

Chapter 2872– 2873 of A Dish Best Served Cold Novel

Chapter 2872

While talking and laughing, Leonard Chu led everyone to the West Lake Scenic Area.

He has stayed here for more than a year, and many scenic spots have already been familiar with the road, so he will naturally do his best to be a landlord.

Soon, Leonard Chu and several people got on the cruise ship, accompanied by the rippling water of the lake, enjoying the scenery of the West Lake.

During this period, Leonard Chu frequently took the initiative to talk with He Yurou, or introduced the scenery, or chanted some poems about the beauty of West Lake, and sometimes talked about some interesting things.

Yang Zijiang and Zhang Xinyu did not bother them, and even deliberately went to the other side of the boat to create a space for them to be alone.

However, during this period, He Yurou suddenly asked Leonard Chu: “Leonard Chu, I remember before that you met Mr. Chu. During this time, have you heard about Mr. Chu?”

“Mr. Chu?”

“You mean, Mark?”

Leonard Chu had a sigh in his heart at the time.

This is the name he least wants to hear.

He left Noirfork to escape this person.

Unexpectedly, when he arrived in Lin’an, he could still hear Mark’s name.

“I haven’t contacted him for a long time.”

“I don’t want to know about him either.”

“However, I heard my father say that he seems to be dead.”

Leonard Chu said coldly.

Although Leonard Chu had decided long ago, completely let go of the past.

However, when he heard the name Mark again, it was still difficult to calm down.

After all, he was hurt too deeply by him.

How could Leonard Chu let him go so easily that he was bruised all over his body.

“died?”

“Is this true?” He Yurou’s pretty face turned pale, and the whole person stood up and asked in surprise.

“Ok?”

“Why, do you know each other?” Leonard Chu was a little confused and He Yurou’s reaction.

After asking casually, he continued, “My father just heard that, who knows the truth?”

“However, I don’t think eight or nine are separated from ten.”

“It’s like them who use brute force to mess with society, licking blood on the tip of the knife all day, looking brilliant, but living a precarious life, and suddenly dying is not impossible.”

Chu Wen Feiyue said, He Yurou’s face became uglier, and his heart became colder.

However, just when He Yurou asked again, their cruise ship was suddenly stopped.

“The waters ahead are closed, and visitors are not allowed to enter.”

“Please, return immediately.” Several staff members, riding in the law enforcement boat, stopped them in the lake.

“what?”

“No entry?”

“Why?”

“The West Lake is public water. Why don’t you let us in?”

Upon hearing this, Zhang Xinyu was immediately dissatisfied.

Leonard Chu also frowned, especially after seeing a few wooden boats sailing in not far ahead, he was undoubtedly even more dissatisfied.

“You said the waters are closed, so why can they enter?”

“Brother, why, do you think we are young and bully?” Leonard Chu asked coldly.

“You are not the same as them. They are registered, allowed to enter, and have access certificates. But you obviously don’t.” The staff explained.

“I don’t care. If you let them in, you have to let us in, otherwise, we will complain to you.” Zhang Xinyu threatened.

“It’s up to you, anyway, we also follow orders.” The staff slowly said.

“Forget Xinyu, why embarrass them.”

“If you don’t let it in, you won’t enter. The West Lake is so big, where is not all the scenery?”

The family of He Yurou who grew up under the system is well aware of the difficulties of these people’s grassroots employees.

On the one hand it is the order of the superior, on the other hand it is the appeal of the masses.

Sandwiched in the middle are these lowest-level employees.

“Forget it?”

“Just relying on his smashing tone, it can’t be forgotten.”

“Don’t worry, I have a relationship.”

“When I make a call, they will not dare to stop again.”

Leonard Chu stood up and said with a slight sullenness.

“Wow, Fei is domineering!”

Zhang Xinyu and Yang Zijiang cheered immediately.

Afterwards, Leonard Chu took out his cell phone and dialed a call.

In the real estate industry he deals with most is the government department. It is not difficult for Leonard Chu to find a relationship in it.

However, a few minutes later, Leonard Chu hung up the phone with an ugly expression.

“Brother Fei, how is it?” Zhang Yu asked curiously.

Leonard Chu shook his head: “It’s not easy to do. Wang Ju said that there is a celebration here today, and all the big people from all provinces and cities will come.”

“is it?”

“It seems that we really can’t get in.” Zhang Xinyu shook his head, a little disappointed.

In the end, the four of them turned around and left.

However, on the way back, Zhang Xinyu still missed it.

“You said, what celebration can be held in this West Lake?”

“Half of West Lake is blocked?”

“The director-level cadres don’t have the authority to let a few people in.”

“Could it be the G20 summit?”

“Heads of state are here for meetings?”

Zhang Xinyu pulled more and more outrageous, and He Yurou and others laughed.

“Xinyu, stop guessing.”

“If it is really the G20 summit, it is estimated that the entire West Lake will be under martial law for ten miles?”

“It will not only block the lake center area.”

He Yurou said with a smile.

When Leonard Chu and the others returned, a large number of ships approached oncomingly, and they all drove into the blockade in front of them.

“Ok?”

“Yu Rou, Brother Fei, don’t you think the makeup of the people on the boat is weird?”

“Most of them wear long robes.”

“I don’t know. I thought it was the martial arts convention. It seemed like the heroes of all parties gathered here?”

Zhang Xinyu chuckled.

When he said that, Leonard Chu and others also discovered that the people on board were somewhat different from normal people in terms of temperament and clothing.

“No, I can’t help it anymore, I have to go in and take a look.”

Zhang Xinyu Annai couldn’t help being curious.

Then, on his own initiative, he drove the boat to chase forward.

“Uncles and uncles, please wait a minute~”

Zhang Xinyu shouted from behind.

Soon, the people on the wooden boat ahead noticed them.

“Our ship is out of fuel, can you let us get off the ship, we are willing to pay.”

Zhang Xinyu shouted while waving his hands.

Leonard Chu thought that Zhang Xinyu’s little trick was useless at all, but he didn’t expect that after a while, the boat actually stopped and put down the ladder to pick them up.

“I’ll go, this is okay?”

Leonard Chu, Yang Zijiang and others were all at fault.

Only Zhang Xinyu smacked the tip of his nose triumphantly, and then the group got on the boat.

“You guys, you guys, surely you didn’t listen to the teacher’s words, you sneaked out, right?”

“The young people now are too impetuous.”

“As soon as there is excitement, I have to run over and join in.”

“With this time, it’s better to stay in the division to practice.”
