

Chapter 2960– 2961 of A Dish Best Served Cold Novel

Chapter 2960

Boom~

Mark's words echoed, and his whole body suddenly resembled a dragon like a rainbow.

Even Mr. Han on the other end of the phone was only shocked.

In the end, Old Han gave up.

Sure enough, he still couldn't stop this young man.

“Well, young master, now that you have decided, the old slave will definitely cooperate fully.”

“May the little lord, you will be successful~”

“The old slave is in Chumen Mountain, waiting for the dragon lord, the king will come!”

Huh~

Yunding Temple, the cold wind is bitter, blowing sand in the sky.

After finishing the call, Mark stood alone on this mountain until the evening.

Outside the horizon, there are winds and clouds, and the sky is full of cold currents.

At the same time, the Four Seas Dragon God Order has spread throughout the countries.

In an instant, it was like a huge machine, which started to operate after being hidden for ten years.

In the Middle East, Western Europe, and even the depths of Antarctica, several powerful auras appeared at this time.

After that, as if receiving a call, they all drove toward the land of Vietnam's Shenzhou.

Raise soldiers for a thousand days, and use them for a while.

“After waiting so long, is this day finally here?”

Vietnam, the depths of Western Xinjiang.

A girl with a long skirt fluttering like a fairy, looking at the dazzling red warm jade in her arms, suddenly her red lips lightened, she looked at the far east and whispered.

However, it will take some time from the official activation of the Dragon God Order to the return of the “gods”.

Taking advantage of these few days, Mark also happened to completely construct the Yundao Heavenly Great Array.

Yes, among the formations Mark wanted to build, the Wrifill Grand Formation was only one of the main formations, and Mark was also preparing to build two sub-arrays.

The three formations have become a powerful force, guarding the people he loves together when Mark is away.

Of course, for the other two divisions, Mark is not planning to build in Wrifill.

Here, the defensive formation of Yunding Mountain is enough.

On the last night in Wrifill, Mark drove the company downstairs as usual, waiting for Helen Qiu to get off work.

“Come here early today?”

“It seems that you have listened to what this lady said last night.”

“Growth is worthy of encouragement.”

As soon as she got off work, Helen Qiu ran downstairs early.

In the past, Helen Qiu was the last to leave in the company.

But since Mark came to pick her up from get off work, Helen Qiu was back home.

As long as it's off work time, I don't want to stay in the company for a moment.

Of course, as the president of the company, Helen Qiu could leave at any time.

However, a good company leader should take the lead in complying with the company's rules and regulations.

Therefore, unless there are special circumstances, Helen Qiu still commutes at the prescribed time.

After going downstairs, Helen Qiu saw the teenager she was looking forward to. She smiled and looked forward to it, and got into Mark's car happily.

After returning home, Helen Qiu wanted to cook for Mark, but was stopped by Mark.

"My wife, let me cook today."

"You have worked hard, so you can rest well when you come back."

Mark tonight is gentler and considerate than ever.

Not only did she cook delicious dishes, she also took care of all the housework of washing pots and dishes, and she even washed Helen Qiu's hair personally.

"Mark, what happened to you today?"

"Did you do something wrong?"

"Or, is there something hiding from me?"

Mark's diligence was a little abnormal today, Helen Qiu was immediately alert, and she scanned Mark with her beautiful eyes.

"Not how ah."

"My husband loves his wife, isn't it justified?"

"Is it particularly touched."

"Moved, want to give me a son?"

Ye Fancou smiled shamelessly.

Chapter 2961

Tonight, Mark's smile was extraordinarily gentle and petting.

It's like a bright spring in March.

However, at this moment, how gentle Mark's smile was, he felt reluctant to give up.

Looking at the beautiful and charming wife in front of him, Mark was really shaken for a moment.

For so many years, only the woman in front of him can make him feel firm and sway.

If he could meet Helen Qiu earlier and become her husband earlier, maybe Mark would really let go of the hatred in his heart.

But now Mark can no longer look back.

Mark has been walking that road for ten years.

He went too far, and he could only go forward. No matter how charming and gentle, no matter how indulging in beauty, it is difficult for Mark to look back.

Outside the window, the moonlight was cool.

The pleasant wind is like a cold spring on a cold mountain, quietly flowing in this dark night.

In the villa on the top of Yunding Mountain, scenes of warmth are quietly playing.

The teenager is smiling, and the beautiful woman is shy.

Facing Mark's words, Helen Qiu naturally felt ashamed.

She and Mark have been married for many years, but they really look like a couple, and it's just a recent year.

Although Helen Qiu was no longer as shy as she was when she kissed and hugged Mark.

However, Helen Qiu is undoubtedly extremely embarrassed for things like "giving a child".

As soon as I hear it, it will blush like a ripe cherry, and the whole person will consciously become nervous.

That kind of feeling is like 10,000 fawns bumping into their hearts.

Both looking forward to, but also hesitating.

However, when Helen Qiu was thinking about it, Mark had already left to get foot wash.

Mark was just joking and teasing Helen Qiu just now. He didn't really want children.

Mark didn't even think about being a father.

For so many years, he has put all his thoughts and energy on cultivation, on the plan of “Benghuo Liaoyuan”.

Even joining the Zuiqiu family back then and marrying Helen Qiu as his wife was only part of Mark’s plan.

The only thing that surprised Mark was that he was really tempted by Helen Qiu.

But even if he really had feelings for Helen Qiu, Mark never thought about having children with her.

Because he is not ready yet.

Not ready to be a dad yet.

Mark is like that. He doesn’t like doing things that are not prepared, and he doesn’t like accidents outside of plans.

Of course, he was even more afraid that he could not do well in the role of father, that he would repeat the mistakes of that man, and that his future children would hate his father just like himself.

He can’t even do the responsibility of being a husband, let alone being a father?

“Come on, wife, soak your feet.”

At this time, Mark had already brought over the prepared footwashing water.

“Thank you husband~”

This time of the day was Helen Qiu’s happiest time.

Seeing Mr. Chu, who was so eloquent and powerful in all directions, was so gentle and considerate in front of him, Helen Qiu only felt that she was so happy and happy.

It is estimated that any woman in the world likes the feeling of being wrapped in gentleness, and the unparalleled sense of security given to her by her own man.

In recent years, Mark has been away all year round.

Every night when she was alone with her vacant room, Helen Qiu would think wildly.
