

Chapter 3038– 3039 of A Dish Best Served Cold Novel

Chapter 3038

“No, this is impossible~”

“Mark is just a hillbilly, a rascal from a humble background.”

“No identity, no background, only a little achievement with brute force.”

“Why can he make my Wei family apologize and bow down?”

“Dad, second uncle~”

“Get up, get up all of you.”

“Why did you kneel at him, why did you apologize at him, you should kill him~”

“He should die~”

Wei Luo had a magnificent face, and his whole body was almost split, yelling unwillingly at his father and others.

However, just after Wei Luo’s words were yelled, Wei Chen couldn’t help it anymore.

He stood up, walked over and kicked Wei Luo to the ground. Remember the URL <http://m.kanshu8.net>

“You bastard, don’t you shut up for me?”

“Do you still think it is not big enough?”

“You really want to kill all of my Wei family members, are you willing?”

Wei Chen was angry and angry, wishing to kick the unsatisfied son in front of him to death.

It’s all up to now, my own asshole son can’t see the situation clearly, and he still speaks wildly to offend Mark.

He is too slow to die!

“Don’t kneel down and apologize to Mr. Chu?”

Wei Chen kicked again, and this time kicked Wei Luo directly in front of Mark.

But what is surprising is that this Wei Luo really has a bit of spine.

Even though it has been defeated, he still gritted his teeth and stubbornly growled:
“No~”

“I’m not convinced!”

“Why?”

“Why should I kneel on him?”

“I, Wei Luo, came from a wealthy family. I graduated from the world’s top prestigious school. I got a PhD degree at the age of 20. I have a good appearance, an extraordinary appearance, and good connections.”

“But what about him?”

“But from the country, he is humble and contemptuous. It doesn’t necessarily matter if you haven’t read college.”

“Not as good as me in appearance, not as knowledgeable as me, and not as good as me in network background?”

“What right does he have to make me kneel?”

“What qualifications do I have to let the Wei family yield?”

“He’s not worthy, he’s a scumbag from a humble background, he’s not worthy~”

“Fuck, you still say? I have to kill you, the rebellious son today?” Wei Chen was almost frightened.

Originally, their Wei family provoked Mark’s existence, and they were already in danger.

The reason why he brought the whole family to worship this time was to show his sincerity so that Mark could forgive them.

But who would have thought that my own stupid son was still talking nonsense.

Open your mouth and keep your mouth shut, the hillbilly, he is really going to kill their Wei family.

“I’m not convinced~”

“I just refuse...”

“I’m not convinced even if I die...”

Facing his father’s violent beating, Wei Luo’s mouth was full of blood, but still gritted his teeth and roared.

The magnificent appearance is almost mad.

Wei Luo has always been proud of himself.

For so many years, among his peers, has he ever seen one person?

It was the young master of the family of Gritsberg wealthy Lu Xu. When he saw Wei Luo, he had to respectfully shout brother.

But today, his father actually forced him to kneel to a stinky boy from the countryside.

This is naturally unacceptable to Wei Luo, who has always been proud.

“Don’t accept death, right?!”

“Then I will fulfill you!”

“I, Wei Chen, should I have never given birth to your bastard son?”

Wei Chen was frightened and angry, gritted his teeth with hatred for this rebellious son.

Thinking of him, Wei Chen was wise, but in the end, why did he give birth to such a stupid son?

In furious, Wei Chen picked up a chair from the side and slammed it at Wei Luo.

Look at it like that, it’s really righteous to destroy one’s relatives.

“Brother, don’t~”

“Uncle, be merciful...”

At this time, the Wei family all persuaded each other, but how could they be able to persuade them?

Just when Wei Chen’s chair was about to fall, Mark, who had been silent for a long time, finally made a sound.

“Patriarch Wei, you should be just such a son.”

“Are you really willing to kill?”

Sitting high, Mark sipped the strong tea lightly, smiling faintly.

In the words, there was a bit of playfulness.

“Mr. Chu, this rebellious son is rude to you, even death is deserved.”

“It’s because of my lax discipline, which frightens you.”

“I’m going to kill this rebellious son to apologize to Mr. Chu.” Hearing Mark’s words, Wei Chen replied quickly.

Mark waved his hand: “That’s it.”

“Mark, my life, likes to convince people with reason.”

“I don’t like this bloodshed.”

Mark smiled faintly, this nonsense, he didn’t blush at all.

Chapter 3039

Sure enough, hearing Mark’s words, Denren Ye and the others couldn’t help but roll their eyes secretly.

Obviously, few people believed Mark’s nonsense.

However, Wei Chen stopped at this moment and didn’t beat his son Wei Luo again.

But what made Wei Chen extremely angry was that his asshole son Wei Luo was still lying there, shouting unwillingly.

“You beast, don’t you shut up?”

“Mr. Chu has a large number of adults, if you die, why don’t you come over to thank you?”

Wei Chen scolded angrily.

But how could Wei Luo appreciate it, and still shook his head and shouted, “No, I’m not convinced~”

“He’s a country boy, how can he be?”

Wei Luo’s eyes were red, and the sad words were full of unwillingness and resentment.

“You~” Remember the URL [http://m. Kanshu8. nest](http://m.kanshu8.net)

Wei Chen was almost mad at that time.

But at this moment, Qingtan and Tongshan walked in from outside. After seeing Mark, they held their fists and said respectfully: “Dragon Lord, according to your arrangement, the eight pieces of jade have been placed in the designated position. .”

Yes, Mark was not idle while waiting for the Wei family to arrive.

Instead, they arranged things for Tongshan and Qingtan to do it.

It now appears that everything is done.

“Well, it’s hard work.”

Mark nodded.

Just when everyone was wondering what Mark was planning, the young man who had been sitting quietly still slowly got up.

Under the hall, he stood with his hands in his hands, smiling.

Deep eyes swept across the Wei family, and finally fell on Wei Luo, who looked like a bereaved dog.

“Wei Luo, I said long ago, don’t use your vision and knowledge to measure me.”

“Because, my existence is beyond your imagination.”

“What seems important in your eyes, in my opinion, is not worth mentioning at all.”

“Born? Background? Education? Network?”

“For me, but Little Doyle.”

Under the hall, Mark’s low voice echoed.

The scorching sound, the words of bluffing, just like the twilight drum and the morning bell, can’t help blowing in everyone’s ears.

A few words, but what kind of domineering, and what kind of majesty does it have?

Just the momentum contained in these words has scared many people that they don’t even have the courage to look directly at Mark.

Having said that, Mark paused slightly.

His gaze, passing Wei Luo, suddenly glanced at everyone here.

The voice of majesty continued to echo.

“I know, it’s not just Wei Luo.”

“Including the Xu family, and even the people in the world who disagree with me, Mark, want to know why I, Mark, came from a poor background, but I am so majestic?”

“At a young age, but let the wealthy family bow their heads?”

“it is good!”

“Since you all want to know, then I will give you the answer!”

“Today, I will tell you, what did Mark rely on for my whole life, all my life?”

After speaking, Mark suddenly stomped the ground, and shouted in a deep voice: “A burst!”

Boom~

It is as if the god of Sichun came to the world, and like an emperor commanding the world.

All of a sudden, golden light bursts into the sky as if being summoned.

From the Xu’s inner courtyard to the outer courtyard, from the four corners of the manor to the long courtyard in the heart of the lake.

Nuo Da’s Xu Family Manor was completely shrouded in golden light.

Vague and hazy, like a god!

But in the horrified eyes of everyone, they saw that golden light, like a dragon, lingering around the world.

Wherever the golden light passed, all radiance shrouded.

In the end, everyone here found themselves in a golden ocean.

“This~”

“this is...”

Everyone has been stunned.

Wei Luo's eyes widened, and Xu Meifeng was panicked.

Everyone in the Xu family was even more frightened. Father Xu Wenqing almost fainted directly.
