

# Chapter 2946– 2947 of A Dish Best Served Cold Novel

## Chapter 2946

“Mark, I and Jian Sheng and others have already questioned Lu Hua just now.”

“All his crimes have been admitted.”

“A good attitude of admitting mistakes and showing remorse.”

“But don’t worry, this Lu Hua crime is so obvious. Coveting the widow of a martyr is unacceptable.”

“This time, it is useless for anyone to intercede for him.”

“Finally, after discussing his crimes, we decided to imprison him for life and never let him out of jail for the rest of his life.”

“What do you think of this disposition?”

This Ye Qingtian is also a scheming man.

Obviously, he wanted to save Lu Hua’s life, but he didn’t say it directly. Instead, he went around and said that Lu Hua would be imprisoned for life.

This makes it sound to others that it does not seem to be begging Lu Hua at all.

“Lao Ye still has a way~”

Tang Hao immediately admired him, and secretly gave the God of War a thumbs up.

The same is to plead with Lu Hua, which is said in different words, but the result is completely different.

When Lu Ziming heard this, he still felt a little anxious.

Although imprisoned for life, he could save his son’s life. However, this is not what he wants.

What he wanted was for the Martial God Temple to restore Lu Hua’s free body.

“Forget it, save Xiaohua’s life now.”

“For the rest, it will not be too late to mediate slowly in the future~”

Lu Ziming wanted to express his request, but he finally swallowed the words that reached his mouth.

The road has to be walked step by step, and now is not the time to talk about this.

Being able to save Lu Hua’s life shows that his first effort has been successful.

After waiting for a few years, everyone forgot about this matter. At that time, he will use some more methods to rescue his son from the martial arts prison. Isn’t it easy?

However, just when everyone thought that Lu Hua’s life had been saved, there was a faint cold voice on the other side of the phone, which quietly sounded: “Death sentence, executed immediately!”

Boom~

Mark’s words, although only a few words.

But the feeling and chill contained in it are almost infinite!

The moment he heard this, everyone present was dumbfounded.

Tang Hao trembled, and the Sword Saint’s eyes widened.

It was Ye Qingtian himself, and his expression stunned!

As for Lu Ziming and others, it was extremely trembling.

They never thought that Mark would not even give the face of God of War.

Ye Qingtian told him so much, he just replied, the death penalty is executed immediately?

“This...”

The God of War stunned slightly, opened his mouth, and wanted to say something.

However, Mark’s voice came out again before the God of War spoke.

“I handed Lu Hua to the Martial Arts Court to deal with it, which is my biggest concession.”

“Of course, if you don’t kill, then tomorrow, I will go to Yanshan and kill myself.”

“Lu Hua, must die.”

“How to choose, you decide for yourself.”

The words were low, with unquestionable majesty.

After speaking, Mark hung up the phone.

Only here is the dead silence of the whole hall.

After a long time, Sword Saint, Tang Hao and others looked at Ye Qingtian: “Old Ye, what should I do now?”

The God of War shook his head and sighed.

“What else can I do?”

“Just do what he wants.”

what?

“No~”

“God of War, you can't kill Xiaohua...”

“Please, he is our Lu family's only hope...”

Lu Ziming suddenly cried and wailed. However, to no avail.

Snapped!

Above the main hall, as the hammer's clear sound resounded through the hall, the judge also gave Lu Hua a final trial.

....

“Lu Hua, a person from Jiangbei...”

“Murder Zhu Guo's relatives and friends, disturb Noifork...”

“Sin is not forgiven.”

“The sentence is now pronounced, and the death sentence is executed immediately!”

## Chapter 2947

Boom~

At that moment, it was like a thunder.

Lu Hua's legs softened, and the whole person was directly on the ground.

His eyes were wide, his eyes full of despair, and he kept crying for mercy.

As for Lu Ziming, it was even more difficult to accept the facts before him, and he fainted on the spot.

The remaining Jiangbei people also rioted in protest after the sentence was pronounced.

The entire martial arts court suddenly became a mess.

However, just when the hall was full of noise, a sound of majestic anger, like Hong Zhong Dalu, instantly suppressed all the sounds here.

“Whoever makes trouble again, expel Gritsberg!”

Boom~

The words of the God of War seem to be of utmost importance.

All of a sudden, the audience was silent.

These Jiangbei people in front of them, even if they have a big complaint in their hearts, they dare not say a word at this time.

After all, who dares to disobey the majesty of the strongest in Vietnam?

Bang~

With a gunshot resounded throughout the world.

The scorching bullet caused a violent wave of air, and instantly penetrated Lu Hua's head.

The leader of the new generation of Vietnam, one of Vietnam's top ten outstanding talents personally canonized by the Martial God Temple, and the only descendant of the Lu family in Jiangbei, finally ended his sinful life in this way.

Before he died, Lu Hua was full of regret.

If life could come back again, he would be killed, and he categorically didn't dare to provoke Mark again.

However, life cannot be repeated after all.

Some mistakes, once you make them, you can only pay for them with your life!

In this way, a Chinese martial arts civil turmoil that was caused by the Lu family in Jiangbei but was pushed to its climax by Mark ended completely with the fall of Lu Hua.

On the night Lu Hua was shot, the Martial God Temple sent people to transport Lu Hua's body to Noirfork.

In front of Yunding Mountain, Mark stood proudly with his hand.

Behind him, standing Ericson Li, Lei Lao San, Wang Jiexi and Qinglong everyone.

In front of them, there was Lu Hua, who was icy, lying quietly in the coffin.

“Grandmaster Wushuang, I am here to give you an explanation when ordered from the Temple of Martial Arts.”

“In addition, the two hall masters, God of War and Sword Saint, let me tell you something!”

At this time, several Wushen Temple staff who had been ordered to come were explaining to Mark the instructions of the God of War and others.

“Say.” Mark replied in a deep voice without expression.

“The God of War has something to say, everything ends here.”

“Farewell!” After speaking, none of these people were staying, and immediately drove away and returned to Vietnam Gritsberg.

Of course, the corpse of Lu Hua was also taken with him.

At the request of the Lu family, Lu Hua's body was immediately sent back to Jiangbei and buried in the tomb of the Lu family.

After the people of Wushen Temple left, Yunding Mountain remained silent.

Ericson Li and Lei Laosan were in the same place, and their hearts could be described as ups and downs, and it was difficult to calm down for a long time.

In the end, Ericson Li spoke out, looked at Mark like a ghost, and asked strangely: “Mr. Chu, this... is this over?”

“Dignified Wushen Temple, really right... bowed your head to you?”

No one can understand the tremor in Ericson Li's heart at this time.

He never dreamed that the Martial God Temple really did as Mark said, not only did not come to investigate Mark's fault, but also killed Lu Hua to explain to Mark.

When Mark said these things before, Ericson Li still felt that Mark was bragging.

But now it seems that Mr. Chu is not bragging, he is really bragging.

"This... This Mr. Chu, too.. Isn't it too awesome?"

"Did they all bow their heads?"

"My God..."
