## Chapter 2854

“I go.”

“so smart?”

“Major Qinglong, isn’t it a figure of the God of War in our army?”

The rest of the newcomers are undoubtedly more shocked.

Although they have not experienced what happened in the past, they feel heartbroken only by the old man’s verbal statement.

“That’s not it?”

“Major General Qinglong’s weight is beyond our imagination.”

“You know, how did Wu Yang, the commander of the Noirfork Defense Zone, fail?”

“You know, how did the current Commander Lu Tianhe come up?”

“There is also Deputy Commander Wang Dongsheng.”

“It can be said that all the personnel changes in the Noirfork Defense Area are due to the one person from Major General Qinglong.”

“One word can make one party take command and dismount for the people.”

“A word, it can also make the townfolks, behold to worship generals~”

.....

Listening to these legends about the Qinglong Major General, everyone here trembled deeply.

A soldier, to this level, able to control one party, and guard the territory of thousands of miles, is afraid that it is also an unprecedented glory.

“Okay, let’s continue training.”

“Major General Qinglong, such immortal figures, are afraid that they have already “fled up” to large places like Gritsberg and Zhonghai. We in Noifork and other places, I guess the world will not bother to come.”

“This person is just like Major General Qinglong.”

The leading platoon leader shook his head and said, not thinking that the young man in plain clothes in front of him was Mark, who wrote countless miracles before.

However, just as everyone turned their heads to leave, deep in the defense zone, two men suddenly rushed over.

“Hello, Commander Lu!”

....

“Deputy Commander Wang is good!”

....

Seeing the two people in front of him, the soldiers around him immediately stunned, and quickly stood on both sides, respectfully saluting.

Yes, it was not someone else who rushed here at this time, they were Lu Tianhe and Wang Dongsheng who knew Mark well.

After Wu Yang left, in order to improve the relationship between the military and Mark, Gritsberg deliberately promoted some old friends who knew Mark well.

Lu Tianhe and the two did not pay attention to the salutes of the surrounding soldiers, their eyes were always on the boy.

“General Chu, really... is it really you?”

Goodbye Mark, Lu Tianhe and Wang Dongsheng were both excited and trembling again.

Obviously, they did not expect that they would still have a chance in this life to see Mark alive.

Mark nodded.

However, before Mark could speak, Lu Tianhe suddenly solemnly drank: “Everyone has~”

“Everyone, salute Major General Qinglong!”

“Welcome, Major General Qinglong will go home~”

The voice of majesty echoed.

Then, with only a snap, Lu Tianhe and Wang Dongsheng immediately saluted Mark with the highest military specifications.

Behind them, the countless soldiers heard this, but their eyes widened, and they gasped with surprise.

“He He..”

“Is he really, Major General Qinglong?”

Bang bang bang~

After a brief tremor, all the soldiers here also turned around and followed Lu Tianhe to Mark.

“Congratulations, Major General Qinglong is going home!”

....

“Congratulations, Major General Qinglong is going home!”

.....

One after another is the sound, converging into a stream, reverberating in all directions, impacting the whole world.

In an instant, the entire defense area was over tens of thousands of people, and they all boiled over.

“what?”

“Major General Qinglong?”

...

“Is it him?”

“That man, is he back?”

## Chapter 2855

After the First World War in Jiangbei, the name of Major General Qinglong has undoubtedly become a legend in the entire Chinese army.

Especially in the Noifork defense zone, it is even louder.

After all, this piece of land is the birthplace of Qinglong and the rise of Major General Qinglong.

The people in this defense zone have witnessed with their own eyes that Mark and Qinglong started at the end of the day and reached the top three armies!

Therefore, it is not an exaggeration to say that it is the home of Mark and Qinglong.

In an instant, more and more people ran out, and more and more people gathered around.

Without exception, after seeing the boy, everyone paid him the most respect.

However, Mark is not in the mood to enjoy this rare glory now.

His biggest idea now is to see his mother and them as soon as possible.

“Instructor Chu, don’t worry.”

“We have sent someone to invite Miss Qiu, and she will be here soon.”

As if he had guessed Mark’s mind, Wang Dongsheng immediately smiled and calmed down.

“Instructor Chu, don’t stand outside here. Go inside for a cup of hot tea.” Wang Dongsheng invited again.

“No need, just wait here.”

Mark waved his hand and refused Wang Dongsheng’s invitation.

Not long after, a car drove over from a distance and finally stopped here.

When the car door opened, the first thing that appeared in everyone’s eyes was a pair of slender jade legs wrapped in a pair of black boots, poking out of the car.

Subsequently, a stunningly beautiful face appeared in Mark’s field of vision again after a lapse of one year.

She was wearing a white down jacket, and the dazzling white was like snow and ice in winter.

The lower body is a smoky gray slim-fit jeans.

On his forehead, he wears a pink knitted hat.

Under the hat, three thousand green silks were scattered randomly like a waterfall.

Simply dressed up, but deep in the wilderness of the Noifork hinterland, outlines a stunning and intoxicating scene.

Qingcheng's face, graceful body.

Red lips like fire, eyebrows like ink.

It is like the most beloved person in heaven, giving her all the beauty of the world.

Many people were shocked when they saw this woman.

I just feel that all the beauty in the world is not as good as seeing her at the first glance.

Just like breathing, never cut off for a moment.

Among the eyebrows, there was nothing but stunning.

However, it is this girl who has attracted the attention of thousands of people. In her eyes, there is only the young man in front of her.

The moment she saw him, she was also stunned.

The entire body seemed to be stiff in place.

Her hands were shaking, her body was shaking, and her breathing was shaking.

Helen Qiu considered herself a strong and independent girl, like a shell, with all her hardness to withstand wind and rain.

However, at this moment, when she saw the man she loved so much, when she saw the young man she had entrusted her life with, all the hardness she had once fell apart in an instant.

The picturesque eyes were red immediately.

Tears flowed out uncontrollably.

Finally, she cared about the difficulty of controlling herself, and after getting out of the car, she ran toward the place where the boy was standing desperately.

It's like a splashing wave, returning to the sea.
