

Chapter 2928– 2929 of A Dish Best Served Cold Novel

Chapter 2928

.....

“Oh my God..”

“This guy is crazy, right?”

“Where are the God of War and Sword Saint?”

“He doesn’t want to live anymore...”

.....

Although Mark hadn’t made a move yet, seeing the situation in front of him, everyone around him was utterly shattered.

Everyone was almost insane.

They never thought that the young man in front of them was so bold.

In front of the Four Pillar Kingdoms, he dared to say such cruel remarks, and seeing that, he really wanted to go directly to the God of War and the others.

“Mark, what are you doing?”

“Are you really crazy?”

“Don’t go back soon!”

Tang Hao was also very scared when he saw this.

Speaking immediately, persuasively.

In the Martial God Temple, apart from the God of War Ye Qingtian, only Tang Hao admired Mark.

It was also out of love to cherish talents, and Tang Hao naturally didn’t want to see Mark do such ridiculous things.

After all, once Mark really moved his hands, it would really be equivalent to completely standing on the opposite side of the Martial God Temple, standing on the opposite side of the national martial art.

This kind of result is definitely not what Tang Hao wants to see.

Not only Tang Hao, but God of War frowned tightly at this time.

“Mark, you better think clearly.”

“If you really waited for me today, what does it mean?”

“The Martial God Temple, and the Yanxia Martial Arts, have a limit to your tolerance.”

“If you cross the bottom line of my waiting, not only the King of Fighters, but also Ye Qingtian will not be able to tolerate you!”

Ye Qingtian’s words were low, and his tone was full of warnings and reminders.

Although he appreciates Mark very much, this is not the reason for Mark’s lawlessness.

Once Mark’s behavior exceeds a certain limit, Ye Qingtian is reluctant to give up, and will surely kill him!

A strong man with extraordinary talent is the luck of a country’s martial arts.

However, a strong person who does not abide by the rules is a disaster for the national martial arts, and even for the world martial arts!

“Bottom line?”

Mark sneered.

“You crossed my bottom line first!”

Boom~

When the words fell, Mark’s momentum suddenly exploded.

Then, under the Tianhe, a dazzling golden light rose into the sky.

Amid the roar of dragons and tigers, the body of the dragon god was suddenly released.

An incomparable majesty swept the entire world like a torrential river.

“Mars!”

“Have you seen it too?”

“This kid doesn’t know good or bad.”

“If this is the case, why should we bear it anymore?”

“Just behead him on the spot!”

The King of Fighters gave a low cry, and he rushed out again, who had endured it for a long time.

The Sword Saint also shook his head and said, “God of War, this kind of person is not worthy of your protection.”

“My hot summer martial arts, do not need this class of people asylum.”

“We have done our best, but he doesn’t know how to cherish it.”

The Juggernaut spoke slowly, and then, when he saw a long sword, it flew from the Martial God Temple behind him to the Juggernaut’s hand.

The sharp blade reflects the cold light.

Seeing that, the Juggernaut is also ready to take action personally to eliminate this disaster for the hot summer.

Ye Qingtian was silent for a long time. He glanced at Mark for the last time, and then nodded: “If he does it, it’s up to you.”

After speaking, Ye Qingtian turned his head and didn’t want to look again.

Whoosh~

It was at this time that Mark’s power had already converged, and a giant palm was about to fall towards the King of Fighters and the others in front.

However, at this moment, under Yanshan Mountain, a black off-road vehicle rushed up like crazy.

Then, the car door opened, and a woman with a panic face rushed down with incomparable worry.

With red eyes, she cried at Mark from a distance: “Mark, don’t~”

Chapter 2929

She cried and ran in the direction of Mark.

Afterwards, he hugged Mark tightly from behind.

“Mark, don’t~”

“Please, stop it~”

“Will you go home with me?”

The woman’s eyes were full of tears, and there were tears on her stunningly pretty face.

The sad look is almost heartbreaking.

“Helen Qiu, don’t stop me.”

“When I kill all those who bully you, I will take you home.”

“My Mark woman can’t tolerate any grievances.”

Mark whispered, only when he was talking to Helen Qiu, his tone would be less hostile and more tender.

Not because of anything, but because the girl in front of him is the one he vowed to protect his entire life.

If the people of the Lu family were to attack him, Mark would not have such a great anger in his heart.

However, what they provoke is Mark’s wife, and it is Mark’s family who insults.

For Mark, the safety of his family is far more important than his own life.

The Lu family seriously touched Mark’s bottom line, and naturally they should bear Mark’s unparalleled anger.

Even if God of War and others intercede, Mark will never regress.

“I don’t want~”

“Mark, I don’t need you to avenge me, I just want you to be well.”

“I just want to live a stable life with you.”

“If it is because of revenge for us, you will be hurt again.”

“Then I would rather not take revenge.”

“What’s more, the Lu family has already been punished.”

“You have done enough.”

“Go home, okay?”

With tears in her beautiful eyes, Helen Qiu hugged Mark tightly, begging emotionally.

“Do not!”

“not enough!”

“The culprit is not dead yet, how can I give up?”

Mark’s eyebrows were cold, and the sound of sorrow sounded immediately, and the terrifying power made the hair of those present stand upright.

It’s not that Mark is disrespectful, nor that Mark is brutal and bloodthirsty.

Rather, he cannot tolerate any more accidents.

As long as Lu Hua and others are completely wiped out, Mark won’t have any worries.

Otherwise, wait for Mark to go to Chumen in the future, once he will never go back.

At that time, I am afraid that the tragedy will repeat itself.

After all, no one can guarantee that Lu Hua and his son will make a comeback and take revenge on Mark’s relatives again.

So, in any case, they must die!

“Mark, don’t be confused~”

“You kill people in the Martial God Temple, and you can’t afford the consequences.”

“At that time, I am afraid that this hot summer will have no place for you.”

“What’s more, the God of War, the Sword Saint and others are here. Do you think you can really kill people under the power of the four pillar nations in the summer with your blood?”

“While it’s still too late, please stop now~”

After Helen Qiu got out of the car, Lu Tianhe also got out of the car and persuaded Mark bitterly.

Although Lu Tianhe is now the head of the military region, he is still half a martial artist after all.

What was the sensation of the West Lake tragedy caused by Mark in Jiangbei before?

More than a hundred warriors were brutally killed.

Among them, there are many seniors who are highly respected in the martial arts world.

It can be said that this incident has completely detonated the entire hot summer martial arts.

Whether it is on the Internet forums or on some martial arts impurities, the overwhelming verbal criticisms of Mark are all overwhelming.

What's more, he directly referred to Mark as a demon king.

Even on the official website of the Wushen Temple, there are a large number of martial arts powerhouses in a joint petition, requesting the Wushen Temple to capture Mark and walk for the sky.
