

# Noble Husband At the Door Chapter 298

Samuel reduced his head and also did not bend down till Nangong Qianqiu, that was struggling, did not increase his head up until there was no activity.

Dead.

" It's excellent that she's dead."

If she passed away, there would not be any kind of problems. Then, she wouldn't have the ability to see Han Jun's frail look ever before once more.

" Samuel, she's dead. Han Jun claimed to Samuel.

" If I let you go, you will certainly have to go back to Cloud Dragon to jail. Guan Yong will most definitely serve you well. After all, I defeated him a lot," Samuel stated with a smile.

Han Jun's expression was as hideous as if he had eaten shit. It wasn't simple for him to get out, yet he had to go back to prison?

As well as if what he claimed was true and also Guan Yong was really defeated, he would certainly experience a fate even worse than death in the large area in the future.

" Samuel, I beg you. Don't let me go back. He could just exist on the ground as well as knock his head on the ground.

" If you don't return, the Hannigan household will actually be completed." Samuel smiled as well as said. After which, he looked in the direction of Gina.

Gina strolled to Samuel and asked, "What do you wish to do?"

" The Hannigan family members is worthless to me, yet at the very least they can make sure that you will certainly have absolutely nothing to bother with in the future," Samuel stated.

Gina took a deep breath. He was now completely certified to manage the Hannigan family, yet he really did not appear to take it seriously. Even if it was something he can conveniently obtain, he didn't desire it.

" However there's something I require your aid with." Samuel claimed.

Gina nodded and stated, "This is what I ought to do. I understand I can't make up for anything, I will certainly really feel far better if I can assist you do something."

" The day of the Sue household celebration is in a few days. Take those wedding celebration presents back," Samuel stated.

Hearing this, Lydia as well as Yvonne unexpectedly increased their heads at the same time and also checked out Samuel in shock.

" I really did not anticipate that she would send such an useful engagement present to me as a reward!"

After that ... after that, would not the owner of this bridal gift be Yvonne?

Yvonne's eyes were full of worry. So it was Samuel from the Hannigan household.

" That on earth is this Gina?"

And Nangong Qianqiu, that were hanging, and also Han Jun,, what kind of people were they!

Lydia could not help but intend to stand up as well as ask Samuel to keep the betrothal gifts. Nevertheless, they were for Yvonne. With a lot gold as well as jade in her pocket, exactly how could Lydia agree to allow her take them back?

However, Nangong Qianqiu's body was still hanging, so she truly didn't have the courage to talk.

Currently, the door of the vacation home opened, as well as Godfrey, stinking of alcohol, returned house after having a party with his good friends.

When Godfrey saw Samuel, he plucked up his nerve as well as strolled towards him madly.

"Samuel, you bastard. You even risked to hit me. I'm going to educate you a lesson today," Godfrey said, gnashing his teeth.

Upon hearing this, Lydia burst out in a cold sweat. "He is so unmanageable after drinking a little wine? Does he risk to look down Samuel?"

Samuel is a big shot, and also he won't also let his Grandmother go. Godfrey is absolutely nothing to him.

Lydia stood up and went to Godfrey. She gave him a tough slap in the face as well as stated, "Godfrey, if you are drunk, return to your area to remainder."

Godfrey was a little sobered by the slap. He didn't have to be slapped by her. Simply hearing Lydia's mad voice sufficed to wake him up. He was worried of Lydia in his bones.

"Honey, what are you doing? This loser practically raped our daughter," Godfrey stated with complication.

Lydia gritted her teeth. It was a misconception, and even if it was really done by Samuel, so what? Could he be provoked?

At this time, Lydia also felt that it was natural. Yvonne was Samuel's other half.

"Shut up. It's none of your company here. Go back to your room." Lydia reprimanded.

Godfrey was puzzled. "What's taking place?"

And at this time, he located that there were even more strangers in your house, and also the environment had lots of weirdness.

All of a sudden, out of the corner of Godfrey's eye, he saw a number hanging in the air. When he saw Nangong Qianqiu's suffocating as well as savage face, he was so afraid that he muffled the ground. His hands as well as feet were weak and also his head remained in a daze.

"That ... that is this? Exactly how could she hang herself in our home?" Godfrey claimed in horror.
