

Chapter 3

Early the next morning.

After Charlie finished cooking, he rode his little ebike to the Emgrand Group.

He parked the little ebike next to the parking lot of the Emgrand Group. As soon as the bike was locked, a black Bentley car slowly parked in a parking space opposite.

Charlie looked up inadvertently and saw a pair of young man and woman walking down the car.

The man is dressed in high-end suits, they look very stylish, and the women are coquettish. Although a bit gaudy, they are also rare beauties.

It turned out to be Claire's cousin Wendy, and her about to be engaged fiance, Gerald, the eldest of the White family.

Charlie didn't know what Wendy and Gerald were doing in the Emgrand Group, but in order to avoid trouble, he still prepared to hideaway.

Unexpectedly, things are hiding more and more.

The sharp-eyed Wendy immediately saw him and shouted loudly: "Oh, brother-in-law!"

Wendy's brother-in-law yelled extremely cordially, but Charlie couldn't help but he strode faster after hearing it.

Out of courtesy, he could only stop, and when the two approached, he smiled and said, "Wendy, why are you here?"

Wendy giggled: "I and Gerald came over to meet with Doris, the vice chairman of Emgrand Group!"

After that, she looked at Gerald with admiration and said, "Gerald's family has a lot of cooperation with the Emgrand Group. In the future, not only will it help the White family, but also our Willson family."

Charlie didn't know that the White family had a cooperation with the Emgrand Group. After all, the Emgrand Group had just become his industry and had not had time to understand it.

But he didn't show it, just smiled and said: "The Prince has an extraordinary temperament and a good strength. You are really talented and beautiful!"

Gerald White looked at Charlie contemptuously, and couldn't help feeling injustice in his heart.

This stinky rug was scolded by Mrs. Willson yesterday as a dog, and today he has a hippy smile like a okay person.

Why would a stunning beauty like Claire marry such a useless waste?

If it weren't for this useless man, he would definitely pursue Claire desperately, and how could he be engaged to this inferior Wendy in every respect?

Thinking of this, Gerald was upset, and deliberately asked, "What did brother-in-law come to the Emgrand Group for?"

Charlie said casually: "I'm looking for a job."

"Looking for a job?" He sneered and said, "Why do you want to find a job in the Emgrand Group?"

Charlie frowned: "What does my job search have to do with you?"

Wendy called Charlie to stop, just trying to sarcastically sarcasm him. Seeing that Gerald had started first, she immediately sneered: "Why, is Gerald wrong?"

"For academic qualifications, do you have a diploma?"

"If you want a job, do you have any achievements apart from your uselessness?"

"If you come to the Emgrand Group to apply for a security guard, They will not want a waste like you. If you are a little self-knowing, you might as well go picking up rubbish on the street. You can earn two or three thousand at least a month!"

After speaking, she threw the drink bottle in her hand at Charlie's feet and hummed: "Hey, don't say I don't take care about you, pick up this empty bottle and sell it for money!"

Gerald smiled and said: "Although you are rubbish, since you are a relative, then I have to take care of you as much as possible. It just so happens that I have some friendship with the vice chairman of the Emgrand Group. Why don't I help you with two good things and let her arrange it for you? A job cleaning the toilet?"

Charlie smiled coldly and said: "The kind of job I am looking for, you don't need to worry about it. You should worry about yourself. Emgrand Group is a large enterprise. I believe they will not cooperate with you with such low-quality garbage."

Gerald suddenly got furious: "Who do you say is rubbish!"

Charlie said disdainfully: "You are rubbish!"

After speaking, he was too lazy to talk to Gerald, and walked into the Emgrand Group Building.

"Drafting it, stop for me!" Gerald quickly followed, and caught up with Charlie at the elevator entrance.

He wanted to teach Charlie a good lesson, but at least slapped him twice to let him know the fate of people offending him.

But when he saw that he was already inside the Emgrand Group Building, he was worried that doing something here would anger his partners, so he had to temporarily dismiss the idea of teaching him.

he gritted his teeth and said, "I will let you go for a while today, and you won't have such good luck next time!"

Charlie snorted coldly, stepped into the elevator, and said to him: "Gerald, do you think you are a powerful? Believe me, you will soon know the cost of arrogance!"

"f*ck you" Gerald stepped into the elevator.

Wendy gave him a hand and said in a contemptuous tone: "Gerald, don't take the same elevator with this kind of rubbish, lest you get smoked by the stench on his body."

Gerald nodded, knowing that he couldn't do something with him here, so he said coldly: "Letting you go, I want you to look good next time!"

Charlie took the elevator directly to the top floor where the chairman's office was.

On the side of the Emgrand Group, Stephen Thompson had already arranged it for him, and the person in charge of docking with him was a woman named Doris Yong.

Doris is well-known in Aurous Hill, and she is the most famous career oriented woman in Aurous Hill. Not only is she beautiful, but she is also very capable of working. She has been promoted to the vice chairman of Emgrand Group at a young age. She has contributed to Emgrand Group's existence today.

Now that the Emgrand Group has been acquired by the Wade Family, the original chairman has abdicated, and Doris stayed and prepared to assist the new chairman.

When she saw Charlie, Doris was shocked. She didn't expect that Charlie would be so young and handsome!

After that, she did not dare to delay, and immediately said respectfully: "Mr. Wade, please come to my office."

Chapter 4

Charlie also saw Doris for the first time.

I have to say that Doris looks really beautiful!

At the age of twenty-seven or eighteen, she has a slender and plump figure, an alluring beauty and a noble and capable temperament.

Charlie sat down at Doris's desk and said: "I won't come to the Emgrand Group often in the future, so the Emgrand Group wants you to preside over the overall situation, and don't reveal my identity."

Doris knew that the Charlie family in front of her was extraordinary, and an emgrand group was nothing short of drizzle to his family, and it was normal to not want to manage it himself.

So she hurriedly said: "Mr. Wade, if you have anything in the future, you can just tell me."

At this time, a female secretary knocked on the door and came in and said, "Miss Doris, there is a man named Gerald who has brought his fiancée to visit you."

Doris immediately said: "I'm seeing the distinguished guests, let them wait first."

Charlie asked her: "Do you know this Gerald?"

Doris hurriedly said: "His family is a partner under us, and their main business is dependent on us. Their family has always said that they will come to visit, and they have been here several times."

Charlie said coldly: "From now on, the Emgrand Group will no longer have any business dealings with the White Family. All ongoing and preparatory cooperation will be suspended. If the White Family can still earn a cent from the Emgrand Group, you deputy Chairman, will have to pack your things!"

When Doris heard this, her expression suddenly frightened. She didn't need to ask to know that someone from the White family must have offended the young master.

So she nodded immediately and said: "Mr. Wade, don't worry, I will order now to terminate all cooperation with the White family!"

Charlie snorted and said, "Tell them that Emgrand Group will not cooperate with low-quality garbage, and then let the security guards drive them out."

Outside, Gerald and Wendy were waiting excitedly.

The White family has always wanted to become a strategic partner of the Emgrand Group, so they especially hope to get closer to Doris.

But unexpectedly, Doris's secretary came with several security guards.

Gerald couldn't help asking her: "Hello, will Miss Doris have time to see us?"

The secretary looked at him and said coldly: "I'm sorry, our Deputy Doris said, Emgrand Group will not cooperate with people of low quality like you, from now on, we are canceling all cooperation with your family!"

"What did you say?!"

Gerald was stunned for a moment, and was astonished. Why is this sentence so familiar?

Oh, right! When he was in the parking lot just now, Charlie also said exactly the same thing!

What does Miss Doris mean? Why should they stop cooperating with the White family?

Gerald felt his brain congested.

What happened?

Terminate all cooperation?

More than half of White's profits are made by the Emgrand Group!

If the cooperation is terminated, wouldn't the family strength be cut by half immediately? !

He could not accept this reality and shouted: "I want to see Miss Doris! I want to ask Miss Doris face to face!"

The secretary said coldly: "I'm sorry, our Deputy Doris won't see you, and you won't be allowed to step into the Emgrand Group in the future!"

Gerald scolded angrily: "Did you deliberately play with me? We are a long-term partner of the Emgrand Group. How can we terminate cooperation like this!"

The secretary ignored him and said directly to the security guards around him: "Take them out!"

The security captain rushed forward, grabbed Gerald's wrist, and then twisted it behind him.

Gerald yelled in pain, and the guard yelled coldly: "Get out! If you dare to make trouble in the Emgrand Group, be careful that I dispose of you!"

"You are a security captain, dare to yell at me, do you know who I am?"

As soon as Gerald's voice fell, Captain slapped him and cursed, "In front of the Emgrand Group, what are you?"

Gerald was slapped with a fierce pain on his face. When he was about to get angry, the phone rang suddenly.

The call turned out to be from his father.

When the phone was connected, an angry roar came from the other side: "Gerald, what did you do? Now that Emgrand Group wants to cancel all cooperation with us, who did you offend?"

Gerald said aggrievedly: "Dad, I have not offended anyone. I just came to visit Miss Doris, but I haven't even seen Miss Doris's face."

On the other end of the phone, Gerald's father yelled, "The people of the Emgrand Group said that the reason they discontinued their cooperation with the White family is all because you are an unqualified rubbish! Now the family has suffered heavy losses because of you, so you hurry back to me and personally Explain to your grandpa!"

Gerald was driven out of the gate of Emgrand Group by security all the way, holding the phone with a surprised expression.

He suddenly thought of Charlie, and couldn't help asking Wendy: "Wendy, is it because of your rubbish brother-in-law? Has he have anything to do with the Emgrand Group?"

"Huh?" Wendy was taken aback by Gerald's words, thinking about it carefully, it might indeed be related to her rubbish brother-in-law.

However, he is obviously a waste!

Thinking of this, she shook her head flatly and said: "How could he have something to do with the Emgrand Group? He is not qualified to come to the Emgrand Group to clean the toilet!"

"That's right." Gerald nodded, thinking of his furious father, he said sullenly: "No, I have to go home quickly."

The news that the White family was terminated by the Emgrand Group immediately spread throughout Aurous Hill.

Although it is not known why the Emgrand Group wants to block the White Family, everyone knows that the White Family must have offended the Emgrand Group.

At this time, the White family was over.

The White family's strength has plummeted by more than half. It was already close to the standard of the first-tier family, but now it has fallen directly into the tail of the second-tier family.

When the Old Mrs. Willson heard the news, she was shaking with anger.

She wanted to annul the marriage contract between Wendy and Gerald, but thought that the White family was thinner and camel was bigger than the horse, and the Willson family could not afford to offend, so she could only give this thought up temporarily.

At this time, in Doris's office.

Charlie learned the whole process just now and admired her style very much.

Charlie said with satisfaction: "Doris, what you did just now is very good. Starting today, your salary will be double."

Doris was surprised and delighted, and hurriedly stood up and bowed to Charlie, "Thank you Mr. Wade!"

Charlie nodded and said, "Also, I want you to announce two things."

"Mr. Wade, say it, and it will be done."

"The first thing is to announce the change of ownership of Emgrand Group and the appointment of the new chairman, but do not reveal the identity of the new chairman, only the last name is Wade, that is what people need to know."

"The second thing is to announce that Emgrand Group will invest 2 billion in Aurous Hill to build a six-star hotel. At the same time, it will launch a partner bidding. Construction and decoration companies in the city can participate in the bidding!"

The main business of the Willson Group is decoration. The Lady Willson dreams of going to the big ship of Emgrand Group. Whoever can win the cooperation of the Emgrand Group will definitely become the red man of the Willson Group.

Now the Emgrand Group is his own, and of course he has to give his wife some benefits.
