

Chapter 2988– 2989 of A Dish Best Served Cold Novel

Chapter 2988

“how?”

“You don’t want to?”

“Do you think you still have a choice?”

Gaia stared suddenly, and a word directly dispelled the Li family’s idea of bargaining.

“But you can rest assured.”

“We only supervise your finances and will not take possession.”

“As long as it is used for the normal operation of the company, our Dragon Temple will not interfere.”

“But if we find out that you are still giving money to the Chu family secretly, don’t blame me for taking your lives for being cruel!”

Gaia said in a cold voice, threats in the senran words.

Wherever the Li family dare to speak, they all keep their heads down and dare not speak.

In the face of absolute power, the so-called power and wealth are nothing more than spectacles, vulnerable.

Bang bang bang~

However, just when Gaia was overwhelmed by the Li family of the cold country and was about to leave, there was clear applause outside the manor.

Then, a laugh came quietly from outside.

“Your Excellency is such a majesty that can make the first family of the cold country bow their heads to ears.”

“Late birth can’t help but admire it.”

“It’s just that your excellency used power to suppress people, so it is difficult for a strong person, don’t you think that something is against the morality of my martial artist?”

“If it is spread out, it will surely make people in the world shameless.”

A faint laughter sounded, and soon, a handsome young man with his hands in his pockets walked in leisurely.

“Ok?”

“who are you?”

“Dare to be nosy?”

“Could it be the helper from the Li family?”

Seeing this person, Gaia frowned immediately.

Everyone in the Li family was also curious.

The young man smiled and said, “I have nothing to do with the Li family. I just passed by and felt uneasy, so I just said a few words.”

Pop~

As soon as the young man’s words fell, Gaia slapped him directly.

This palm came suddenly.

Before the young man had time to react, half of his face was swollen, and hundreds of pounds of body flew far away.

“Ma De, I will bother you guys who have nothing to look for and pretend to be young people.”

“Without the ability of our dragon lord, can we still get the disease of our dragon lord?”

“Pretend to be forceful in front of this king, are you worthy?”

Gaia, the king of Persia, cursed with a black face.

If it had been before, Gaia might not have been so impulsive, and would fight if he didn’t agree with him.

But now, Gaia has no scruples.

After all, they were about to climb Chumen Mountain and fight with the first giants at that time.

Even Truman and the others dare to fight, but others are afraid of a fart?

If you provoke him, he dare to kick now!

“Asshole, you...you dare to hit me?”

“Are you not afraid of my revenge from the Flame War Temple?”

Mo Wuya was going crazy.

He covered his face and got up from the ground, resisting the humiliation, and shouting at Gaia.

When Gaia heard this, his old face instantly twitched: “Are you from the Yanxia Wushen Temple?”

“Hahaha~”

“Why didn’t you say it earlier.”

“This flood washed the Dragon King Temple.”

“Sorry, sorry, I was so sorry just now~”

“Haha~”

After learning that the young man in front of him was a warrior in the summer, Gaia’s attitude had changed 180 degrees, and he smiled and apologized politely.

When the Li family saw this scene, they all trembled.

“Yan Xia is worthy of being a big country in martial arts. With just a name, this person was scared to apologize immediately.”

“However, the power of the Chu family should far exceed the Yanxia Wushen Temple, this person is not afraid of the Chu family, why is he afraid of the summer?”

In the hall, the Li family were puzzled and frightened.

“Hmph, it seems that you still know the majesty of my Martial God Temple.”

“For the sake of your sincere apology, I don’t care about you.”

“However, your deeds around me in the hot summer have seriously affected the stability and prosperity of Toya Budo.”

“This time I came here by the order of the King of Fighters and the Juggernaut to question your Excellency, what do you intend to do?”

Genius remembers this site address in one second:

“Oh?”

“The King of Fighters and the Sword Saint sent you to question me?”

Gaia couldn’t help laughing when he heard it.

He shook his head and smiled: “You melon baby, when you are young, you want to use someone else’s name to crush me.”

“However, even if you are fake, you are using the wrong name.”

“If you use your scorching summer master Wushuang to crush me, I will leave East Asia without saying a word, Gaia.”

“As for the rest of the hot summer, it is not enough to rely on prestige to suppress me.”

“It’s not enough to be your God of War.”

Gaia said lightly.

This is not Gaia’s arrogance, but a statement of fact.

His strength may not be as good as that of the God of War, the Sword Saint and others. If he really meets him, Gaia will probably retreat and will not offend him head-on.

But now, just relying on their names to shock Gaia is naturally far from enough.

However, who could have thought that when Gaia finished saying this, Mo Wuya in front of him would explode.

“shut up!”

“Do you dare to insult my father and them?”

“What shit Wushuang Grandmaster?”

“It’s just a countryman, a country boy who doesn’t know how to live or die.”

“How good is he, on par with my father and them?”

Mo Wuya said angrily.

Because of the title, Mo Wuya was full of hostility towards Mark, and he never looked down upon him.

If it weren’t for his father to stop him, when he learned that Mark had come back alive, Mo Wuya would have already killed Noirfork, and personally experienced Mark’s strength.

He had long wanted to see whether this country boy was worthy of his unparalleled name.

It can be said that Mo Wuya never looked down upon Mark from beginning to end.

Now, when he arrived in a foreign country, he had heard someone exalt Mark in this way, and even put him above his father, Uncle Sword Saint and others.

This undoubtedly made Mo Wuya feel even more angry.

Because this is an insult to his father, an insult to the Lord of the Martial God Temple, and even more an insult to the martial arts in the summer.

Isn't the Six Pillar Kingdom that has ruled the martial arts in the summer for nearly a hundred years as a humble boy from a humble background?

“Ok?”

After Mo Wuya finished saying this, the temperature in the entire hall obviously cooled down.

Gaia's expression also became abruptly cold.

“Listening to your tone, it seems that you are not dealing with our Dragon Lord?”

Gaia's deep words sounded quietly, but Mo Wuya couldn't understand it.

“What Dragon Lord?”

“What are you talking about?” Mo Wuya frowned.

“The Dragon Lord I'm talking about is your strongest title in the summer, Grand Master Wushuang.”

what?

When Mo Wuya heard the words, his eyes twitched immediately.

“It's nonsense!”

“Nonsense!”

“My strongest title in the summer is my Uncle Ye, Ye Qingtian!”

“Then Mark is a shameless kid, taking advantage of my serious injury to occupy my title.”

“If I hadn't been severely injured by that Chu Tianfan, which round would I get him the seventh title in the summer?”

“These shameless people who take advantage of people's danger have already been criticized by thousands of people in my hot summer martial arts, and everyone has been condemned.”

“Also the strongest title?”

“He's a fart!”

Mo Wuya cursed with anger.

I don't know if it is because of jealousy or anger.

When Mo Wuya said these words, his whole body was trembling almost.

“Forget it!”

“You’re an outsider, what good is it for me to tell you this?”

“When I return to the hot summer, I will defeat Mark completely.”

“At that time, you will know how unbearable the so-called Wushuang Grandmaster in your mouth is?”

“Now, I just want to know, what exactly do you want to kill in the vicinity of my hot summer?”

After a brief gaffe, Mo Wuya quickly calmed down.

These are all internal affairs of the hot summer martial arts, it is not guilty to talk to a foreigner.
