

Chapter 2904– 2905 of A Dish Best Served Cold Novel

Chapter 2904

Even if I go back, what's the use?

Even his grandfather who stepped into the title realm did not block Mark's footsteps. Now the remaining strong men in the family are not even grandmasters. In front of Mark, they are not all chickens and dogs. I am afraid that it will be an instant. If you can't stop it, how can you protect him?

"Go to Gritsberg."

"Go to the Martial God Temple!"

"Yes, I will take you to the Martial God Temple."

"That Mark massacred the titled master of the Wushen Temple in public, and slaughtered the pillar country powerhouse in the summer."

"This is already a big sin!"

"The masters of the Wushen Temple will definitely not allow Mark to do anything wrong."

"As long as I send you into the Martial God Temple, you will be safe."

"Then Mark is so awesome, could he still dare to use his own power to break into the Yanxia Martial Temple alone?"

"At that time, we will inform the Sword God, the King of Fighters and others that their canonized titled master was killed by Mark, and maybe the Martial God Temple will capture and kill Mark in a rage."

"In short, no matter what the result is, you can't die."

After analyzing the situation clearly, Lu Ziming resolutely changed his course and headed to the Gritsberg Temple of Martial Arts.

"Xiaohua, you are the hope of our Lu family and the fire for the future of our Lu family."

"In any case, my father won't let you die."

Inside the car, Lu Ziming's eyebrows were condensed, and he said solemnly.

In the words, there is firmness.

However, when Lu Ziming and his son fled to Gritsberg, they did not forget to call the family.

“Hey, is that your second brother?”

“Don't say any more, now you listen to me.”

“Notify the children of the whole family to leave the family immediately and flee Lin'an.”

“Don't take anything, don't bring anything, leave the family, leave Lin'an, and leave Jiangbei as quickly as possible.”

“How far, let them escape.”

Huh~

Out of the car window, the wheels are speeding.

The oncoming wind made a devilish growl.

Lu Ziming in the car, with an unusually heavy and painful mood, was talking on the phone to his second brother.

The person on the phone was obviously startled after hearing this.

“Big brother, what is going on, what happened?”

“Our old father has just been promoted to the title, aren't you holding a title feast on the West Lake at this time?”

“Why are we suddenly letting our family fled?”

“What the hell happened?”

Nowadays, the Lu family, because the old man Lu has stepped into the title, it is the prosperous scene of joy and prosperity.

When the title feast was held on the West Lake, the Lv family members of the left-behind family were also having a feast in the family, inviting political and business celebrities to gather for congratulations.

However, at this great time, when I suddenly received this call from my elder brother, it was undoubtedly a bolt from the blue for the Lu family, and it could be said that there was no preparation at all.

“I said, I don’t have time to explain to you.”

“Immediately do as I say!”

“Everyone, run for my life.”

“It’s a matter of the life and death of the family~”

Boom~

Lu Ziming was still roaring, but shortly afterwards, there was a dull roar on the phone.

Immediately afterwards, a scream and panic sounded.

Lu Ziming suddenly panicked: “Second brother?”

“Second brother, are you talking?”

“what’s happenin?”

“What happened to you?”

“Second brother, speak!”

Lu Ziming growled frantically.

Chapter 2905

However, let Lu Ziming shout. On the other side of the phone, no one responded.

“Father, what’s the matter?”

“On the family’s side, it won’t be anymore... has something happened?”

Seeing his father’s disrespectful appearance, Lu Hua on the side was undoubtedly more panicked, speaking with tremors.

Lu Ziming shook his head and said weakly, “I don’t know either.”

However, just when Lu Ziming was about to hang up, there was finally another voice in the receiver.

Lu Ziming was overjoyed and asked quickly: "Second brother, what happened just now?"

"Why is it so messy over there?"

Lu Ziming asked anxiously.

However, Lu Ziming's expected answer did not appear, but what echoed in his ears was a very cold word: "It looks like you have already escaped."

Hearing this sound, Lu Ziming and Lu Hua and his son trembled all over.

At that moment, Lu Ziming's eyes widened.

"You...you are, Ye... Mark?"

"Where is my second brother?"

"Where are my people?"

"Asshole, what are you going to do?"

"You have killed my father, isn't that enough?"

"Do you have to kill everything?"

"Why can't you let us go alive?"

Lu Ziming's eyes were red, even if Mark hadn't said anything yet, he had almost thought of the ending of his father's family and relatives.

Not knowing whether it was because of anger or sadness, Lu Ziming snarled at the phone.

However, the young man on the other end of the phone smiled.

"Spare you?"

"Don't you think this is ridiculous?"

"Before you ask me, why don't you ask your son Lu Hua, ask yourself, ask your Lu family."

"Have you ever left a way out for my relatives of Mark?"

"You are ruthless and unrighteous first, so how can you blame me for killing you all?"

“Today’s ending, it’s your fault!”

Boom~

Mark’s last drink, only if the thunder exploded.

Even when the phone was shaken by Mark’s words, there was a rush of electric current.

Lu Ziming’s ears were also buzzing, and at the same time, his heart was also cold.

Hearing what Mark meant, it was obvious that he was not going to let their Lu family members go.

“Asshole, Mark, you asshole, you demon~”

“You executioner~”

“You are so cruel!”

“You are killing so rampantly, aren’t you afraid of the sanctions of the Yanxia Martial Arts?”

“War God Temple will definitely not let you go~”

Lu Ziming roared, roaring like a beast in his mouth.

But how could Mark care about his threats?

Even before, if Lu Ziming used the Martial God Temple to suppress him, Mark would never care.

What’s more, he nowadays, looking at the world, few people can make him afraid, so naturally he doesn’t care much.

At random, facing Lu Ziming’s roar, Mark just sneered: “Listening to what you mean, I am preparing to flee to Gritsberg and seek shelter from the Martial God Temple.”

“In that case, it’s easier.”

“It just so happens that I have something that I need to explain to the Martial God Temple.”

“At that time, everything will be solved at once.”

“You go first, and I’ll be there later.”

The faint words sounded like a breeze.

After speaking, Mark crushed the phone in his hand with one foot.
