

Chapter 3000– 3001 of A Dish Best Served Cold Novel

Chapter 3000

“Okay, okay, don’t cry.”

“It’s ugly, it’s even more unsightly when you cry.”

After Xu Lei’s brief emotional vent, Mark smiled while helping Xu Lei wipe the tears from the corners of her eyes.

But Xu Lei was still angry. After all, Mark hadn’t come to see her for so long, and didn’t know to give her condolences.

Since Xu Lei and Mark met, Xu Lei has long regarded her brother Mark as her only relative in this world.

Therefore, after discovering that she had lost all contact with Mark, Xu Lei was really sad, as if she had been abandoned by the world.

For a long period of time, Xu Lei ran to Noirfork almost every once in a while.

Go to Helen Qiu, go to Ye Ximei, go to all the people she can find related to Mark.

No one told her where Mark had gone.

Even Mark’s mother, Ye Ximei is the same.

Later, when she went to Noirfork again, she found that even Helen Qiu and Ye Ximei could not be found.

On Yunding Mountain, people go to the building to be empty.

At that moment, Xu Lei’s heart was almost broken.

She thought that Mark was hiding from her, and that Mark didn’t want to see her.

After all, her existence is always a crack in Mark’s marriage.

Although, she has been restraining herself and trying to keep a certain distance from Mark. After all, her Mark brother is already a husband, she should avoid suspicion.

But even so, the land of Gritsberg still regarded her as Mark’s lover.

Therefore, Xu Lei thought that Mark deliberately ignored her, stayed away from her, and severed all contact with her because he wanted to avoid suspicion.

After realizing this, Xu Lei never came to Noirfork to find Mark.

She didn't want to be a trouble in Mark's marriage life, and she didn't want to make her Mark brother unhappy because of her own existence.

Later, Xu Lei once thought that she and Mark would always be like this and would never see each other again.

No one knows how Xu Lei survived this time.

Every day, her heart is like broken glass sticking together, and it will be smashed and shattered at the touch of it.

Listening to Xu Lei's complaint, Mark stretched out his finger and gently knocked on Xu Lei's forehead: "You idiot, what are you thinking about?"

"You are my favorite sister."

"I, Mark, don't want this world, and I won't care about you."

"During this time, I have been busy outside, and I was delayed by some things, so I didn't bother to see you."

Mark comforted softly.

The secular world is too far away from the martial arts world.

During this time, the world martial arts world was bloody.

But these things are only limited to the small group of warriors.

Like Xu Lei, they have been in contact with wealthy businessmen all day long, so they don't know how to martial arts.

Of course, Mark didn't want to tell them about these things.

The martial arts world was bloody and cruel, and he was enough to bear all these sufferings.

Whether it was his mother, Helen Qiu, or Xu Lei, Mark would not let them come into contact with anything in the martial arts world.

He planted the people he cherished most in the greenhouse.

He will stop the wind and rain outside for them as much as possible!

"You are Mark?"

"Xu Lei's backer?"

“Mr. Chu, who is preached in the land of Gritsberg?”

While Mark was still recounting the past with Xu Lei, Wei Luo on the side couldn't help but asked in surprise.

He had heard Xu Meifeng talk about Mark's affairs a long time ago.

A poor student from the countryside, the battle on Yanqi Lake was astonishing.

Sweeping the wasteland, stepping out of Liuhe, and stepping on the entire Gritsberg nobles with one foot.

He even forced Xu Meifeng's father Xu Fengliang to abdicate and entrust the power of the Xu family with both hands.

At this point, the Yenching forces have been unified!

Before that, Wei Luo thought that the person who could have such a method must be an mature middle-aged man.

However, Mark's youth far exceeded Wei Luo's expectations. Remember the website of this site, Xluochen.Com, easy to read next time, or enter "" on Baidu to enter this site

Chapter 3001

However, facing Wei Luo's inquiry, Mark turned a deaf ear to his ears.

Still comforting Xu Lei with a smile at the corner of his mouth.

“Okay, Xiao Lei, don't cry.”

“Can't Mark make a mistake?”

“I apologize to you.”

“No, in order to admit your mistakes, I picked a piece of clothing for you.”

“Aside from Helen Qiu, you are the only girl who chooses clothes for Brother Mark.”

While speaking, Mark lightly scratched Xu Lei's lovely Qiong nose, and then hurriedly greeted Denren Ye to bring the dress he chose.

Mark apologized so sincerely, and Xu Lei had any complaints in her heart, and it was undoubtedly resolved at this time.

I have to say that Mark is very good at teasing sisters.

In a few words, she coaxed the Gritsberg empress into a smile.

The beautiful eyes with tears were filled with joy and brilliance.

“Huh, it’s kind of conscience.”

Xu Lei pouted and said.

However, between the two conversations, Wei Luo on the side was so angry that his face went black.

Do you dare to feel that what he said just now was all regarded as fart?

Ignore him.

Treat him as air?

“Smelly boy, is this young master talking to you?”

“Could you be deaf and didn’t hear?”

Wei Luo’s eyebrows were cold, looking at Mark, gritted his teeth viciously.

However, no one paid any attention to him.

Mark didn’t even look at him.

Think about it, for Mark today, don’t say that this little Wei Luo is the whole Gritsberg City, how many people can he see directly?

Ye Qingtian might be one.

The rest is probably Xu Lei alone.

Because one person is thinking about a city.

If Xu Lei were not here, Mark would not have come to Gritsberg today.

“How?”

“Do you still like it?”

“I remember, you like black.”

“So, when I picked it, I chose a black dress.”

“I believe that Xiao Lei in my family will wear it. It must be radiant and beautiful.” Mark took out the skirt and let Xu Lei look at it.

Xu Lei only felt happy.

After so many years, she didn’t expect her brother Mark to remember her preferences.

It seems that Xu Lei, she really has a place in this heart.

“by!”

“Enough~”

“Why don’t it be true that the young master doesn’t exist?”

This time, Wei Luo couldn’t help it anymore.

The anger in his heart broke out instantly.

In so many years, Wei Luo has never been so ignored by people like he is now.

In anger, Wei Luo directly kicked over the table and chairs in front of him, cursing at Mark and the others with a black face.

Wow~

The tables and chairs overturned, and the tea cups on them broke to the ground.

The splashing tea stained the skirt of the clothes Mark had just bought for Xu Lei.

Mark’s face turned cold at the time.

However, before Mark had a seizure, Xu Meifeng couldn’t help it at first, and she stepped out to scold Mark for Wei Luo: “That’s right, you are a country boy, what is your attitude?”

“Don’t you have a bit of brute force, can you really think of yourself as an emperor?”

“My brother Luo speaks to you, that’s the blessing that your bastard has cultivated in a few lifetimes.”

“Still putting on airs here? Pretending to be cold?”

“What are you pretending?”

“No matter how you pretend to be, you can’t cover up the scent of soil buns on your body!”

Xu Meifeng cursed acrimonious and mean words there.

But Mark ignored it, his gaze just fell on Wei Luo’s body in front of him.

“This is Xiao Lei’s home, I don’t want to embarrass you.”

“Come here, wipe off the water on it, and then apologize to Xiao Lei.”

“If you soiled Xiao Lei’s new clothes, I don’t need to pursue it.”

Mark was expressionless, looked at Wei Luo, and said coldly. Remember the website of this site, Xluochen. Com, easy to read next time, or enter “” on Baidu to enter this site
