

My One In A Million Wife Chapter 296

Ashlyn went offline after chatting with them for some time.

It was then did she notice her phone beeping furiously.

Checking her phone, she noticed that Lucas had made six huge transactions to her.

The amount went from 999, 9999, 99999, 999999, 9999999, all the way up to 999999999.

What is this lunatic getting at?

Ashlyn did not opt to receive any of them.

She felt the urge to block him.

When she was on the fence about her decision, the man sent her another text.

“I’m sorry.”

What?

Ashlyn did not have time to think when Lucas sent her another text.

“Take it as my token of apology.”
