

Chapter 2931

Zhongquan hummed and said, "I will send you his mobile phone number in a while, and you will call him. If he ignores you, you will say that you are my grandson, and he will give it to you more or less. It's kind of thin."

"Okay." Charlie didn't say much, and said: "Then please send me a text message."

Soon, he received a text message with a string of US phone numbers.

Charlie dialed this number directly, and waited a few seconds before prompting that the line was connected.

Qinghua's voice came from the other end of the phone: "Hello, who?"

Charlie said, "Mr. Qinghua, it's me, Charlie."

Qinghua heard Charlie's voice at once, and said in surprise: "It's Master Wade! Why did you call me suddenly?"

Charlie said: "That's it. I don't know if it's inconvenient if I want to ask you about something."

Qinghua said hurriedly: "Please tell me."

Charlie asked, "Do you know an old man named Dan Mai? He is also an overseas Chinese in the United States."

"Dan?!" Qinghua asked in surprise, "Master Wade saw him?"

"Yes." Charlie said calmly: "I saw him, but didn't meet seriously. I feel that he came to Aurous Hill as if he came to find me, so I want to ask you about this person."

Qinghua sighed: "Dan knew that I had a great opportunity after meeting you in China, and he was also longing for it, so he also wanted to come to China. Someone asked him to come over and do something. He figured out the possibility. There was another opportunity, so he came there."

Charlie asked again, "How about him?"

Qinghua said earnestly: "A very upright Feng Shui master, who is a direct descendant of the Mai family. I have known him for many years. This person is decent and upright, and has never done anything evil."

As he said, he further added: "Master Wade, if there is any misunderstanding between Mr. Mai and you, please be merciful. This person is definitely not a bad person, and may just be used by a bad person."

Charlie said: "Don't worry, I will remember your words, thank you Master Qinghua."

Qinghua said hurriedly: "You don't have to be polite, Master Wade. If you have any questions, you can contact me at any time."

Chapter 2932

At this moment.

Dan and Mike took a taxi together to a cemetery outside Aurous Hill.

Taking a taxi to the cemetery at night, the taxi driver was originally unwilling 10,000 times, but Dan gave a high price of 1,000 yuan, and the driver could only rush there with his teeth.

On the way, Mike couldn't help asking Dan: "Grandpa, why did Master Cary let us go to Phoenix Mountain Cemetery to see him at night? Isn't this person sick?"

Dan waved his hand immediately and said seriously: "Don't talk nonsense, this Cary is not an ordinary person. We can't afford to offend him. He chose to meet in the cemetery. There must be his reason. You will see him later, except for what he should have. Don't say anything outside of politeness, lest you make too many words, understand?"

Mike asked in a puzzled way: "Grandpa, why should we treat him so respectfully? We have our mission. It's not enough to concentrate on our mission. Why meet him?"

Dan said earnestly: "I told Mr. Chengfeng a long time ago that there must be a hidden great man in Aurous Hill, but he still wants to start with that man. Cary came this time to help him solve this matter."

After that, Dan said again: "I have heard about this person Cary, this person is very evil, and he has a lot of metaphysics tricks, which is not something we can afford."

Mike asked nervously, "Grandpa, what does he want to do when he invites us to meet this time?"

Dan whispered: "I guess he wants to get some clues from us."

Mike nodded lightly, and said without a bottom: "But we haven't found any valuable clues in the past few days. What if the Su family is to blame us through this man?"

Dan sighed and said, "I am really sloppy when I come to Aurous Hill this time. Knowing that this place is unfathomable, I still rushed all the way. The main reason is that I always think about the coexistence of opportunities and dangers, but I ignore that opportunity itself is very important. Difficult to grasp..."

He said, "Now that Cary has come to Aurous Hill, things may be more variable. If the situation is not clear, we will go back to the United States, and all the money given by the Su family will be returned to them."

Twenty minutes later.

The taxi stopped in front of the largest Phoenix Mountain Cemetery in the suburbs of Aurous Hill City.

The cemetery here occupies a few nearby hills and has a huge area. Usually, many people come to worship during the day, but at night, you can't even see a dog.

After the taxi took the grandfather and grandson to the gate of the cemetery, the accelerator slammed far away.

Chapter 2933

With the dim moonlight, Mike looked at the huge gate of the white marble in front of him, and said nervously, "Grandpa, why doesn't this place even have a staff member?"

Dan shook his head: "I don't know, the door is closed tightly, and I don't know if it is locked. You can help me to come and see."

When the two came to the door, Mike pushed the door, but the iron door didn't move. He hurriedly said, "Grandpa, the door is locked."

Dan frowned and took out his cell phone to make a call to Cary.

At this moment, a middle-aged man wearing a security uniform suddenly walked out of the darkness.

The middle-aged man walked very fast, but his walking posture was a bit strange. It seemed that his limbs and torso were a bit stiff.

Mike suddenly saw a person walking out of the dark. He was shocked. He hurriedly pulled Dan to move back, but Dan slapped his hand on the back and whispered: "Don't move!"

After speaking, his eyes were fixed on the security guard.

The security guard walked straight towards the grandfather and grandson, and when he approached them, Dan found that the person was black and bleeding, and his whole body suddenly shuddered.

It was the first time that Mike next to him encountered such a situation. He was so frightened that he trembled unconsciously.

No matter how he saw this kind of formation, he felt that the security guard seemed to be a dead body, and also a tragic corpse.

Dan was also horrified in his heart, but fortunately, he was also a person with experience, so the concentration was naturally much stronger than Mike.

So, he fixed his eyes on the security guard, not daring to relax a little, but he didn't step back and dodge.

At this time, the security guard mechanically took out the key and opened the iron fence door from the inside. After pushing the door open, he did not come out. Instead, he looked at both people blankly and waved at them.

Immediately, without saying anything, he turned and walked towards the cemetery.

Mike's frightened legs weakened and asked Dan next to him: "Grandpa, he...what does he mean by beckoning us?"

Dan said solemnly: "Let's follow him in, let's go, go in and see!"

Dan went in and took a look, he almost didn't scare Mike's soul out!

He said in a panic: "Grandpa, I don't think he is a man or a ghost. We don't even know what's inside awaiting us. In my opinion, we can't just go in!"

Chapter 2934

Dan looked at the stiff back of the security guard, and said lightly: "This person has died a long time ago, but he is just a puppet."

"Really dead?!" Mike was frightened when he heard this, and said nervously: "This...isn't this the zombie in the movie?!"

“No!” Dan waved his hand and said seriously: “This is the end of the Gu-Worm. Now he is not driven by his own consciousness, but driven by the Gu-Worm.”

“Gu-Worm?!” Mike asked dumbfounded: “What is the principle of that thing?!”

Dan said earnestly: “There is no principle, it’s just a kind of fierce metaphysical mystery. Gu-Worm, the lower level, is to raise a bunch of poisonous insects to kill each other, and the one who survives is Gu-Worm. But that kind of Gu technique is relatively low-end, similar to raising a poisonous snake or raising a wolf dog to bite people. It doesn’t have much technical content.”

At this point, Dan changed the conversation and said: “But the really powerful masters use Gu-Worm that normal people have never heard of and have never seen. Those Gu-Worm may not even be known to top biologists!”

“Many have long been extinct in nature, only secretly passed down in the cultivating Gu school.”

“The kind of Gu-Worm can fly to the sky and escape everything, and can still be controlled by the mind of the cultivator!”

“I think this security guard was killed by a master. He came to greet us to enter, and he must follow the master’s orders.”

Mike asked palely: “Gu keepers can control Gu-Worm with their own thoughts, and then use them to manipulate other people’s corpses? This... is this too outrageous?!”

“Is it outrageous?” Dan said, “Doesn’t the West also have telepathy between twins and mother and child? Mind is regarded as a feudal superstition in the people, but it is famous in the field of science. There is a certain scientific basis for quantum entanglement.”

Mike nodded lightly, and said, “If you say that, it’s like a quantum entanglement effect between the person who raises Gu and the Gu-Worm he raises?”

Dan said: “You can also understand that. As far as I know, this kind of Gu-Worms are usually hatched in the blood of the Gu cultivator when they were still eggs. Therefore, it is compatible with the Gu cultivator’s blood. From the very beginning, a blood connection is established between the two.”

“Moreover, this kind of Gu-Worm only feeds on the blood of the Gu cultivator in the year before it hatches. This is also to continuously strengthen its connection with the Gu cultivator, just like a baby is born and fed with breast milk of the mother.”

“And then?!” Mike’s curiosity has gradually overcome his fear, and he can’t wait to learn more.

Dan continued: “During the period of feeding Gu-Worms, the Gu cultivators have already started training them.

As for how to train, these are the secrets that are not passed on in each faction.

I have no way of knowing. Knowing that after they wait for the Gu-Worm to reach adulthood, they will take these to do evil everywhere. The way to do evil is to let the Gu-Worm kill for them, and once the Gu-Worm start to kill people, they will almost never stop until the Gu-Worm naturally age and die.”

Mike widened his eyes and blurted out, "Killing constantly? What if there is no enemy? Is it possible to kill innocent people?"

"Correct."

"why?!"

Dan said: "Because Gu-Worm no longer feeds on the blood of the Gu cultivator after they reach adulthood. If you want Gu-Worm to survive, you must keep killing for them."

"Huh?" Mike asked, "Do Gu-Worms eat human flesh when they grow up?"

Dan shook his head and spit out three words: "Eat people's brains!"

When Mike heard the three words, he felt retching, and he blurted out: "Eating human brains?! This...vomit...this is too disgusting..."

Dan nodded and said, "Look at the security guard just now, how do you think Gu can control his corpse?"

Mike shook his head and said: "I...I don't know...I feel this is incredible, or it can be said that this is not scientific, nor is it like urban gossip. Although everything seems mysterious, after mastering the essence, you will find everything. In fact, there are all traces to follow..."

Chapter 2935

Dan looked at Mike and explained: "You think things like Gu-Worms seem to be invisible. It seems very unscientific, but in fact, it is very scientific."

After speaking, Dan further explained: "Gu-Worms feed on human brains, and they must be fresh human brains. This also means that humans have just died, although human brains have been swallowed and lost by Gu-Worms. The entire central nervous system, but the body's functions will not immediately lose its vitality, just like brain-dead people often have a heartbeat and blood circulation."

"The reason why Gu-Worms are magical is that after they eat the human brain, they can temporarily take over the human central nervous system and then perform simple manipulation of the body."

"It's like the security guard just now. He is controlled by them and walking all the way, but because the person is dead and his muscles are constantly rigid, he seems to be very stiff."

"You can see that he can only walk, open the door, and wave his hands, but he can't speak. This is mainly because Gu-Worms can't control him deeply. They can only do some very simple actions driven by the Gu cultivator's mind."

Mike looked at the back of the security guard carefully, and hurriedly asked, "Grandpa, can Gu-Worm control this corpse all the time?"

"Of course not." Dan said solemnly: "Let's not say that this corpse will gradually stiffen and decay. Just talk about the Gu-Worm itself. After it has swallowed this person's brain, even if it enters a dormant state immediately, it can survive at most one. If they don't eat again within a month, they'll starve to death."

Mike exclaimed: "It must eat again within a month. Doesn't that mean it will kill a person in a month?!"

Dan said coldly: "Kill a person a month, or if it has been in a dormant state for the whole month, if the Gu raiser keeps it killing everywhere, then it might eat once in a few days..."

Mike looked horrified and trembled: "This... Behind every Gu-Worm is bloody human life! I have never heard of anything more evil than it in my life..."

Dan sighed, "That's because you don't have enough knowledge. There are also things that are evil than Gu-Worms."

The grandfather and grandson walked as they talked, and soon reached the depths of the cemetery.

At this time, in a clearing halfway up the mountain, a lean old man was sitting cross-legged in the middle.

Chapter 2936

This person is Cary.

Seeing Dan and Mike walking to the front, he said, "Mr. Mai, I'm admiring the old man's name for a long time."

Dan hurriedly bowed his hand: "Master Cary's name, the old man has also heard about it for a long time. It is said that Master is the great master of the British three islands. Half of the Chinese in Europe respects Master Cary. I saw it today. It is extraordinary!"

Cary wiped an ugly smile at the corner of his mouth, and immediately said: "Mr. Mai, it is a bit presumptuous to ask you to come here today. The main reason is that my destiny Gu-Worm followed me here from England. It has been hungry for three days.

I really can't bear to see it go hungry again, so I brought it out to find a bite to eat. Please forgive me, the old man!"

When Dan heard that Cary said that the murder was taken lightly as bringing Gu-Worms to find some food, he was disgusted with this person to the extreme in his heart.

However, because of the face and the aggressiveness of the other party, he just chuckled, avoiding the topic of Gu-Worms, and said: "This place is sparsely populated, but it is also a good place for business talks."

Cary nodded, and said depressedly:

"I thought this place is definitely a perfect place for Gu-Worms to eat at once, but who the hell would have imagined that there is only one security guard in this huge cemetery, and I want to come to this cemetery. The developers of the company are also digging to the extreme!"

Dan's heart shuddered.

He understood Cary's words:

“This guy must have thought that there must be at least a few security guards here, and there are no people around, it is a good place to kill, but when he came, he found that there was only one security guard, so he was dissatisfied.”

However, he didn't know how to answer these words, so he could only laugh twice as a response.

Cary looked at the security guard standing motionless next to him, stretched out his hand, and suddenly shouted: “Come back!”

They saw a white bug the size of an adult sea cucumber suddenly drilled out of the hair on the top of the security guard's head. The bug was white and fat. A huge mouthpart was covered with broken black teeth and red and white. Things, looking very disgusting.

After the worm got out of the security guard's head, it suddenly twisted its body like a carp, and flew into the air, flying into Cary's hands.

Cary dragged the fat bug with one hand and stroked it lovingly with the other.

And the bug rolled back and forth in his palm, making a weird squeak.

Cary said while stroking, “I know that you are not full, don't worry, there is only this one today, and I will find you something to eat tomorrow!”

Chapter 2937

Immediately afterward, the worm writhed again and chuckled like a mouse.

Cary raised his head, looked at Dan and Mike, chuckled, and said to the bug:

“These two are not your food, these are my friends. You are going to be fooling around. Get a good night's sleep tomorrow. It will make you full!”

When Dan and Mike heard this, they realized that the fat worm wanted to eat both of them, and they suddenly felt chills in their backs.

Seeing that Cary took the bug into his arms, Dan hurried to the topic and asked: “I don't know if Master came to me so late, what's the matter?”

Cary smiled gloomily, and said, “Old man Su called me again today, and I can hear that he is very angry. I can't wait to find the hidden master in this city and then hurry up.”

As he said, he said again: “I am good at killing people, not finding people, so I was just looking for a needle in a haystack. I really don't know that the year of the monkey can find the kid, so I have to ask Mr. Mai.

Sir, after all, if you can pinch, you will surely find more relevant clues.”

Dan asked in surprise: “How does Master know that the person we are looking for is a kid?”

Cary laughed and said: “Old man Su called and told me some new information. That kid is about twenty-five years old, and if old it is only thirty years old. He is very strong, at least stronger than the Shangren

among Japanese ninjas, and this is very likely that the person is of Japanese Chinese descent. He didn't tell you about these clues?"

Dan shook his head and said: "Mr. Su hasn't contacted me in the past two days."

Cary nodded, and said: "It is said that this person has an unusual relationship with Mr. Su's granddaughter. Maybe they are a happy little couple."

"I wanted to take his granddaughter over to torture and ask for clarity, but the old man was afraid of wolves and tigers in the back, and no one can move his granddaughter now, so I couldn't find a breakthrough point at once."

"So I want Mr. Mai to check along this line to see if you, a master who is proficient in I-Ching, gossip, and Feng Shui, can find a clue."

Speaking of this, Cary sighed and said: "Mr. Mai, we should work together to find out and kill the person as soon as possible, so that we can go back to our homes and have a wholesome rest as soon as possible."

"In that case, I can also finish the second mission of the Su family earlier and get the money back to the UK, and you can also get back to the United States sooner."

Chapter 2938

In Dan's heart, there are 10,000 reasons making him unwilling to cooperate with such evil people.

But he didn't dare to offend the other party, so he nodded and said,

"That's natural! Both of us have our own strengths, and we can learn from each other through cooperation.

"Yes!" Cary smiled slightly and said, "In this case, Mr. Mai will find a way to get close to that girl Zhiyu tomorrow. I will send you the address by SMS later."

"Okay." Dan nodded and asked, "I don't know if Master Cary has anything else?"

"No." Cary smiled and said: "On this matter, Mr. Mai has worked so hard to make a trip, also because you are worried that the conversation between us will be heard by others, so please don't mind the old man."

Dan sneered in his heart, can he still see Cary's thoughts?

This guy is not worried that the conversation will be heard by others at all, he wants to call himself over and use the security guard just now to show him a bit of power!

However, he didn't dare to offend Cary, and said hurriedly, "Master Cary is serious. You are also responsible for Mr. Su, I understand very well."

After speaking, Dan asked again:

"Master wants to go back to the city? If you do, I will ask my great-grandson to call a car. We can go back together. If Master Cary doesn't want to walk with us, we can call a separate car."

“No need.” Cary pointed at the corpse on the ground and sneered: “The blood of a dead person is a good thing for me.

I can take the opportunity to refine the magic weapon. If it goes like this, it is really a waste, Mr. Mai. Go back first.”

Dan chuckled and arched his hands: “If this is the case, the old man will return first.”

Cary smiled and said in a sullen voice: “Mr. Mai, you are very much attributable to finding someone, so don’t delay my chance of getting rich!”

Dan’s heart tightened, and he hurriedly said, “Master, don’t worry, I will do my best!”

After that, he said to the pale-faced Mike, “Mike, bid farewell to Master Cary.”

Mike recovered and hurriedly bowed and said, “Goodbye Master Cary!”

Cary smiled and nodded slightly.

Chapter 2939

Dan hurriedly took Mike and walked all the way to the outside of the cemetery.

Walking out hundreds of meters, Mike lowered his voice and said: “Grandpa...”

Dan immediately rebuked in a low voice: “Don’t say anything, let’s leave first!”

Mike closed his mouth wisely.

What he saw and heard just now subverted his understanding of the world for more than 20 years, and made him extremely shocked.

At this time, even walking, he felt that his legs were a little weak and unable to exert strength.

At Dan’s request, Mike didn’t call a taxi right away. The grandfather and grandson walked a long way together until they reached the road before reaching out to stop a passing taxi.

As soon as he got in the car, Mike curled up in the seat on one side, as if he had just had a serious illness.

Dan was also very uncomfortable, feeling in his heart: “It seems that this visit to China is really a mistake...”

I was thinking about finding opportunities, but ignoring that there are also risks. This evil man is really too dangerous. Be careful...”

The grandfather and grandson returned to Shangri-La in panic in the car. On the way, the two did not speak anymore.

After all, the experience just now was a bit too bloody, and they were afraid that they would say sensitive information to be heard by the taxi driver.

After all, the cemetery has people who died today, and they will be known by others tomorrow, and maybe a case will be filed for investigation soon.

Neither grandfather and grandson wanted to involve the police anymore.

However, what they didn't know was that Issac's subordinates, as well as the two young descendants of the He family, had begun to secretly follow them.

At this time, Issac's men were waiting in secret at the entrance of the hotel, waiting for the grandparent and grandchild to return, and then backtracking on their deeds just now.

Dan didn't know, someone was already eyeing them now.

The taxi stopped at the gate of Shangri-La, and Dan got out of the car with Mike's help.

Chapter 2940

Immediately, the exhausted two people hurriedly returned to the room to rest.

However, Issac's subordinates, as well as the descendants of the He family, took a car and chased the taxi, and left the scene.

A few minutes later, they forced the taxi to stop at an intersection.

Among them, Issac's men immediately came to the window of the cab, looked at the driver, and asked:

"Is this the car that brought that old man and the young man just now?"

"This is the one....."

The taxi driver was a little nervous when he saw that the visitor was unkind, and he didn't know whether he should answer truthfully.

The man of Issac threw 10,000 yuan in cash directly through the window and said:

"We are from Orvel, you answer honestly, no one will embarrass you, and the 10,000 yuan is all yours, your reward."

After speaking, the conversation turned and threatened: "But if you don't speak, or if you don't tell the truth, don't blame us for being rude to you!

I also took down your license plate, as long as I let the wind go, you will be there in the future you can hardly move in the city!"

If you mention Issac's name, the taxi driver might not know it, but if you mention Orvel's name, no taxi driver does not know.

After all, Orvel is the boss of the entire underground world of the city, with many younger brothers under his hands, and monopolizes many industries here, especially nightclubs and bars.

Taxi drivers work in such places every day, and naturally know these things well.

Therefore, as soon as he heard Orvel's name, the driver almost immediately said:

"Big brother, I say, I will speak all! Those two people were in the car on the side of the road near Phoenix Mountain!"

“Phoenix Mountain?!” Issac’s subordinates frowned: “There is nowhere besides Phoenix Mountain Cemetery, right?”

“Yes!” The driver repeatedly nodded and said,

“There are no people nearby. There used to be a small village that was bought by the developer of Phoenix Mountain Cemetery and moved away.”

Issac’s men nodded slightly and said coldly: “Remember, don’t tell anyone what happened just now, do you understand?”

The driver quickly said: “Don’t worry, I understand!”

After finishing speaking, he handed out the ten thousand yuan and said nervously: “Brother, you should keep the money, I can’t ask for...”

Issac’s men scolded, “If we let you hold it, you can hold it. Why is there so much nonsense? Go away!”

The driver didn’t dare to make a mistake, so he had to accept the money and kicked the accelerator.

Issac’s men hurriedly reported the proven situation to Issac, and Issac also told Charlie the first time.

Charlie was also a little surprised when he heard that Dan and his grandson had gone to Phoenix Mountain. He thought to himself:

“These two people came to Aurous Hill to find me, but what they went to do in the Phoenix Mountain at night?”

Realizing that something was not quite right, he said to Issac: “Mr. Issac, you can quickly adjust the monitoring they left Shangri-La to see in which taxi they left at the time!”

“Then think of a way to find the driver of this taxi as soon as possible based on the license plate number, and be sure to ask where he took these two people to go!”

“In addition, let him remember what the two people talked about in the car, and tell me as much as he can remember about the relevant content, and make a transcript and send it to me!”

“Okay, master!”
