

## **Chapter 2941**

Issac realized that the matter might be a bit serious, and hurriedly arranged for his subordinates to follow the vines.

The monitoring at the entrance of Shangri-La is very complete, and it can be said that there is no dead angle coverage in 360 degrees.

So his men quickly found the license plate number of the taxi through surveillance video.

Immediately afterward, they immediately found the taxi that was pulling work in the urban area through the city's taxi positioning system.

In order to form an absolute deterrent to the taxi driver, Issac specially transferred Abner from Orvel, and asked him to come forward and talk to the taxi driver.

The taxi driver didn't expect that he would have alarmed the four heavenly kings under Orvel's hands. At the same time, he was shocked and frightened, and immediately retold all the things he could remember, one fifty and ten.

Dan and Mike, the grandparent and grandson, talked about this Cary on the way to Phoenix Mountain.

At that time, the two didn't care too much about the taxi driver, after all, they didn't talk about anything that was prohibited or sensitive.

And they also felt that a taxi driver could not have anything to do with the Su family and the Master Cary.

But they didn't even dream that Charlie found the driver along the way.

Therefore, the driver told Abner that the two people in the car, one old and one young, talked about Cary all the way. He said that one was talking about going to Phoenix Mountain to meet the person named Cary, and he also said something about metaphysics. People don't understand things, so the driver doesn't take it too seriously.

When these words reached Charlie's ears, he first hit a question mark in his mind.

"Cary?"

"I've been in Aurous Hill for so long. I haven't heard of this person before. Could it be that he also came from outside?"

Thinking of this, he called Qinghua again.

## **Chapter 2942**

As soon as the phone was connected, he said politely: "Excuse me, Mr. Qinghua, I still have something else, and I want to ask you about it."

Qinghua smiled and said, "Master you can ask anything, I'll share if I know anything!"

Charlie asked, "I wonder if you have ever heard of a person whose name is Cary?"

“Cary?!” Qinghua’s voice suddenly increased by nearly an octave, blurting out: “How can Master have anything to do with this person?!”

Charlie frowned and asked, “Mr. Qinghua, do you know him?”

The old man replied truthfully: “I can’t talk about knowing him, but this person has long been notorious. Basically, he is known in the feng shui metaphysics circles overseas.”

“Oh?” Charlie asked curiously: “What is this person’s background?”

Qinghua said: “He is one of Rocco’s three true disciples!”

Charlie frowned: “Rocco? Who is this person?”

Qinghua explained: “About forty years ago, there was a well-known Feng Shui metaphysics master named Rocco in Hong Kong.”

“No one knows where he came from, only knowing that as soon as he made his debut, with his talents, he gained a firm foothold in this area.”

“After that, he started to establish schools and collect disciples. For a while, he was in the limelight. Many Hong Kong rich and underworld brothers were his disciples...”

“I have met this person several times, and I have drunk wine and talked with him about the ancient and modern times, so I know him better. This person is very good. Not only is he good at ventilation and water mystery, but he is also proficient in the mysticism of Gu technique, and he is very capable. Got all the in’s and outs!”

“It’s not like our feng shui master, who only knows the techniques of feng shui mystery and I-Ching, but not proficient in gu techniques and the killing methods such as lowering the head.”

Qinghua said this, and went on to say: “This Cary went to Rocco about thirty years ago. I met him when I visited Rocco at that time in the city.”

## **Chapter 2943**

“Oh?” Charlie asked very curiously: “Since this Rocco is famous, how can Cary as his apprentice be so notorious?”

Qinghua explained: “Rocco’s talent was unparalleled in the world at the time. I have studied I-Ching and feng shui mysteries all my life, and I can only achieve the same level of knowledge as him in this area.”

“In addition to the I-Ching, and Feng Shui mystery, he is also proficient in many metaphysical mysteries. There are both good and evil, and his overall attainments are far superior to me!”

“Therefore, if it is not an outstanding talent, it is impossible for anyone to learn all of Rocco’s skills.”

“Because of this, his three true disciples at the time all had their own priorities.”

“Some people focus on feng shui mystery, some people focus on esoteric axioms, and Cary focused on raising Gu and lowering his head.”

“In the field of metaphysics, Yang-Gu is called sorcery, that is, evil way. Among them, Yang-Gu is the most vicious.”

“While Rocco was alive, Cary was able to suppress the evil thoughts in his heart and prevent himself from doing evil, but after Rocco died, this person completely freed himself, became an accomplice of the rich, and killed many enemies and competitors for the rich. So he has long been notorious.”

Charlie frowned, smacked his lips, and asked: “Mr. Qinghua, what is the relationship between this person and Rocco’s school and the other two true disciples of Rocco? I wonder if I will kill him by then, and I stabbed a Hornet’s nest, provoke a group of annoying guys?”

Qinghua said truthfully: “Although Rocco is an outstanding talent, he has no future developments in his life. After he did not ask questions in his later years, the school has lost its backbone and gradually fell apart. Otherwise, Cary would not leave Hong Kong and go to the UK. So there is no need to worry about his followers or friends.”

He said, “As for the relationship between his other two true disciples and Cary, to be honest, I don’t know too well.

In the later period, Hong Kong’s Feng Shui masters were used by the big powers to serve as tigers, so their character and reputation were generally not too great, so Master, you should be more careful.”

Immediately afterward, Qinghua continued: “I remember his other two true disciples, one named Melar and the other named Jinghai.”

“Jinghai?!”

Charlie’s pupils suddenly shrank, and he thought to himself.

“Unexpectedly... the Hong Kong metaphysics master Jinghai who was struck to death with thunder by himself turned out to be Cary’s senior brother! It’s really something!”

Qinghua, who was on the other side of the ocean, didn’t know the change in Charlie’s expression at this time.

He said on the phone: “Master, you must be careful about that Cary, and at the same time, pay attention to your side to see if there are people named Melar and Jinghai around. Rocco has countless fans around him, but The three true disciples have really learned some abilities, but the others are not enough.”

Charlie quickly thanked him and said, “Thank you, Mr. Qinghua, I will be more careful.”

Qinghua said again: “Also, that Cary has an extremely weird personality and he is an extremely insidious person.

The Gu-worm he raised is said to have been raised for 20 years. Except for the first year, that thing has grown up by drinking his blood. Every next day it will depend on eating the brains of living people. It is extremely dangerous. Master must be extra cautious.”

When Charlie heard this, a cold light flashed in his eyes!

The Gu-worms that are raised by this man Cary actually swallowed human brains for food, which is simply damaging!

So he said, "Mr. Qinghua, don't worry, the day Cary meets me is the day when the evil ends! I will definitely not leave him and his Gu-worms free in Aurous Hill this time!"

#### **Chapter 2944**

At the same time, Dan and Mike were sitting worriedly in the Shangri-La Hotel room.

Mike hasn't recovered from the shocking experience just now, and his mental state is very bad.

Dan also kept silent, holding a few copper coins in his hand, and tossing them on the table.

The hexagram represented by the copper coin is no longer what he can comprehend, which makes him a little confused.

The opportunity in the hexagram is always there, but the danger has never been eliminated, even the misty sense of the unknown is even stronger than before.

Unconsciously, the old gentleman's mentality began to gradually change.

Originally, he felt that he had borrowed Chengfeng's invitation to come to China to find opportunities and make some money along the way.

It doesn't matter if the chance and money are not found, just as a trip back to the motherland.

Even if it's dangerous, it's probably because he is older, and his body may be unbearable.

At the same time, it is also easy to trigger some hidden diseases that are common in the elderly.

However, he never expected that this event would have developed into a new level, with unprecedented dangers for him and his grandson!

This man Cary year is too dangerous!

This kind of murderer is so fearsome in his eyes.

Even for him, killing has long been commonplace.

He was suddenly involved in this matter, and it really made him feel a strong sense of crisis, so that he began to reassess in his heart, to judge whether this matter is worthy of continuing to invest in or not.

He lived to such an old age, and he didn't care about Chengfeng's money, but he wanted to have Qinghua's chance to be twenty years younger suddenly.

#### **Chapter 2945**

However, now that the opportunity is complicated and the risk factors are uncertain, he is worried that he has not found the opportunity, so he put his life in danger in Aurous Hill.

After all, he is just a dying feng shui master. It can be said that he has no power to bind the chicken. The great-grandson Mike is the same. The grandfather and grandson basically have no ability to protect themselves.

In front of vicious Cary, the two of them couldn't resist him for a round together. If they really started, he is afraid that they would only feed the Gu-worms.

Mike on the side has always had lingering fears and couldn't help but say: "Grandpa, let's go back to the United States, today I found this Cary really evil, if he wants to target us, we have no chance of winning at all!"

Dan sighed: "We can go, but if we go, we will definitely offend Chengfeng. Should Chengfeng let him kill us at that time, wouldn't we be self-defeating?"

Mike hurriedly said: "We can tell him clearly, and then return all the money to him, is it not possible to break up peacefully?"

Dan shook his head and said:

"Did you not listen to Cary? He is good at killing people, but not good at finding people, so he is still waiting for us to find people out for him.

Then he goes to kill the people, and now Chengfeng thinks that this person we are looking for is related to his granddaughter Zhiyu. Let us find a breakthrough from her.

If we leave at this time, Cary may not agree. Didn't you listen to him before leaving? Let me find the person quickly and don't delay him getting rich."

Speaking of this, Dan sighed and said: "We have been framed now. It is not our decision to go or stay."

"F\*UCK!" Mike couldn't help but burst out a curse, and said angrily: "Then what to do...Can we find this person?"

Dan said with emotion: "It's okay to find someone, but the key is whether there will be other troubles after finding that person... And if we find that person, and that person is killed by Cary, This is our karma!"

Mike couldn't help saying: "Grandpa, now is not the time to take care of others. The most important thing is that we leave Aurous Hill safely. If we are fed to that big white bug by Cary, then we will be completely finished!"

Dan hesitated for a moment, nodded lightly, and sighed: "Hey, what you said makes sense. When you are too busy to take care of yourself, you can only find a way to protect yourself..."

After speaking, he said again: "I will try to get in touch with Zhiyu tomorrow and see if we can find a breakthrough from her."

## **Chapter 2946**

The next day, a rumor suddenly appeared in Aurous Hill.

It is said that a spiritual incident occurred in the Phoenix Mountain Cemetery in the suburbs. A security guard who guarded the cemetery was killed by an evil spirit last night.

However, these kinds of rumors were quickly controlled in a targeted manner. In addition, they were too superstitious, so only some middle-aged and old people with superstitious thinking would believe it, and young people would basically sneer when they heard it.

In the morning, Elaine made breakfast at home. When Charlie and Claire came down to eat, she said solemnly at the table: "Claire, Charlie, you two must go out as little as possible these two days. Even if you have to go out for something, you must come back before dark!"

Claire asked with a surprised look: "Mom, what's the matter with you?"

Elaine said seriously: "I tell you, at Phoenix Mountain Cemetery last night, someone was killed by a ghost! Even the brain was emptied! It is said that at the time of death, the seven orifices bleed, and the big bowl on the top of the head was a big hole, the result is an empty shell inside, with nothing!"

When Claire heard this, she said helplessly: "Mom, you are also a college student anyway, do you believe this kind of rumor? There is no such thing as a ghost in the world, they are all deceptive lies."

Elaine said solemnly: "How can this be a lie? This is true! Several elderly people I was in were all mad. There are still photos, but I don't know how it was done. The system deleted it. Oh, that photo is terrifying, and my back is still wet even now."

Jacob frowned and said, "There seem to be some people in my group discussing, but I looked through the chat records, and there is no evidence such as pictures, etc."

Claire smiled and said: "Even if there are photos, it is not necessarily credible. The current computer synthesis technology is so advanced that any photos can be made. You guys, just put your heart in your stomach and don't think about it much."

Elaine said sternly, "I would rather believe it, or not believe it. You two should come home early. Anyway, there is no loss if you come home early. You can stay with me more at home. Isn't it good?"

Claire said helplessly: "But I have to keep an eye on the projects recently, and I will get busier and busier in the future."

Elaine shook her head helplessly, looked at Charlie, who had not spoken, and said: "My son-in-law, you have the ability. Remember to pick up Claire at night these days, she can come home alone, but I can't rest assured."

"Okay, mom!"

Although Charlie hasn't spoken, he has already reviewed the content of Elaine and Claire's conversation in his mind.

What Elaine talked about is not groundless, and it should be inseparable from that man Cary.

It's just that ordinary people don't know things like Gu-worms, and the incident was in the cemetery, so it is natural to speculate that evil spirits killed people.

It seems that this man is really cruel, and it is indeed a heinous crime to just feed his so-called Gu-worms by killing others!

If he doesn't move and wait for him to come, don't know how many people will die under his hands during this period!

Thinking of this, he immediately sent a message to Issac: "Check for me whether there is a record of the entry of a British Chinese named Cary, and then check the Aurous Hill hotel system to see if there is his check-in information!"

## **Chapter 2947**

Issac received the message and immediately replied: "Master, do you want me to find out this person's photo and send someone out to search for clues about him?"

"Don't!" Charlie hurriedly ordered: "This person is very dangerous. Your subordinates are definitely not his opponents. Even the masters of the He family may not be his opponents."

Issac hurriedly asked him: "Master, you asked us to track the pair of the old man and the young man who went to Phoenix Mountain last night. The strange death of the security guard at the Cemetery this morning should be related to this person, right?!"

"Right." Charlie replied: "So you don't tell other people, just check the clues for me, don't let the wind go, let others go out to find him, but don't let them contact him, otherwise they'll get killed."

"Sure, Master!"

At the time of breakfast, Issac got Cary's entry and exit records.

This information includes his passport information, electronic photos, and surveillance videos left by the customs when he entered the country.

However, according to what he said, in the entire Aurous Hill hotel system, there is no record of this man staying in a hotel.

This also shows that this person did not live in a hotel in Aurous Hill, so he could not accurately locate his current whereabouts.

Charlie could only remember this person's appearance and characteristics in his mind first, and then think of a long-term plan for the rest.

At the same time, he also made a review of the logical relationship of things in his heart.

Whether it is Dan and his grandson, or Cary, they must have been sent by Chengfeng, which is certain.

Cary is only good at killing people, but not good at finding people, so this guy definitely needs the help of Dan and his grandson to find clues.

In this case, through Dan, he should be able to find this man Cary.

This dog came to Aurous Hill from England to commit evil, and he must be killed as soon as possible to prevent him from endangering the lives of others!

## **Chapter 2948**

At this point, Charlie made up his mind and went directly to Shangri-La to see this old man.

If he cooperates honestly, he will let this old man and his grandson leave China alive because he hasn't done much evil and didn't help the abuser.

But if they dare to help Cary and let him hurt anyone in Aurous Hill, then they will never return to the United States in this life!

...

Because of ghost rumors, Charlie didn't let Claire drive to work by herself, but instead himself drove and dropped Claire at her place.

Claire originally didn't want to trouble him, but after all, Elaine had spoken, she didn't dare to object.

I have to say that since Elaine has suffered some big losses and been deceived, she is indeed more wary than before, and she knows that she cares about Claire's safety.

Charlie sent her to the hotel under construction by the Emgrand Group, where construction is in full swing. Thousands of workers are here, so there will be no safety problems if they want to come.

When Claire was about to get out of the car, Charlie reminded: "My wife, don't go home after getting off work alone at night. Whenever you are almost done, just call me and I will drive over to pick you up."

Claire nodded, and said apologetically: "Then I might be late today."

"It's okay." Charlie smiled slightly: "I will come to pick you up even if it is too late. Remember to call me in advance, lest you have to wait for me."

"Okay!" Claire said with a sweet smile: "Then I will get out of the car now!"

After he bid farewell to Claire, he drove directly to Shangri-La.

On the way, he called Issac and asked him: "Mr. Issac, has Dan left Shangri-La?"

Issac hurriedly said: "Master, they are now having breakfast in the dining room. I think they have washed and dressed neatly. It is estimated that they will leave after the meal soon."

## **Chapter 2949**

Charlie said: "I will arrive in about ten minutes. If they want to leave, you can help me hold them."

Issac asked, "Master, where do you want to meet them? Would you like me to arrange security to take them to my office?"

Charlie said: "No, it will be a horror. Later, you will directly arrange for the waiter to use the universal room card to enter their room, flip through their things, and then take something away, and finally open the door. If they want to leave, you will let them know about the theft from the room and ask them to rush to the room to confirm the loss."

Issac smiled and said, "Master, it's better that you have more ideas... OK, I will arrange it! If you want to come and do this, it will definitely take ten minutes!"

...

At this moment, Dan drank the last half cup of coffee, wiped his mouth, and said to Mike: "Okay, let's hurry up and go to Du's house and follow Zhiyu nearby."

Mike hurriedly asked him: "Grandpa, are we going to follow that woman? We are not good at stalking..."

Dan said: "Don't worry about that. As long as you see her and find a way to get a piece of her hair, I can figure out her previous movement in Aurous Hill little by little, and I can find a way to find her recent and long time places."

After a pause, Dan said again: "Didn't she have been missing for a while, and she was seriously injured. She must have stayed with the mysterious person the Su family is looking for such a long time, so I just need to find her. For a long time, she has been very close to that mysterious man!"

Mike asked in surprise: "Grandpa, what are you talking about? Why is it so amazing?!"

Dan said earnestly: "These are the tracking methods in Qimen Dunjia. You should learn the I-Ching first. In the future, your grandfather and your father will naturally teach you the various methods of Qimen Dunjia."

Mike nodded lightly, full of expectation in his heart.

So he hurriedly stuffed half of the sliced bread into his mouth, and then said vaguely: "Okay, grandpa, let's go!"

Dan nodded and just stood up, suddenly a waitress ran over and asked nervously, "Are you a guest in room 1003?"

Dan asked curiously: "I am, what's wrong?"

## **Chapter 2950**

The waiter said apologetically: "I'm so sorry! When our room service was cleaning the room just now, she found that the door of your room was open. She went in and looked at it and found that your personal belongings were turned over.

It may be a theft, so please go back to your room and check if there is any property damage. If there is any, we will immediately cooperate with you to report to the police for investigation!"

Dan never thought that he would live in an internationally renowned five-star hotel chain and would accidentally get into trouble like this.

Hearing what the waiter said, he didn't have any doubts at all, and subconsciously exclaimed: "Oh! Mike, help me back to my room!"

Dan went out this time and brought a lot of good things handed down from his ancestors, and today he was going to secretly approach Zhiyu, so he didn't need many things so he didn't bring them.

Among them, just a piece of Song Dynasty Fengshui compass is invaluable!

Moreover, that was passed down from the ancestors of the Mai family for nearly a thousand years, so there is no room for half a miss!

With Mike's support, Dan hurried back to the room.

At this time, the room was in a mess.

Both he and Mike's suitcases were opened and searched, and the Feng Shui compass was wrapped in silk and satin and placed in the suitcase.

And part of the RMB exchanged by him and Mike when they came to China, as well as some emergency U.S. dollars, were not lost in the box.

Dan was very nervous, and blurted out to Mike: "I didn't lose money or other things, just lost the compass..."

Although Mike is not good at learning arts, he also knows that the compass is the family heirloom of the Mai family. It is said that it has been passed down from the first generation of ancestors who engaged in Feng Shui metaphysics in the Mai family until today.

Let alone how much this thing can be worth, the meaning of this inheritance alone cannot be measured by money.

More importantly, this feng shui compass, because of the continuous blessing of the ancestors of the past dynasties, can already be regarded as a magical instrument. Use it to check feng shui and divide gold and fix acupoints. The accuracy is much higher than that of any ordinary compass!
