

Chapter 3011

According to what he knew about Zhiyu, he felt that she couldn't even want his island.

First of all, Zhiyu must now devote all her attention to the ocean transportation business.

She is definitely not interested in letting herself go to the Maldives.

Secondly, her mother may now hate him so how can she go to his island to relax on vacation. Liona will definitely not agree.

really.

Zhiyu frowned when she heard what he said.

She is not stupid either.

She knows that there are at least nine points of hypocrisy in what Grandpa said.

But what to do with Maldives islands, she is not interested at all!

Zhiyu was about to refuse, when she saw Charlie winking, she signaled her to agree.

So, she hesitated for a moment, and said, "Thank you, grandpa. I will trouble Grandpa to let Mr. Anson bring the property rights of the island to Aurous Hill.

After the property rights are in my name, I will take time to take my mother and relax."

When Chengfeng heard this, he immediately felt a strong pain.

He secretly thought: "I'm just being polite, why did you really agree? You are young, what do you want an island for retirement? You have to leave it for me, what will I do in the future? I can never develop one from scratch?"

Thinking of this, he hurriedly said: "Zhiyu, the property rights documents of the island are to be transferred from the Maldives. It is relatively troublesome, but you and your mother can go there to rest first."

Zhiyu said smoothly: "That's right, when I go there, the property rights will be transferred by the way."

After that, she added: "Grandpa, you also know that my mother must have some opinions on you.

If that island is in your name, she will definitely not go, but if it is in my name. It's different."

Chengfeng could only say angrily: "You are right, grandpa owes it to you. In this case, if you have time to go, I will ask Anson to go there too and complete the formalities..."

With that, he hurriedly said again: "By the way, Zhiyu, Grandpa has to ask you for a favor this time..."

Zhiyu snorted: "You say it."

Chengfeng hurriedly said: "That's right, your benefactor, he called me just now. He may have misunderstood me.

He didn't seem to be happy about what he said on the phone, so I would like to ask you to help me make peace with him.

In the future, everyone will keep the well water from the river water, do you think it will be doable for you?"

Chapter 3012

Zhiyu heard this and couldn't help but look up at Charlie.

She found that he had a clear idea of the scheming of her grandfather.

He said that grandpa would definitely come to ask for her help, but she did not expect her grandpa to so predictable.

However, she didn't know why Grandpa angered Charlie, nor did she know that he had sent a Gu art master to Aurous Hill to try to assassinate attempt on Charlie.

So, she did not immediately agree, but instead asked: "Grandpa, you said you had a misunderstanding with Grace. Can you tell me the specific misunderstanding?"

Even if I promise you, I have to understand it before I can find him. I need an entry point to communicate with him."

Chengfeng hesitated for a moment, sighed, and said:

"Hey...it's not a misunderstanding, it's mainly because I was confused for a while. I hired a metaphysical master from England.

I sent him to Aurous Hill to find for once the whereabouts of my benefactor."

After that, Chengfeng excused himself again:

"Actually, I didn't want to hurt the benefactor, I just wanted to find this man out and talk to him face to face, but the metaphysical master I invited may have tried hard.

He killed an innocent person in Aurous Hill, and tried to kill the benefactor, but it was all that guy's own idea, but your benefactor didn't know.

Now he thinks I sent that master to kill him, so he is mad at me....."

Zhiyu was dumbfounded.

She didn't expect that grandpa would dare to engage in such small actions!

And this little action is no longer directed at her, but at the benefactor!

This immediately made her angry, and blurted out, "Why did you send someone to assassinate Grace?!"

Chengfeng realized that she must be very angry, and hurriedly explained: "This was not my intention, it's all that guy he didn't know what to do.

He must have tried to be competitive..."

Zhiyu asked back: "Do you think I will believe it? You can even kill my mother, let alone benevolent?"

Chengfeng knew that his sophistry was meaningless, so he had no choice but to say:

"Zhiyu, it is meaningless to say these now. I can guarantee that I will never make the same mistake again in the future, and I hope you will talk to the benefactor. to ease the situation....."

Chapter 3013

Although Zhiyu was very angry, remembering what Charlie had said, her tone eased a little, and she said:

"I'm currently in the Shangri-La meeting Ito Takehiko of the Ito family. The situation on my friend's side is really not very good.

Clearly, but after I finish talking with Mr. Ito, I will try my best to intercede with Grace."

After finishing speaking, Zhiyu warned solemnly: "Grandpa, I have to tell you something clearly. Grace has saved me twice, and also saved my mother and my brother.

He was kind to me and I revere that. In fact, in my heart, he is more important than you!"

Although Chengfeng was very upset, he did not dare to say anything at this time.

He knew that what she said was the truth. In her mind, he was not the grandfather who petted her, but a half enemy, so he was not surprised when she said this.

However, he was surprised by her clear-cut attitude. It seems that the acting style of his granddaughter has become more simple and rude.

Although he felt unhappy, he was relieved when she said she was willing to intercede for him as much as possible.

Immediately, he achieved his goal and did not continue to struggle too much on this issue.

He directly changed the subject and said: "By the way, Zhiyu, how is your talk going with Takehiko?

This guy has always wanted to cooperate with us before.

We rushed out of Asia and to the world together, but since the incident in Tokyo, it seems that he doesn't have a good image of us anymore."

"Yes." Zhiyu said: "Mr. Ito's attitude has indeed undergone some changes, but his mentality is understandable.

At the moment we are talking pretty well. After all, now is not what it used to be, and I have also lowered my expectations.

In some gestures, I intend to use the entire ocean shipping group to establish a new company with the Ito family.

At that time, the Ito family will hold 51% of the shares and I will hold 49%.

In this way, the fixed assets will be transferred to the new company name, and then the Su family assets will be transferred to the new company.

The cancellation of the ocean shipping group should be able to circumvent the previous restrictions and risks.”

Chengfeng was surprised when he heard this, but he did not feel very resistant.

He didn't expect that she would really be able to reconnect with Ito Takehiko.

Chapter 3014

Although this cooperation sounds a bit uncomfortable to lose controlling rights, it is a special situation now, and if you want to, you must make appropriate sacrifices.

In the long run, assets and business can be reborn from the shell, even at the expense of a part of the profit, and the entire business can be revitalized, so as not to lose more and more.

Thinking of this, he reminded her: “Zhiyu, it's okay to cooperate with the Ito family to establish a new company, but you must keep a backhand and state in the contract that after you buy these assets and resources into shares.

We retain the power to withdraw all, so that once the restrictions on us are lifted, we can also withdraw all these assets and restart Su's own ocean transportation group.”

Charlie listened to the side, and couldn't help but wonder in his heart that this old guy is really good at calculating, and he didn't forget to keep a backhand at this time.

Zhiyu felt in her heart that since she decided to cooperate with Charlie, naturally she couldn't play this kind of mind with her benefactor.

Doing this kind of trick is equivalent to notarizing the dowry before you get married to your husband's house.

In this way, once the marriage breaks up, or if you don't want to spend time with your husband, you will leave with all your dowry.

Although there is no problem in the law, with this premise, the relationship between the couple cannot always be stable, and this behavior will naturally become a gap between the two.

Therefore, she said to Chengfeng: “In this matter, I still intend to show 100% sincerity to cooperate with the other party.

Only in this way can everyone cooperate perfectly without reservation and make the assets bigger and bigger together.

As soon as everyone came up, they kept each other's minds, and this kind of cooperation will certainly not last long.”

Chengfeng said seriously: “Zhiyu, it is not that our family has never engaged in joint ventures with others.

The premise of the joint venture has always been that we have absolute controlling shares.

This is actually very important. We must hold the initiative in our hands. Now that Ito Takehiko wants to take control, then we have to leave a way for ourselves.

Otherwise, if everything is led by others, it would be too passive!”

Zhiyu heard this and said in a serious tone: “This is not the same as yours. If I want to leave a complete divestment right now, the Ito family will definitely make the same request.

If the other party isn’t okay to do it, but if the other party sweeps us out before we solve the problem, what should we do? Not everyone has to do things in our mindset.”

Speaking of this, Zhiyu said again: “In addition, since you have paid me the Ocean Shipping Group as compensation, I also hope that you can abide by your promises and respect my operational decisions.”

Immediately, she changed the conversation and said, “Of course, I will honor my promise to you. After talking with Mr. Ito for a while, I will immediately communicate with Grace and try to persuade him.”

Chengfeng could only say angrily: “Okay! That being the case, I will never interfere with your operational decisions in the future!”

Before hanging up the phone, she reminded:

“By the way, things in the Maldives are easy to do. Or I will go there tomorrow.

It should only take seven hours to fly by. If it is more efficient, it will take one day. The transfer will be completed.”

Chapter 3015

Chengfeng on the other end of the phone rubbed his chest and said dejectedly: “Okay, tomorrow I will let Anson fly to the Maldives too!”

After hanging up the phone, he was relieved, but his expression was still very ugly.

The islands of Maldives, he used it to be polite with her, but he didn’t expect her to accept all orders.

Now she couldn’t wait to complete the transfer, which made him feel very painful.

This is the old-age place he prepared for himself, and its significance is no less than the heavy coffin that the ancient old men prepared for themselves in advance.

The ancients said that the coffin was originally meant to be a set of expensive and heavy before death.

Many old people regard the coffin as more important than life, because after death, they have to sleep in the coffin, which is not the last resort. Give it a hand.

Although modern people don’t think so much about what’s going on after them, they still pay special attention to old-age care.

Everyone wants to be able to take care of themselves when they are old. That’s why so many people are desperately going to the South to buy properties and prepare for the future.

The same is true for Chengfeng. He had painstakingly developed an island in order to enjoy the most luxurious old-age life there in the future.

But right now, he hasn't retired yet, and the island has already been handed over to Zhiyu.

Although distressed, he felt a little relieved when he thought that Zhiyu might be able to help make peace and let him escape for his life without worrying about it.

On the other hand, she was not excited about getting to the island.

For her, she just wanted to make Chengfeng hurt. As for the transfer of the island to herself, she didn't bother to enjoy it.

And she knows very well that her mother is even less likely to go.

Mother herself doesn't catch a cold for these luxurious enjoyments, so at the moment her biggest wish is not to go to some holiday resort to relax.

It is to renovate the old house where Changying lived as soon as possible, and then live in that small courtyard to see things. Thinking of him.

So she said to Charlie: "Mr. Wade, the island in the Maldives was built by my grandfather with great effort.

The environment is indeed very good, but my mother and I are not very interested, or I will borrow flowers to present the Buddha. I will give it to you."

Charlie waved his hand and smiled: "You are not interested, and I am not interested either. For me, where I live, there is actually no essential difference."

Chapter 3016

Zhiyu said against her will: "If you have time, you can also take your wife and family to relax, otherwise the island will be idle."

Charlie smiled and said, "I understand your good intentions. As for going or not, let's talk about it later."

Zhiyu nodded, and said: "Then I will go to the Maldives tomorrow to complete the transfer of ownership.

Then I will complete the establishment of the joint venture company with you."

Charlie said: "Okay, there is no hurry for these two days. After all, there is still a lot of preparatory work.

Looking back, I will ask the person in charge of this business on my side to contact you.

In the future, the two of you will cooperate and operate this together business."

"Okay!" she hurriedly said, "I will let you arrange everything."

...

After talking with Zhiyu, Charlie asked Emi Ito to send her out of Shangri-La, while Charlie himself and Issac went to his office.

Issac answered the phone at this time, then walked to the front, and said:

“Master, the brokerage team at Miss Gu’s side has sent a confirmation letter and has booked 85 rooms in Shangri-La with more than 150 people. They are heck in tomorrow.”

Charlie asked curiously: “Is it the concert? She is coming to Aurous Hill?”

“Yes.” Issac said: “Miss Gu’s concert will be in three days. Her team will come to the venue tomorrow, rehearse the day after tomorrow, and perform the day after tomorrow.”

Charlie nodded and smiled: “Looking for the stars and the moon, I finally looked forward to her, but why didn’t this girl say hello to me?”

Issac smiled and said, “Maybe she wants to give you a surprise.”

Charlie waved his hand: “If she really wants to give me a surprise, she won’t set the hotel in Shangri-La.”

While speaking, he took out his mobile phone and said, “I’ll call her.”

Issac quit the office wittily, and Charlie got through Sara’s phone.

She answered the phone and asked with joy, “Charlie, why call me at this time?”

He smiled and said, “Is there anything wrong with calling you at this time?”

She smiled and said: “Of course there is no problem, but I am a little surprised to receive your call.

You don’t usually take the initiative to call me.”

Charlie said hurriedly, “Isn’t it because I heard Mr. Issac say that your team will come tomorrow? How about you? Will you come tomorrow?”

Chapter 3017

Sara explained: “I won’t go there tomorrow. My team will go over and check and accept the hardware of the venue, including lighting and sound, stage design, and on-site display materials.

The rehearsal will start at noon the day after tomorrow, so I will fly early the day after tomorrow to Aurous Hill.”

Charlie said, “I thought you would come over tomorrow.”

Sara said apologetically: “I’m sorry, Charlie, I won’t be able to make it tomorrow. Tomorrow, here we have a very popular talent show to be recorded and it is in the finals.

I have long been invited to be a special guest and judge for the finals. So I have to go to the recording tomorrow, so I have to trouble you to wait for me for a day.”

Charlie said very understandingly: “It doesn’t matter, work is important, but you must take care of your body and don’t work too hard.”

Sara said: “Don’t worry, Charlie, I will tell you a little secret. I have already decided. I will withdraw from the entertainment circle indefinitely when the concert tour is over.”

Charlie asked puzzledly: "Isn't it a good job? Why do you want to quit?"

"Because it's boring." Sara said seriously: "I entered the entertainment industry to have a chance to find you.

After I found you, naturally there is no reason to stay in this line.

If it weren't for the fact that there are still many fans looking forward to this year I've long wanted to announce my withdrawal from the concert tour.

So this time I plan to officially quit after the concert tour is finished. This is also an explanation to the fans."

Charlie smiled slightly and said softly: "No matter what you want to do, I will support your decision."

Sara said happily, "I know that Charlie loves me the most!"

Then, she hurriedly reminded: "Charlie, I am going to quit the entertainment industry. Please don't disclose it to the outside world.

I plan to announce it at the Aurous Hill concert, OK?"

"Of course." Charlie said seriously: "Don't worry, I must be tight-lipped."

Only then did she relax, and said with a grin: "I have spent a lot of thought on this concert. By that time, you, you must not miss the appointment!"

Charlie said confidently: "Don't worry, even if the sky falls, I won't miss the appointment."

Sara was in a good mood and said softly, "Hee hee, that's good! I hope you can have this unwavering attitude in dealing with our marriage contract!"

Charlie suddenly became ashamed, and hurriedly turned away from the subject and asked, "By the way, how are Uncle and Auntie doing?"

Sara smiled and said: "They are so good that they can't be better.

This time they also said they are coming to Aurous Hill to watch my concert. Come and see you by the way!"

Chapter 3018

Charlie did not expect that Philip and Lenan would also come to Aurous Hill.

After hearing the words, he hurriedly asked: "How did Uncle Gu and Aunt Lenan arrange the itinerary? Do you want me to arrange accommodation in advance?"

Sara smiled and said: "They will arrive on the day of the concert only as they have a lot of things going on Eastcliff's side.

They will come to the concert that day and returned by plane at night."

After speaking, Sara said again: "In fact, my parents are not here to join us in the concert.

After all, the next stage of the concert will be in Eastcliff. They mainly want to see you and celebrate your birthday by the way.”

Charlie heard that Philip and Lenan were both coming to celebrate his birthday. He was moved and felt a little ashamed.

He said in a hurry, “Sara, as a junior, how can I let Uncle and Auntie run so far to celebrate my birthday...”

Sara smiled casually: “Oh, it doesn’t matter. Mom and dad treat you as their own children. What’s more, you saved my dad’s life and the destiny of our family as well.

With this kindness, even if you run away and go to the United States, my parents will definitely rush over to celebrate your birthday!”

After speaking, she said again:

“Charlie, do you remember that when you were young, every time you celebrate your birthday, or when I celebrate my birthday, our two families always took time to celebrate together.

At that time, because Dinner would be eaten at home with a large family, so we all went out to find a place for a meal with a family of six at noon.”

Charlie said confidently: “Of course I remember! Every time I celebrated my birthday, you always surround me to sing a birthday song.

When it would be your birthday, my mother would ask me to sing for you, but I was always embarrassed. ...”

“Yeah!” Sara said with a smile: “You were an introvert back then. You didn’t speak much or play with me. I took the initiative to pester you every time...”

Charlie sighed, It was not because of introversion, but because of embarrassment and awkwardness!

Imagine that a child who is a few years old is not awkward when he is told that he will marry that little girl who is like a worm in the future as his wife.

However, Charlie did not say this, but smiled: “Maybe I was shy when I was too young.”

Sara smiled and said, “Charlie, how about you spend noon with our family this time on your birthday, okay? My parents will be very happy, what do you think?”

Charlie was thinking about the time, and Sara hurriedly added: “Charlie, I know that you will definitely have to stay with your wife at home for dinner on your birthday, so I set the start time of the concert to eight o’clock in the evening...”

“In this way, you can eat at home at six o’clock in the evening, celebrate your birthday with your wife and rest of the family, and then set off to the gym at seven o’clock.”

Chapter 3019

“Since you eat at home at night, you don’t have to eat at noon, right?”

Speaking of this, Sara's voice said imploringly:

"Charlie, my parents came so far, you always have to give them a chance to eat with you and celebrate your birthday!

In addition, I too imagine like when you were a child, when you blow candles and make a wish, sing a birthday song next to you. Would you not like to say good?"

When Charlie heard this, he was moved in his heart and knew that he would definitely not be able to refuse Sara's request.

Therefore, he said without hesitation: "Okay! At noon on the birthday day, I will let Orvel vacate the entire Classical Mansion, then eat there!"

"Great!" Sara cheered, and said excitedly: "Then it's a deal. I'll prepare the birthday cake at that time!"

Charlie smiled and said, "I'll just buy a cake myself, so don't worry about it."

"How do you do that!" Sara hurriedly said, "There is no reason for the big birthday star to buy the cake by himself!

Besides, for you, such a bland person, the cake you choose is definitely not good-looking, or I will order it from Eastcliff first. Ask them to do it early in the morning and then airlift it over."

Charlie said helplessly: "You don't need such a lot of trouble, right?"

Sara said very seriously: "Of course I need to! This is the first time I am celebrating your birthday in nearly 20 years. I must choose the best cake. Even if I have a little regret, I can't forgive myself!"

Charlie had no choice but to say: "Well then, I will leave the cake thing to you."

Sara said again and again: "Hmm! Just leave it to me, Charlie, you don't have to worry about anything!"

"Okay!" Charlie replied, and then asked: "Oh, yes, when will you come the day after tomorrow?"

Sara smiled and asked, "Why are you so clear? Are you going to pick me up at the airport?"

Charlie responded: "If time permits, I can pick you up."

"That's great!" Sara said hurriedly: "You can tell me, when you allow the day after tomorrow, I will fly there at the time you allow!

Anyway, I take my private jet, any time is fine."

After speaking, she hurriedly added: "Oh yes, Charlie, I'm going to the venue for rehearsal at 2 o'clock in the afternoon, so I will get to Aurous Hill at 12 o'clock at the latest. Do you think your morning time is right?"

Charlie thought for a while, and said, "I will send your sister-in-law to the company at 8 o'clock in the morning. Other times should be fine."

Sara muttered: "I don't recognize her as my sister-in-law! I don't recognize anyone as my sister-in-law except myself, I will be my own sister-in-law!"

Charlie was embarrassed and said helplessly: "Let's just talk about business, I can do it any time after nine o'clock."

Chapter 3020

Sara thought for a moment, and then said: "Well then, I will land at around ten o'clock, so that I can go to the hotel to put down my luggage first, is this time okay?"

Charlie said readily: "No problem!"

She said happily: "Charlie, since I have said everything, you must not let me down."

Charlie hurriedly said, "Don't worry, I won't."

Sara smiled and said, "That's good, Charlie, I have something to do now, so I won't tell you, for now, you will wait for me in Aurous Hill!"

"It is good!"

On the other side of the phone, before hanging up, Sara kissed the phone: "Mua! Charlie is the best!"

Charlie shook his head and hung up the phone helplessly.

After that, he called Orvel, the phone was connected, and Orvel on the other end asked, "Master Wade, what do you want?"

Charlie said: "Orvel, at noon on the day has Classical Mansion make many appointments?"

Orvel said without hesitation: "Master Wade, if you want to use it, I will arrange to cancel all appointments immediately."

Charlie said: "This won't make you embarrassed, will it?"

"No." Orvel said with a smile: "Our Classical Mansion does not guarantee that the reservation will be 100% successful.

If the reservation fails due to our reasons, we will compensate a portion of the cash according to our regulations, so I am here. The side has absolute control."

Charlie said: "Okay, then you can help me withdraw all other appointments. I will entertain guests at noon that day."

Orvel said without hesitation: "Okay Master, I will arrange this."

Charlie said again: "For the compensation for the pre-determined customer, you can ask your finances to calculate the total and tell me, I will pay the money."

Orvel hurriedly said, "Master, what are you doing... You gave me this old life. Why are you polite to me if I take your money? Where to put this old face....."

Charlie smiled slightly: "Okay, then I won't be polite to you, you can arrange it."

Orvel smiled and said, "Master, I'm doing errands, don't worry!"

At this moment, Zhiyu has left Shagri-La and came to the old house procured by her mother Liona.
She has contacted a local decoration company and plans to renovate this old house.
