

Chapter 3021

She is also looking forward to moving in for a few days after the renovation is completed as soon as possible, so she is very concerned about this matter.

When Zhiyu arrived in front of the old house, Liona was in the yard, happily telling a designer about her renovation plan.

Zhiyu separated the fence door, and saw her mother look happy, and she felt very relieved in her heart.

She knew that now, her mother really wanted to live for herself.

It's not just mom.

She felt that from now on, she should also live for herself, no longer suffer any fetters from the Su family, and strive to live the way she hopes.

Liona was explaining the design direction she wanted to the designer, and suddenly caught a glimpse of her daughter standing at the gate of the courtyard.

In a surprise, she hurriedly waved at her and said, "Zhiyu, come here!"

Zhiyu smiled and opened the door and asked Liona: "Mom, have you thought about how to decorate it?"

Liona nodded, pointed to the young female designer next to her, and said happily: "I have almost communicated with Kelly. The decoration idea is mainly nostalgic. Mom still hopes to have a sense of time."

Zhiyu said with a smile: "Then use modern materials and techniques to construct in the style of twenty years ago.

Now the materials and techniques have been greatly improved, so that quality, environmental protection, and comfort can also be ensured. Include these."

The female designer on the side nodded repeatedly and said: "You are right, our general idea now is to use modern materials and craftsmanship to make nostalgic and retro styles, and then try to make this old house more comfortable and livable."

After speaking, the female designer said again: "By the way, Auntie, your specific design plan has to wait for our boss to produce a set of detailed design drawings, especially some functional parts, so we have to let our boss think about it.

The way to do concealment works, you want this retro style, so self-heating, central air-conditioning, fresh air system, and wireless network, we have to make it as concealed as possible, otherwise, it will appear very abrupt."

Liona smiled and said: "By the way, Kelly, your boss told me about it that day, saying that you can replace the current wooden beams with metal structures and then paint them with wood. This way, it looks like wood.

There is no difference between the house beams, and the metal structure can also be used to exit the air ducts, and then make the air outlets the same color as the house beams.

As for the fresh air system, the ground air supply is used, and the air outlets are hidden in the skirting. I think this plan is very reliable.

Please tell your boss and help me refine the specific plan. It is best to make a rendering for me.”

The female designer said without hesitation: “Okay Auntie, I will tell our boss when I go back, and try to make these projects concealed.”

After speaking, she asked again: “By the way, Auntie, are you really not going to harden the ground of the yard? Now, this kind of muddy ground is very difficult to take care of when it rains.”

Liona waved her hand: “Except for the path in and out, I still don’t want to harden it. When the spring starts, I will sprinkle some grass seeds. When the lawn grows, it must be very beautiful.”

Chapter 3022

After that, she asked again: “By the way, Kelly, are you a native of Aurous Hill?”

The other party nodded and said, “Yes, Auntie, my home is only a few kilometers away.”

Liona pointed to the wall of the house and the withered creeper on the fence of the courtyard, and asked:

“Do you think these creepers can grow in spring? This house has been idle for a long time. I really don’t know about these creepers whether the roots are dead or alive.”

The female designer smiled and said: “Auntie, this one is very vigorous in our province.

Regardless of the cold weather, it seems to be a dead branch and rotten leaves, but new buds will grow in the spring. When the time comes, the front wall can be fully covered. This kind of old red brick house with a green wall creeper is very beautiful!”

After a pause, the female designer said again: “Moreover, if there is a wall-climbing plant, the effect of heat insulation and sun protection is particularly good. In summer, the temperature in the house can drop a few degrees.”

At this time, Liona seemed to have seen the lush look of the wall-mounted creeper, and said with excitement,

“That’s great! By then, the grass in the yard will also be a large piece of green, matched with the red brick walls in the yard. Marble path and the wall of plants all over the wall, think about it, you know it must be very beautiful!”

The female designer nodded and said, “The bluestone road in your yard will grow moss after the rain in summer. That way, it will be more beautiful, but you must be careful when you walk and be careful of not slipping.”

After speaking, the female designer checked the time and said: "Auntie, I know all your needs. Otherwise, I will go back and communicate with our boss first, and give you the design plan as soon as possible. Strive to allow you to live in in the summer."

"No problem." Liona said with a smile: "That's really hard work, Kelly. If you have any progress, please call me at any time."

"Okay." The female designer nodded and said: "Then I will leave first."

"I will see you off!"

Liona sent the female designer to the door, and then turned back.

Seeing that Zhiyu was looking at the yard with a look of longing, she couldn't help asking: "Zhiyu, what are you looking at?"

Zhiyu couldn't hide her yearning and said, "Mom, you can also leave a room for me when the time comes. I want to live here with you too!"

Liona smiled and said, "It's okay to stay in the room, but don't forget, Harvard Business School will open in August. Didn't you plan to leave in May before?"

Zhiyu's expression suddenly hesitated.

She hesitated and struggled for a while, then gathered up the courage and said seriously: "Mom, I have already considered carefully and don't plan to go to Harvard."

Liona didn't seem surprised by her decision, and asked calmly, "Did you think about it?"

"Thought clearly!" Zhiyu nodded and said firmly: "I went to meet with Grace today and have decided to cooperate with him in the ocean transportation business.

Then I will package and integrate the entire ocean transportation group. Hold 49% of the shares and be the second shareholder."

Liona slightly nodded and said, "Charlie's character and ability can be trusted. You can give him all the resources in your hands to operate, and you can finish your studies."

Zhiyu shook her head and said: "My benevolence is also just beginning to work in this field.

It is when there is a shortage of people. If I go to school at this time, I wouldn't be able to help him? So I still want to stay and follow The person in charge over there worked together to manage this business well."

Liona looked at her daughter, smiled knowingly, and said, "After all this, you actually want to stay because of Charlie?"

Zhiyu didn't expect that after she had packed so much and explained so much, she would still be seen through by her mother.

So, she didn't hide it anymore, and nodded gently.

Liona sighed, touched her hand, and said seriously: “Mom has tasted regrets and unwillingness, so no matter whether the result is good or bad, now that you have decided, just let it go! Anyway, mom will support you!”

Chapter 3023

Zhiyu was in a good mood when she heard her mother’s words.

She took her arm and said with excitement:

“Mom, Grace called grandpa in front of me today and said on the phone that he was going to find him to settling the accounts, scared him out of look...”

“Really?” Liona couldn’t help asking: “Charlie is really going to find your grandfather to settle the accounts?”

“That’s not true.” Zhiyu explained:

“Grace thinks that going to grandpa to settle the accounts now will not do him any practical benefit.

Instead, it will save my uncles, aunts, and the Wade family members.”

“Yes.” Liona said in agreement: “So many people in the Su family are looking forward to your grandfather’s accident more than Charlie.

If Charlie really does anything to him, the other Su family members will wake up with laughter if they are dreaming.”

Zhiyu smiled and said, “So Grace said that he just will give a fake shot, scare grandpa, and then asked him to ask me for help.

He just hung up the phone, and grandpa called me. It was really unexpected. His things are like gods.”

Liona nodded, and laughed softly: “In fact, this is not as expected, it is Charlie that blocked the other roads, leaving him only your exit.

It is like a barrier lake, wherever you leave a hole, the water will naturally flow there.”

After that, Liona said again: “Charlie is helping you again. Your grandfather is so threatened by him.

I am afraid that he can only ask you to help save his life, and he will not dare to think badly about you in the future.”

“Yes.” Zhiyu said with a smile: “Moreover, in order to flatter me, he also offered to give me the island of the Maldives, the one he kept for his retirement.”

“Huh!” Liona said in surprise: “That’s really good for him, don’t you really want it?”

Zhiyu said seriously: “He wants to give it to me, of course, I have to, I have told him that I will fly to the Maldives tomorrow.

Anson will transfer the property rights to me in the Maldives.”

Liona couldn't help sighing: "You want the island to be useless. It's better to leave it to him for retirement."

The older you are, the more you value the place for retirement. This is not a simple matter of investing more than two billion yuan.

My dear, it was his thought. I guess he was polite to you, but he wouldn't have expected you to really want it."

Chapter 3024

Zhiyu snorted and said with a bit of anger, "Then I don't care, I will take it if he gives it to me, so I don't care if he is sincere or not."

"You kid..." Liona sighed and said seriously: "You have to be forgiving, not to mention that he is your grandfather after all."

Zhiyu shook her head and said, "I am not as generous as you. I can at best hold him accountable for what he did, but I will never forgive him."

Liona shook her head helplessly, and asked her: "You want the island to be of no practical use. Even if you go on vacation, it will be over for ten days a year."

Zhiyu said: "I don't want to go for a day, so let's keep it, what's the use in the future?"

"Okay." Liona smiled and joked: "Or it can be reserved for your future dowry, or it can be used as a wedding venue by the way.

Many celebrities and wealthy people are known to go to the Maldives to rent an island for the wedding?"

Zhiyu blushed, and replied shyly: "I don't know what year and month it is. Anyway, I want this island.

Even if I don't use it, I'm happy to leave it there."

"OK, OK." Liona nodded and said: "You have decided, Mom will not interfere."

Zhiyu smiled sweetly and asked her: "Mom, then you will go to the Maldives with me tomorrow? Let's fly there early in the morning and we will be there in seven or eight hours.

It is estimated that the formalities will take up to two hours, and then fly back. In this way, we can arrive at night."

After that, Zhiyu said again: "And we don't take civil aviation, just arrange a business jet to sleep all the way."

Liona smiled slightly and said, "I won't go anywhere. I don't want to meet the Su family. Even Anson I don't want to see him. Would you like your brother to accompany you?"

"My brother?" Zhiyu curled her lips: "I am not looking for him. If you don't want to go, I will go by myself."

"What's wrong?" Liona asked curiously: "A conflict with your brother?"

Zhiyu hesitated for a moment and shook her head.

She didn't want to tell her mother that her brother had already completely fallen to grandpa.

After all, this was only her own speculation, and everyone had their own ambitions. It was understandable that her brother had fallen to grandpa.

So, she explained: "Sara's concert will start in a few days. Brother is busy these two days."

Chapter 3025

Liona nodded slightly, and said, "Your brother seems to have a real feeling for Sara."

"Yes." Zhiyu said: "He has liked her for a long time, and he has been looking for opportunities to close his relationship and take the opportunity to confess."

Liona sighed and said, "The girl from the Gu family is really good, but..."

Zhiyu asked curiously: "But what?"

Liona paused and said with emotion: "It's just that the Gu family and the Su family have not dealt with each other.

I think it is impossible for Mr. Philip to let his daughter marry the Su family."

Zhiyu said: "If my elder brother is in love with her, and the two are happy, then Uncle Gu should not be able to stop it?"

After all, freedom of love and freedom of marriage are now advocated."

Liona smiled bitterly: "The girl from the Gu family probably won't like your brother."

Zhiyu asked puzzledly: "Mom, in your eyes, is my brother's competitiveness so poor?"

Liona explained: "It's not that your brother's competitiveness is poor, but that Charlie's competitiveness is too strong."

"Charlie?!" Zhiyu asked in surprise: "What does this have to do with him?"

Liona said: "Charlie and Sara had a long-term marriage contract. Before Charlie had gone missing for so long, the Gu family did not give up looking for him.

Now it has been confirmed that he is still alive and is still so good. How could Gu family let go? ?"

Zhiyu couldn't help but blurt out: "But Grace has been married a long time ago! Don't the Gu family know?"

Liona looked at her and asked helplessly: "You also know that Charlie is married, but are you willing to let it go?"

Zhiyu was speechless.

Liona continued: "Look, you are the daughter of Charlie's enemy. Speaking of it, there is a natural gap between you and Charlie, but even so, you are unwilling to let go.

Gu's family and Charlie's parents are family friends. He has a marriage contract and already has such a close foundation, it is even more impossible for others to let go."

Zhiyu was silent for a moment, and suddenly exclaimed: "I understand! I finally understand!"

Liona asked curiously: "What do you understand?"

Zhiyu said with a face full of enlightenment: "I finally understand why Sara is such a big star, the first concert of this year's tour is scheduled to be in the second-tier city of Aurous Hill!"

"Before my brother and I were very surprised. According to common sense, she must first start in a few first-tier cities and then go to second-tier cities when a big star like her is on tour!"

"Moreover, she is a native of Eastcliff. It is the best choice to start her first concert directly at the biggest Olympic venue in front of her house. There is absolutely no reason to stay close, zoom in, and run thousands of kilometers to open the first concert in Aurous Hill..."

"The reason why she chose to come to this city must be because of Charlie!"

Chapter 3026

Liona heard this and said thoughtfully:

"According to your analysis, it is estimated that ninety-nine percent of the chance is that this girl from the Gu family is in Aurous Hill only for Charlie."

Zhiyu suddenly felt panic.

"I originally thought that my benefactor's wife was my biggest competitor, but I didn't expect that there would be Sara who is popular all over the world..."

"Moreover, Sara's advantage is much greater than mine..."

"What's more, the Gu family and the Wade family are family friends. Sara and Charlie have long been engaged. In comparison, I really have no advantage at all..."

Seeing Zhiyu's expression lost, Liona uttered comforting words: "Zhiyu, don't think too much in your heart.

Feelings are not measured by their advantages. Some people may not win with a good hand, but there are people who have a bad hand who can win to the end."

Zhiyu nodded gently.

She also expected that a man like Charlie would be very popular with women, so after thinking about it, she didn't think Sara was really a big problem.

At this time, Liona on the side remembered something and asked her: "Zhiyu, when is the concert of the girl from the Gu family?"

Zhiyu said: "The day after tomorrow."

Liona thought for a while and blurted out: "The day after tomorrow is the second month of the lunar calendar, right?"

Zhiyu shook her head: "I don't know, I don't usually remember the lunar calendar."

Liona took out her mobile phone to check it out, and said with certainty: "Yes, Charlie was born in February, no wonder she chose this day to hold a concert in Aurous Hill."

Zhiyu asked in surprise: "Mom, is there anything special about the second month of the lunar calendar?"

Liona said earnestly: "Charlie's birthday is in the second month of the second lunar calendar."

Zhiyu was even more puzzled: "Mom, how did you know Grace's birthday?"

Liona smiled bitterly and said: "When you really love someone, you will unconsciously pay attention to everything about him, and even all the information related to him."

I have loved Changing for so many years, how could I not know his son's birthday."

Zhiyu saw her mother's expression with a little bit of sorrow, and hurriedly embraced her gently, and said with a smile:

"Mom, it is an honor for Uncle Wade to have a woman like you who loves him so much."

Liona smiled and said, "Stop talking about this, Mom will show you in and see which room you like."

Zhiyu smiled and said, "I want the room that my benefactor lived in!"

...

Chapter 3027

At this moment, Shangri-La.

After Charlie saw off Zhiyu and talked with Sara on the phone, he did not leave in a hurry.

Instead, out of politeness, he called went to Takehiko back and met him.

Zhiyu came to see him this time. After all, she came here under the name of seeing Takehiko, and she worked hard to pick up and drop off Ito Emi all the way, so her size is also a personal affection.

Sitting in a wheelchair, Ito Emi pushed him back to the presidential suite he reserved.

When he saw Charlie, he smiled and said, "Mr. Wade, how are you doing these days?"

Seeing that he looked good, Charlie smiled slightly: "Excuse me, Mr. Ito, I've been pretty good lately."

After speaking, he saw Koichi Tanaka sitting in another wheelchair behind Takehiko, and smiled and said to him: "Mr. Tanaka, long time no see."

As Ito's most loyal and trustworthy subordinate, Tanaka is still Ito's confidant even though his legs have been amputated.

Ito is grateful for his life-saving grace, so even if Tanaka is disabled, he still has to come.

Wherever he goes, it feels like a master and servant have become brothers for many years.

When Koichi saw Charlie take the initiative to greet him, he was flattered and said:

“Hello, Mr. Wade! It’s been a long time, I didn’t expect you to remember me...”

Charlie smiled and said: “My memory is not so bad, how can I not remember you.”

After speaking, he asked Takehiko again: “I don’t know how the two of you have been in China for the past few days?”

“Very good!” Takehiko Ito said earnestly: “Tanaka and I, according to Chinese’s terms, are physically disabled.

These days we have been participating in various sports everywhere, playing golf, bowling, and going to the swimming pool when we are okay.

Swimming, the doctor said that in our situation, we exercise more.

Not only can we improve our physical fitness, but more importantly, it can speed up the running-in with the prosthesis.”

Koichi Tanaka also nodded again and again: “The doctor said that if the physical fitness is good enough and the prosthesis is also well run-in, it will soon be possible to walk with the prosthesis.”

Charlie nodded and said with a smile: “The mentality of the two is really admirable.”

“Where?” Ito said with a humble smile:

“If it weren’t for Mr. Wade’s magic medicine, we wouldn’t be able to return to where we are today.

I’m afraid we would have been filled with tubes long ago, waiting to die in the intensive care unit of the hospital.”

Speaking of this, he couldn’t help sighing: “I can live to this day thanks to Mr. Wade and Tanaka.”

Immediately, he looked at Koichi Tanaka and said seriously:

“Tanaka, if you hadn’t pushed me off the bridge that day, I would have been in a different place! Thanks to you for saving my life!”

Koichi Tanaka said with a red eye: “My President! It is my job to be loyal to you. It is already great malfeasance to fail to protect you on that day.

How can I afford to say that...”

Chapter 3028

After speaking, he choked up again:

“I have become a useless person. Not only did you not dislike it, but you also spent a lot of money to treat me and help me recover. This kindness is unforgettable for me!”

Takehiko sighed softly and said: "You and I broke through the ghost gate together. At this time, I naturally can't leave you behind."

Speaking of this, he looked at Charlie and said with emotion:

"Mr. Wade, since Tanaka has been amputated, he has been in a depressed mood, and his fiancée has also abandoned him.

He once wanted to give up on himself, and asked Mr. Wade to help him enlighten and enlighten him...

You are the person Tanaka admires most. You speak more usefully than me."

Koichi Tanaka hurriedly said: "President, you are the person I respect the most.

If you say, I have always regarded it as a standard and dare not disobey, but that change has changed my life a little bit.

Give me a little more time and I will definitely be able to move from it."

Charlie smiled slightly at this time and said, "Tanaka, your future life is still very long.

You must settle down, recover well, and wait for the miracle to happen."

Koichi Tanaka knew in his heart that he could not encounter any miracles.

His greatest hope is that in the future, medical science will be developed and there will be greater breakthroughs in the research and development of prostheses.

This will at least make up for the inconvenience in life.

As for the lack of two legs, it is impossible to make up for it in this life.

However, Charlie looked at Ito at this time, with a deep smile on his face: "Mr. Ito, you have to cheer up, and the miracle will eventually come."

Takehiko's heart sighed, his whole body looked at Charlie like an electric shock, and he blurted out, "Mr. Wade, do you... do you have a way?!"

Charlie smiled: "Although it is still unclear at the moment, there will be a chance in the future!"

In the records of "Nine Profound Heavenly Scriptures", there is a kind of pill that can regenerate broken limbs.

But the level of this pill is much higher than the rejuvenation pill, and even better than the pill of cultivation that he will refine next, it's much much higher.

In the past, Charlie felt that he basically had no chance to refine this high-level pill, because whether it was the medicinal materials required for the pill or the aura needed to refine it, he was afraid that he could not handle it.

The higher the level of pill, the greater the consumption of spiritual energy.

He has used up a lot of spiritual energy before, and he has not been able to make up for it.

However, since the last time he accidentally obtained the fossil of old Ambergris, it has given him great confidence.

As long as he uses the Ambergris fossils to refine the pill, his aura can be fully supplemented or even improved.

In that case, he can not only improve his strength by a lot, but he can also try a higher-level pill.

Maybe, the pill for rebirth from severed limbs can be refined.

If that is the case, not only would it be possible to heal Takehiko and Tanaka Koichi, but also Ruoli's mother, Roma.

Chapter 3029

Charlie said that there must be a chance in the future, which made Takehiko excited.

Although he knows that the modern medicine is already very advanced, it is impossible to achieve rebirth from a severed limb.

Moreover, modern technology is still unable to break through 100% cell recovery at all.

This is why the wound will grow scars and cannot grow back to the way it was before the injury.

A lightly cut is made on the wrist, and the healing scar will linger for a lifetime. How can the amputated legs grow back?

Not to mention that the legs grow out, just after the amputation of the legs, the two big scars at the base of the thighs cannot make them consistent with the skin of other parts of the body.

Every night after taking off the prosthesis, Ito looked at the two huge crimson scars at the roots of his thighs, and he felt extremely disgusted and sick.

But he knows very well that this is already the ceiling of modern medicine.

Even if he searches for famous doctors all over the world, they cannot make his condition better.

Therefore, if anyone dared to say in front of him that he could regenerate a severed limb, he would be scolded.

However, only Charlie was different.

These words came out of Charlie's mouth, even if he only said that there is a chance in the future, Takehiko also feels that this thing will definitely come true!

So, how could he not be excited?

At this moment he looked at Charlie, his eyes were full of tears, and he tremblingly said:

"Mr. Wade, if you really have a way to make me recover as before, I would like to be a cow and a horse for you throughout this life, and you will be the only one I will be looking forward to!"

Charlie smiled slightly: "I will naturally do my best. After all, the 4.5 billion US dollars is not for nothing, but Mr. Ito just don't blame me."

After listening to it, Ito laughed loudly and said: "I was still resenting Mr. Wade because of the 4.5 billion U.S. dollars, but now it seems that the money is really worth it!"

Chapter 3030

Frankly speaking, Ito Takehiko has always been worried about the 4.5 billion US dollars.

He had a deep resentment before, and when Charlie came back to save him, and his daughter made it clear that he fell in love with this guy, Takehiko's mentality really eased a lot.

But this is the same as when he accepts the amputation of his legs. Although he did his best to accept it, whenever he thinks about it, it is the same as seeing the scar on the leg amputation, and he is uncomfortable.

Now when he heard that Charlie might be able to restore him to a condition same as before, he was completely relieved of the 4.5 billion US dollars.

Koichi Tanaka on the side also had a strong yearning deep in his heart.

However, he felt a little inferior in his heart, and he felt that such a good thing, if it was true, he was afraid that it would not be his turn.

On the contrary, Takehiko kept thinking about his heartfelt subordinate, and asked Charlie: "Mr. Wade, if you really have a solution in the future, can you give Tanaka a chance? If you need money, I will come out!"

When Tanaka heard this, tears burst into his eyes, his hands clinging to the corners of his clothes, his nose already began to violently move involuntarily.

Charlie glanced at Tanaka and said with a smile: "Don't worry, you two, if the time is right, I will let both of you stand up again."

Takehiko breathed a sigh of relief immediately, but Koichi Tanaka, who could no longer control his emotions, cried silently, covering his face.

At this moment, the door was pushed open, and Nanako, dressed in casual clothes, swiped the card and walked in.

She came to the living room and was about to call her father, but suddenly saw Charlie sitting on the sofa in the living room at this time, and suddenly blurted out in surprise: "Master! Why are you here?"

Seeing Nanako walk in, Charlie said with a smile, "I am here to see Mr. Ito, and let him do me a favor by the way."

Nanako Ito asked hurriedly, "How is the matter with Master resolved? Do you need my help?"

Charlie smiled and said: "It has been resolved, and I am recounting the old with Mr. Ito."

Takehiko hurriedly waved to his daughter, and said excitedly: "Nanako, Mr. Wade just told me that in the future he might have the opportunity to restore my legs!"

“Really?!” Nanako’s eyes widened, she looked at Charlie in shock and excitement, and blurted out, “Master, do you really have a way to restore Father to the original?”

Charlie smiled and said: “There must be a chance, but the timing is not yet ripe.”
