

Chapter 3020– 3021 of A Dish Best Served Cold Novel

Chapter 3020

Snapped

With another palm, Mark stuck it up again.

With Xu Wenqing's screaming, half of his face was beaten crooked by Mark.

“This slap, I'll fight for Xiao Lei, beat you into a faint old man, who believes in slander, forcing Xiao Lei to abdicate!”

Snapped

There was another muffled noise.

With this last palm, Mark directly flew Xu Wenqing away.

The old body dashed across the sky and the earth, and fell to the ground fiercely, vomiting all over the ground with blood with broken teeth.

“With this palm, I will beat you to death or death, repentance, and repeated offenses!!”

“Last time, for the sake of Xiao Lei's face, I saved your life.”

“Unexpectedly, my kindness will get you worse.”

“This time, how can I forgive you again?”

Senran's sound is like a violent wind.

Mark slapped him three times in a row. The soy saucer, the oldest clan veteran of the Xu family, was lying on the ground, bloody and unable to stand up.

As for the rest of the Xu family, they were already scared.

Standing aside, dare not even fart.

Even these Xu families are always like this, let alone Xu Meifeng.

After all, Xu Meifeng is someone who has experienced Mark's majesty.

She had no doubt that if she stood up again at this time, Mark might have killed her.

However, they didn't dare to provoke Mark, but it didn't mean that Mark would let them go.

After Mark stunned Xu Wenqing, he turned to look at the rest of the Xu family, and the majestic anger sounded again.

“And you, a bunch of ignorant people.”

“At the beginning, during the Yanqi Lake battle, your Xu family provoke me.”

“If it weren't for Xiao Lei, I would have already destroyed Xu's house!”

“But you, don't know what to return, don't know how to be grateful, and now you are uniting with outsiders to exclude Xiao Lei.”

“You guys, can you be worthy of Xiaolei's heartfelt heart? You are worthy of Xiaolei's hard work?”

“You only know that Xiao Lei is doing things for me.”

“But how did you know that what Xiao Lei did was also for your entire Xu family!”

“In the past two years, if it weren't for Xiao Lei, could your Xu family have today's prosperity?”

“A group of old and mediocre people, you treat Xiaolei like this, without guilt in your heart?”

The surging sound, the scorching words, only if the thunder rolls by.

Mark asked several questions on his face, and everyone in the Xu family who asked directly was flushed and speechless.

Finally, Mark shouted angrily: “Kneel down to me!”

boom

Enthusiasm swept through, mighty power.

After Mark drank this, everyone felt like the mountain was overwhelming.

Everyone in the Xu family in the hall was so embarrassed that they knelt to the ground.

In front of them, only Mark stood proudly with his hand in his hand, full of prestige.

Looking at the boy at this time, Xu Lei's beautiful eyes were already flushed unconsciously. In my heart, I was moved.

The world is big and there are many people.

However, among the crowds, there is only this young man in front of him who knows her grievances, understands her coldness and warmth, and he is the only one who will stand up for himself when he is wronged.

“Brother Mark, Leier’s greatest fortune in this life is to meet you”

Xu Lei’s beautiful eyes were red, the corners of her mouth were smiling, she looked at the teenager in front of her madly, and whispered in her heart.

“Haha”

“Hahahaha...”

However, at this moment, Wei Luo, who was forced to kneel, suddenly smiled.

The laughter was crazy, with endless resentment and aura. ,

Mark frowned suddenly and looked at him: “What are you laughing at?”

“Haha”

“I laughed at you and you’re going to die.”

“Just now, I already asked my family for help through my mobile phone.”

“Soon, my people will arrive!”

“At that time, it will be the death date of your son”

Wei Luo endured the pain, grinning coldly, full of grandeur and wanton.

Wei Luo is the prince of the Wei family, so he naturally has an emergency call for help in case of accidents.

This time, it undoubtedly came in handy.

Now, if he wants to deal with Mark, he can only rely on the power of his family.

Chapter 3021

“is it?”

Facing Wei Luo’s threat, Mark sneered.

“Well, if that’s the case, then I’m Mark waiting here today.”

“I want to see, the so-called family in your mouth, the so-called Zhonghai giants, what on earth do you use to keep me dead?”

The sonorous words and the heroic voice, like a stone falling to the ground, trembled the entire hall.

After speaking, Mark sat on the commode.

Seeing that, I was really ready to face the Zhonghai Wei family head-on.

“Great”

“This is what you said.”

“Before my people came, if you ran away, you were not a man.”

Wei Luo deliberately agitated Mark.

Originally, he was worried that Mark would take the opportunity to flee before his clan members arrived.

But now, Mark’s words are undoubtedly what Wei Luo wanted.

But Xu Lei and the others couldn’t help but start to get a little worried, and immediately persuaded Mark in a low voice: “Brother Mark, don’t be fooled by him.”

“He deliberately aroused you.”

“If Wei Luo really asks the family for help, then the Wei family must be prepared.”

“And we are not ready yet. If we confront the Wei family head-on now, we are afraid that we will suffer.”

“Brother Mark, I think we’d better avoid the edge for the time being, and consider the long-term plan.”

“The Wei family is not an ordinary family, the Lu family and the Xu family before, dare not provoke them.”

It is precisely because of the knowledge of the Wei family that Xu Lei is so jealous and worried.

She is really scared, afraid that today’s things will be overwhelming.

Xu Lei had no doubt that once Mark really faced the Wei family.

By then, it is bound to set off a huge storm in the land of hot summer.

This situation is undoubtedly something Xu Lei doesn’t want to see.

He didn’t want her brother Mark to start quarrels and fights with others.

Because where there are disputes, people will be injured and people will fall.

Despite all these years, Mark has always been the one standing amidst the countless disputes.

However, Xu Lei was also very scared, so afraid that one day her brother Mark would fall.

Because of this, Xu Lei has always tried his best to avoid conflicts with powerful forces.

However, good luck makes people mischievous, and things are often unsatisfactory.

Xu Lei’s most worried thing happened after all.

“Xiao Lei, you don’t have to worry.”

“Only the Wei family is nothing more than ants in my eyes.”

“After today, I will let everyone know, my sister of Mark, don’t be deceived!”

boom

The sound is like muffled thunder, bringing endless power to sweep across.

For a time, there was a gust of wind blowing in the entire hall.

Mark’s domineering, Mark’s boldness, and Mark’s majesty are all condensed in these words, shaking people’s hearts.

“Ah”

“Who can’t speak big words?”

“Also ants?”

“Does everyone know?”

“I can go to Nima!”

“You will soon know how naive and ridiculous your words are in front of my Wei family?”

Wei Luo just couldn’t understand Mark’s pretense.

Even though he was forced to kneel now, he still gritted his teeth and cursed Mark.

Apart from anything else, Wei Luo’s spine alone is not a shame to his Wei family.

But when Wei Luo and Mark were tit-for-tat, everyone else in the hall was silent.

For a time, the entire Xujia Manor was shrouded in a solemn and depressing atmosphere.

It seems that in the future, the wind is full of wind!

Both Xu Wenqing and Xu Meifeng and the others were staring at the young man who was sitting peacefully with a surprised look at this time.

They are really curious, this young man named Mark from the countryside is really not afraid of it?

Wei Luo said, the members of the Wei family are already on their way.

But Mark was still so calm and calm.

Is he serious, and doesn’t leave it to himself?

Are you confident?

Or pretend to be able?

This is a problem.
