

Chapter 2870– 2871 of A Dish Best Served Cold Novel

Chapter 2870

Lin'an is an ancient capital for a thousand years.

Since the establishment of county governance in the Qin Dynasty, there has been a history of more than two thousand years.

Thousands of years ago, I was the kingdom of Wu Yue and the Southern Song Dynasty. Because of its beautiful scenery, it is known as the "paradise on earth". I don't know how many tourists are attracted every year, so I visit here.

Especially the beauty of West Lake, and I don't know how many couples are attracted to check in here.

At this time, it coincides with the New Year's Day holiday.

Compared with the past, the streets of Lin'an are undoubtedly more prosperous several times.

Visitors from all over the country can almost be seen on the streets and alleys.

"Haha, is this Lin'an?"

"Finally."

"When I graduated that year, I planned to use Lin'an as my graduation destination. Later, due to various reasons, I couldn't make the trip."

"Today, it is considered fulfilled."

"Leonard Chu, we and Yurou, this is the light of you."

A loud laugh came from the corner of the street ahead.

I saw a group of four people, talking and laughing, walking with each other.

Two of them, as if they were lovers, wore the same hats and coats, and even the phone cases were of the same style.

And the other two, one is pretty and charming, the other is handsome, it is not an exaggeration to say that they are talented and beautiful.

These two people are not others either.

One is Mark's old acquaintance, Leonard Chu.

The other was He Yurou, who had a relationship with Mark in Fenghai City.

Of course, to say it was a one-sided bond, it was just that He Yurou had seen Mark from a distance on the shore of Dongchang Lake.

As for Mark, I'm afraid I don't even know her at all.

"By the way, Leonard Chu."

"I haven't asked you yet, are you and Xiuxiu really separated like this?"

The woman who spoke at this time was Zhang Xinyu, who was a close friend of He Yurou.

This time, it was Zhang Xinyu's relationship to get He Yurou out.

Otherwise, with Leonard Chu's friendship with He Yurou, it is impossible to invite her from Noifork to Lin'an to play.

And the other young man, Zhang Xinyu's husband, was named Yang Zijiang.

Speaking of them, they are all classmates of the university, and Leonard Chu's fiancée Tian Xiuxiu.

Moreover, this Yang Zijiang was Leonard Chu's roommate when he was in college, and the relationship was very good at that time.

After graduating, there was less contact.

Now, taking this opportunity to gather together.

However, Yang Zijiang and Zhang Xinyu's husband and wife obviously also heard some things about Leonard Chu, and immediately asked with concern.

Speaking of this, Leonard Chu's mood suddenly fell: "I have not contacted her for a long time."

"It doesn't matter if it is divided, in fact, I found out later that she is not really suitable for me."

"Forget it, it's all over, don't say anything."

“Brother Fei, I have started from scratch in Lin’an now, and I have almost forgotten all the people and things I had done before.”

Leonard Chu shook his head and smiled, and said quietly.

In the words, there is a bit of free and easy and indifferent.

Compared with that year, Leonard Chu is indeed a lot more mature now.

People are like this, only after experiencing heavy blows, will they grow and completely transform.

Leonard Chu was like that, feeling frustrated one after another.

First Terrisa Qiu, then Tian Xiuxiu.

However, speaking carefully, the end of Leonard Chu’s two emotional lives has nothing to do with Mark.

Terrisa Qiu didn’t need to say that when they were in the Qiu Family, their couple and Mark were fighting each other, almost to the point of life and death.

Chapter 2871

In the end, Qiu Shui Logistics closed down and the Qiu family fell completely. Leonard Chu’s parents were dissatisfied with Terrisa Qiu. Under such circumstances, he naturally resolutely let his son sever the relationship with her.

Later, by chance, Leonard Chu and Tian Xiuxiu came together again, and even reached the point of discussing marriage.

But who could have imagined that God had no eyes and made his wedding collide with Mark’s one day.

Moreover, he fortunately led Tian Xiuxiu to Mark’s wedding scene.

In the end, a good wedding came to a tragic end.

After all these omissions, Leonard Chu’s wedding would naturally not be able to go on.

Later, Leonard Chu and Tian Xiuxiu simply parted ways and broke contact.

The successive blows almost made Leonard Chu desperate.

During that time, he was the most painful and lost period of time.

However, as the so-called Phoenix Nirvana, it breaks and stands.

After a short period of self-denial, Leonard Chu decided to leave Noifork.

After experiencing so much, Leonard Chu realized that as long as Mark was there, he would not be better off Leonard Chu.

That man, his nightmare, was sent by God to punish him.

So, a few days later, Leonard Chu put his bag on his back and left Wrilfill, Noifork, and this sad land without looking back.

He finds a place far away from Mark, starts from the beginning, restarts his life.

And the fact is true. Leonard Chu, who left Noifork, quickly gained a foothold in Linzhou.

In just one year, he took the position of vice president of a real estate group in Linzhou.

Although there are reasons for his father's contacts, more of it is what Leonard Chu can do.

Born in a rich family, received the best education since childhood.

Leonard Chu, in addition to pretending to be a bit coerced, is also very capable in other aspects.

Leonard Chu regained his former self-confidence through the prosperous career.

At the same time, he suppressed the hormones that were still present and began to become active.

This time, he put the target on He Yurou.

The girl in front of her was not only Tian Xiuxiu before she had abused her appearance, but even her background and family background were unmatched by ordinary people.

In college, Leonard Chu was moved by He Yurou.

Now, if he could catch He Yurou, he would be able to make up for the regrets of his school days.

This trip to Lin'an was made by Leonard Chu.

"That's it, it's all from the past, why do you still mention it?"

"Who hasn't passed yet."

“What’s more, the more experienced men are, the more attractive they are.”

“The girls now like men with stories~”

Yang Zijiang hugged Leonard Chu’s shoulders and laughed.

In a few words, Leonard Chu’s failure in this relationship was described as an advantage.

Of course, what Yang Zijiang said was mainly for He Yurou to hear.

Yang Zijiang is naturally aware of his brother’s thoughts.

The main task of his trip this time is to match Leonard Chu and He Yurou to help the brothers fulfill this wish.

“Let’s go, let’s go play.”

“Leonard Chu, have you thought about it, where do you take us first?”

“Yu Rou was finally invited out. It doesn’t matter if you don’t treat us well, but you have to treat Yu Rou well.” Yang Zijiang smiled.

“That’s natural.” Leonard Chu replied, “Let’s go, I will first take you to the West Lake and climb the Leifeng Pagoda.”

“I bought the tickets two days ago, and I will wait for you to come.”
