

Chapter 3034– 3035 of A Dish Best Served Cold Novel

Chapter 3034

“No matter how good you are, you are only alone.”

“And my brother Luo, there is the whole family behind!”

“How can you contend with the weight of a century-old giant?”

“You, and the bitch woman Xu Lei you raised, are all waiting to die?” Xu Meifeng’s eyes were full of wanton looks, and then ran forward with Wei Luo to greet the Wei family.

In that way, it seems to be welcoming, the teacher of King Qin.

“Master, what should I do?”

“This is really a big deal.”

“Looking at this posture, the Wei family is afraid that they have come out in full force.”

When Wei Luo was full of joy, the elders of the Xu family were not calm and asked Xu Wenqing in a panic.

Xu Wenqing’s old face is also white and terribly white, but now the Xu family has no owner, he still has to make decisions about this kind of thing.

Finally, Xu Wenqing gritted his teeth and said in a deep voice: “Go, we will also go over to meet him.”

“Remember, if the Wei family asks for a while, they will put all the blame on Xu Lei’s wicked girl and the lunatic.”

“Meifeng is Wei Luo’s woman. If she helps us speak, I think Wei’s family won’t embarrass us.”

What the Xu family fears most now is being implicated.

Therefore, for the present plan, all they can do is to put the Xu family out of this incident.

In this way, before the helicopters had time to land, the entire Xu family went out to meet them in a torrent.

For a time, only Mark remained in the hall, staying where they were.

However, Xu Lei was obviously frightened at this time.

Since childhood, it was the first time he saw such a huge battle.

Especially these planes, like a torrent of steel, the visual impact is huge.

“Brother Mark, while there is still time, you go quickly~”

“I’ll hold them here.”

“I have had several bonds with the Xu family, they won’t treat me like anything~”

Xu Lei urged again.

“Yu Yan, what are you doing in a daze?”

“Quickly persuade your cousin.”

Xu Lei took Denren Ye to persuade her.

This time, even Denren Ye was a little shaken.

A dozen helicopters can be dispatched at one time, and it can also go straight to the land of Gritsberg.

From this alone, it is enough to see the tremendous energy of the Wei family in the hot summer.

Although Denren Ye knew Mark’s abilities, she didn’t know the Wei family.

She also began to be a little worried, would this Wei family be a hidden martial arts giant in the summer?

Just like the Mo family, there are inextricable connections with the Martial God Temple.

It was under this worry that Denren Ye also began to persuade Mark.

“Instructor Chu, Miss Xu is right.”

“Now that we don’t understand the enemy and the situation is unclear, it’s better not to be tit-for-tat.”

“For the time being to avoid the edge, consider the long-term plan.”

“Furthermore, before coming here, the Martial God Temple also asked you not to cause trouble anymore.”

“Otherwise, we won’t be able to explain it to the Martial God Temple.”

Denren Ye persuaded bitterly.

However, in the face of Xu Lei and others’ persuasion, Mark remained unmoved.

He was straight and sneered.

A pair of cold eyes looked at the sky ahead.

In the next moment, his red lips lightly opened, and his indifferent voice sounded quietly:
“Drive the plane to deal with me, this Wei family also lifts me up.”

The faint laughter made people unable to hear the slightest mood swing.

And ahead, the plane is already hovering.

Several figures also jumped off the plane one after another.

Among them, the leader is surprisingly the head of the Wei family, Wei Chen.

“Father~”

“You are finally here.”

“If you come one step later, you won’t see your son anymore.”

When Wei Luo saw his father, it was like a man who fell into the water grabbing the last straw.

He rushed over desperately, hugged his father’s leg, and cried with his nose and tears.

Chapter 3035

Said to rush over, but Wei Luo actually crawled over.

For the previous offense, he had already been kicked and broken his legs by Mark, even if he wanted to stand, he couldn’t stand up at all.

There was even blood on the legs at this time.

When Wei Luo was crying, Xu Meifeng limped over and said, "Uncle Wei, you are finally here."

"Brother Luo and I have been waiting for you."

"Look at Brother Luo, what he has been beaten like."

"Please give us revenge~"

"We must let those who hurt Luo Ge have no place to die."

Xu Meifeng's eyes were red, and she said sadly.

However, in the face of what Xu Meifeng said, Wei Chen, Wei Guang and other members of the Wei family did not speak, just glanced at them, and there was no joy or sadness above them.

The appearance of Wei Chen and others scared the Xu family.

Sometimes, silent anger is often more frightening.

In fear, Xu Wenqing led the Xu family and hurried over.

"This, it should be Wei Chen, Patriarch Wei."

"Old Xu Wenqing is considered to be the highest in the Xu family."

"Master Luo suffered such a hardship in my Xu family. It's because our Xu family didn't take care of it well. Please forgive me, Master Wei."

"However, Xu Wenqing swears that today's matter has nothing to do with our Xu family."

"They are both Mark and Xu Lei's two reckless fanatics, who offended Master Luo, and spoke rudely to the Wei family.

"Although Xu Lei used to be the head of my Xu family, today, we have expelled her from Xu's family."

"So, what she did has nothing to do with our Xu family."

Before Wei Chen and the Wei family said anything, Xu Wenqing had already picked up the relationship between the Xu family and Xu Lei.

However, Wei Chen and others have not spoken.

On the weather-beaten old face, there was a dignified and silent color.

At the same time, with a plane hovering.

The people on the plane stepped off.

“Ok?”

“Grandpa Second, Grandpa Third?”

“Why are you here too?”

.....

“And cousin, you guys...”

As a familiar person appeared one after another, Wei Luo found out how big the battle his father had brought this time.

In addition to his uncles, even the elders of the family came.

It can be said that all the high-ranking members of the Wei family have arrived.

Looking from a distance, there are actually more people in the Xu family.

“This...what’s the situation?”

“Is the Wei family moved here?”

Looking at the figures in this courtyard, Xu Wenqing was dumbfounded at that time.

I don’t know, I thought that the manor in front of me was not from the Xu family, but from the Wei family.

“Master, you are always confused.”

“The Wei family has sent so many people here, it is obvious that we attach great importance to Wei Luo, the prince of the Wei family.”

“I guess that the Wei family’s all-out effort this time, apart from eradicating Mark’s revenge for Wei Luo, the other purpose is to establish prestige.”

“Li Wei in Gritsberg!”

“Think about it, if the Wei family stepped on Mark, the king of Gritsberg, with thunder.”

“From then on, the enemy of Gritsberg, the forces from all walks of life, who still refuses to accept the Wei family?”

When Xu Wenqing was puzzled, there was someone next to him to help analyze.

After Xu Wenqing heard it, he nodded in agreement.

“Well, it makes sense.”

“It seems that this stinky kid really won’t survive this time.” Xu Wenqing whispered secretly, but his tone was a bit of schadenfreude.

In fact, not only the Xu family, but Wei Luo himself could not help but be surprised when he saw such a big scene in front of him.

You know, in the family, Wei Luo’s support rate is not high.

Even his father is often dissatisfied with himself.

There are some uncles who can’t understand him even more.

Unexpectedly, this time I was in danger, and all the tribesmen arrived.

Wei Luo’s heart was warm, and the whole person was moved to cry.
