

Chapter 2858– 2859 of A Dish Best Served Cold Novel

Chapter 2858

“So, your mother, I will be completely relieved, and I can take care of my life with peace of mind.”

“Have you heard?”

“From now on, I will make you take home first.”

“You are no longer alone. Behind you is a family and a business.”

“Neither me, Helen Qiu nor Noirfork can withstand the tossing of you anymore.”

“Just live your life in peace and stability.”

“Mom doesn’t want you to be so prosperous in the future, nor do you want how glorious and brilliant you are.”

“Mom just misses you, to be an ordinary person like your name, an ordinary life.”

These words, Ye Ximei has been holding back in her heart for many years.

When Mark went home for the New Year in Yeyang Town, Ye Ximei told Mark.

Mark refused.

Now, after experiencing so many trials and hardships, Ye Ximei has once again expressed her expectations for Mark.

It’s just that this time it is no longer a discussion, but a command tone.

“Mom, I...”

Mark wanted to refute something, but as soon as he opened his mouth, he was caught by Helen Qiu.

Helen Qiu looked at him, shook her head at him, and motioned Mark not to confront his mother.

No way, Mark had to temporarily agree and nodded at his mother.

“Mom, don’t worry, I won’t let this happen again in the future.”

“I will give Helen Qiu the protection and stability of the first life.”

After Ye Ximei heard it, she smiled in relief.

“Well, this is my good son.”

“Mark, Mom won’t harm you.”

“When I was young, just like you, my heart was higher than the sky, and I wanted to make a big business with your father.”

“But after going through the vicissitudes of life, I finally realized that the vigor and vigor that I wanted back then was nothing but nothing in the end.”

“Life is like flowing water. When the water flows, it is plain and plain.”

Ye Ximei continued to speak, speaking with a heart-like voice about her life experience like Mark.

As a parent, naturally, you don’t want your children to repeat their past mistakes.

The rivers and lakes, martial arts, looked bright and vigorous.

But who knows the danger?

Cough cough cough~

Perhaps it was the reason why Ye Ximei had spoken too much, and Ye Ximei suddenly coughed violently.

Upon seeing this, Mark hurriedly slapped his mother on the back, feeling guilty and worried: “Well, mom, I know all about it.”

“Don’t tell me, your injury is still not healed, so take more rest~”

Mark and Helen Qiu stayed with Ye Ximei for a long time.

After his mother fell asleep, Mark found an excuse to go out.

“Mark, where are you going?” Helen Qiu was about to chase it out.

“It’s okay, I’ll go out to do something, you are here, looking at our mother, there is something to call me.” After speaking, Mark turned around and left the ward.

After half an hour.

In the room a kilometer away from the hospital, Mark stood with his hands in cold eyes.

In front of him, Lei Lao San, Ericson Li, and Wang Jiexi were pale, kneeling on the ground, panic-stricken.

Yes, after meeting with Wang Jiexi and the others, Ericson Li also rushed to the Noirfork Defense Zone after a night of Mercedes-Benz, and took the initiative to plead Mark Jingjing.

Although Helen Qiu and the others were not in serious trouble, the three of them naturally had the responsibility to take care of the disadvantage after losing contact for so long.

“The three of you, you still know that you are not taking care of it.”

“However, I have no time to hold you accountable.”

“I want you to tell me what happened in the land of Noirfork in the year I am no longer?”

“Helen Qiu and the others, why they lost contact for half a year and hid in the military area?”

“My mother’s car accident was really an accident?”

“What about Qinglong?”

“Where is my Qinglong?”

Chapter 2859

Mark asked repeatedly.

Senran’s sullen voice reverberates in this world.

Facing Mark’s anger and majesty, Ericson Li and three were silent.

They glanced at each other, and then replied bitterly.

“Mr. Chu, you should ask the old lady about these things.”

“The three of us don’t know how much~”

Ericson Li said with trepidation.

“Asshole!”

“Do you really don’t know, or don’t you want to say?”

Mark immediately gave a low drink, and in a moment, the wind swept across the room.

The tea cups on the coffee table were all shattered under Mark’s majesty.

Ericson Li and the other three trembled with fright again, but the complexion on their faces became paler.

They all bowed their heads and didn’t dare to speak for a long time.

“Ok?”

“Hurry up and tell me honestly!”

Mark yelled again, and Ericson Li and the others were shocked by the harshness of the words.

“Mr. Chu, it’s not that we don’t say anything, it’s the old lady, the old lady told us.”

“Don’t let us tell you~”

Ericson Li finally couldn’t help it anymore, and spoke out the difficulties in his heart.

However, hearing this, Mark’s suspicion was undoubtedly confirmed.

“My mother won’t let you say?”

“It seems that, as I expected, there is a hidden sense in it.”

“But you say it’s okay, there’s no need to hesitate.”

“Tell me what happened in Noirfork during this period of time.”

Mark said with gloomy eyebrows.

“Yes~”

Ericson Li and the others still have scruples, and they just stop talking.

It seemed that they didn’t want Mark to pursue this matter.

After all, the other party has a solid background.

Once Mark went to war with him, they felt that in the end, even if Mark had the last laugh, it would be a tragic victory. Their Noirfork would surely make waves again.

Rather than that, it might as well give up.

Now that Mark is back, those people probably wouldn't dare to act rashly anymore.

As it is now, peace and harmony are undoubtedly the best choice for Noirfork.

But Mark would naturally not think so.

An eye for an eye and a tooth for a tooth are Mark's rule of life.

What's more, the other party dared to attack his dearest relatives.

This undoubtedly touched Mark's bottom line.

Therefore, no matter who the other party is, Mark will naturally not give up.

He must find the murderer, and then make him pay a painful price.

"I will ask you one last time."

"Who did my mother's car accident?"

"Where is Qinglong now?"

"What happened to Noirfork during this time?"

"Are you talking about these, or don't you?"

Mark's tone was extremely cold.

It was like a beast suppressing anger, already on the verge of exploding.

Ericson Li suddenly panicked them.

They have a feeling, it seems that if they don't say anything, they will really be splashed with Mark's blood on the spot.

However, this is the case, Ericson Li and the others are still entangled and dare not say anything.

"It seems that your wings are hard, and you don't even listen to my words."

“In that case, I’m Chu Tianfan, what use do you keep?”

Boom~

The words were sharp, as if frost swept all over the place.

At the next moment, Mark immediately raised his arm in anger.

“stop!”

However, just as Mark’s raised arm was about to fall, a low voice came quietly from outside the door.
