

Chapter 2952– 2953 of A Dish Best Served Cold Novel

Chapter 2952

At that time, Helen Qiu was blushing like a rose in July, delicate and charming.

While beating Mark's chest in anger, he shyly shrank his face in Mark's arms, daring not to see anyone at all.

As for Wang Ming, his eyes were almost split.

“Bad son, I killed you~”

Wang Ming couldn't keep calm anymore, his whole body was completely lost. He picked up a piece from the ground and turned his head and smashed it at Mark's forehead.

“Master, calm down...”

At this time, the old man before, with a pale face, quickly got out of the car, hugged Wang Ming, and persuaded him again and again.

The words were almost crying.

“Master, what are you doing, the couple are affectionate, how angry are you?”

With a bitter face and full of fear, the old man couldn't help but persuade.

“What nonsense are you talking about?”

“Does a bastard deserve Miss Qiu?”

“You're still a couple, is he worthy too?”

“Don't let me go!”

Wang Ming was still yelling to kill Mark.

And Helen Qiu had already broken free from Mark's arms at this time.

However, there is still a blush on her pretty face. After breaking away from Mark's embrace, a pair of beautiful eyes stared at Mark angrily, as if saying to go home and clean you up.

Mark spread out his hands and grinned, looking like a dead pig is not afraid of boiling water.

"Miss Qiu, are you all right."

"It shocked you, you wait, I will severely teach this prodigal son!"

Seeing that Helen Qiu had been freed, Wang Ming was still angry and wanted to teach Mark.

However, what Wang Ming did not expect was that Helen Qiu was not only unmoved, but also stood in front of him and said coldly: "Mr. Wang, I hope you will stop using such insulting words in the future. Describe my husband."

what?

Old...husband?

At that moment, just like a bolt from the blue sky, Wang Ming suddenly stayed in place.

"He... is he really your husband?"

"You...you...you are already married?"

Wang Ming said silently, he looked at Helen Qiu, and then at Mark, who was standing in front of him.

For a moment, Wang Ming felt that his heart was broken.

But Helen Qiu continued: "However, I still have to thank Mr. Wang for his kindness. Since my husband has already come to pick me up, I don't bother Mr. Wang to send it."

"I'm leaving first, and you should all go back as soon as possible."

After the explanation, Helen Qiu also walked to Mark: "Why are you still standing there? Don't go home soon. My image in the company will be ruined by you sooner or later~"

Helen Qiu complained angrily, but her heart was exceptionally sweet and happy.

Isn't that the case with women?

I don't want it in my mouth, but I still want it in my heart.

Duplicity is the natural skill of every woman.

Soon, Mark and his wife drove away.

Here, only Wang Ming remained, like a goose, stuck in the wind and rain.

“Autumn...Miss Qiu, are you really married?”

“Just follow... with such a stuff?”

“He deserves too?”

No one can understand Wang Ming's feelings at this time, there is loss, and even more anger.

I only felt a flower stuck in the cow dung.

However, after being angry, Wang Ming laughed instead.

“fair enough.”

“A person who is not worthy of Miss Qiu is destined to not last long.”

“The really long marriage was evenly matched at the time.”

“As long as I launch an offensive, I will easily take down the president of the Mufan Group.”

Wang Ming smiled slowly, his words full of confidence.

However, the white-haired old man on the side shook his head and sighed: “Hey, master, don't think about good things.”

“Die this heart early.”

“When you first came to Noirfork, I have not had time to tell you many things.”

Chapter 2953

However, the white-haired old man on the side shook his head and sighed: “Hey, master, don't think about good things.”

“Die this heart early.”

“When you first came to Noirfork, I have not had time to tell you many things.”

“Ok?”

“what’s happenin?”

“Why should I give up?”

“In your eyes, my Wang Ming is still inferior to this stinky boy?”

Wang Ming was a little angry.

Their Wang Group’s financial strength and regional influence may be somewhat different from that of the Mufan Group. But it is also a well-known listed company.

As the general manager of the company, Wang Ming naturally has his own pride.

If she is not as good as Helen Qiu, Wang Ming can still accept it. But now, the close minister next to him actually showed that he was inferior to a street gangster. How could Wang Ming not be angry?

Yes, in Wang Ming’s eyes, Mark is just a foolish bastard.

After all, if a person with good cultivation, how could he be so frivolous and turbulent in full view.

After saying this, Wang Ming thought that the old man in front of him would immediately apologize and explain to him.

But what Wang Ming didn’t expect was that the old man shook his head and said bitterly: “Master, to be honest, you really can’t compare to this young man.”

“You~” Wang Ming was almost mad at the time.

“Master, don’t be angry.”

“I didn’t mean to belittle you.”

“It’s not you alone who can’t match him.”

“The entire Noirfork, billions of people, can never compare to him.” The old man said with a wry smile.

When Wang Ming heard this, he immediately trembled: “You mean, he...he is...”

Before Wang Ming said the name of the man, the old man in front of him nodded, “Well, he is Mr. Chu.”

“Noirfork’s Honor, Mr. Chu.”

“Helen Qiu, the president of Mufan Group, is his woman.”

“Stealing women from Mr. Chu, Master, do you think you have a play?”

The old man said quietly, a wry smile was full of powerlessness.

Their Wang Group has only recently entered Noifork to start business. He had always negotiated business with Mufan Group on behalf of the company, but Wang Ming only rushed to Noifork from other provinces yesterday.

Therefore, in many cases, Wang Ming didn't know at all.

But the old man in front of him is undoubtedly much clearer.

Otherwise, after Wang Ming showed his affection for Helen Qiu just now, the old man tried to persuade him one after another, because he was afraid that Wang Ming would cause a catastrophe.

Fortunately, Mr. Chu has a large number of adults, and he doesn't seem to have the same knowledge as Wang Ming.

Otherwise, if Mr. Chu is really held accountable, their Wang Group will only have to give in and apologize.

The strong dragon can't beat the local snake, this is after all their home court.

What's more, Mr. Jiang Dongchu's actions and methods are indeed not something that the Wang Group can contend.

“He... is he really Mr. Chu?”

“Why is this... so young?”

Wang Ming was completely stunned in place, his old eyes staring, and his whole person was almost frightened.

Although he is not from Noifork, Mr. Jiangdongchu's name has long been declared far away.

Not only in the martial arts world, but also in the hot summer business world, Mr. Chu's name is absolutely thunderous, and all the powerful and powerful in Noifork have bowed their heads to him.

If enterprises from other provinces want to set foot in the Noifork market, in addition to the permission of the Noifork government, the other is to get Mr. Chu's permission.

Otherwise, they will come in, and it will be difficult to move in Noifork business community.
