

## Chapter 291

The host's words left everyone stunned.

Both of these are the world's top luxury cars. It is rare to see them in normal times. There are not even a few in China, so they were bought by the same person in advance?

You know, this level of a luxury car cannot be bought simply by money!

Aston Martin's one77 is only open to members of the Aston brand, and the buyer must have three or more Aston Martin sports cars worth more than ten million in order to be eligible for purchase.

This is the only way to qualify. This car is limited in the world. There are only 77 cars in more than 200 countries around the world. There is not even one in China!

The Bugatti Veyron Hermès special edition sports car is more difficult to purchase because Bugatti itself serves the world's top rich, coupled with Hermès joint customization, it is simply expensive!

These two cars were actually bought by the same person, which shows that this person's identity and status are astonishingly powerful!

However, Charlie's eyes were not on these two cars.

He was looking for Claire's figure everywhere in the crowd.

When he repeatedly searched for a long time and couldn't find her, he suddenly heard a man next to him say: "Claire, come and take a look at these two cars. These two cars are really the best in the world, even I have never seen them.!"

Charlie turned his head when he heard the sound, and saw Claire, a man, and a woman still following her.

The men's suits and leather shoes looked greasy, while the women's clothes were cool and slim, but they were far worse than Claire's.

At this time, Claire was following the person, smiling slightly, and said: "Manager Gao Junwei Junwei, I don't have much research on cars."

The person called Mr. Gao Junwei laughed and said: "I have a deep research on cars. After all, our convention and exhibition center often undertakes some auto show activities."

Seeing that Claire was keeping a normal distance with the other party, and also called the other party's manager Gao Junwei, he guessed that she might be out to talk about cooperation, and he was suddenly relieved.

Since his wife is here to talk about cooperation, if she finds out at this time, he might be misunderstood by her, so Charlie is ready to take the opportunity to slip away.

Unexpectedly, as soon as Claire raised her head, Claire glanced at him and asked in surprise: "Charlie, why are you here?"

Charlie didn't expect to be discovered by Claire, and hurriedly said, "I have come to see and meet the world, wife, why are you here?"

Claire nodded and didn't think much about it. She explained to Charlie, Mr. Gao Junwei beside her, and said, "Charlie, let me introduce to you. This is Mr. Gao Junwei from the Gao family. Aurous Hill Convention and Exhibition Center is theirs. The home industry, they were one of the partners of the Willson Group before, and now their cooperation with the Willson Group has stopped. It just happens that the exhibition hall of the Convention and Exhibition Center will be renovated in two days, so they invited me to talk about cooperation."

With that, Claire introduced the woman next to Gao Junwei to Charlie again, and said: "By the way, this is Juan Jones, my former high school classmate, now she is the secretary of Mr. Gao."

At this time, Juan glanced at Charlie, with surprise, and said: "Claire, I heard from our high school classmates that you hired a very useless live-in son-in-law, and it turned out to be him. kind of you."

Gao Junwei smiled faintly, watching Charlie's eyes flashed with hostility, but then he hid it well.

## **Chapter 292**

He had always thought about Claire and knew Charlie's existence, but he had never seen it before.

Knowing that the person in front of him is Claire's useless husband, Gao Junwei looked at Charlie and asked curiously: "I don't know where Mr. Charlie is now?"

Charlie said lightly: "I am a vagrant now."

Juan said in disdain: "Isn't that just for soft rice?"

Gao Junwei's eyes also flashed a trace of disdain. When Claire was still in the Willson Group, he had a good impression of Claire. Now he heard that Claire started her own business, so he deliberately found Claire. He threw out an order for the renovation of the exhibition center and invited her over.

Thinking of having to establish an image in front of Claire, he looked at Charlie and smiled slightly: "Charlie, in fact, you shouldn't be here today. Those who came to participate in the auto show today are all famous figures in Aurous Hill City. You just came here to embarrass Claire?"

Claire's face immediately became ugly when she heard this. She didn't expect Gao Junwei to ridicule Charlie, so she was naturally a little unhappy.

However, before Claire could speak, Charlie's eyes became cold, and he said lightly, "Is this kind of exhibition really awesome? I wouldn't come if it wasn't for my car here."

"Your car is here? You don't look at your identity?"

Juan yelled contemptuously from the side, and said, "Don't you know that the luxury cars on display here start at a million? I think you can't even afford a wheel off them!"

Gao Junwei was even more disdainful of Charlie, and said proudly: "Charlie, I know that your kind of live-in son-in-law's mind is to eat soft rice? You want to have a little face, so you want Claire to buy it for you. Right?"

Claire said with a cold face: "Manager Gao Junwei, Charlie doesn't need me to buy a car for him. Charlie bought me the car I drive."

Gao Junwei was taken aback for a moment. He didn't expect that Charlie could still afford a car to give it to Claire.

Juan looked at Charlie and laughed disdainfully, then sneered: "Is it possible that you can get off the car?"

After finishing speaking, she turned to Claire and asked, "Claire, what car did your husband give you? Could it be Chery QQ?"

Claire said: "Charlie bought two cars in total, one is the BMW 520 for me and the other is the BMW 530 for my father."

Juan said in a weird manner: "Yeah, I didn't expect your husband to have money."

Gao Junwei shook his head and smiled contemptuously: "BMW 520? This kind of car is driven by a subordinate in our house. How can it be matched with Claire."

Immediately, he looked at Charlie and said coldly: "Charlie, a BMW 520 is very cheap. If you take a loan, the down payment is only 100,000, but the luxury cars here are all millions. You buy A great luxury car, the BMW 5 Series is not eligible to enter at all. The last time is the BMW 740. Moreover, at this auto show, there are also two top luxury sports cars in the world. You can open your eyes this time."

Charlie smiled indifferently, pointed to the two top luxury cars on the platform, and asked, "You said that these are all luxury cars that I can't afford. Then I ask you, these two top luxury sports cars in the world, you can buy them. Are you up?"

Gao Junwei sneered: "In this exhibition hall, except for these two cars, I can afford every other car. What about you? rag like you, I see you go wherever you want, but you can't afford one!"
