

# Chapter 2882– 2883 of A Dish Best Served Cold Novel

## Chapter 2882

At a young age, he has such strength.

The other party is undoubtedly a little too young.

“Who is Your Excellency?”

“What does it mean to come here today?”

Lu Songliang’s words were cold, and there was a sense of coldness in his eyebrows.

Obviously, Lu Songliang was already a bit irritated by the other party making trouble at his own title feast.

If the other party does not give a joint explanation, I am afraid that Lu Songliang will not give up.

As Lu Songliang came to the surface of the lake, the young figure in front of him gradually stopped.

He stopped where he was and slowly raised his head.

Facing Lu Songliang’s question, his red lips lightly opened, and he said slowly.

“Noirfork Mark.”

“Come to pacify Lu’s family.”

what? ! !

Mark’s words were like a huge boulder falling into the sea, and for a while, a huge wave was set off.

Especially after hearing the name Mark, everyone present seemed to be struck by lightning.

“Ye Yefan?”

“He is Mark?”

“That fallen Wushuang title, Ye Yefan?”

“God.”

“how can that be?”

The audience was in an uproar, and everyone trembled.

Everyone looked like a ghost, looking at the figure of the young man in front of him.

Who would have thought that a person who had fallen for more than half a year would appear again at this moment?

Moreover, as soon as he appeared, he threatened to wipe down the Lu family?

What is he going to do?

Is Lu Songliang unable to kill the new title?

“My God~”

“This world is crazy.”

Among the crowd, some people wailed, only feeling that their scalp was numb.

Even they are like this, let alone Lu Hua.

At the moment when he heard the name Mark, Lu Hua was shocked.

Squatted to the ground.

“Ye Yefan?”

“Is he really Mark?”

“He didn’t even die?”

Lu Hua’s brain is blank, and the whole person is almost stupid.

What do you mean?

Lu Hua is now.

Among the people present, it was Lu Hua who had truly seen Mark’s power.

This is a young man in the land of the Americas, who has overwhelmed the strong from the nations.

This is a super ruthless person who is not afraid of Trumen, is arrogant, and kills two Trumen elders in a row.

This is a peerless evildoer who can contend with two titles by one person!

Lu Hua has personally experienced the fear of being dominated by Mark.

Those who have fallen now have returned.

One can imagine how strong Lu Hua's despair and fear are.

What's more, Lu Hua knows that what he has done in the past six months has surprised Mark.

There is no doubt that once he falls into Mark's hands, it will definitely end with a thousand swords and no burial place.

It is strange that Lu Hua is not afraid.

He now wants to dig a hole and bury himself.

But when Lu Hua was panicked, his father suddenly grabbed his wrist.

The temperature from his father's palm gave Lu Hua a moment of stability.

"Xiaohua, don't worry."

"This time is different from the past."

"If it were before, our Lu family might still be afraid of Mark's three points."

"But now, your grandpa has a title."

"Even if we are alone, we don't need to be afraid of him."

"What's more, behind us, there is a family heritage."

"So, even if Mark is not dead, don't panic."

"Your grandfather, as well as your family, will protect you."

## Chapter 2883

"Father... Father, really?"

"Is Grandpa really willing to fight against a titled master for me?"

"Grandpa, will you hand me over~"

Lu Hua was obviously panicked, even though his father was beside him, his tone of voice was still trembling.

After all, the difference in strength between him and Mark was too great.

If he fights alone, he is not Mark's enemy at all.

The only thing he can rely on now is his family.

But Lu Hua was also afraid, afraid that Grandpa and the others would abandon themselves for the benefit of the family.

Compared with a titled master, his Lu Hua is after all too insignificant.

Growing up in this big family since childhood, Lu Hua also knows well that for any big family, family interests always come first.

Anyone can become a victim of family interests.

Of course, he also includes Lu Hua.

“What nonsense are you talking about?”

“You are the future of our Lu family, and the best descendant of our family.”

“How could your grandfather give up on you.”

“You don’t have to think about it.”

“Just hide here with peace of mind.”

“No matter how hard the storm is, my own family will carry it for you.”

“What’s more, it is also the meaning of the family to let you get involved in Noirfork. Now that something has happened, it is not your responsibility alone.”

Lu Hua’s father Lu Ziming comforted him.

Hearing these words, Lu Hua’s heart has undoubtedly become much more stable.

And when Lu Hua was panicked, Leonard Chu among the crowd was naturally not peaceful.

He looked at the thin figure in the distance, his eyes were almost bleeding, and his eyes were red.

“Mark?”

“He turned out to be Mark?”

“Damn it, why is he again~”

“Why can’t I get rid of him wherever I go...”

“Why, why on earth?”

Leonard Chu clenched his palm tightly, and the whole figure was half crazy and growled uncontrollably.

He traveled thousands of miles away, left his hometown, and came to Jiangbei. Why?

Not to get rid of Mark’s nightmare.

But Leonard Chu didn't expect that Mark would be in the dark.

No one knows what a breakdown in Leonard Chu's heart at this time.

"Leonard Chu, do you know Mark?"

"It seems to be very powerful."

Yang Zijiang whispered to the side.

"Awesome fart."

"It's just an arrogant and arrogant slut boy."

"Sooner or later, you have to die in someone else's hands." When talking about this Mark, Leonard Chu gritted his teeth angrily.

But no one noticed that the intoxicating smile on the corner of He Yurou's mouth after learning that the young man in front of him was really Mark, never disappeared.

"Are you really Mark?"

"The unparalleled young master?"

"You...didn't you fall?"

When everyone trembled, Lu Songliang above the West Lake also suddenly trembled in his old eyes.

Even the tone of speech was somewhat guilty and unexpected.

"Falling?"

"Your Lu family hasn't gone down yet, how will my Mark fall?"

Mark sneered, and the anger in his words caused the water of West Lake at his feet to set off a huge wave.

"Master Wushuang, what do you mean?"

"You and I don't know each other. Why do you say such words when you come up and threaten to destroy my Lu family?"

"Your Excellency, don't you think it's a bit too late?"

This Lu Songliang can be said to be an old man.

After the initial accident, he calmed down quickly.

At this time, facing Mark, he not only did not show any guilt or shame, but also plausible, and asked Mark in a deep voice.
