

Chapter 2972– 2973 of A Dish Best Served Cold Novel

Chapter 2972

Seeing someone rushing in without reporting, the Chu family veteran in the hall was immediately furious and sternly scolded.

The man apologized in panic.

“Okay, just talk about it if you have anything.”

On the high seat, Chu Zhengliang, the head of the Chu family, said in a deep voice.

“Patriarch, yes... from the African side, there is news.”

“My Chu family is in Africa, and there are 23 more affiliated families, which were destroyed by others.”

“When a family member died, the property was replaced by others!”

what?

“This... how is this possible?”

Everyone was shocked when they heard the words.

Many people’s eyes widened because of the horror.

What’s more, he jumped out of his seat in shock.

“What happened to the forces in Africa?”

When things developed to this point, everyone finally realized that something was wrong.

Is it a coincidence that Africa, Asia, and even Western Europe and other affiliated forces of the Chu family in various parts of the world have accidents one after another?

It must not be!

“It looks like someone is making trouble from it?”

“In other words, someone is going to attack my Chu family?”

Above the hall, Chu Zhengliang’s old face was uncertain, and he said coldly.

In the words, there are endless connotations of chill.

The palm of his hand clenched unconsciously.

“Yeah, it looks like something is really going on inside.”

“After so many years, has anyone finally appeared in this world who dare to provoke the majesty of my Chu family?”

“Suddenly, I was looking forward to it.”

“I really want to see, where did this person who dared to attack my Chu family come from?”

In the audience, the elders of the Chu family were also burning with anger in their hearts.

In the room, there was an inexplicable fighting spirit burning.

“Send my order to send the Chu family’s internal guard to investigate everywhere!”

“In any case, you have to get me out of the black hands behind the scenes.”

“For so many years, my Chu family has been unknown. It seems that some people in this world have forgotten the majesty of my Chu family.”

“I really thought, what stinky fish, rotten shrimp, would be able to scatter wild on my Chu family?”

Chu Zhengliang rose up from his sleeves, a low and sullen voice, resounding like thunder in the entire Chu family hall.

That night, several powerful people from the Chu family left their clan and went to various places around the world to investigate, hoping to find out who was behind the scenes.

In the end, the meeting ended in this way. Chu Qitian, who was on the cusp of the storm, undoubtedly let out a long sigh of relief.

Fortunately, there was no danger.

Before, Chu Qitian thought that if such a big incident happened in the industry he was managing, would he be dealt with by the family law?

“Dad, if it’s okay, I’ll go back and rest first.”

After everyone dispersed, Chu Qitian also said goodbye to his father.

“you come back!”

“Still resting?”

“After this and other things, you still have to rest?” Chu Zhengliang said fiercely unhappy.

Chu Qitian was helpless: “But I can’t help much either.”

“I am not even a master of strength.”

“Hmph, you also know that you are not strong enough. I asked you to go to your teacher to study more, did you go there?” Chu Zhengliang asked.

Chu Qitian nodded: “I’m going.”

“According to what you said, I go to Chumen Mountain every week to study from my teacher.”

“But no matter what, I can’t see the teacher at all.”

“It’s been more than half a year and I can’t see any figures.”

“Huh? I haven’t seen anyone for half a year?” Chu Zhengliang frowned slightly when he heard it.

Speaking of this, Chu Zhengliang suddenly realized that he hadn’t seen Tang Yun, the master of Chumen, for almost a year.

“Retreat?” Chu Zhengliang asked.

Chu Qitian shook his head: “Who knows?”

“Teacher has always been like this anyway, Shenlong never sees the end.”

“If you want to see the teacher, it depends on luck.”

Chu Qitian spread his hands and said slowly.

To be honest, Chu Qitian always felt that he had picked up this apprentice.

Ever since he became a teacher under the recommendation of his grandfather, Chu Qitian hasn't remembered how many times Tang Yun taught him for so many years.

He couldn't even see this teacher a few times throughout the year.

To Chu Qitian, the so-called disciple of the Chumen master was nothing more than a reputation. There was no substantial improvement in his personal cultivation.

"When was the last time you saw her?"

Chu Zhengliang asked again.

Chu Qitian thought for a while and replied, "It's early then."

"The last time I saw the teacher was at the funeral of Elder Truman more than half a year ago."

"That time Chumen was attacked, it was the teacher who came forward to settle it."

"Since then, I haven't seen the teacher again."

Chu Qitian said helplessly.

"It's been so long?"

"Could it be that this Chu Sect master is really closed?"

"Forget it, your teacher is in a high position and has a busy schedule. It's normal if you don't have time to teach you."

"Well, I will arrange a few martial arts powers for you in the family. If you have any doubts about your practice, you should ask them for advice."

"You must step into the realm of the martial arts master as soon as possible!"

"My God, your time is running out."

"If you want to control the family and become the head of the Chu family, you must enter the title realm before the age of fifty."

"Otherwise, it's your father who insists you be the head of the family. The rules of the ancestors will not allow you to sit in this position."

Chu Zhengliang said earnestly, and his words were filled with longing and ardent hopes for his son.

Chu Qitian nodded heavily, and said firmly and confidently: "Dad, don't worry."

"Chu Tianfan, that country bastard, can be a titled master, and I, Chu Tianqi, naturally won't shame our Chu family!"

"The blood of the Chu family is purer and noble than that of the country bastard."

"My future achievements will definitely be higher than that of the dead man!"

Brian Chusaid vowedly, with endless fighting spirit and pride in his words.

After Chu Zhengliang heard this, he smiled very relievedly.

"well said!"

"My son looks like a king in the sky."

"Father also believes that you will become the greatest pride of my Chu family in the future!"

Chu Zhengliang smiled slowly, then watched Chu Qitian leave.

However, after Chu Qitian left, the smile on Chu Zhengliang's expression disappeared.

He returned to the study alone and picked up a document from the desk again.

The document said that Master Yan Xia Wushuang was alive from the dead, surging with power and shocking Jiangbei.

Chu Zhengliang had actually received this information during the day, but he has always doubted the authenticity of this information.

Therefore, he has sent someone to sneak into the hot summer to conduct an on-site investigation.

No way, the forces that their Chu family planted in the hot summer have almost been wiped out.

This information was also obtained through trails.

The authenticity and credibility are naturally questionable!

"Hope, it's just a false information pursuing the situation."

“Otherwise, the Chu family is afraid it will really have one more terrifying opponent.”

Chu Zhengliang said anxiously, and there was sorrow and jealousy in his eyebrows.

As the Patriarch of the Chu family, Chu Zhengliang’s real face-to-face confrontation with Mark was only the one in the Japanese waters a year ago.

However, only that confrontation made Chu Zhengliang realize the terrifying and strangeness of that young man.

If it was this time, he had come back to life under the hands of the master of the Chumen Sect.

Then the horror of this young man is undoubtedly even more creepy.

“It should not be true.”

“Unless the bastard is immortal.”

“Otherwise, it is impossible to escape so lucky every time!”
