

Chapter 2944– 2945 of A Dish Best Served Cold Novel

Chapter 2944

As the Juggernaut and Tang Hao arrived, the Martial Arts Court officially began the trial of Lu Hua.

Above the hall, the three titled masters, God of War and Sword Saint, were in attendance, while the judge of the Martial Arts Court inquired about Lu Hua in accordance with the procedures.

Lu Hua in the audience was already frightened.

The power of the three pillars sits in the sidelines personally, and the oppressive force alone is not something that Lu Hua can bear.

Lu Hua, whose mind was broken, knelt down and couldn't help begging for mercy and admitting his mistakes with tears.

"I was wrong~"

"I was really wrong."

"Please, please spare my life~"

"I don't want to die~"

.....

"I promise, I won't dare anymore~"

....

"I must be a good person..."

Lu Hua spoke sadly, with tears mixed with his nose and running all over the place.

However, the God of War and others were indifferent, and the judge also asked without expression about Lu Hua's crimes committed in Noifork.

"Be lenient in confession, strict in resistance."

“Lu Hua, you’d better explain it honestly.”

Faced with inquiries, Lu Hua naturally did not dare to hide it.

He confessed all what he did to Mark’s relatives and friends in Noifork.

At first, when they heard that Lu Hua coveted Mark in Noifork’s industry, God of War and others could remain calm.

However, when he learned that Lu Hua had completely dominated the Mufan Group, he actually used various despicable means to physically and psychologically torture Mark’s relatives, and finally even caused a car accident delusion to get rid of Mark’s mother and wife. It is as powerful as the god of war, and it is hard to be calm.

Boom~

Hearing a dull boom, the God of War shot up, and the long table in front of him suddenly shattered!

“It’s a beast!”

“At the beginning we were really blind, how did we admit you into the Martial God Temple establishment?”

“Don’t say let you visit Mark’s relatives, you beast, you guarded yourself and brought such a disaster to Mark’s relatives?”

“The death of your grandfather Lu Songliang, the destruction of the Lu family, and the hundreds of martial arts experts who fell in the land of the West Lake are all thanks to you!”

“You scum, you really deserve to die~”

The god of war was trembling with anger, and the sound of anger resounded like thunder in the entire hall.

Ye Qingtian was really blown up with anger.

You know, this Lu Hua was sent by their Martial God Temple to visit Mark’s relatives. Moreover, Ye Qingtian had already punished him once.

But this Lu Hua did not repent, and became even harder.

In the end, Mark was completely angered, so that it brought such a serious disaster to the Yanxia Martial Arts.

With all the above, Ye Qingtian was so angry that he couldn’t wait to slap this beast to death!

“Okay, God of War, calm down.”

“This kind of scum is not worthy of you.”

“Let the martial arts court handle it.”

Tang Hao comforted.

Then, looking at the judge in charge of the trial, he said coldly: “The facts are already very clear, and Lu Hua himself has already admitted that the sentence can be pronounced.”

“Don’t~”

However, just as the martial arts court was preparing to pronounce the sentence, there was a voice from outside.

Immediately afterwards, Lu Ziming led the families of hundreds of Jiangbei strong men into the martial arts court, kneeling down and praying again.

.....

“Please leave Lu Hua in the Temple of Martial Arts~”

“Pray for Wushen Temple to give me Jiangbei Budo, leave a hope...”

“Please Rao Lu Hua to die~”

.....

“Please Rao Lu Hua to die~”

Lu Songliang has fallen, and now there is no master in Jiangbei.

And Lu Hua is extremely talented and is an outstanding talent in the new era appointed by the Martial God Temple. It can be said that he is the most hopeful person in Jiangbei today to step into the master.

Therefore, keeping Lu Hua is not only the idea of Lu Ziming alone, but also in the interests of the whole Jiangbei Budo.

What’s more, Jiangbei Martial Arts has always respected the Lu family.

Now that the Lu family is in trouble, these Jiangbei people will naturally try their best to protect and plead.

Chapter 2945

In front of the court, a hundred people bowed down.

The sad and moving voice echoed constantly between the heaven and the earth.

However, in the face of everyone's request, the God of War stood up, looked down at the people in front of the temple, and said coldly:

"Lu Hua committed a terrible disaster, and the crime is not tolerable."

"What's more, the law is ruthless."

"We want to keep him, but we can't keep him."

"So you don't have to be like this, just go back."

Ye Qingtian waved his hand and motioned for these people to leave.

However, how could Lu Ziming and the others be reconciled.

He raised his head, facing the God of War and others, and asked sadly:

"What about Mark?"

"Should he not die?"

"Although my son was wrong, he killed no more than ten people in Noirfork."

"But what about Mark?"

"Only on the West Lake, hundreds of people fell under his hands."

"Plus the members of my Lu family."

"Before and after, he slaughtered more than hundreds of my fellow hot summer people."

"If my son Lu Hua dies, Mark can't forgive him either."

Lu Ziming was unwilling, gritted his teeth and said.

"that's right."

"The sin Mark caused me by Jiangbei Martial Arts is even more serious."

"As the martial arts leaders in the summer, you should be fair to Jiangbei."

“However, if we let Lu Hua die today, we in Jiangbei Martial Arts will also take a step back and stop letting Mark to forgive our sins.”

“Otherwise, your Wushen Temple’s law enforcement is unfair, so how can you convince the public?”

As Lu Ziming finished speaking, the Jiangbei martial arts people behind him also spoke out, filled with righteous indignation.

“That’s right, if you kill Lu Hua, you won’t punish Mark.”

“We are not convinced by Jiangbei Budo!”

.....

“We are not satisfied~”

In front of the Temple of Martial Arts, people in Jiangbei said one after another, demanding that the God of War and others release Lu Hua.

“This...this...”

Faced with the demands of everyone, for a while, the judge of this court didn’t know how to deal with it.

At this time, the Juggernaut came over and discussed with Ye Qingtian: “Old Ye, their words do have some truth.”

“Although the Jiangbei incident, everything started from Lu Hua.”

“But in the end, Mark has brought serious disasters to Jiangbei Budo.”

“Now many people in Jiangbei Martial Arts are clamoring for Mark to pay for his life.”

“If we spare Lu Hua’s life, we will undoubtedly comfort the people in Jiangbei. At that time, they will no longer clamor for Mark to pay for his life.”

“In this case, it is a happy ending.”

The Juggernaut whispered.

This kind of step-back plan is undoubtedly the best result for both parties.

Ye Qingtian nodded when he heard the words, “You are right, but Mark, can he agree?”

Sword Saint shook his head: “I asked Tang Hao to tentatively ask just now, Mark really doesn’t want to step back.”

“However, you are familiar with Mark, and you also have the grace to know and support him.”

“Maybe Mark won’t listen to other people’s words.”

“But you, I think he should be able to listen.”

“So, you mean, let me persuade him again?” Ye Qingtian frowned.

“Well, this is the only way now. Otherwise, our Wushen Temple is afraid it will be difficult to explain to Jiangbei Wudao.” Sword Saint replied.

Ye Qingtian hesitated for a moment, and finally nodded: “Well, I’ll try.”

After speaking, Ye Qingtian got in touch with Mark again in full view.
