenghai, the post of chairman of the Fenghai branch is undoubtedly vacant.”

“Well, I think I will let Shen Yuxiang take this position temporarily before my mother comes back.”

“After today, for all important matters of the company, the two uncles will seek Xia Yuxiang’s opinion.”

“Moreover, the final decision is in Yuxiang’s body alone.”

what?

“Mark, you let him be the chairman?”

“A foreigner?”

Hearing this, both Ye Tian and Ye Ya were shocked.

This time, Ye Tian, who had been silent for a long time, frowned and expressed his dissatisfaction.

Nor can they blame them for such a big reaction. After all, Mark’s appointment of Shen Yuxiang as chairman is equivalent to taking the power of Ye Tian and Ye Ya.

Prior to this, the Mufan Group was headed by the Ye family.

After that, this Mufan Group was Shen Yuxiang alone.

This undoubtedly touched the core interests of Ye Tian and the Ye family, and the brothers naturally couldn’t calm down.

“Mark, the chairmanship is of great importance, how can we appoint it hastily.”

“I suggest that a family meeting be held. I wait for the Ye family seniors to discuss before making a decision.”

Ye Tian persuaded in a deep voice.

“No need. I have decided. I don’t have to talk about this. I’m tired. If the two uncles are fine, go back to work first.” Mark has decided, naturally it is not what Ye Tian and the others can persuade. . Therefore, after speaking, Mark issued an order to evict the guests.

Upon seeing this, Ye Tian and the others wanted to say something, but after all, they shut their mouths, angrily on their faces, and walked away.

“Haha~”

“Mark, amazing, you don’t save them any face of your nephew, you took away their rights as soon as you came up.”

“I guess you two uncles will be pissed to death when you go back.”

After Ye Tian and the others left, the fat man sat back on the sofa and smiled triumphantly without scruples.

Mark shook his head and chuckled, “It’s time to restrict their power.”
