

Chapter 3010– 3011 of A Dish Best Served Cold Novel

Chapter 3010

Boom~

Just as Wei Luo was thinking about it, there was a roar of cars outside the manor.

Hearing this sound, Wei Luo, Xu Meifeng and others were like chicken blood, and the whole person instantly became energetic.

“Haha~”

“The young master’s people are here!”

“Boy, wait for you to die?”

While grinning, Wei Luo and Xu Meifeng hurried to the door to welcome his arrival!

Sure enough, after Wei Luo’s words fell, several figures quietly appeared in the eyes of everyone.

These people, in various suits and shoes, have a cold and sharp connotation between their eyebrows.

Between dragons and tigers, there is a hunting wind.

If it is a person with keen perception, it will inevitably be aware that the blood on these people is extremely compelling.

“This is, warrior?”

At the moment when he saw these people, Denren Ye’s brows frowned.

She couldn’t help but feel a little worried.

Could this Wei family also be a hidden martial arts family?

You know, looking at the entire country, the number of warriors is extremely rare.

Like the Xu family, there is no warrior in the whole clan.

However, the Wei family was able to mobilize so many martial arts experts, which had to make Denren Ye suspect.

Last time, the affairs of the Lu family disturbed the city and made the whole Noirfork fearful.

Fortunately, in the end, the Wushen Temple did not hold Mark to blame. Otherwise, Denren Ye couldn't imagine what the consequences would be.

After all, in the eyes of Denren Ye and others, no matter how strong Mark is, it is definitely not strong enough to compete against a country.

If this Wei family is also the martial arts family hidden in the summer, Mark will fight against it again. Once the Martial God Temple learns about it, he will definitely be furious, thinking that Mark has made an inch of it.

“Uncle Liu, Uncle Li, you finally arrived.”

“Haha~”

“I have been waiting for you for a long time.”

“Quickly, kill this bastard for me.”

Wei Luo smiled and urged impatiently.

However, what makes Wei Luo a little strange is that these people just passed him directly as if they hadn't heard his words, and continued to walk towards the front hall.

“Ok?”

“Uncle Liu, where are you going?”

“Where am I?”

“By the way, where's Uncle Wang?”

“Why didn't you see him?”

Wei Luo didn't think much, thinking that they didn't notice him, so he chased up and said again.

However, no one paid attention to him.

Just when Wei Luo was puzzled, there was a sneer outside the manor door quietly.

“Your Excellency should be Master Wei.”

“Xue Renyang, Patriarch of the Xue family, accidentally killed one of your subordinates just now.”

“I feel guilty, so I personally come to apologize to you.”

“Tongshan, throw that corpse up, so that Master Wei can take it back, so that it can be restrained.”

Between chuckles, Xue Renyang waved his hand.

Beside him, a strong man swung his arm and threw a person's body in front of Wei Luo.

After seeing the corpse, Wei Luo trembled, and his old eyes were huge.

“Uncle Wang?”

“This this..”

“Asshole!”

“How dare you kill Uncle Wang?”

“Xue Renyang, you are so brave!”

“My Wei family is cooperating with you, that is to give you a face.”

“But you don't know whether you live or die, and you dare to move people from my Wei family. How can I, Wei Luo, spare you?”

After seeing Uncle Wang's body, Wei Luoton felt angry.

This Uncle Wang has been with him since he was a child as a bodyguard. He has been one of Wei Luo's most trusted people for decades of friendship.

But he never expected that his Uncle Wang would actually die in the Xue family.

“Damn it!”

“You Xue family, you all deserve to die!”

“Uncle Liu and Uncle Li, listen to my order and immediately kill this old thing for me!”

“Don't worry about the cooperation agreement?”

“Everyone who killed my Uncle Wang should die! They should die!”

Wei Luo roared fiercely.

Chapter 3011

However, what surprised Wei Luo very much was that no matter how he yelled, his subordinates seemed unheard of and did not move.

“Ok?”

“Uncle Liu?”

“Uncle Li?”

“What’s the matter, don’t you guys hear what I said?”

“I’ll let you do it and kill this old thing!”

Wei Luo roared angrily.

“Haha~”

“Master Wei, don’t waste your words.”

“Now that they are members of my Xue family, how can they listen to your orders?”

When Wei Luo was angry, Xue Renyang’s faint laughter came out quietly.

Wei Luo was undoubtedly even more angry when he heard this.

“You talk nonsense!”

“My Wei family has supported them for nearly ten years. They are loyal to my Zhonghai Wei family. How can they listen to your orders?”

Wei Luo roared sharply, but didn’t believe these nonsense of Xue Renyang at all.

Xue Renyang didn’t bother to explain anything to him. Instead, he raised his head, looked forward, and ordered in a deep voice: “Liu Hai, Li Hu, Er, etc., since they have returned to my Xue family, they are also subordinates of my Dragon Lord.”

“Why don’t you follow me and see the Dragon Lord?!”

Xue Renyang’s low voice resounded throughout the hall.

After speaking, Xue Renyang took the lead to walk out, and bowed his head in the direction where Mark was.

Xue Renyang’s words are like a boulder falling into the sea, causing a thousand layers of waves.

Immediately afterwards, Tongshan, Qingtan, and the Wei family powerhouses who had just come with Xue Renyang, all bowed their heads, and bowed to the position of Mark: “I wait, see the dragon lord!”

....

“Welcome to the Dragon Lord, come to Gritsberg!”

.....

One after another, like waves swept across, shaking the entire hall for a while.

The moment Wei Luo saw this scene, Wei Luo was stunned, his old eyes staring wide.

Not only Wei Luo, but everyone in the Xu family was stunned, looking at the foreground like a ghost.

As for Xu Meifeng, her face is even more incredible.

“Are you blind?”

“Where is my brother Luo?”

“What do you worship him?”

“He’s just a poor country girl, your master is over there!”

Xu Meifeng yelled loudly.

Wei Luo was equally unbelievable.

“Uncle Liu, Uncle Li, you...what does this mean?”

“Could it be that you really betrayed me and the Wei family?”

“Are you really so ungrateful?”

“Don’t forget, who gave you millions of rewards over the years, and who supported you to eat and drink?”

“You don’t feel guilty in your behavior like this? Don’t you know a little shame?”

Wei Luo at this time was almost mad.

He never dreamed that these people he had high hopes would betray him.

You know, he wanted to send them to rebel against the Xue family.

But who would have thought that Mark’s arm was not broken, but his arm was cut off.

“Master Wei, I’m sorry.”

“Good birds choose woods and live, good ministers choose their masters.”

“After today, we will no longer do anything for the Wei family.”

“Don’t worry, we will refund this year’s remuneration to the Wei family.”

Among these Wei family powerhouses, the leader said to Wei Luo expressionlessly.

These people have an ordinary employment relationship with the Wei family, not from the Wei family.

This kind of interest relationship built by money is naturally easily broken by others.

What’s more, in the Xue family before, in the face of these Wei family powerhouses, Xue Renyang has done both.

First, let Tongshan and Qingtan two, with absolute strength, kill the strongest person among them, that is, Uncle Wang in Wei Luo's mouth, and directly shock these Wei family powerhouses.

After that, Xue Renyang used a lot of money to appease him.

With both kindness and power, these martial arts powerhouses who Wei used to raise money in captivity naturally surrender easily.

After all, where is the strength of Tongshan and Qingtan? They have no choice.
