

Chapter 2998– 2999 of A Dish Best Served Cold Novel

Chapter 2998

“enough!”

At this time, Xu Lei, who had always been calm, suddenly became angry.

She had cold eyebrows and looked directly at Xu Wenqing: “Second grandfather, you are an elder, you ridicule me and insult me, you are free, I will never complain. But please don’t insult my Mark brother.”

“Ah?”

“This is really touching.”

“One bite for Mark, that bastard is so precious in your heart, you can’t even talk about it.”

“However, you treat others as treasures, what about them?”

“I’m afraid I just treat you as a dispensable weed.”

“A lover who is raised outside, can be this kind of, really embarrassing sister you.”

“Okay, I don’t bother to talk nonsense with you.”

“Hurry up and hand over the Patriarch’s ring that belongs to my father. Don’t force me to grab it with you.”

Xu Meifeng’s eyes were full of disgust, and she said coldly.

After saying these words, he no longer had the patience, and rushed directly, grabbing Xu Lei’s hand and then forcibly pulling down the ring.

“You hurt me”

Xu Meifeng’s effort was so great that Xu Lei grinned even though it hurt.

When groaning, Xu Lei pushed Xu Meifeng out.

Xu Meifeng staggered, sighed, and took a few steps back, and she squatted directly on the ground.

“what”

“It hurts me so much.”

“Xu Lei, you mean woman, do you dare to do something at me?”

Xu Meifeng was angry and wronged.

At this time, Wei Luo hurried over to comfort him: “Fengfeng, are you okay?”

“Brother Luo, this bitch is bullying me, you want to avenge me.” Xu Meifeng cried.

Wei Luo calmed down: “Well, Fengfeng, don’t worry, I won’t let you suffer this humiliation in vain.”

After speaking, Wei Luo suddenly got up and walked in Xu Lei’s direction.

At this moment, Wei Luo’s handsome face was no more refined than before, but became cold and sullen.

“Miss Xu Er, why bother?”

“I have to make things so unbearable.”

“If you obediently abdicate, Wei Luo will not embarrass a woman.”

“But now, if you beat Fengfeng, how can I forgive you?”

“If you know each other, please kneel down and apologize to Fengfeng, and then offer the ring with both hands.”

“Otherwise, I won’t let you stand and walk out of this Xu’s house!”

This Wei Luo is also a mad demon protecting his wife.

Xu Meifeng was only a little wronged, so he forced Xu Lei to kneel down and apologize.

As for everyone in the Xu family, they were silent and watched coldly.

It’s like, what’s happening right now has nothing to do with them.

At this moment, the halls of Nuo University and the full house of clan relatives did not say a word for Xu Lei.

I don’t know why, from the moment Wei Luo gave Xu Meifeng her head, Xu Lei’s eyes suddenly became red, and there was an urge to cry in her heart.

She was not panic, nor scared, but she felt so lonely and helpless.

She was a little envious of Xu Meifeng.

I envy her every time someone is injured, someone will stand up for her and protect her from the wind and rain.

And Xu Lei, she will always face all this alone alone.

She really hopes that there will be a young man by her side, who can always guard her like Wei Luo guarding Xu Meifeng.

“Ok?”

“It seems that Miss Xu Er is toasting and not eating fine wine.”

“In that case, don’t blame this young master for being rude!”

Seeing Xu Lei still indifferent, Wei Luo was completely angry.

With a cold face, he stepped up, stretched out his palm and directly drew towards Xu Lei.

Don’t you apologize?

Today he called her to apologize!

How could his Wei Luo’s woman allow others to insult?

Facing Wei Luo’s sudden attack, Xu Lei did not resist, but closed her eyes, stood quietly, and silently endured.

What’s the use of resistance?

She was a weak woman, she resisted, and she was afraid that she could not escape Wei Luo’s insult.

However, just when Xu Lei chose to accept it.

Suddenly, the closed door was pushed open.

Outside, light came in.

Immediately afterwards, a majestic and majestic sound trembles the entire Xu Family Manor like a billowing thunder.

“My sister of Mark, who would dare to touch her?”

Chapter 2999

The words are strong, like thunder.

As soon as it sounded, it trembled the entire Xujia Manor.

Suddenly, everyone was shocked.

Everyone at the scene looked back together with eyes full of tremor.

I saw that the door was wide open at the door.

The sunlight outside poured in like flowing water.

Under the dazzling scenery, there was a young figure standing alone.

I don't know why, it is such a thin body, in the eyes of everyone, it is as thick and majestic as a mountain.

“Yes... is it you?”

The moment he saw Mark, Mr. Xu was so frightened that he almost jumped straight out of the seat.

Although he and Mark were only fate, and he and Mark didn't see each other for several years.

But even so, this guy named Mark left a deep shadow on Xu Wenqing.

After all, it was this guy who broke his kneecap with a kick and forced him to kneel with a strong posture.

Xu Wenqing was afraid that he would never forget the bullying that day.

Now that after so long, Mark suddenly appeared again, and everyone in the Xu family trembled naturally.

Of course, among the people present, Xu Lei was the one who touched the most.

Especially when I heard Mark's sentence, who would dare to insult his sister of Mark.

At that moment, Xu Lei only felt that all the pressure and grievances she had suffered in the past few years were worth it.

“Brother Mark~”

After a brief panic, Xu Lei no longer controlled her emotions.

There were tears in her beautiful eyes, then red eyes, desperately rushing to her boy.

In the end, in front of everyone in the Xu family, this powerful and powerful generation queen in charge of the Gritsberg business community rushed into Mark's arms so disregarding her image.

“Woohoo~”

“Brother Mark, why did you come to see me...”

“I can't get you through the phone.”

“I can't find you in Noirfork.”

“I asked Aunt Mei about your whereabouts, but she didn't sue me~”

“I thought you forgot about me, I thought you were hiding from me, I thought you didn’t want Leier...”

Throwing into Mark’s arms, Xu Lei was crying.

Tears ran down like rain and looked sad, like a child who lost his favorite toy.

In this scene, I just watched Xu Wenqing and other elders of the Xu family.

You know, Xu Lei on weekdays, how majestic is that?

Whether it is in the Xujia industry or in the Gritsberg business district, it is the same.

Noble and majestic, only if the heroine general stationed on one side.

However, who would have thought that such a cold and majestic strong woman would be so soft and fragile in front of Mark.

She was weak, like a little girl who couldn’t find her mother.

The hundred-smelting steel in front of the world, when he saw Mark, it became his soft heart.

Such a huge contrast is unacceptable for a time.

“This.. Is this still the Patriarch?”

“This... Is this really the president of the Chamber of Commerce in charge of Gritsberg?”

Many people’s eyes twitched, secretly surprised.

Even Denren Ye, who was standing outside the door, only felt complicated when seeing such a sudden scene, and there was a wave of waves in his heart.

Although she knew that Xu Lei had a good relationship with her cousin.

However, she never dreamed that the relationship between them would be so close.

In Denren Ye’s memory, Mark had only been so close to two women for so many years.

One is his wife, Helen Qiu.

The other one is Miss Xu in front of her.

Everyone is so good and so beautiful that Denren Ye feels ashamed of herself.

Denren Ye was a little envious.

Obviously she is also Mark’s younger sister.

Obviously, he is the cousin who is really related to Mark.

But myself, the position in this young man's heart is probably not as good as Xu Lei's.

“Miss Xu Lei, you are really, very enviable~”

Denren Ye stood outside the door, looking at them silently, whispering with a smile at the corner of her mouth. Remember the website of this site, Xluochen. Com, easy to read next time, or enter “” on Baidu to enter this site
