Chapter 2996

The smile was sad, with self-deprecating and sarcasm.

“You are going to get through, are you going to force me Xu Lei to abdicate? You want to drive me out of Xu’s house?”

“Haha”

“Unfortunately, I still treat my uncles as elders and relatives.”

“But you guys got together and bullied me, a girl whose parents died.”

“Very good, really good.”

“Second Grandpa, Third Uncle, Fourth Uncle, you are really good.”

Xu Lei shook her head and smiled, her beautiful eyes a little red.

But she still faced everyone and continued talking.

“However, uncles, I really want to know what Xu Lei did wrong.”

“So much that you hate me so much, that you can’t understand me so much, that you want to drive me away so much?”

“In the past two years, haven’t I done well enough?”

“It’s me, let the Xu family regain its former glory.”

“It’s me, and I doubled the treatment of your uncles.”

“To the family and relatives, Xu Lei has a clear conscience!”

“But, I really can’t figure it out. I tried so hard to make the family better, so hard to improve the people’s living standards, but why do you still exclude me so much?”

“Could it be that Xu Lei is lonely and has no parents to rely on?”

“Perhaps, because I’m a weak woman, I don’t deserve to be in charge of the family?”

Xu Lei’s eyes were filled with tears, and her heart was full of grievances and disappointments.

After a few words, I kept questioning everyone in front of me.

Does Xu Lei really care about the position of the master?

of course not!

She was just so disappointed and felt so wronged.

Why, she worked so hard, but she still couldn’t be recognized?

Why, all her pursuits will end up making others cheaper?

Why, God will always take away all the beauty around her so cruelly.

She once lost her most beloved parents and her most obsessed brother Mark, and now even the clan members have joined forces to oppose her.

Sometimes, Xu Lei really feels that life is so tired, that life is so lonely.

Her uncle opposed her, and her brothers and sisters pushed her out, and even the brother Mark, whom she regarded as sustenance, did not visit her for a long time.

No one cares about her, no one cares about her.

There are many people in this world, but Xu Lei often feels that she is actually alone.

“Xu Lei, don’t pretend to be miserable here.”

“Who doesn’t know the land of Gritsberg now, you are the lover of that country boy raised in Gritsberg.”

“You squeezed out clan relatives and supported the people in Noirfork. Didn’t you plan to change the Xu family’s surname to Ye in the future?”

“Just this one, you are not worthy of being the head of the Xu family!”

“How can you give away the inheritance accumulated by our Xu family for generations to someone with a foreign surname?”

Xu Meifeng said coldly, but she didn’t have the slightest pity for her cousin.

When Xu Lei heard this, she immediately understood: “To put it bluntly, you still came to my brother Mark.”

“Otherwise? Wouldn’t it be possible to rush you if you didn’t rush him? You don’t see if you have the qualifications. Who in the Gritsberg business community doesn’t know that your President Xu can have today, all relying on your little lover, without her. If you support, you Xu Lei counts? You deserve to be the head of the Xu family? You deserve to be the president of the Chamber of Commerce? You deserve to let so many rich businessmen obey you?” Xu Meifeng sneered, and the words were extremely unsound.

Xu Lei was not angry about these words.

She didn’t mind being regarded as Mark’s lover raised in Gritsberg.

As long as she can have some relationship with that young man, Xu Lei will have joy in her heart.

Therefore, in the face of Xu Meifeng’s sarcasm, Xu Lei chuckled and replied: “Since you know the abilities of my Mark brother, then you should know that your so-called family decision will not shake my Xu Lei’s business in Gritsberg. position.”

“Because the powerful people in the business community in Gritsberg only recognize my brother Mark. I am the person who is responsible for the stay of brother Mark in Gritsberg, so they naturally recognize me.”

“How about you become the head of the Xu family?”

“It’s just a fake name.”

“There is no prestige to control the Xu family’s industry in Gritsberg, and no prestige to control the situation in Gritsberg.”

Chapter 2997

After many years of operation, Xu’s industry has long been firmly in his own hands by Xu Lei.

All the core personnel were brought by Xu Lei from Noirfork.

Therefore, even if these so-called family clan elders dismissed Xu Lei as the head of the family, this did not affect Xu Lei’s prestige in the family industry.

What's more, in the entire Gritsberg business community, Mr. Chu's reputation still exists.

On Yanqi Lake that year, Mark showed great power and let all the fellows surrender.

It can be said that as long as Mark's backing is still there, almost no one can shake Xu Lei's position in Noirfork.

However, facing Xu Lei's words, Xu Meifeng sneered.

"Xu Lei, Xu Lei, you are still as proud and confident as before."

"However, you really think that if you can rely on a man to lead, if you can find a backer, I can't Xu Meifeng?"

"Yes, you are right."

"It's just that we are no longer the head of the house, as long as the prestige of that bastard in Gritsberg is still there, we can't help you."

"But, what if someone could replace Mark's position in Gritsberg?"

Xu Meifeng said triumphantly, and the words were full of playfulness and teasing.

Hearing this, Xu Lei frowned suddenly: "What do you mean?"

Faced with Xu Lei's inquiry, Xu Meifeng did not speak.

Instead, the young man who had been silent on the side stood up. The corner of his mouth looked at Xu Lei with a smile: "Miss Xu Er, it is meaningless to ask this now."

"My family Fengfeng will have to discuss family matters with your uncles and elders for a while. Before that, please return the Patriarch's ring as soon as possible and let Fengfeng keep it for the time being."

While talking, the young man in a suit stretched out his hand and placed it in front of Xu Lei.

Waiting for her to take off the Patriarch's ring in her hand.

That ring is a symbol of the Patriarch of the Xu family, and it has been handed down by the Patriarch of the past generations.

Now that Xu Lei has been jointly dismissed by the family elders, naturally she is no longer eligible to wear this ring.

"Miss Xu Er, please?"

“Don’t delay our time, okay?”

Seeing Xu Lei’s slow motion, the young man in suit urged again.

“who are you?”

“Do you want to interrupt the family affairs of my Xu family?”

Xu Lei looked at him and sternly reprimanded.

“presumptuous!”

“You sinner, how dare you be so rude to Master Luo?”

“I really thought I could become lawless if I became the president of the Chamber of Commerce?”

“Let me tell you, Master Luo’s background and majesty are just incomparable with the country kid.”

“If he didn’t want to interrupt, then Xu Lei wouldn’t even be worthy of carrying shoes here!”

As soon as Xu Lei’s words fell, the old man Xu Wenqing slapped the table and scolded him angrily.

“Haha”

“Second grandfather, you calm down.”

“I don’t care, why are you angry?”

“Don’t ruin your body because of such popularity.”

“Also, you don’t have to call me Master Luo from now on, Master Wei’s, just call me Xiao Luo.”

“One of the purposes of my visit to Gritsberg this time is to be engaged to Meifeng.”

“In the future, we will all be a family, so you don’t have to be so polite.”

Wei Luo smiled kindly, but a few words made the old man extremely happy.

“Haha”

“Good thing, good thing.”

“Meifeng can marry you. Those of us who are elders are happy for her in our hearts.”

“Master Luo, you are from a wealthy family, you have a strong roots, a talented person, and you are very proud. It is the pride of our entire family to have sons like you in my Xu family.”

“It’s like some people, a girl’s family, but without any self-respect, be a lover to a country boy from a humble background.”

“In the past few years, my Xu family’s old face has been completely lost by her!”

Xu Wenqing said coldly, and when he said that, he almost cursed by name and surname.
