

## The One and The Only Chapter 301 - 310

this time!

On the street, inside a black Maybach car.

Wearing a black suit, Lu Cangtian, with white temples and sharp eyes like an eagle, was

sitting in the back seat.

In addition to the driver, there were two other people in the car.

One was called Long Yuan, with a burly figure, Danfeng eyes, rosacea, and a faintly majestic

aura.

The other is called Tiger Charm, with ringed leopard eyes and beard.

Although he is less

than 1.7 meters tall, he is exceptionally strong. His dark complexion and flaring muscles

made him look like a fierce black tiger, which made him awe-inspiring.

These two are Lu Cangtian's worship brothers.

It is also Lu Cangtian's left arm and right arm, known as the Dragon and Tiger guardian by Lu

Cangtian.

At this time, Long Yuan squinted Danfeng's eyes, looked at a Land Rover and three

commercial vehicles that were speeding outside, and said

contemptuously: "I thought Qin

Jin's little white face was so capable. I didn't expect it to be so useless.

Dong Tianbao is in

his hands."

Tiger Fu Yehu said with an irritating voice: "Big brother and second brother, let's not care

about the life and death of Qin Jin's little white face, just kill Yash Nics and give revenge to

the young master first."

Lu Cangtian said calmly: "Mo Anxious, Zhu's family underestimated the enemy. In the end,

the gutter overturned and Yash Nics brought it down. We can't

underestimate the enemy, we

have to make a decision."

Long Yuan was arrogant and Hu Fu had a grumpy temper, but the two of them bowed to

their big brother. Unusual respect, has always been compliant.

The two said in unison: "What the big brother said!"

Lu Cangtian said again: "As for that kid of Qin Jin, is it Tang Ye's son, or come with us to

Mannity to deal with Yash Nics."

"If we are now. If you don't save him when you die, it's not easy to go back and explain to

Tang Ye."

Tiger charm scolded and said: "Fucking, we have to save Qin Jin's little white face, it is really annoying."

Long Yuan said: "The third brother, don't be angry. Let's save Qin Jin and take Dong Tianbao

by the way. Dong Tianbao is Yash Nics's subordinate. Taking Dong Tianbao is considered as

breaking Yash Nics's arm first."

Lu Cangtian smiled and said: "The second brother is right, but you don't need to rush to kill

Dong Tianbao. Just take him as a hostage and use his life to threaten Yash Nics to come and die."

Long Yuan and Hu Fu heard the words, their eyes lit up instantly, Qi Qi said: "Brother is still clever!"

...

Dong Tianbao and his entourage, along with Qin and Jin, came to an abandoned and unfinished building in the eastern suburbs.

There are overgrown weeds here and it's off the beaten track.

It is definitely a good place to torture, kill and throw corpses.

Huang Mao's several dying punks and Qin Jin were all dragged off the car.

Dong Tianbao squinted his eyes and looked at Qin Jin: "Let's talk, who sent you to do bad things?"

Although Qin Jin was scared, he did not panic.

He rolled his eyes twice and quibbled: "No one sent me, I just adore Miss Song, and I didn't

know that she had a husband, so I made the best plan to please her."

"The big brother, I know I was wrong. I don't dare anymore, let me go."

As

soon as Qin Jin's words fell, Shi Qing immediately raised his palm,

crackling and slapped a

few loud slaps.

The corners of Qin Jin's mouth were bleeding!

Shi Qing scolded, "I dare to lie in front of our brother Bao, Zhong Hai is

now our brother

Bao's territory. Brother Bao can check out all the gangsters on the road

with a casual

sentence."

"We just now I checked it. You and these yellow hairs are not in the middle of the sea at all."

Dong Tianbao said lightly: "Look at the car you drove. It has a provincial license plate. You

were sent by the Zhu family. Did the Lu family send you, or did Tang

Beidou send you?"

Qin Jin opened his eyes wide. He didn't expect Dong Tianbao to be so powerful, relying on

various clues so quickly, and almost completely guessed his origin.

However, he dared not betray Lord Tang.

If he doesn't betray Lord Tang, he will not be able to survive.

If he betrayed Lord Tang, he would definitely be dead.

So he gritted his teeth, shut his mouth tightly, and refused to speak anymore.

Dong Tianbao coldly snorted: "Since you don't tell, then you take the secret to hell."

"Shi Qing, send him on the road!"

The One and The Only Chapter 302

Qin Jin didn't expect Dong Tianbao to be so fierce that he would kill him if he didn't agree.

He was so scared that he struggled and screamed.

But was kicked by Shi Qing to the ground!

Shi Qing raised his dagger and was about to send Qin Jin on the road.

But the dagger hadn't fallen yet, with a swish, a bit of sparks whizzed through the air, hitting

Shi Qing's wrist holding the knife like a bullet.

"Oh!"

Shi Qing screamed, holding the knife unstable, and the dagger fell to the ground.

He looked down at his wrist in horror, and it turned out to be red and swollen, and his skin was burned.

Looking down at the hidden weapon again, it turned out to be a cigarette butt.

"Who?"

Dong Tianbao, Shi Qing and others, all aware of the arrival of a master, looked towards the

direction where the cigarette butts were flying.

Then, three people appeared in their field of vision.

The first person was wearing a black suit with white sideburns and a tall body, like a black eagle.

On the left is a burly man with Danfeng eyes, and on the right is a short man with leopard eyes.

It is the three brothers Lu Cangtian, Long Yuan, and Hu Fu!

Just now, the cigarette butt popped out and the person who shot down the dagger in Shi

Qing's hand was the Tiger Charm.

When Qin Jin saw the three of Lu Cangtian, he was ecstatic and shouted again and again:

"Mr. Lu, save me, save me..."

Bang!

Dong Tianbao hit Qin Jin's face with a fist, and Qin Jin lay down with a grief, cursing: "You can rest for me!"

Lu Cangtian looked at Dong Tianbao indifferently: "You are Yash Nics's top dog. Dong Tianbao?"

Dong Tianbao held up his face and waited for Lu Cangtian: "You are Lu Cangtian, one of the

four big lackeys of Tang Beidou! What? Haven't you seen the end of the Zhu family? Do you dare to come to Mannity to find our young master's trouble?"

Lu Cangtian's eyes flashed with murderous intent, and his voice was still elegant: "Yash Nics kills my child, and I will destroy his family. I came to your Excellency today because I wanted to use your Excellency as a bait to lead Yash Nics to die."

Dong Tianbao coldly snorted, "Just With you few, you are really looking for a dead end, do all of them, and abolish them!"

Dong Tianbao's voice fell, and he took the lead, taking the lead in the forefront.

Shi Qing and other dozens of subordinates, Qi Qi roared to kill, and followed Dong Tianbao to kill the three towards Lu Cangtian.

Tiger Charm and Leopard's eyes widened, and he roared: "Banmen get an axe!"

Long Yuan Danfeng's eyes suddenly opened, murderous Ling Ran: "Dance a big sword in front of Guan Gong!" The two voices fell, and they stepped forward together to meet Dong Tianbao and his party.

boom!

Tiger Talisman faced Dong Tianbao in a circle. Tiger Talisman's sturdy body didn't move at all, but Dong Tianbao showed pain on his face and staggered out of it seven or eight steps.

With a pair of fists from Long Yuan, Shuanglong went out to sea and threw them out at the same time.

Bang bang!

Two of Dong Tianbao's men were hit in the chest and flew out with blood sprayed on the spot. When they fell to the ground, they were already two corpses.

Dong Tianbao was about to split his eyes, roared, rushed up again, and fought with the tiger talisman.

Lu Cangtian held his head high and walked proudly from the scene of the fight. When he walked to Qin Jin and asked Qin Jin with a smile, the battle was over. Long Yuan and Tiger Talisman stood like a demon god. Dong Tianbao was seriously injured and fell to the ground. A dozen of his subordinates, wounded and dead, were extremely miserable. Qin Jin stared at the scene in shock, and he thanked Lu Cangtian again and again: "Thank you, Mr. Lu, if it wasn't for Mr. Lu, you would be here in time, the kid would be dead today." Lu Cangtian smiled and turned his head to tell Long Yuan to follow Hu Fu "For the time being, Dong Tianbao is a dog, and I will inform Yash Nics by the way. If he wants Dong Tianbao to live, he will come to see me alone." Long Yuan and Hu Fu said in unison: "Yes, big brother!"

The One and The Only Chapter 303

afternoon, Song Pingting continued to work at the company.

Yash Nics was with Song Zhongbin and Ma Xiaoli at home to accompany his daughter. Suddenly, Yash Nics received a call from Shi Qing. Azurite weak weak, said: "Master, big bad" Ning heard frown: "What happened, Tianbao it?" Azurite dying, said: "! Po brother in trouble," azurite Yiwuyishi I told Yash Nics what happened, and then said weakly: "Lu Cangtian said, if you want Brother Bao to survive. Before sunset, a person came to the Eastern Suburb Shooting Range to see him." Yash Nics frowned slightly when he heard the words . , After saying something, I know, you and your injured brother take care of your injuries, and then he hung up the phone. After hanging up, Yash Nics called Dian Chu again. Simply tell Dian Chu the situation, and then said lightly: "I'm going to the Eastern Suburb Shooting Range, you can arrange it!"

After that, he hung up the phone and drove out alone.  
The name of the Eastern Suburb Shooting Range is also called Sharpshooter Club, and its owner is Zeng Huaqiang.  
There are not many shooting ranges in Huaxia, and there are really fewer firearms that can be widely used for live ammunition.  
The Eastern Suburb Shooting Range can only practice shooting with ordinary pistols, but in the south, it is already quite remarkable.  
This is inseparable from the complicated background of the club owner, Zeng Huaqiang.  
Zeng Huaqiang is a disciple of Lu Cangtian.

It was also thanks to the connections of Lu's family that Zeng Huaqiang was able to set up a shooting range in Mannity City.  
At this time, in the Eastern Suburbs Shooting Range, Zeng Huaqiang was leading a group of men to entertain Lu Cangtian and the others.  
Lu Cangtian looked at the dying Dong Tianbao who was tied up with five flowers not far away, covered in blood, squinted his eyes and said, "I don't know if Yash Nics will come to die?"  
Zeng Huaqiang laughed with him : "Lord Lu, come personally. Zhong Hai, Dong Tianbao was captured, and Yash Nics probably was so frightened. He is probably ready to run away now.  
How could he dare to come and die?"  
Lu Cangtian frowned, "Then I am waiting for him here for nothing?"  
Long Yuan said at this time: "Brother, the niece's body is now in the Mannity Funeral Home.  
There is waiting for you to go over to see your niece for the last time, and then wait for your signature to be cremated."  
Tiger Fu also said angrily: "Brother, I see Yash Nics That servant won't take the initiative to die. Or let's go to the funeral home to deal with the niece's funeral."

Zeng Huaqiang heard this and immediately said: "Lu Ye, you go first, and I can be here."

Lu Cangtian looked at Zeng Huaqiang and hesitated: "Xiaoqiang, can you handle it?"

Zeng Huaqiang heard this and said dissatisfied: "Lord Lu, what are you talking about? Don't tell me that Zeng Huaqiang is in Mannity, even in the south. It's also considered small and famous."

"Don't say anything else, there are more than 20 people around me who are willing to die, as well as hundreds of pistols in my club."

"Yash Nics is fine if he doesn't come today, if he dares to come, I will tell him to come back and forth."

Lu Cangtian was relieved when he heard that, Zeng Huaqiang had 20 fierce men around him, and they had guns.

No matter how great Yash Nics is, can it be better than bullets?

He confessed to Zeng Huaqiang: "If Yash Nics comes, you will kill him. If Yash Nics does not come, you will send Dong Tianbao on the road."

Zeng Hua said powerfully, "Yes, Lord Lu!"

Lu Cangtian took him two. Become brothers, sit in Maybach, leave first, and rush to Mannity Funeral Home.

After Lu Cangtian left a few times, Zeng Huaqiang cast his gaze on Dong Tianbao. He

triumphed and said, "Hehe, Dong Tianbao, you have been in trouble in the Mannity

underground circle recently. Didn't you expect to fall into my hands?

"Regardless of whether Yash Nics will come or not, today is your death date. What are your last words?"

Dong Tianbao spit out bloody sputum, sneered: "Zeng Huaqiang, you are about to die."

Zeng Huaqiang opened his eyes: "You said I'm about to face a catastrophe?"

Dong Tianbao snorted coldly, "Yes, when my master arrives, all of you will be unlucky."

The One and The Only Chapter 304

Zeng Huaqiang laughed: "It seems that you are really fascinated and trusted in your young master. Today I will leave the words here. If Yash Nics comes, he will die with you; if Yash Nics does not come, then you Just go one step ahead." After Zeng Huaqiang finished speaking, he waved his hand to his subordinates: "Take this guy to the target of the shooting range and tie it up. When Yash Nics comes, I will use the two of them to practice target shooting and headshot. "

Zeng Huaqiang's subordinates are more cruel and cruel than the other. Hearing that Zeng Huaqiang was going to use a living person to practice target shooting, they were thrilled as a result.

The wailing man pushed Dong Tianbao out and tied it to the target brand.

Zeng Huaqiang took out his treasured Desert Eagle pistol and brought a group of men to stand a hundred meters away. Raising the pistol and aiming at Dong Tianbao's head, he grinned and said, "Guess I can get a headshot with this shot?" The subordinates booed, "Can you get a headshot? I only know if I shot him. The boss is about to shoot, we can't wait to see the real headshots, hahaha!"

Zeng Huaqiang is about to open the pistol safety device, ready to shoot. But at this time, a subordinate suddenly came over in a hurry: "Boss, a BMW came outside, and a man came down, claiming to be Yash Nics."

Hearing this, Zeng Huaqiang raised his muzzle and said in surprise: "Yash Nicszhen Did

he come alone?" The subordinate said: "Yes, I saw him alone!"

Zeng Huaqiang grinned and said, "Hehe, he really talks about loyalty. But it came just right, I will kill him together, Lord Lu He will certainly reward me heavily and bring him in."

Soon, a man with a tall figure and star-like eyes came in unhurriedly. It was Yash Nics.

Yash Nics walked in unhurriedly and looked at the shooting range with great interest.

When he saw Dong Tianbao who was tied up under the target sign in the distance, his face sank.

Cold eyes fell on Zeng Huaqiang and others.

Wow!

The 20 men next to Zeng Huaqiang raised their pistols together, and pointed at Yash Nics with 20 pistols.

Zeng Huaqiang folded his arms and held the golden desert eagle in his right hand. He grinned and mocked: "You are Yash Nics?"

Yash Nics saw Zeng Huaqiang's age and knew that this person was not Lu Cangtian. He

disdainfully said: "You don't deserve to talk to me, let Lu Cangtian get out and see me."

Zeng Huaqiang said angrily: "What are you, you deserve Lu Ye to do it himself?"

"Lu Ye has important things to do. I will send you to Dong. Tianbao went on the road." Lu Cangtian has already left!

Yash Nics was a little surprised. His eyes fell on Zeng Huaqiang and the others. The corners

of his mouth raised slightly. He intentionally or unintentionally said: "Lu Cangtian confessed

that you killed me and Dong Tianbao? Can you and your subordinates do it? Have you killed anyone?"

Zeng Hua Qiang and a group of his men looked at each other when they heard the words, and then laughed together.

"Boss, this kid actually looks down on us?"

"Haha, did he ask us to kill anyone?"

"This kid may not know that before we ran the design club, we were murderous thugs, right?"

Zeng Huaqiang grinned. Looking at Yash Nics, he said triumphantly:  
“Today the club is not  
open. There are no outsiders except me and my brothers. Anyway, you  
are already a dying  
person, and I am not afraid to tell you a secret.”  
Yash Nics is very interested: “Oh, what’s the secret?”

The One and The Only Chapter 305

Zeng Huaqiang flaunted: “I am the famous wolf of the high seas!”  
“Ten years ago, on the high seas, the famous princess cruise ship was  
used by me and my  
brothers. Robbed and then sunk. Did you say we killed people, hahaha!”  
Ten years ago, a small cruise ship in Hong Kong, carrying a group of rich  
men, sailed out of  
the open sea to gamble.

However, they encountered pirates and thugs, and finally the Princess  
Cruise was silent, and  
all the rich were killed in the high seas.

This incident caused quite a stir.

However, because the case occurred on the high seas and there are not  
many clues, the  
murderer has always been a mystery.

Unexpectedly, it was Zeng Huaqiang who did it with his gang.

Yash Nics nodded: “Since you are all the heinous, then you have it.”

Zeng Huaqiang heard it inexplicably: “What do you get?”

Yash Nics raised his right hand and pointed at Zeng Huaqiang with his  
fingers like a pistol:

“Since you are They are all villains, then I have no scruples and shoot you  
directly.”

Zeng Huaqiang and others looked at Yash Nics and pointed them at them  
with a finger as a  
pistol. They also heard Yash Nics say that they were going to be shot.  
laugh.

“Haha, boss, this guy said he wanted to shoot us?”

“What did he use to shoot us, using his finger as a pistol to shoot us?”

“Hehe, isn’t this guy a fool?” All of

Zeng Huaqiang's men laughed at Yash Nics and Zeng Huaqiang also grinned: "Brothers, the bullet is loaded, everyone let him know what a real gun is!" Kaka Kaka Kaka... the sound of bullets being loaded! Zeng Huaqiang's 20 men loaded the bullets one after another and aimed their pistols at Yash Nics again. But at this moment, Yash Nics's right hand was already squeezing the trigger, and he said softly: "Bang!" Yash Nics's mouth banged gently! On the hillside a thousand meters away, 20 snipers from the Raptors Special Forces regiment wearing camouflage uniforms fired together. The 20 subordinates around Zeng Huaqiang were instantly shattered, flesh and blood flying. The 20 men who were still alive just now all fell to the ground in an instant, blood and corpses all over the floor. what? ! Zeng Huaqiang, with his arms folded, instantly tensed his body, his head was full of horror, and his eyes were about to come out. Why did the 20 ferocious subordinates around him all die in the blink of an eye? He raised his head and looked at Yash Nics not far away, his eyes were full of fear, and his feet were shaking. A stream of water ran along his trousers to the ground. In addition to the diffuse smell of blood, the air also smelled of urine.

This guy was scared to pee!  
At this time, the fingers of Yash Nics's right hand had already pointed to Zeng Huaqiang.  
Zeng Huaqiang screamed: "No!"  
At the same time, he raised his right hand, and the desert eagle in his hand pointed at Yash Nics, wanting to act first.

Unfortunately, at the moment he raised his gun.  
A kilometer away, Dian Chu, who personally held a sniper rifle and stared at him closely, had already pulled the trigger.  
boom!  
Zeng Huaqiang's head exploded directly into a cloud of blood, and the headless corpse slowly fell over.  
Without even looking at it, Yash Nics strode forward to Dong Tianbao, untied Dong Tianbao's rope, and asked, "Is it all right?"  
Although Dong Tianbao was covered in blood, he forcibly stood up straight and said excitedly: " Master, I'm not in the way."

...

"What? Xiaoqiang is dead, and even the shooting club has been sealed off!"

Lu Cangtian, who had just come out of the crematorium, was shocked when he heard the news of Zeng Huaqiang's accident.

Even his two powerful arms, Long Yuan and Tiger Talisman, felt incredible.

Qin Jin smiled bitterly and said to Lu Cangtian: "Yes, this is the latest news I got. It is said that Xiaoqiang was the murderer who made the Princess cruise ship tragedy that year. Now a large number of special police surround the shooting range and even reporters can't get in."

The One and The Only Chapter 306

Lu Cangtian frowned: "Why did Xiaoqiang have something to do with Yash Nics?"

Long Yuan laughed and said, "It is said that the princess tragedy of the year The murderer has always been a mystery. Even if Yash Nics investigates Xiaoqiang's details, it would never be possible to find out that Xiaoqiang is the murderer in such a short time."

Tiger Fu also said in a sigh, "Second brother is right. This kind of unsettled case over a long period of time is definitely The police have been investigating for a long time, and Xiaoqiang has already been targeted, but it just happened to be done today." Lu Cangtian kept nodding, feeling that his two brothers were justified. This incident should be that the police had been eyeing Zeng Huaqiang a long time ago, and had nothing to do with Yash Nics. He was a little annoyed: "Yash Nics and Dong Tianbao are really the two goddesses of luck, and this has allowed them to escape." Long Yuan looked down at the ashes jar of Lu Shanshan in his hand, and he said suspiciously: "Big Brother, Tianhai At home in the provincial capital, we are waiting for us to take the ashes of our niece back. What should we do now?" Before Lu Cangtian spoke, Hu Fu said in a deep voice, "Big brother and 2 brothers, even if you go back with your niece's ashes, I will keep it. Yash Nics's life is lost." Lu Cangtian hesitated when he heard the words: "Third brother, can you?" Hu Fu didn't like to listen to these words, and said loudly, "Big brother, what are you talking about? Since the beginning of worship, there are countless battles across the south of the Yangtze River." "There are no one thousand strong men killed by me, but also eight hundred. Yash Nics is a mere mere clown, I can kill with my fingers, what is it for worry?"

Qin Jin also said: "Mr. Lu, there is still me!" "With my wisdom and the force of the Third Master, there is no one in Mannity that can be beaten. It is even more trivial to kill Yash Nics. You can rest assured, Master Lu." Lu Cangtian looked at Tiger Talisman and Qin Jin, and finally smiled: "Well, Long Yuan and I

will take Shanshan's ashes back to Tianhai Provincial City for burial. When you come to Mannity in a few days, you two will stare at Yash Nics first. Don't be impatient, but wait until I come back from the provincial capital." Hu Fu replied with Qin Jin together: "Yes!" However, what Hu Fu thought in his heart was: Yash Nics, a lice thief, is like killing a chicken and a dog. Why wait for the eldest brother and the second brother to come back?

...

Yash Nics took Dong Tianbao to the hospital, and when he returned home, it was already five o'clock in the afternoon. Song Pingting has also returned home. She, Tong Ke, Song Zhongbin, and Ma Xiaoli are preparing to go out with Song Qingqing. Yash Nics was surprised and asked: "Where are you going?" Song Pingting smiled: "Yash Nics, you came back just in time. Tong Ke's parents arrived at Mannity Airport immediately. We are going to pick up the aunt and the uncle!" It turned out to be Tong Ke's mother and Ma Xiaoli's sister has come to Mannity! Yash Nics immediately smiled and said, "Then I will go with you!" The family drove two BMW cars and drove straight to the Mannity Airport. Because it was off work hours, the road was a bit congested, which caused them to feel that they were five minutes late at Mannity Airport.

At the gate of the airport, a middle-aged couple in gorgeous clothes was standing sullenly, eyes full of anger.

This middle-aged couple is Tong Ke's parents, Tong Handong and Ma Baozhi.

Tong Handong complained unhappily against his wife: "Why haven't your sister and their family arrived yet? It's really poor and bad. Not only is the airport service garbage in Mannity

City, the people living in Mannity City are all poor people.”  
“Obviously .” Knowing that we were on the five-thirty flight, we were late for a full five minutes and haven’t shown up.”  
Ma Baozhi was also full of anger and cursed and said: “My sister, regardless of family opposition, married to this ghost place and married a cowardly and incompetent man. It is said that all these years have been a hard life, so I can’t guarantee that even the car now No, take the bus to pick us up.”  
Tong Handong coldly snorted: “If it weren’t for my daughter who plans to work here in the future, I would not come to see your sister and brother-in-law. I hate dealing with mud legs .” Ma Baozhi: “No, if it wasn’t for Xiao Ke, I wouldn’t see them.”

The One and The Only Chapter 307

Just as the Tong Handong and his wife were cursing, two BMW cars rushed over.

Then I saw Tong Ke and Yash Nics’s family getting out of two cars.

Tong Ke

happily shouted: “Dad, Mom!” “Oh, Xiao Ke, I want to die with Mom and Dad.”

Tong Handong and Ma Baozhi also hugged their daughters with joy. “Sister, brother-in-law, we haven’t seen each other for many years.”

Ma Xiaoli and Song Zhongbin greeted the Tong Handong couple nervously.

No way, the Tong family is a large family in the north, and the Ma family is also a prominent family in the north.

Ma Xiaoli had insisted on marrying Song Zhongbin in spite of the opposition of her family.

These years, I have been struggling with Song Zhongbin, and I was teased by my natal relatives.

So when she and Song Zhongbin saw their sister and brother-in-law, they still couldn’t look

up.

When Tong Handong greeted Ma Baozhi and their daughter, they opened their eyes and smiled, but when faced with Song Zhongbin's family, there was no good face.

Ma Baozhi looked at the two BMW cars next to him, and said contemptuously: "I said why did you come here for a long time? Turns out that you bought two broken BMWs and deliberately showed up in front of us, right?" Song Zhongbin and Ma Xiaoli, their faces changed drastically. Repeatedly explained that there was no such meaning. Even Tong Ke pulled her parents in embarrassment, and whispered: "Parents, the cousin's family doesn't mean it. It's really a traffic jam on the road. I can testify." Ma Baozhi pouted, "Daughter, you are still too simple, a lot of poor. Ghost, after I have a little money, I will try my best to show off!" Tong Handong also said proudly: "These two BMWs shouldn't be bought with a loan. Don't be aggressive if you are poor at home. BMW cars are not suitable for your mud-legged cars. of." Song Pingting's family was particularly embarrassed when she heard this, but Yash Nics's face turned cold. Yash Nics didn't expect that the relatives from his mother-in-law's mother-in-law's house would be so dragged and despised so much.

Tong Ke was ashamed of what her parents said. She caught a glimpse of Yash Nics's anger.

She became even more anxious. She quickly said: "Parents, cousins, and their cars are all bought with full money. Cousins and their family are living well now. It used to be."

Ma Xiaoli also quickly laughed: "It's Xiaoting, who has set up a small company and made

some money.”

Song Zhongbin also hurriedly said: “The family has already prepared meals, eldest sister,

brother-in-law, let’s get in the car soon. Let’s go home.”

Tong Handong and Ma Baozhi got in the car a little reluctantly . When they got on the car,

they still said: “Let’s go and see if your home is too poor, we will go to the hotel. We Those

who go out are staying in five-star hotels, bad places, I can’t get used to it!”

Tong Ke felt hot again when he heard this.

Song Zhongbin is responsible for driving the BMW 7 Series. He shares a car with Ma Xiaoli,

Tong Handong and his wife, and Tong Ke.

Yash Nics, Song Pingting, and their daughter drove another BMW together and went home.

On the way, Ma Baozhi has been scorning Ma Xiaoli. If you have a few small money, don’t

think you will get rich. If you buy two BMWs, don’t think you are a rich man. Compared with

their Dong family, it’s still far behind.

When two cars drove into the Jiangbin community and returned to their garage.

Ma Baozhi opened the door and got out of the car, and said in his mouth: “Mercedes-Benz

BMW, I tell you, this is a car driven by the poor in the north.”

“Do you know what our rich people drive? Drive Bentley Rollsley Si!”

“Those richest princes, do you know what cars they like to drive?

Lamborghini, Ferrari,

Pagani, they are all super sports cars, tens of millions!”

Song Zhongbin and Ma Xiaoli nodded: “Yes, yes, yes, yes, yes. What you said to your eldest

sister and brother-in-law.”

When Tong Handong and Ma Baozhi saw that Song Zhongbin and his wife were scared, they

were all triumphant.

But when they got out of the car, they suddenly saw the eye-catching Pagani Zonda

supercar parked in the corner of the garage!  
Tong Handong's body shook: "My God, the son of Pagani, a super sports car worth more than 20 million yuan!"

Ma Baozhi was also dumbfounded and asked in disbelief: "Xiaoli, this supercar is also yours?"

The One and The Only Chapter 308

Song Zhongbin and Ma Xiaoli said modestly: "It's Yash Nics's car. We didn't know that this car is so expensive."

Tong Handong and Ma Baozhi looked at the BMW car next to him together. Yash Nics, who had just gotten out of the car, was full of disbelief.

Yash Nics just heard that Tong Handong and his wife scolded his father-in-law and his mother-in-law, saying that Mercedes-Benz and BMW were driven by poor people, and rich people drove supercars.

He walked up, deliberately pretending to be unknowingly asked: "Auntie, uncle, what did you talk to my parents just now?"

Tong Handong and Ma Baozhi were embarrassed and shook their heads in embarrassment, repeatedly saying, "Nothing, nothing, just talk. It's just homework. Your parents have a good life." Song Zhongbin and Ma Xiaoli knew that it must be Yash Nics's super sports car that scared the eldest sister and brother-in-law.

They looked at Yash Nics proudly, and liked them the more they watched, thinking: The son-in-law is still very good, and he can just take a car and scare the eldest sister and brother-in-law who have eyes above the top.

When Tong Handong and Ma Baozhi saw this Pagani Son of the Wind supercar, which was worth more than 20 million yuan, they were a little shocked for a while.

At this time, the two discovered that Song Pingting's new house turned out to be a separate villa.

Although Mannity is an ordinary city in the south, its economy is not comparable to that of the first-tier cities in the north.

But in fact, China Shipping's consumption is not low. It is estimated that it would cost at least tens of millions, or even hundreds of millions, to buy such a villa in a geographically good location in China Shipping.

Tong Handong and his wife had to reassess Song Pingting's "poor relatives!"

When they walked into the house, Ma Baozhi asked Ma Xiaoli intentionally or unconsciously:

"Sister, your family used to live in a broken apartment building, but now you live in a small

villa. Although this small villa is not very valuable, it's incomparable to ours, but it's not bad!" Ma Xiaoli insisted on marrying Song Zhongbin

despite the opposition of her relatives. She cut off contact.

This made her feel guilty in front of her natal relatives. She felt that she was an unfilial

daughter and abandoned her family relationship for love.

Therefore, she attached great importance to her natal relatives and was very polite, not to

mention that Ma Baozhi was her sister.

Ma Xiaoli smiled and said: "These are the results of the hard work of Yash Nics and Xiao Ting!" Tong Handong said in a rare voice, "What does your son-in-law Yash Nics do?"

Tong Handong and his wife had heard of Song Pingting at the airport. They started a company,

but they didn't know what Yash Nics did.

They always feel that the person who can afford Pagani Zonda is at least the president of a

large group.

Ma Xiaoli said casually: "Yash Nics used to be a soldier. It hasn't been long since he was discharged from the army. Now he is out of work. He is in charge of assisting Xiaoting."

Ma Xiaoli said nothing wrong. Yash Nics does not have a job now. What he is doing now is to assist Song Pingting, and he wants to build a new giant for his wife!

But what Ma Xiaoli said in the ears of Tong Handong and his wife had another meaning!

In the perception of Tong Handong and his wife, no job is an unemployed man!

They looked at Yash Nics with contempt for an instant, and Tong Handong said disdainfully:

"I thought it was so great, I didn't think it was a soft rice."

Ma Baozhi also turned and told Tong Ke: "Xiao Ke, you will definitely want to find a boyfriend in the future. Look for a successful career. Your brother-in-law is a waste of soft food, absolutely not!"

The One and The Only Chapter 309

Song Pingting's family is very embarrassed, but for a while, they don't know how to explain?

Tong Ke was even more ashamed, wishing to cover her parents' mouths. Yash Nics Quan Cai Wushuang, can purchase a jewelry store worth hundreds of millions in a few minutes, and can mobilize countless troops in one sentence.

Her parents actually laughed at Yash Nics as a waste of soft food!

If it weren't for being forced to take a poisonous oath and promised that she would never

reveal Yash Nics's secrets, she would have to tell everyone aloud at this time that Yash Nics

is a young commander!

She said to her parents with a face full of shame and anger: "Parents, can you say a few words less?"

Song Pingting's family is also afraid of Yash Nics's self-esteem hurt, and even more afraid

of Yash Nics's conflict with Tong Handong.  
Song Pingting quietly squeezed Yash Nics's hand and motioned him not to get angry.  
No matter what outsiders say, she thinks he is excellent!  
Song Zhongbin and his wife also said quickly: "Come in and sit down. Come in and talk." Tong Handong and his wife did not continue to laugh at Yash Nics for the sake of their daughter.  
However, in their hearts, they believed that Yash Nics was relying on Song Pingting's waste.  
Yash Nics's son of the wind, it is guaranteed that it was also bought with Song Pingting's money.  
Thinking about it this way, the Tong Handong couple looked at Yash Nics's eyes and despised: a scumbag, a scumbag and a waste man! It's a pity that Song Pingting married this trash!  
There are many prepared dishes on the table in the living room. Stir-fried pork, braised pork, etc. are all home-cooked dishes. This is Ma Xiaoli made according to the favorite menu of her sister Ma Baozhi when she was a child.  
However, Ma Baozhi curled his lips and said with a disgusting face: "What age is it, who still eats these clay-legged family banquet dishes?"  
"Our family, except for the occasional home cooking, we basically go to western restaurants to eat. We eat top steaks and caviar. Even drinking takes 82 years of Lafite. How do we eat your meals? You can do it!" The guests were not satisfied with the food served, and the host Song Zhongbin, Ma Xiaoli, and Song Pingting looked particularly embarrassed.

Yash Nics frowned slightly. He felt that Tong Ke's upbringing was still possible, but how could Tong Ke's parents be so unbelievable?

Song Qingqing, who was holding Yash Nics's arms, opened his pure eyes and asked

curiously: "Auntie, grandma, do your family really only eat top Western food on weekdays,

don't you eat the ordinary meals of our family?"

Ma Baozhi said triumphantly. "Of course!"

Song Qingqing said crisply, "But when Tong Biao was in our house, she ate very fragrantly

every day!"

These words of a few-year-old child, like a slap in the face, slapped Tong Handong invisibly.

Couple faces.

Not only the faces of Tong Handong and his wife were flushed, but even Tong Ke felt hot.

Ma Baozhi blushed and said, "Aunt Tong Biao is here for you. She stays with us at home and only eats delicacies and delicacies." Tong

Handong also said:

"Since the food doesn't suit your taste, let's go to the East China Sea Dragon Palace

Restaurant for dinner!

"The boss there is my friend, and my nephew Tong Yang, who served in the Mannity Military

Region, called him out and ate together."

Tong Yang, the son of Tong Handong's eldest brother, went to the army as soon as he

graduated. Ten years, this year is thirty years old, become a captain!

He is also known as the Almighty King of the Mannity City Military Region. It is said that he

has also been appreciated by Major General Wang Daofang of the Mannity City Military

Region, and his future is boundless.

However, Tong Yang is thirty years old, but he is not married yet.

This is anxious Tongjia!

Tong Handong saw that Song Pingting was young and beautiful.

Although he was married,

he had a successful career and was the boss of the group company at a young age!

He felt that Song Pingting and Yash Nics were the trash together, it was just flowers stuck in the cow dung and spoiled! So it was born to dismantle the thoughts of Yash Nics and Song Pingting, intending to bring Song Pingting and his nephew Tong Yang together. In his opinion, this was his kindness to Song Pingting. Song Pingting would definitely be happy, and Song Zhongbin and Ma Xiaoli and his wife would also be grateful for Dade. As for Yash Nics, it's better to roll as far as you can! Ma Baozhi heard that her husband was going to invite everyone to dinner at the East China Sea Dragon Palace Restaurant, and he also called out his nephew Tong Yang. She immediately understood her husband's thoughts and said, "Yes, go to the East China Sea Dragon Palace Restaurant for dinner, and call Tong Yang out." The One and The Only Chapter 310 Song Pingting's family led the way, so they went out again with Tong Ke's family and went straight to the East China Sea Dragon Palace Restaurant. Soon, I came to the splendid East China Sea Dragon Palace Restaurant, opened a box, and ordered a table of food. The food and wine had just been brought together. A burly man wearing a captain's uniform hurriedly knocked on the door and said as soon as he entered the door, "Second uncle and aunt, I'm late, sorry, sorry." The man in the captain's costume, It is Tong Yang.

Before Tong Yang came, he learned that his second uncle and aunt were about to introduce him to him again, and he came with an unhappy mood. Because he represented the Mannity City Military Region and went to the north to participate in the King of Soldiers competition. After a month of exhaustion, he just returned

to Mannity.

But now he walked into the box and saw Song Pingting, his eyes widened and his heart throbbed.

His eyes lit up, and he thought to himself: Oh my god, the object introduced to me by my second uncle and aunt this time is so beautiful. If you love love, you must pursue her!

When Tong Handong saw Tong Yang, he stood up and said happily: "Tong Yang, you are here!"

Ma Baozhi also instructed Tong Ke next to Song Pingting: "Xiao Ke, you change your position and give your cousin your seat. "

Tong Ke was inexplicable, but according to her mother's request, she changed her position and gave her original position to Tong Yang.

After Tong Yang sat down, Song Pingting's left was Yash Nics, and the right Tong Ke became Tong Yang!

In an instant, everyone in the audience felt the smell of something wrong.

Tong Handong and his wife deliberately arranged Tong Yang to sit next to Song Pingting.

What does this mean?

Tong Handong proudly introduced his nephew: "Tong Yang is the son of my elder brother, the eldest of our Tong family. He joined the army after graduation and is now a captain. It's amazing, right?"

Song Zhongbin and Ma Xiaoli both laughed and said, "Young and promising, young and promising!"

Ma Baozhi was full of pride, deliberately or unconsciously glanced at Yash Nics: "Of course!

By the way, your son-in-law retired as a soldier, let alone the captain, guess Didn't even a

sergeant catch it? This is the difference between the elite and the waste!”

In a

word, the expressions of Song Pingting’s family changed, and they all felt that Ma Baozhi’s

words were excessive.

But Yash Nics looked at Tong Yang with interest.

He once went to the Royal Military District to attend the award ceremony. Will Tong Yang

know him?

What Yash Nics did not expect was that during this period of time, Tong Yang went to the

north to participate in the King of Warriors competition, and he was not in Mannity at all.

So Tong Yang didn’t meet Yash Nics, let alone Yash Nics’s true identity.

After Tong Handong and his wife introduced Tong Yang, they immediately introduced Song

Pingting’s family. In fact, they mainly introduced Song Pingting to Tong Yang.

Tonghan Dong Yang Tong said smiling: “This is the Song Painting, even with the children,

but in fact did not receive the certificate and her virtuous character, a young age has also

set up a group company, Tong Yang you think.?”

Tong When Yang saw Song Pingting, he was shocked and fascinated.

He hasn’t been in love for decades, and he says that it is most unreasonable for honest

people to fall in love.

He is like this now, even if I heard that Song Pingting had a child.

But he still didn’t care and said loudly: “I think Miss Song is very beautiful, she is the lover of

my dreams. If she is willing to associate with me, I am willing to love her sincerely and

protect her.”

Tong Yang said, Song The Pingting family was completely stunned.

Yash Nics finally couldn’t bear it. He coldly said to Tong Handong and his wife: “I said you

have something wrong, Ping Ting is my wife, do you dare to introduce someone to my wife?”
