

## Chapter 2961

Seeing Dan kneeling on the ground and begging, Charlie felt nauseated and said coldly: "If you still want to return to the United States in this life, then you will honestly cooperate with me to catch Cary. If I can catch him before he kills again, I will give you a chance to go back alive, otherwise, as I said, make plans to die in Aurous Hill!"

When Dan heard this, he naturally did not dare to refute or resist anymore, and the old Dan tearful said: "What Master Wade said is what I should do, my fate is..."

At this time, he had realized that Charlie in front of him was a figure he could not afford to provoke.

"Aside from anything else, Qinghua's ability alone is better than me, but he is respectful of him. From this, I can see that this person is definitely not a thing in the same pool..."

"More importantly, this person is young but has the ability to make Qinghua 20 years younger. This level alone is far beyond my own knowledge!"

"Although I don't know if he can kill Cary, but I know if I annoy him, he will definitely not make me feel better..."

On the phone, Qinghua couldn't help but sighed: "Old Mai, you should have promised Master Wade, why bother to get this field now!"

Dan was also very regretful.

He thought to himself:

"How do I know that he is the nobleman who gave you the great opportunity! If I knew it earlier, I would have nothing to do with what he asked me to do. Then I will cooperate with him well, maybe he will also give me one great opportunity..."

"It's alright now. I just offended him like this. Now, instead of getting any benefits, I have to bite the bullet to cooperate. This is considered to be good cooperation with him.

Afterwards, he may not easily bypass me. As for the great opportunity, Don't even think about it..."

Seeing that Dan finally gave up resisting, Charlie said: "Since you have agreed, then first tell me the details of your meeting yesterday, such as what the two of you talked about."

Dan did not dare to delay, and hurriedly told all the details of the meeting with Cary yesterday.

There are three very important points.

The first one is that Cary's goal in Aurous Hill is to find Charlie and then kill him;

Second, Cary asked Dan to find a breakthrough point from Zhiyu. From this, it can be confirmed that this guy must have received news from Chengfeng. He felt that he had a close relationship with Zhiyu and passed through her he can find himself;

Third, Cary took two missions from Chengfeng. The first mission was to kill Charlie, and the second mission was yet unclear.

## Chapter 2962

After clarifying this, Charlie said coldly: "Since you are willing to cooperate with me, then give Cary a call and tell him that your investigation has made significant progress. Ask him out for a meeting. I want to set him up. Set, catch a turtle in an urn."

Dan hurriedly asked: "Then if he is asking me for relevant clues on the phone, what should I say?"

Charlie opened the mouth and said: "Simply, just say that you want to talk to him face to face to give him this relevant clue."

Dan asked again: "What are the specific conditions?"

Charlie said indifferently: "You say that it is too easy for him to make money. You have tossed over at such an age and spent a few days in Aurous Hill. It is much harder than his efforts, so you hope to get a certain share from him as compensation."

Dan nodded, but said nervously, "Master Wade, you may not understand the person Cary. This person is extremely cruel. The last time he asked me to meet at Phoenix Mountain Cemetery, he made it clear that he wanted to give me a good start. If I negotiate terms with him at this time and want to divide the money in his hand, then he will definitely make a bad move..."

Charlie said, "Don't worry. Although I am a little shameless about your behavior, I am not going to use your life as bait. As long as you cooperate with me to bring out Cary, I will naturally keep you safe."

Although Dan was not sure in his heart, he knew that he had no other choice at this time, so he could only agree and said, "He must be suspicious by nature. Where does Master Wade plan to meet him? Too remote, I'm afraid he will be wary..."

Charlie waved his hand: "You ask him to come to Shangri-La directly. He must know that you live here, so it is safest for you to ask him to meet here."

Dan couldn't help but said, "Master Wade, Shangri-La is crowded with people and is located in a downtown area. If there is a fight against him here, will the movement be not too big? It's too big to end, and there may be unexpected troubles..."

Charlie snorted and said: "I asked you to invite him to meet here directly, just to minimize his doubts, and you must also understand that it is impossible for this kind of person to agree to meet you here."

After speaking, Charlie said again: "He must also have the same concerns as you just mentioned. If he really wants to kill you, he will not dare to kill you directly at Shangri-La, so I believe he will ask you out. To meet, and he must choose the location, so that he won't have any unnecessary fear and suspicion."

Dan nodded, clasped his fist, and said, "Master, if it is your best consideration, I will call him!"

"No!" Charlie said coldly: "He just met you last night, and you didn't even go out of the hotel door today. Tell him directly that you have a clue. He will definitely not believe it."

Dan couldn't help but said, "Cary may not know everything about me, right?"

Charlie said calmly:

“You and Cary are not the same kind of people. You make money by craftsmanship. He makes money by killing people. Just like a cook and a killer, you have nothing to do with each other, so you are not the same kind of person at all.

It’s not in one dimension at all, and you can’t understand at all. How cautious is the personality of a person like him who makes money from murder and how careful his mind is, maybe he has been observing you in secret, maybe. So if you make a call, it might be all exposed.”

Dan hurriedly asked, “So what do you suggest, Master?”

Charlie opened his mouth and said: “You follow your original plan, go to Du’s old house, and call him after you come back.”

Dan nodded, then looked at Mike, who was motionless next to him, and hurriedly said, “Master, please let my great-grandson recover. I will go to Du’s house with him.”

Charlie said indifferently: “Mike stays here, my people will naturally take care of him. If Cary asks about him, you would say that Mike was frightened at Phoenix Mountain last night and is uncomfortable today, so he didn’t join you. I believe Cary will not doubt it.”

### **Chapter 2963**

Cary did observe Dan and Mike secretly.

However, as Charlie speculated, he did not enter the Shangri-La directly but chose to stalk in the dark outside the Shangri-La.

This is mainly due to the fact that Shangri-La has a lot of people and has a very complete monitoring system.

If no one is helping, the possibility of trying to hide from the monitoring is almost zero.

Cary feels that with his own skill, everyone who enters and exits the hotel can be closely guarded outside Shangri-La. As long as Dan and his grandson leave, he can follow along all the way.

Cary did not trust Dan. On the one hand, he was worried that he would be passively sabotaged and would not help him find the mysterious person.

On the other hand, he was also worried that Dan would take the credit for himself.

After all, in his opinion, this old fellow is not a fuel-efficient lamp.

So the best solution is to keep an eye on him secretly. If this old guy dares to carry a moth on his back, then he should be dealt with first.

However, Cary did not know that at this time Dan had already turned against the water.

After leaving Mike at Shangri-La, Dan left alone and went to Du’s house in accordance with Charlie’s instructions.

Cary was very puzzled. He didn’t know why Mike didn’t come with him, but if he wanted to come to Mike as a young man, he couldn’t have any real skills, so he wasn’t afraid that Dan was playing with him.

So he drove a rented Volkswagen sedan and followed all the way.

Dan pretended to stay at the Du's house for a long time, then took out the compass and talisman for a while, then he pretended to have gained something, stopped a taxi, and went to the original incident.

The Forbidden Mountain Tunnel, and then returned to the city for a while to search, finally returned to the Shangri-La Hotel.

Cary followed all the way, followed Dan to the old house of Du's, went to the Forbidden Mountain Tunnel, and followed a big circle around Aurous Hill. He became more and more certain that this old fellow must have found some clue.

So, soon after he returned to the hotel, he called Dan, and on the phone, pretending to be concerned, he asked: "Mr. Dan, is there any progress?"

### **Chapter 2964**

Dan was planning to call Cary, but he didn't expect the other party to call him first, so he followed Charlie's instructions and said,

"Master, I ran a long circle outside and just returned to hotel, your called me as soon as I reached the room."

Cary smiled and asked, "Oh, Mr. Dan had gone out. I think there must be progress on this matter. I don't know what the result will be?"

Dan said in a convenient way: "Let me tell you the truth, things have indeed made a big breakthrough."

Cary hurriedly asked: "What kind of breakthroughs are there and are they accurate enough?"

Dan said with some embarrassment, "Well...Master, I'm sorry to trouble you. I can't say clearly on the phone..."

Cary said displeasely: "What's so hard to say about this, you can tell me the clues directly, and I will find out and kill that person, so that you and I can go back to life like Mr. Su."

Dan chuckled and said, "Master, I'll just say something straight. I can tell you the clue, but I have a small condition..."

Cary's tone suddenly became cold, and he asked: "Why? Now that you have some clues, you want to negotiate terms with me?"

Mr. Dan, don't forget, find that mysterious person. This is your business!

And it's my job to kill the mysterious man. You do your job and want to negotiate terms with me?"

Dan smiled and said: "Master, as the saying goes, people are not for themselves, and the heavens are destroyed.

I came all the way to China to make some money. After all, I have never done this kind of harm to the world before.

Things, maybe for the rest of the day I will be conscientious, so I have to make more money to make up for myself.”

After speaking, Dan said again: “I have been to China with Mike for several days. I have been looking for various possible clues before, and there is indeed a lot of hard work.”

Speaking of this, Dan turned around and said, “But, Master, you have just come to Aurous Hill.

If I give you the clue today, maybe you will kill that person tonight, and then you can pat my bu.tt to give credit. The money is gone. In contrast, my money is indeed much harder than yours!”

Cary asked coldly: “Mr. Dan, listening to what you mean, it seems that you want to share some money with me?”

### **Chapter 2965**

Dan smiled and said, “Oh, Master, I don’t mean that. I just want to meet you and have a chat to see how much you take from the Su family alone, and how much we two take from the Su family.”

“Then combined with the time we came to Aurous Hill and the time you came to Aurous Hill, let’s calculate a fair and proper amount for the three of us.”

“If I and my grandson take too much, then we will take out the more part to share it with you Master.”

“But if it’s Master, you take more, then I have to bother you to supply us with the more.”

When Cary heard this, he was suddenly furious.

He thought to himself: “This old thing is really shameless. He wants to count money by head and time with me at this time. Doesn’t the old thing want his life?”

However, he did not directly attack on the phone, because he knew very well that it was not difficult to kill Dan and his grandson himself, but the difficulty is that after killing them, there is no way to find that person.

Therefore, I still have to find a way to get the clues out of his mouth!

So he asked in a cold voice: “Mr. Dan, since you want to meet and chat, let’s make an appointment for a time and a place.”

Dan hurriedly said: “Master directly come to Shangri-La. I booked a suite here and the environment is good.”

Cary refused: “I hate places like hotels the most. Otherwise, I won’t come to Aurous Hill to eat and sleep all the time, or we’d better make an appointment at Phoenix Mountain Cemetery.”

“Phoenix Mountain Cemetery?” Dan blurted out: “Your gu-worm swallowed the security guard’s brain.

Now there are rumors that he was eaten by a ghost, causing panic. I’m afraid the relevant departments are also looking at the place. We meet there again, afraid it’s inappropriate, right?”

Cary said indifferently: “To be honest, I slept in Phoenix Mountain last night, not to mention, the scenery is really good, and there is no one to bother me.

When the police came to investigate the corpse in the morning, I even joined in and watched.

Look, now under the panic, the security guards in this place don't dare to be on duty at night. We talk about things here at night and don't have to worry about ears on the wall."

Dan thought for a while, and said with some worry: "Master, the Phoenix Mountain Cemetery is really remote, or let's change to a closer place!"

Cary said coldly: "If you give me clues now, then we don't even have to see, but if you want me to take part of the profit from my pocket to you, then I'm sorry, you have to follow my request!"

When Dan heard this, he said, "Okay! In that case, see you at Phoenix Mountain tonight!"

Cary smiled: "When we meet tonight, I will see or leave."

## **Chapter 2966**

When Cary hung up the phone, his expression was venomous.

He really didn't expect that an old thing like Dan would dare to negotiate terms with him.

Just as he was feeling resentful, something suddenly tumbled in his arms, he hurriedly reached in and took out his natal Gu-worm from his arms.

As soon as the white and fat worm came out, it twisted its body vigorously, and it kept squeaking in his mouth, seeming to be a little dissatisfied and protesting.

Cary touched it, while comforting: "Don't worry, don't worry, I know you didn't eat enough last time, don't worry, I have prepared two meals for you tonight, and you will definitely fill your stomach tonight!"

What's interesting is that the big white worm seems to be able to understand what he said.

When Cary promised to let it have a good meal, it immediately stopped the dissatisfied protest, and cleverly rolled repeatedly in his palm.

He laughed evilly at this time, and said to himself: "Dan, Dan, since you are such an old man so ignorant of good and bad, don't blame me for being ruthless! Next year, on this day, it will be your anniversary. Tonight, I will use the brains of you and your great-grandson to feed my baby!"

At this moment, Dan hung up the phone, looked at Charlie next to him, and said honestly: "Master Wade, what you asked me to do, I'm done..."

Charlie nodded slightly, and said lightly: "Then you have to work hard to go to Phoenix Mountain Cemetery with me at night."

Dan's expression was shocked, and he blurted out, "Master Wade, didn't you say that as long as I arrange an appointment for you with Cary, you will let me go?"

Charlie said: "The area of Phoenix Mountain Cemetery is very large. If you don't show up, Cary will most likely not show up as well. If he notices an abnormality and runs away, he will immediately guess that you betrayed him. Do you think he will let you go, then?"

Dan's expression immediately became very ugly.

"Charlie was right. Since I have made an appointment with Cary to meet at Phoenix Mountain Cemetery, if anything goes wrong, he will immediately suspect that I betrayed him. If he retaliates at this point, I can't do anything with him..."

Thinking of this, he thought again in his heart: "But, if I followed this man and he couldn't kill Cary, would I be buried with him?! Cary's methods are so harsh, just that is the trouble. The natal Gu-worm is extremely powerful. If Charlie's strength is not good, then in the end both I and him will have to become food for that white worm..."

### **Chapter 2967**

At this time, Dan was constantly thinking about any possible situation and the corresponding results.

After thinking about it, he still felt that he had to believe in Charlie and hope that he could kill Cary.

The reason is also very simple. If Charlie kills Cary, he still has a chance to survive; but if he can't kill Cary, he will undoubtedly die too.

Therefore, he could only bite the bullet and promise, "Okay Master Wade...I will go to Phoenix Mountain with you in the evening..."

...

In the evening, Charlie sent Claire home and ran out of the house on the excuse of something.

At the door of Tomson, Orvel drove a taxi and parked on the side of the road.

In front of the taxi at this time, the words hired were displayed.

Orvel had been waiting here for a long time. Seeing Charlie coming out, he hurriedly got out of the car and said respectfully: "Master Wade, you are here."

Charlie nodded, pointed to the taxi, and asked him, "Is there nothing wrong with this car?"

Orvel hurriedly said: "This is a standard operating taxi. The license plates and certificates are real. Don't worry."

Charlie said with satisfaction: "Okay, good job, give me the car key."

Orvel didn't dare to delay, and hurriedly handed the keys to Charlie's hand, and said: "Master, if you have anything, please feel free to contact me."

"Okay." Charlie nodded slightly, took the car key, and said: "I'm leaving now."

After speaking, he got into the taxi, started the car, and drove towards Shangri-La.

### **Chapter 2968**

When Charlie came to the front of the hotel, Dan also walked out of the lobby.

When he walked to the door and saw Charlie driving the taxi, he waved his hand at him.

Charlie drove the car up to him, lowered the window, and asked, "Are you going to take a taxi?"

"Yes!" Dan nodded and said, "I'm going to Phoenix Mountain Cemetery."

"To Phoenix Mountain?" Charlie pretended to be horrified: "Why do you want to go to such a place in the middle of the night? I can't go, it's too bad."

Dan hurriedly said: "Brother, I have something very urgent to go to Phoenix Mountain. If you feel unlucky, I can add more money to you?"

Hearing this, Charlie rolled his eyes and asked: "Add money? How much can you add?"

Dan directly took out ten hundred yuan bills, handed them to Charlie's hand, and said, "One thousand yuan, what do you think?"

Charlie pretended to get shocked with his eyes wide open, and he waved happily and said, "Come on, get in the car!"

Dan opened the car door and sat in.

Charlie started quickly, and the vehicle headed towards Phoenix Mountain.

On the way, Dan asked nervously: "Master Wade, do you think that Cary is following us?"

Charlie said indifferently: "Regardless of whether he is following or not, we have to do a full set of the show, otherwise, if there is a disclosure, the other party will disappear without a trace for good."

Dan nodded, and then asked, "After we reach the place after a while, do I go in by myself, or do you have other arrangements?"

Charlie said: "Just get in when you get off the car and wait for Cary to contact you."

Dan asked nervously: "Then what do you do after I get off the car? Do you follow in secret, or just wait outside?"

Charlie said calmly: "Don't worry, I will follow you in openly when the time comes."

Dan couldn't help asking: "Will that make Cary suspicious?"

Charlie said confidently: "No, I will definitely find a way to come in when the time comes."

Dan was surprised: "Why are you so sure?"

Charlie sneered: "Because Cary attaches great importance to that natal Gu-worm, he wants to feed it, so he will definitely not let go of potential food, and once let me go, there is a bit more risk of exposure, why not just kill me and give more brains to his worm. This is like killing two birds with one stone?"

Dan couldn't help asking: "What if he doesn't want to have extra troubles and just wants to solve the problem with me only? That way, if you don't drive the taxi away, Cary will definitely have doubts in his heart."

Charlie waved his hand and said confidently: "Don't worry, he will definitely be reluctant to let me go!"

**Chapter 2969**

Although Charlie didn't know Cary or his acting style, he felt that cruelty and killing must be carved in the bones of people like him.

He usually doesn't kill people. It is by no means a kind heart, but the conditions do not allow him. Once the conditions permit, he will certainly not have any mercy.

According to Dan, the last time he saw Cary at Phoenix Cemetery, the cruel man also lamented that the huge Cemetery had only one security guard, so that he could not feed enough to his natal Gu-worm.

This shows that once conditions permit, Cary cannot kill only one person, he must kill as many people as possible.

Today, Dan wanted to get a piece of the pie from his pocket, and he must have touched his nerves. He would definitely be murderous towards this old man, otherwise, he would not invite him to meet at this desolate and haunted place again.

At that time, as long as he sees Charlie as a taxi driver, he will never be merciful to him.

Cary at this time kept driving behind Charlie's taxi.

He was thinking about killing Dan and his great-grandson Mike together tonight.

Unexpectedly, only Dan walked out of the hotel.

Seeing that he got on a rental car, Cary had made up his mind to kill the taxi driver as well, so that he could feed his natal Gu-worm, otherwise, it would only have to eat the bad old man Dan. It's not enough for his starved natal Gu-worm.

And he has made up his mind. When Dan arrives at Phoenix Mountain by car, he will not talk nonsense with him at all. First, kill the driver, and then force Dan to give specific clues. After Dan explains clearly, he will end his life too.

Cary didn't put the elderly Dan in his eyes. He knew that Dan had only learned Feng Shui mystery for a lifetime and was not proficient in killing. Besides, he was too old to be his opponent.

As for the taxi driver who stopped casually, he was even less worried.

Not to mention an ordinary driver, even a well-trained special soldier, or a master of internal boxing, has no chance of winning in front of his Gu-worm.

In his eyes, such an ordinary person is nothing more than the ration of a day for his beloved pet.

## **Chapter 2970**

When Charlie drove out of the city, he had already found a Volkswagen sedan that was always separated from him by a few cars and following him all the way.

He also guessed that the person sitting in that car should be Cary.

However, he did not make any response, as if he hadn't seen him, went straight to the Phoenix Mountain Cemetery.

At this time, the Cemetery, as Cary said on the phone, has long since become desolate. The previous case of the security guard being drained of brains has not been solved.

The entire Phoenix Mountain Cemetery operation team is panicking, so it is also no longer sending people to watch the night.

Cary saw Charlie's taxi enter the winding road of Phoenix Mountain Cemetery, so he turned off the lights and followed directly.

The taxi drove halfway up the mountain. Charlie parked the car at the entrance of the cemetery. Dan said to him nervously, "Master Wade, then I will get off first. Please be careful and don't leave me alone to face the wrath of Cary!"

Dan was extremely nervous, he was afraid that Charlie's lack of ability or the inability to take care of himself would cost his life today.

Charlie said calmly at this time: "You get out of the car first, Cary will be behind, and you will find him soon. As long as you follow my instructions, I can naturally keep you safe."

Dan gritted his teeth and nodded. Even if he didn't trust Charlie, he didn't have any other choice at this time, he could only bite the bullet and walked out of the taxi.

At this moment, Cary drove the Volkswagen car quickly up the mountain. Seeing that Dan had gotten out of the car, he kicked the accelerator and drove into the rear of Charlie's taxi.

With a bang, Charlie's taxi was knocked out a few meters away. He waited for the car to stop, and got out of the car pretending to be angry. He shouted at the Volkswagen behind him: "Are you crazy in this broken place at night? Can you rear-end only with my car?!"

The door of the Volkswagen behind was suddenly pushed open, and a man full of a sullen body pushed the door and walked down, watching Charlie sneer: "Young man, don't be so angry!"

Charlie questioned angrily: "You knocked me down and ask me not to get angry?"

Cary smiled gloomily and said: "When a person gets angry, his brain is easily congested. This blood-filled brain is like pork without bloodletting, it's not delicious!"

Charlie yelled: "Damn, are you mentally ill?"
