

Chapter 2848– 2849 of A Dish Best Served Cold Novel

Chapter 2848

With an anger, all the people in front of him were shocked.

After that, Mark kicked the iron gate open in front of him and stepped forward.

This scene, once again watched everyone here.

You know, the iron gate in front of you, but their second master just spent a lot of money just a few months ago, trusting someone to build a special steel gate.

Invulnerable to swords and guns, water and fire are not invaded.

Even if the bullet hits it, it leaves no trace at all.

However, they never dreamed that such a gate made of stainless steel, under the feet of a young man, was actually fragile like tofu.

Kicked to death with one kick?

“This this...”

“What’s so special, is this still a human?”

Outside the door, the big guys who had been kicked over by Mark just now had their eyes twitched and trembling.

At this time, Mark had already entered the manor.

However, the movement here has obviously shocked the entire manor.

For a time, a large number of people gathered in the manor.

In the end, hundreds of security guards came out.

A piece of blackness, like a torrential flood, surrounded Mark with a stick in his hand.

Looking at these people in front of him, Mark’s eyes twitched without a trace.

This Ericson Li, how afraid of death.

How about raising so many domestic slaves at home?

Before, Chen Ao and others called Ericson Li a pustule.

It now appears that this statement is true.

“In the middle of the night, how dare you enter the second master’s house and commit murder?”

“I want to see, who is so brave? And who is it, so indifferent?”

After everyone surrounded Mark, a sullen voice came from the crowd.

Immediately afterwards, the crowds on both sides dispersed like a tide.

A suit and a dog-like Jin Bao had already appeared in front of Mark.

When Jin Bao said this, he didn’t forget to take a cigarette from his bag and light it for himself.

However, he had just lit the cigarette and he had not had time to take a sip, after he saw the face of the boy in front of him clearly

Click~

The cigarette in his hand broke immediately.

“Chu...Mr. Chu?”

Jin Bao was trembling all over, and a pair of eyeballs nearly stared out.

Then, in panic, Jin Bao slapped his backhand on the subordinates beside him.

“Assholes, are you blind?”

“Mr. Chu, do you dare to surround yourself?”

“You guys are so brave!”

“I kick you to death!”

“Why don’t you get out of here?”

Jin Bao was shocked and frightened, cursing with a pale face.

The others were also taken aback.

Obviously, no one thought that the young man in front of him was the legendary Mr. Chu?

“Mr. Chu, I’m sorry, these people have no eyes and offended you~” Then, Jin Bao hurried forward to explain with a wry smile.

“Stop talking nonsense, what about Ericson Li, let him get out and see me.” Mark stood with his hand in his hand and said coldly.

“This...” Jin Bao was a little embarrassed, he stopped talking, and finally said bit his head. “The second master said that he is ill and he went abroad to recuperate. No one will see anyone.”

“Ok?”

When Mark heard this, his last little patience disappeared completely.

In the next moment, he raised his head and released it all with majesty.

The surging sound is just like thunder, blasting the whole city!

“Ericson Li, I will give you twenty seconds.”

“Quickly roll over and worship~”

....

“...Get out and worship~”

The majestic voice, like a thunder rolling, reverberates endlessly in the world.

Chapter 2849

Few people know that there is a secret basement built in the deepest part of Li's Manor.

The entrance to the basement is so secret that it is difficult for ordinary people to find it.

Moreover, in this basement, both the display and the decoration are extremely luxurious and exquisite.

Under normal circumstances, Ericson Li rarely enters here.

He will only stay here when he is in danger and feels that his life may be threatened.

At this time, Ericson Li was sleeping soundly on the luxurious big bed in this room.

In his arms, he also nestled two beautiful young women with the same looks and sexy figures.

In the silent secret room, there was still Ericson Li's voice faintly.

However, just when Ericson Li was immersed in the fragrant dreamland.

Suddenly, the whole chamber trembled.

Immediately afterwards, a sound of sullen anger, like an ear-piercing sound, quietly exploded between the secret rooms.

“Ericson Li, come and pay your respects quickly~”

....

“Hurry up and worship~”

.....

Ericson Li was awakened from his dream at that time, and his whole person rolled out of the bed to the ground.

Ericson Li’s sudden movement also scared the two twin sisters in his arms to scream.

“This...this voice...”

“Yes.. Is it Mr. Chu’s?”

“Could it be that Mr. Chu, he is back?”

Ericson Li only wore a pair of big pants, with a naked body, squatting on the ground and shouting silently, but his old eyes were round.

“Ten seconds~”

“Get out and worship...”

.....

Just as Ericson Li was frightened, Mark’s voice that looked like a burning sound penetrated again, echoing in the room over and over again.

At this time, Ericson Li was undoubtedly completely certain that Mark had returned.

Therefore, under the endless panic, he dared not delay anymore, he got up from the ground and went crazy as if he rushed out.

“Second Lord, shoes, haven’t you worn your shoes yet?”

Behind him, the twin sister reminded thoughtfully.

But after shouting for a long time, there was no response at all.

Ericson Li is like a mad dog, barefoot and desperately rushing out.

Still wearing shoes?

Wear it lightly!

Is he too late to wear the pants?

After all, compared with losing their lives, the people who are lost are no big deal.

In the courtyard, the night is icy and the moonlight is like water.

The crowd that had surrounded it had already dispersed.

Hundreds of security guards, no longer the arrogance and ferociousness just now, at this time, all of them stood on both sides respectfully, showing fear and fear.

With his head down, he didn't even have the courage to look directly at Mark.

In his heart, there was a fear of being dominated by Mark.

After all, Mark yelled and blasted the whole city.

At this time, half of the lights in the homes of Wrilfill residents were on.

Almost everyone heard Mark's roar.

Even Ericson Li, who is hiding in the basement, is no exception.

It can be seen from this that how powerful is Mark's drink just now?

This can do, who is not surprised, who is not afraid?

However, the silence here did not last long. Soon, the appearance of an old man broke the silence here.

"Mr. Chu, I...I am late for Ericson Li~"

The old man yelled, while running with bare feet in the night.

The white fat flesh trembling as he ran.

"This... is this the second master?"

Jin Bao, Yin Bao and others not far away saw the old man running wildly in a big pants and bare feet, all in a daze.

transfixed!

Although they saw the two of Li more dog-like appearances, it was the first time they saw them without clothes like this tonight.

Now that I saw it sharply, I really didn't recognize it.
