

The One and The Only Chapter 291 - 300

Sure enough, a large number of Wang Daofang's soldiers, after taking control of the scene, began to clear the scene.

He looked around the guests at the scene and said indifferently: "People who have nothing to do with this matter can leave now."

Everyone on the scene left after hearing this.

Although everyone would like to see the follow-up, this incident is obviously not a good thing. If anyone dares to stay, he is not allowed to wait and leave first. Therefore, everyone was lucky.

Even Song Qingsong's family followed.

Soon, only Yash Nics and Song Pingting, Wang Daofang, and a group of soldiers were left at

the huge reception, as well as Lu Shanshan and her gang.

Yash Nics looked at Lu Shanshan, who was still immersed in shock and could not recover,

and asked: "Now, do you want me to kneel down for you?"

Lu Shanshan is now being pointed at by ten submachine guns, and all of her men are being pointed at. Grab.

If it is an ordinary person, this situation would have been scared to pee.

But Lu Shanshan was not frightened, and slowly recovered.

She looked at Yash Nics with a pair of eyes, as if re-examining Yash Nics, and said coldly:

"Yash Nics, it seems that I underestimated you a bit."

"You can let General Wang escort you, you really are."

She sneered and said: "I was planted this time, and I recognized it."

"I am at best an attempted murder. With my status and strength in the Lu family, I just

wandered around the prison and came out soon. "As

she said, she walked towards Yash Nics unhurriedly.

When she came to Yash Nics, she leaned close to Yash Nics's ear and whispered like a

poisonous snake, “The day will be long, and the one who laughs last is the one who laughs best.”

“The South is the territory of our Lu family. You and your family live in the South.”

“Not every time you and your family are so lucky as tonight, with General Wang guarding them.”

Lu Shanshan said here. Looking at Song Pingting who was next to Yash Nics, she smiled

viciously: “Your wife is a good-looking man, remember to protect her, otherwise she may not be sold to the kiln.”

“And I remember. , You have a daughter, she seems to be a beauty embryo, you also remember to be more optimistic...”

Lu Shanshan’s voice was very soft, but it was full of threats. Song Pingting heard it coldly and her pretty face was pale.

The reason is that it is too simple to deal with her and her family based on the strength of the Lu family in the south.

At the same time Song Pingting also knew that Lu Shanshan was here for real, not just for fun.

Just when Song Pingting was scared, Yash Nics suddenly held her hand. Yash Nics’s warm and powerful hands instantly gave her incredible trust and safety.

Let her nervousness and fear alleviate a lot.

Yash Nics looked at Lu Shanshan and said blankly and indifferently: “Lu Shanshan, you have a way to survive, but it’s a pity that you have done your own work and cannot live.”

Yash Nics’s voice was very cold, and even the surrounding temperature seemed to drop a lot.

Lu Shanshan even saw a murderous opportunity in Yash Nics’s eyes. She was surprised:

“What do you mean by this? I just asked someone to teach you. The crime is not dead, at most it is a gathering of people to make trouble and detain me. It’s just a few days.”

“If you want to move me, it’s best to think about the consequences. Our Lu family won’t let go.”

Yash Nics snorted, “You don’t die?”

“How can you be a poisonous woman? It’s clean, I don’t know how many bad things I’ve done in secret.”

“Today you are looking for death, I will fulfill you. Dig up all the bad things you have done secretly, and see if you are not dead?”

The One and The Only Chapter 292

Yash Nics finished speaking, he took out his mobile phone and called Dian Chu.

It is required that within ten minutes of the code, Lu Shanshan must be cleared up, and all the criminal information of Lu Shanshan must be checked.

Dian Chu received a call from Yash Nics and immediately mobilized dozens of departments to act urgently.

In addition to several important departments of the police, even Guoan, Hongke, and hacker organizations all started urgently to investigate and retrieve all information about Lu Shanshan.

Ten minutes later, Dian Chu sent the organized evidence of Lu Shanshan’s crime.

Yash Nics handed the phone to Wang Daofang and asked Wang Daofang to read them one by one.

Wang Fang watched and read: “Thirteen years ago, Lu Shanshan with a girl called school beauty title contention concern, ordered his car in trouble to care killed.”

“Ten years ago, Lu Shanshan with the famous musical genius Jiang Xiaobo occur an extramarital affair. Later, fearing that the extramarital affair would be exposed, he sent someone to set fire in Jiang’s house, causing the seven Jiang family to die in flames...”

“Eight years ago, Lu Shanshan bribed District Chief Liang Jianfeng, Liang Jianfeng collected the money and didn’t do anything. Lu Shanshan sent a family killer to kill Liang Jianfeng. ”

...

Wang Daofang kept reading Lu Shanshan’s past crimes one by one. These are very secret things. Many crimes are not known to Lu Shanshan’s family, and even she herself has almost forgotten.

But these crimes that should have been unknown to no one were dug up by Yash Nics with a phone call.

This is so much capable of reaching the sky to be able to do it?

Lu Shanshan looked at Yash Nics in horror. Every time Wang Daofang read out one of her old crimes, her pretty face became paler.

Yash Nics couldn’t listen anymore and interrupted Wang Daofang and said, “No more, these charges are enough to kill her ten times. How to deal with it, General Wang, you can figure it out.”

After speaking, Yash Nics left with Song Pingting.

At this time, Lu Shanshan didn’t have the domineering and domineering she had before, her face was gray, and she knelt in front of the royal road, begging: “General Wang, please let me go. Our Lu family will definitely repay you. ”

Wang Daofang said coldly: “The moment you kill Mr. Yash, you are dead, and I dare not spare you.”

Lu Shanshan’s eyes widened and trembled: “Why, who is he? , Why do you defend him so

much? You are not even afraid of offending our Lu family or Lord Tang?" Wang Daofang said calmly, "Let you understand that he is my teacher. I have today's achievements because of him." the promotion. "

Lu Shanshan do not believe, say out loud:"?? impossible, he was how old you are old also much larger than him, how he could be your mentor, how to promote you, "

Wang Fang eyes showing reverence color: "Although he is young, but it is the Northern territory Marshal, if not the Chinese God of War I was fortunate to follow him, to get his promoted after another, there will not be me today.."

Northern territory Marshal, the Chinese God of War!

Lu Shanshan felt as though she was hit by a bolt from the blue, and she was stupid.

She lost her voice: "Yash Nics is the young commander of the Northern Territory? Impossible, it's impossible..."

Wang Daofang looked at Lu Shanshan, who had completely collapsed and lost his way. He stopped talking nonsense with her, and solemnly ordered his subordinates: "Send her on the road. !"

The One and The Only Chapter 293

Soon, with a shot, Lu Shanshan fell down, ending her guilty sound.

Wang Daofang also ordered: "The rest of the servants will all be arranged for labor reform in the military prison."

"Yes!"

There is a saying that good things do not go out, and bad things spread thousands of miles.

Soon, news of Lu Shanshan's death spread. Everyone is speculating, what is going on? There is a widely circulated saying: Ouyang Hai, the former richest man in Zhonghai, pleaded with Lord Tang, begging Yash Nics for mercy, and Lord Tang agreed.

But Lu Shanshan violated Tang's order and insisted on killing Yash Nics, which angered him.

Tang Ye is angry, the consequences are serious!

Lord Tang found Wang Daofang and took Lu Shanshan's life. Warn everyone, this is what

goes against the will of Lord Tang!

Song family, mansion.

Song Qingsong's family is discussing.

Song Zhongxiong cursed and said: "We thought Yash Nics was so great, so it had nothing to do with him."

Song Zhongping also said, "It is said that it was not Ouyang Hai who pleaded with Tang Ye,

and Tang Ye owed Ouyang Hai a favor. Yash Nics is now a dead body."

Song Qingsong coldly snorted: "At the time, I thought Yash Nics was so good. It turned out

to be a fake fox, and a blind cat met a dead mouse."

"It's a pity that ruby necklace, I knew it a long time ago. Lu Shanshan will end up like this, we

shouldn't give her such an expensive necklace."

Ge Meili nodded: "Isn't it, we didn't catch anything. Bai rejoices, but also falsely alarms."

...

Jiangbin Garden Community, Home.

Song Zhongbin and Ma Xiaoli also happily looked at the resounding of the lost ruby, and

they praised Yash Nics's so capable and really got the necklace back.

Song Pingting, who had just finished the phone call, walked over and said with joy to Yash

Nics and the others: "Many friends called and asked about our safety. I also learned

something from them."

Yash Nics blinked. Eyes: "What's the situation?"

Song Pingting said: "It is said that Lord Tang could not understand Lu Shanshan's evil

deeds. He invited General Wang to preside over justice and sanctioned Lu Shanshan."

Song Pingting's family felt that Lord Tang was upright and selfless. Said that Lord Tang is really the elder of the folks.

When Yash Nics listened, the corners of his mouth rose slightly, not commenting.

The next day was the weekend, and his daughter Song Qingqing was sent to the Go Hall to learn Go.

Song Pingting has been busy recently, and she rarely takes Yash Nics to go shopping with her when she is free on weekends.

The two came to Tianhe Shopping Mall and strolled layer by layer.

All of the third floor is a fitness club. Song Pingting has never participated in any fitness

before. At most, she practices yoga by herself at home.

Recently, when she was free and okay, she saw many beautiful women working out in the

gym on Douyin, such as practicing buttocks and body sculpting.

Everyone has a love for beauty. When Song Pingting saw these fitness clubs, she was

curious and pulled Yash Nics in.

She wants to see what the gym is like, is it possible to build a good figure by coming to the gym to exercise?

Although it is ten o'clock in the morning, many men and women are already using fitness

equipment in the gym, and many strong fitness trainers are giving directions.

It's just that when Yash Nics saw these fitness instructors, they were all around the female students.

And when teaching female students to move, they also wiped oil intentionally or unintentionally.

The female students didn't know if it didn't matter, or didn't realize it, and let the coaches lick it.

Yash Nics was not willing to let his wife work out in such a place, and was about to greet

Song Pingting to leave.

Suddenly, a male trainer with an extraordinarily strong figure, wearing a white vest and gym

pants, and wearing AJ sneakers on his feet walked over.

The One and The Only Chapter 294

male coach smiled and said: "Hello, are you here to sign up for fitness?"

My name is Liang

Weijie, and I am the gold medal fitness coach here!" When

Liang Weijie spoke, he just stared with a smile Song Pingting didn't even look at Yash Nics.

It was obvious that he only wanted to be Song Pingting's coach.

Song Pingting didn't notice Liang Weijie's squinted eyes, she only thought that the coach

was so enthusiastic to the students.

She said embarrassedly: "No, no, we were curious to come in and take a look."

Liang Weijie looked around Song Pingting's tall and slender figure, and said with a smile:

"This lady, your figure is very good, but I think it's still There is room for ascent. If you sign up

for our fitness class here, your body will be more perfect."

"For example, buttocks, you can practice more

curled and more elastic." When Liang Weijie said, he even reached out and touched Song

Ping Ting's buttocks.

Yash Nics's eyes were quick and fast. Before Liang Weijie's hand touched Song Pingting, he

swept away Liang Weijie's hand first, and said angrily: "What are you doing?"

Liang Weijie's eyes showed a hint of regret, but his face But his expression is very serious.

It seems that his behavior just now is as normal as the doctor and the patient pulse, and

there is nothing wrong with it.

He said displeased: "This man, I'm just telling this lady that some parts of her body can be

made more perfect. There is no wickedness. What is your anger?" Yash Nics said coldly. "You can be so arrogant to be a hooligan?" Liang Weijie was immediately unhappy when he heard the words. He was more than two meters tall and stared at Yash Nics condescendingly: "Speak well, who is the hooligan? You fucking slander me, believe me. If you don't believe me, I will beat you?"

As Liang Weijie's voice fell, a few strong coaches not far away came all the way, collectively glaring at Yash Nics. Song Pingting realized that the gym was not as healthy and uplifting as she had imagined, but a place of mist and smoke. She took Yash Nics's hand and said in a low voice: "Yash Nics, let's not be familiar with these people. This is not suitable for us, let's go." Liang Weijie stopped Yash Nics and yelled: "Boy, don't go if you don't make it clear. What is the matter of accusing me of being a hooligan?" "If you don't make it clear, boy, then I can only play a hooligan to your wife as you said."

Several coaches around Liang Weijie laughed happily. One by one stared at Song Pingting with ambiguous expressions.

Yash Nics's face sank: "It seems that you are owed." When several coaches saw this, they laughed and said to Liang Weijie: "Brother Liang, this little brat has a crazy tone. He seems to be fighting with you?" Liang Weijie heard the words. With a sneer: "With his thin body, he dared to fight with me, so I can call the ambulance first." Liang Weijie said, he really took out his cell phone and called 120: "Hey, I am Tianhe Shopping City. , Liang Weijie, the trainer of

Tamron Gym. Someone is going to be killed by me, your hospital should send an ambulance!”

Liang Weijie finished speaking, hung up the phone, and provocatively said to Yash Nics,

“Boy, give you the last chance to be rescued. Before the car comes, kneel down and apologize to me.”

The One and The Only Chapter 295

Yash Nics’s mouth rose slightly: “It seems that you are a little self-aware. Before you get beaten, call an ambulance.” Liang Weijie was stunned when he heard

the words, and immediately angered: “The ambulance is for you to call. Yes, if you don’t

want to give you a chance, don’t blame me for being impolite.” After he finished speaking, he just raised his casserole-sized fist and threw a punch at Yash Nics.

Yash Nics also raised his hand with a punch.
boom!

The two men collided with fists.

The cracking bones cracked, Liang Weijie’s right fist, the bones were crushed, and the back

of his hand was swollen larger than a steamed bun.

“Ah!” As

soon as Liang Weijie’s scream sounded, Yash Nics had already taken a kick.

With a bang, Liang Weijie was kicked upside down by Yash Nics, knocked over a pile of

fitness equipment, and was seriously injured.

The coaches on site, as well as many fitness men and women, were all stunned.

Yash Nics snorted coldly, and was about to leave with Song Pingting.

A group of doctors and nurses hurriedly arrived carrying a stretcher.

The leading doctor came in and asked: “Coach Liang Weijie who reported 120 for an

ambulance, where are the injured?”

Yash Nics smiled and pointed the way to the doctors and nurses who had just arrived:

“There is lying in the desert. , Is the seriously injured person you are trying to rescue, Coach Liang Weijie.”

The doctors and nurses who came to the emergency department were dumbfounded and confused: “What’s the matter? Didn’t Coach Liang Weijie call 120 for an ambulance? Why do you need to be rescued? Is it him?”

...

Yash Nics and Song Pingting came out of the fitness club.

As he was about to go shopping on other floors, a man in a white suit suddenly chased out

with two bodyguards behind him: “Please wait!”

Yash Nics and Song Pingting originally thought they were in the fitness club and refused to

give up, but after turning around, Song Pingting saw the person’s appearance clearly and

was a little surprised: “Han Jinyu, Senior Han!”

It turned out that the man in the white suit was named Han Jinyu. , Used to study at the

same university as Song Pingting.

When the two were in college, they both held positions in the alumni association, so they knew each other.

Han Jinyu was pleasantly surprised: “Song Pingting, it’s really you, I’m still worried about

confessing to the wrong person!”

Song Pingting took Yash Nics’s arm and smiled and said, “This is my husband Yash Nics,

Yash Nics. , This is my former senior Han Jinyu. ”

Han Jinyu knew about Song Pingting’s unmarried child, but she didn’t expect that she

already had a husband.

A trace of regret flashed in his eyes, and he was swiftly boarded.

He looked at Yash Nics with a little hostility, and asked intentionally or unintentionally: “It

turned out to be Mr. Yash. I don’t know where Mr. Yash is?”

Yash Nics said calmly: "I have just retired from the army, and now I am waiting for work at home."

Turned out to be an unemployed man!

Han Jinyu regretted it more and more. At the beginning, the university flower was married to a casual guy who didn't even have a job, and a flower was planted on the cow dung!

Song Pingting asked: "Senior Han, where are you now?"

Han Jinyu reserved: "I can't talk about high school, I'm just the chairman of the China

Overseas Charity Foundation."

Song Pingting praised: "So you are. Chairman of the China

Overseas Charity Foundation, this job is good and noble." Han Jinyu said triumphantly: "I

have liked to do charity to help people in difficulties since I was a child, and my family's

financial conditions are not bad. These years, wherever there are difficulties, I will make donations."

"Gradually, I have mixed up in the China Overseas Charity Circle, and recently I was elected

the chairman of the China Overseas Charity Fund.

Having said that, Han Jinyu took out an invitation letter and handed it to Yash Nics and Song

Pingting, and smiled and said: "Tonight at the Grand Hyatt Hotel, there is a charity auction party."

"The participants are basically companies from China Overseas University. Home, raise some money to donate to your alma mater to build an experimental building."

"If you are interested, you can come and participate."

Song Pingting was also from China Overseas University. She said happily, "Since I

participated in the charity auction party, They are all entrepreneurs from Mannity. Everyone

auctions to raise money to donate to his alma mater, so I must participate.” After Han Jinyu got the affirmative answer from Song Pingting, his eyes showed success. As long as Song Pingting comes to the charity party tonight, he will have a way to get Song Pingting.

The One and The Only Chapter 296

At seven o’clock in the evening. As night fell, the lights came on. Yash Nics and Song Pingting also have a light bulb Tong Ke. Appeared at the Grand Hyatt Hotel on time to participate in the charity auction party. Song Pingting is outstanding, and Tong Ke is cute and cute. Two beauties of different styles accompany Yash Nics in, causing everyone to look at the scene. Han Jinyu brought two of his men to greet him. He looked at Song Pingting in an evening dress, his eyes lighted up, and smiled and said, “Yash Nics, Miss Song, you are here.”

Song Pingting smiled and said, “Today. The charity auction party tonight is to raise money for the alma mater, of course I will come.” There were many people attending the charity auction party tonight, most of which were entrepreneurs from China Overseas University. Everyone sits at the same table in three or five. There is a sign on the table with the number written on it, and you can offer it at auction. Yash Nics naturally sat at a table with Song Pingting and Tong Ke. And Han Jinyu and his two subordinates were sitting at the table next to each other. The host of tonight’s charity auction party is Xu Yang, a famous auctioneer. No matter what antique calligraphy or painting, or modern luxury, he can assess the price at a glance.

Tonight, he is presiding over the party, and he is also in charge of the main hammer auction.

At this time, Xu Yang held the microphone and announced the beginning of the charity auction party.

First, Han Jinyu, the president of China Overseas Charity Foundation, the organizer, was

invited to speak on stage, and then the president of China Overseas University was invited

to speak on stage.

Then, the charity auction officially began.

Entrepreneurs on the scene are auctioning things one after another.

But they are basically tasteless things, such as calligraphy written by someone themselves;

or cheap antiques bought by someone from a street stall; or high-end watches that have

been worn for a few years, or brand-name bags that the wife does not want.

Some things cost thousands of dollars, and some things sell for tens of thousands.

Yash Nics understands that on this occasion, all entrepreneurs are not really doing charity.

Everyone here is mainly to expand contacts and get to know more business partners.

Anyway, everyone is here, meaning, and then have fun.

Make a few more business friends, and the goal will be achieved.

No one really takes a lot of money to do charity.

After all, no one's money came from a strong wind, and no one is stupid.

The host Xu Yang, seeing that everyone was not enthusiastic, smiled and said: "Dear guests,

dear alumni. I think everyone is not very enthusiastic, or else, I would like to make a

suggestion here."

"Charity tonight The one who has donated the most will get the opportunity to dance with

the beautiful ladies on the scene. What do you think?"

Xu Yang said this, and Han Jinyu took the lead in applauding.

Xu Yang stood on the stage, looked around the scene, and then pointed to Song Pingting

next to Yash Nics and said: "According to my observations, the most beautiful lady tonight is this Miss Song Pingting."

"Let's wait for the charity auction. When the dance is over, the party who has donated the most charity will get the opportunity to dance with Miss Song."

Song Pingting was stunned when she heard the words, and she wanted to refuse.

But the host Xu Yang has already taken the lead: "Miss Song, you see everyone wants to dance with you."

"In this way, everyone will actively participate in the charity auction, and will raise more

donations for the alma mater. I guess you For the sake of her alma mater, don't you mind dancing with Shou Shan tonight?"

Song Pingting was speechless, she didn't like to dance with other men, even if it was a ballroom dance.

But dancing in aristocratic circles is normal.

In addition, this incident also involves everyone's enthusiasm for charity to his alma mater.

Caused her to agree not to, nor to refuse.

Finally, she turned to Yash Nics for help.

Yash Nics whispered: "It's okay, the man who can dance with you is me."

Song Pingting was relieved when she heard that, thinking that at most, Yash Nics would have to donate more money.

The person who has the most charity money tonight can get the opportunity to dance with Song Pingting.

Han Jinyu immediately took the shot. He took out a Bentley car and got 5 million from the auction, all of which were donated.

In an instant, the person with the most donations in the audience became Han Jinyu.

Everyone at the scene exclaimed, saying that Mr. Han is worthy of being the best friend of

China Sea, and he is generous. Mr. Han is the one dancing with Miss Song tonight.

Han Jinyu deliberately showed her hand in front of Song Pingting to let Song Pingting see his charm.

Moreover, when he showed his charm to Song Pingting, he never forgot to step on Yash

Nics's foot.

He deliberately said to Yash Nics: "Yash Nics, you have been here for a long time. Why

haven't you said anything. Is it really so poor that you can't bring out one and a half items for auction?"

Everyone on the scene looked at him instantly. Hit Yash Nics.

Song Pingting also became nervous. She and Yash Nics participated in this kind of charity auction for the first time.

Really did not bring any auction items, this time it will be embarrassing. The One and The Only Chapter 297

Yash Nics looked at Han Jinyu and said with a faint smile: "I came in a hurry, I really didn't

make preparations. But since you said that, Mr. Han, I will raise funds for my wife's alma mater tonight. Let's express it."

Yash Nics finished speaking and squatted down in front of Song Pingting. Under the shock

of everyone at the scene, she took off the rhinestone high heels on Song Pingting's left foot,

placed it on the table, and smiled and said, "Just this high heel!"

Song Pingting's face flushed, and she wanted to kick it. Yash Nics died.

The audience was dumbfounded, and the host Xu Yang also said with a wry smile: "Mr.

Yash, we can't estimate the price of the shoe you took out!"

Yash Nics said with a smile, "Then there is no minimum price or maximum price. , The higher the price."

Han Jinyu didn't expect Yash Nics to be so shameless that he couldn't take out things to auction to raise money, so he took off a Song Pingting's high-heeled shoes as a shield. He sneered in his heart: Okay, since you put your wife's high-heeled shoes for auction, then I will buy them to see where your face is? Thinking of this, Han Jinyu held up a sign: "I'll bid one thousand yuan!" The bosses on the scene, seeing Han Jinyu bid for the auction, all recovered and joined in the fun to follow the auction. Soon, the price of high-heeled shoes was robbed and sold very high, reaching 100,000. Han Jinyu seemed to be determined to win Song Pingting's high-heeled shoes. He raised the sign and said loudly: "One million, who would dare to snatch me?"

Xu Yang didn't expect that every high-heeled shoe could be photographed for one million. He was excited. Said: "One million once, one million twice, is there anyone else bidding?" "If not, then I will declare that this high-heeled shoe is Mr. Han..." Before Xu Yang was finished, Tong Ke said In accordance with Yash Nics's instructions, he raised the sign in his hand and said loudly: "My brother-in-law said that he would bid 100 million, and buy back my sister's high heels!" What? ! Bid one hundred million! Oh my god, what kind of fairy operation is this? I picked up my wife's high-heeled shoes for auction, and you guys laughed at me. But when I bid, you all were scared. I sold it myself, bought it myself, and donated the money from the transaction. I lost 100 million in vain. But what does it matter? I just made my wife laugh!

Xu Yang's voice trembled: "I announced that this Mr. Yash bought back his wife's beloved high heels for a hundred million yuan. He also donated one hundred million yuan to China Overseas University to build an experimental building." The president of China Overseas University, and countless people on the scene. The guests all applauded desperately. Congratulations to Song Pingting for having such a good son-in-law. Everyone pleased Yash Nics one after another, and wanted to make friends with Yash Nics, a arrogant figure.

Only Han Jinyu's expression was as uncomfortable as eating shit. I wanted to pretend to be forceful in front of Yash Nics, but he didn't expect Yash Nics to be really awesome. His face was really beaten. Yash Nics took out a black American Express card and paid 100 million on the spot. Then, he personally picked up the delicate rhinestone high heels on the tabletop. Walked to Song Pingting, knelt down on one knee, and gently put on high heels for Song Pingting. Song Pingting's pretty face was full of excitement, and her eyes were full of tenderness. She felt that she was happy like a princess, and Yash Nics was the knight who guarded her.

...

At this time!
Tianhai Provincial City, Tangjiazun Mansion.
Tang Beidou lay lazily on the chair, and the butler Tang Sancai, holding a razor, was shaving him.
In the corridor outside the door, a tall and straight Penty man was waiting anxiously.
Finally, Tang San finished shave Tang Beidou.
Tang Beidou sat upright, and faintly instructed Tang Sancai: "Let him come in!"

“Yes, sir!”

Tang San just packed his things and stepped back, and at the same time said to the tall man who had been waiting outside the door: “Mr. Lu, Lord Tang. Let you in.”

It turned out that the middle-aged man who had been waiting outside the door for a long time. No one else, but one of the four pillars in the south of the Yangtze River. The head of the Lu family, Lu Cangtian.

Lu Cangtian walked into the study quickly and respectfully said: “A protege, Lu Cangtian, I have seen Lord Tang.”

Tang Beidou said indifferently: “Heaven, you are anxious to see me, presumably it is for your daughter’s business.”

Lu Cangtian He lowered his head and said solemnly: “Yes, the dog was killed not long ago. I didn’t expect the little girl to be murdered again, and the disciples’ grief and indignation would be overwhelming.”

Tang Beidou squinted his eyes: “So, you came to me to ask for an explanation?”

The One and The Only Chapter 298

Lu Cangtian lowered his head further: “Don’t dare, it is said that Lord Tang spared Yash

Nics’s life, and the little girl insisted on killing Yash Nics. Therefore, Lord Tang told Wang

Daofang to take the little woman’s life as a sign of it. Punishment.”

“The protégé came here today to ask for clarity.”

Tang Beidou said lightly: “If I say that the rumors are true, I asked Wang Daofang to kill your daughter, what will you do?”

Lu Cangtian knelt and said. “The little girl is against the will of Lord Tang, and her sin is

damned. The students dare not have any objections.”

Tang Beidou saw Lu Cangtian’s attitude, his face was a little slow, and said lightly: “I said I

would spare Yash Nics's life, but there was no objection. Maybe Lu Shanshan would seek revenge from Yash Nics."

"I didn't instruct anyone to punish Lu Shanshan. As for whether Wang Daofang killed Lu Shanshan by mistake in order to please me, I don't know."

Lu Cangtian raised his head when he heard the words. Sure enough, I said that if Lord Tang wants to punish the little girl, he only needs to tell me that there is no need to let Wang Daofang take action."

Tang Beidou said: "Wang Daofang is a new general star in the last two years. It is said that he is still a young man in the north. Handsome man, if you seek him to seek revenge, I am afraid it will be a bit difficult."

Lu Cangtian really didn't dare to look for Wang Daofang's moldiness, but his son is dead and his daughter is dead, so someone must bear his vengeance. Since this person cannot be Wang Daofang, it can only be Yash Nics. In Wang Daofang's view, Yash Nics was the culprit who killed his son and daughter, and he was also the number one enemy of his Lu family.

Lu Cangtian said: "Don't worry, Tang Ye, I will not have trouble with General Wang, but Yash Nics, the initiator, must die."

Tang Beidou nodded and said casually: "I recently heard that Yash Nics's wife Song Pingting . With the thunder and thunder, won the liver cancer vaccine agent rights developed by Professor Jiang?"

Lu Cangtian was taken aback when he heard this, he knew that Lord Tang would definitely not talk about it casually.

It is very likely that Lord Tang also took a look at the cash cow of liver cancer vaccine.

Lu Cangtian heard the song and knew the elegant meaning, he immediately said: "Yes, I

heard that Song Pingting is very beautiful and watery. She used her beauty to seduce Professor Jiang and get the agency of liver cancer vaccine in the first place.”

“Master Tang, wait for me to kill Yash Nics and seize the liver cancer vaccine agency rights.”

“I would like to give you half of the dividend to Master Tang as a tribute.”

Master Tang said with a smile, “I just said that I have so many students. The most reliable thing is to count the heavens.”

Lu Cangtian accompanied with a smile: “Without the cultivation of Lord Tang, how can our

Lu family today, these are what the students should do.”

Hearing this, Lord Tang smiled more and more. But he waved his hand and said, “Even

though you are my student, I can’t just sit back and enjoy it.”

“Well, I don’t care how you

deal with Yash Nics and how to avenge your children.” “As for Song Pingting, how to get the

vaccine .” The agency is over, and this matter is handed over to Qin Jin.

This kid has a way

of dealing with women.”

As Tang Beidou’s voice fell, a slender, handsome man, who had gracefully entered from

outside the door, was Tang. Qin Jin said in Beidou.

Qin Jin was the adopted son of Tang Beidou. He was handsomer than Xiao Xianrou, and he

was best at courting women, nicknamed “Ximen Qing”.

Qin Jin came in, bowed slightly to Tang Beidou, and then smiled and said to Lu Cangtian:

“Mr. Lu, you come to deal with Yash Nics, and I come to deal with Song Pingting.”

“I promise she is fascinated by me, obediently. Chenghuan under me, and obediently hand

over the vaccine agency to me.”

Tang Beidou laughed heartily: “Heaven, Qin Jin, I am waiting for your good news, don’t let

me down.”

Mannity City, Mannity University.

A grand gratitude ceremony is being held.

Principal Zeng Zhenqiang, City Zun Zhou Ruoshu, Mayor Feng Jiantao,

Education Director

Liang Yushu, Securities Regulatory Commission Supervisor Bao Long, and
China Overseas

Charity Fund Chairman Han Jinyu.

And Yash Nics and Song Pingting, the teachers and students of the
school, attended the

donation thank-you ceremony together.

The one hundred million donated by Yash Nics, in addition to building an
experimental

building, the remaining money will be used to set up scholarships to
reward outstanding

Han Jinyu looked at Yash Nics and Song Pingting, who were surrounded
by stars Gongyue.

The one hundred million donated by Yash Nics did not fall into his hands
and was allocated

to China Overseas University.

In addition, Bao Long, director of the China Securities Regulatory
Commission, stated that

he would strictly monitor the scholarship fund. Whoever dares to
embezzle a penny must sit

in prison.

After the donation ceremony, it was already noon.

Yash Nics went to pick up her daughter at the Go Hall, while Song
Pingting drove to the

company by herself.

When Song Pingting was driving through Wutong Avenue, she suddenly
collided slightly with

a van.

Song Pingting hurriedly pulled over and parked, preparing to negotiate
with the other party.

But unexpectedly, five or six punks came down in the van and
surrounded her aggressively.

Seeing that the situation was not right, she picked up her mobile phone and wanted to call Yash Nics for help.

But before the call was made, the phone was snatched by a yellow hair, and it fell to the ground with a snap, and it fell to pieces.

Huang Mao pointed at Song Pingting and cursed fiercely: "Smelly 38, driving a BMW is great, how do you drive?"

Song Pingting said anxiously: "It's obviously I go straight, you turn, and you don't even turn.

Slow down, I didn't make it in time to bump into it. This is your responsibility, why do you still curse?"

Huang Mao's gang said angrily: "What are you doing, we still beat you believe it or not."

When

Song Pingting saw this, she became more anxious. After thinking about it, she ran into an unreasonable little bastard.

Just when a few gangsters were about to move her hands and feet, suddenly a black

Mercedes came next to him, and a man with a greasy face came down from the Mercedes, who looked more angry than a small meat.

This man is Qin Jin!

Qin Jin got out of the car, cast a look at the little gangsters with Huang Mao, and then

sternly shouted: "Stop, you guys actually bullied a girl in the street, and apologize

immediately. Otherwise, I can't spare you guys. "

A. " Huang Mao gave Qin Jin a knowing look, yelling at who you are, and then several people gathered around Qin Jin.

Song Painting renowned for quickly said: "Sir, they are not a good crop, you brisk walking."

Qin Jin Song Painting smile directed at: "The beauty Do not worry, there I was, no one can

bully you,”

said After that, he took a shot at Huang Mao.

To Song Pingting’s surprise, Qin Jin beat up a few gangsters alone and howled.

Several punks were beaten by Qin Jin and fled in embarrassment, and drove away.

Qin Jin came over and smiled and said to Song Pingting: “Beauty, are you okay?”

Song Pingting quickly thanked: “I’m fine, thank you for your help.”

Qin Jin smiled and said, “My name is Qin Jin, I don’t know the name of the beauty?”

Song Pingting: “My name is Song Pingting. Thank you very much Mr. Qin this time. I don’t

know what to do without your help.”

Qin Jin smiled and said, “This is fate, I’m just right. Passing by, you happen to have

something, just as God arranged.”

“Fate made you and me meet, I wonder if I can ask Miss Song you to have a cup of coffee?”

Song Pingting just wanted to speak when a BMW 5 Series roared in.

Then he braked and

stopped aside.

Then, I saw Yash Nics getting out of the car holding Song Qingqing.

The One and The Only Chapter 300

It turned out that the two tiger guards who secretly protected Song Pingting, saw that a

gangster wanted to bully Song Pingting, and were about to show up to help Song Pingting.

Unexpectedly, a Qin Jin popped up and drove away the gangster first.

But even so, the two Tiger Guards hiding in the dark reported the unexpected situation to

Yash Nics.

So Yash Nics immediately took her daughter and drove there.

When Song Pingting saw Yash Nics and her daughter, she greeted them with surprise.

She told Yash Nics about the situation that she had just encountered, as well as Qin Jin’s

help.

She also complimented Yash Nics: "This Mr. Qin is really a good person." Yash Nics looked at Qin Jin, this kid had a lot of noodles, and he knew that he had never practiced before.

Moreover, his footsteps are light and weak, and he can be judged to be a dude hollowed out by alcohol.

A thin, drunken dandy who hasn't practiced any fighting skills, can actually beat five or six punks?

The corner of Yash Nics's mouth rose slightly: "A good man? I don't think it is necessarily!"

Yash Nics's words made Qin Jin furious, and even Song Pingting couldn't help but

whispered and said: "Yash Nics, thanks to someone helping me just now, How can you talk like this!"

Yash Nics said with a light smile: "Everything has to be evidence. Since I said he is not a good person, there will definitely be evidence, and my evidence should be coming soon."

Yash Nics's words just fell off. , A Land Rover and three commercial vehicles, galloping in, also stopped by the side.

A dozen men in suits got off three commercial vehicles.

More than a dozen men pinched five bloody, dying punks to the ground.

These five gangsters turned out to be the five guys who were about to scream at Song Pingting just now.

At this time, a big man in a flowered shirt with a cigar in the Land Rover came down. It was

Dong Tianbao.

Dong Tianbao looked at the five dying punks on the ground, grinning grinningly: "You guys

who don't open your eyes, don't look at whose site Mannity is. It's actually in my Dong

Tianbao's land that you are doing bad to the young lady. You really are. I'm tired of living."

Song Pingting looked shockedly at a few punks who had been so miserably cleaned up, and asked in a trembling voice, "Mr. Dong, what's going on?" Dong Tianbao kicked the broken hand and foot on the ground. Huang Mao: "You should tell Madam Young, what's the matter?"

Huang Mao raised his blood-stained face and said weakly, "It's Qin Jin, he gave us five people one hundred thousand yuan. He let us accompany him to stage a good show of heroes saving the United States, saying that it is to win Miss Song's favor and slowly coax you to bed..."

Song Pingting opened her eyes wide and turned her head angrily to look at Qin Jin.

Qin Jin was shocked and angry. He didn't expect Yash Nics to be so capable in Mannity that

he would be able to catch a few yellow hairs in a very short time.

Even more unexpectedly, the Huang Maos even confessed him!

He yelled sternly: "Fart, they are slandering me!"

Huang Mao dying said to Qin Jin: "Mr. Qin, I don't want to confess you."

"But they are too cruel and interrupt us directly. Hands and feet."

"If I don't confess you, you will be killed, so I'm sorry..."

Qin Jin still wanted to quibble, and Yash Nics said indifferently: "You don't need to quibble,

it's not a judge trial now. I know you If there is a problem, it is enough."

Yash Nics finished speaking, holding her daughter, and pulling Song Pingting into the car to

leave.

When he left, he instructed Dong Tianbao: "Tianbao, treat him well."

"Yes, master!"

Dong Tianbao looked at Qin Jin grinningly.

Qin Jin's face is bloodless, his eyes are full of horror, despair...
