

Chapter 3040– 3041 of A Dish Best Served Cold Novel

Chapter 3040

Not only them, even Xu Lei was shocked by Mark's almost magical means.

Only Mark stood proudly with his hand.

Those golden dragons flew out, and finally lingered beside Mark like a pet.

The boy at this moment, bathed in golden light, just like a god!

"I, Mark, crushed the heroes to kneel down and let them retreat."

"The family of Lu and Xu respect me like gods, and the land of Jiangbei fears me like a tiger."

"Even the Yanxia Wushen Temple can't do anything to me."

"It's definitely not an identity background."

"It's power!"

"The power to control life and death~"

"In my words, you can control the life and death of all things." Remember to read in one second <http://m.kanshu8.net>

"One of my words can destroy all beings."

"And this is what I rely on."

Booming~

Mark's majestic voice, only if thunder echoed, trembling the world, and also trembling the hearts of all things and people.

Seeing him bathed in golden light, like a young man like a god, all doubts are undoubtedly disappeared at this moment.

Wei Luo was speechless, with his mouth wide open, only shock was left on his expression.

Everyone in the Xu family was even more panicked, and the old faces were full of fear and regret.

Until now, Wei Luo and the others didn't understand.

It's no wonder that a person from a poor background can reach the top of power and make countless tycoons bow down.

It is no wonder that a young person can enjoy the supreme prestige, so that the Wei family bows their heads in fear.

It turns out that this is what he relied on.

“With this almost immortal means, he does have confidence, not to fear the Xu family, not to fear the Wei family, not to fear the people of the world~”

Wei Luo tilted his head back and sat slumped on the ground.

He looked at the glorious young man, shook his head and smiled.

Then there was overwhelming regret and powerlessness, drowning all his thoughts.

He was defeated, and defeated!

For so many years, the pride that he had held in his heart was shattered by Mark at this time.

He only thinks that he is very noble, but now it seems that from the beginning to the end, he is just a joke in Mark's eyes.

With the collapse of Wei Luo, everyone in the Xu family could no longer be calm.

With a bang, Xu Wenqing took the lead to kneel on the ground.

After that, everyone in the Xu family followed one after another.

In the end, all the people in the courtyard, except Denren Ye and Xu Lei, all knelt down to the boy.

“Mr. Chu is here~”

“It was my Xu family who had no eyes and offended the real person.”

“I deserve to die for all my sins~”

“Please also forgive Mr. Chu...”

.....

“Mr. Chu, please forgive me~”

....

Everyone in the Xu family worshiped Mark again and again with full of trepidation.

The voices one after another hit the world like a wave.

How humble these people were against Mark just now.

Obviously, after seeing Mark’s majesty, the Xu family was completely convinced.

At this time, they were still half disrespectful to Mark, leaving only endless regret and fear.

“Is this the majesty of Master Wushuang?”

“Is this the aura of the Zhu Guo powerhouse?”

“One thought forms a formation, stomping one’s feet, and then it becomes a world of its own?”

“No wonder, the ancestors said, if my Wei family has a master, it can guarantee that the Wei family will stand for three hundred years.”

“Once, I was deeply skeptical.”

“Now, I am convinced~”

While everyone in the Xu family bowed in fear, Wei Chen and others were full of emotion.

Wei Lu, the princess of Wei’s parents, was even more absent-minded for a long time, and the eyes that looked at Mark were full of endless brilliance.

At that moment, Wei Lu only felt that all the commendable miracles in this world were not cut off at the first sight of the young man at this moment, like breathing.

That year, Mark went out of Wrilfill and entered Gritsberg, becoming a heavenly formation in Yundao!

Chapter 3041

With the activation of the Yenching formation, at this point, the Yundao Tianjue Formation has been completely constructed.

This protective array, based on Ba Chi Qiong Gouyu, spans thousands of miles and runs through three places.

The two formations of Gritsberg and Denham are separated from the east and the west, and they are guarding the big formation of Wrilfill.

Like the most loyal guards, guarding their monarch.

Yes, in Mark's plan, of the three major formations, only the Wrilfill formation is the main formation, and the other two formations are all auxiliary formations.

Perhaps the defensive effect is not as good as Wrilfill, but it is enough to stop most of the dangers in the world.

At this time, as Mark showed his majesty, the people of Xu and Wei had undoubtedly completely surrendered.

They all knelt down and asked Mark for forgiveness.

“forgive?”

Mark snorted.

“Now that I ask for forgiveness, when you were waiting to deceive me and humiliate me, did you think about this moment?” Remember the URL <http://m. Kanshu8. nest>

In the hall, Mark echoed coldly.

Under his majesty, everyone in the Xu and Wei families was panicked, and they dared not speak with their heads down.

After speaking, Mark ignored them and walked away.

Xu Lei, Denren Ye and other people left with Mark.

However, Mark did not leave Xu's house, but walked with Xu Lei in the courtyard.

“Brother Mark, what were those golden lights just now?”

“It feels amazing.”

“Brother Mark is really amazing~”

In the courtyard, there is a breeze curling up. There is green water on the pond.

But Mark and Xu Lei walked slowly along the path in the courtyard like this.

Xu Lei at this time, there is no way to look like the master of the rich.

In front of Mark, like a little fan, there is inexplicable worship and splendor in her beautiful eyes.

“Xiao Lei, a lot of things, you don’t understand even after you say it.”

“As long as you know, it is enough to protect you.”

“Remember, if you encounter an overwhelming danger in the future, you will hide in this Xu Family Manor.”

“Under the title, no one can hurt you!”

“Of course, this Gritsberg formation is limited in defense after all.”

“If in the future, you really encounter a very strong enemy, so that Gritsberg’s formation can’t protect it at all, then go to Yunding Mountain in Wrilfill and find Helen Qiu.”

“Hiding on Yunding Mountain, you will surely be safe and worry-free.”

Today’s Xujia Manor has restored its former appearance.

The formation just now dimmed after the initial activation.

The endless golden light came quickly and dissipated quickly. At this time, there was no trace of it.

This defensive formation will naturally not be activated at all times. It will only be activated when it is in danger.

At this moment, facing Xu Lei’s doubts, Mark slowly explained.

After Xu Lei heard it, there was an inexplicable warm current flowing in her heart.

In this world, only the young man in front of him cares about her so much.

“Thank you, Brother Mark, thinking about Xiao Lei so much.”

Xu Lei smiled brightly, happiness and joy in her beautiful eyes.

That kind of nostalgia and friendship almost flowed from Xu Lei's beautiful eyes.

But the more Xu Lei was like this, the deeper the sadness in Mark's eyebrows became thicker.

In recent years, Mark seldom came to see Xu Lei, or even contacted him.

So that Xu Lei had a feeling that Mark deliberately alienated her.

But in fact, Mark's original intention is like this.

He really hopes that Xu Lei can put him down sooner and find the person who will guard her for life.

Mark knew that Xu Lei couldn't give her the companionship and stability he wanted.

Not to mention, the mission and burden on him.

Even if he didn't go to Chu's house, or even if he came back with his destiny, he would not be able to give Xu Lei the destination and company he wanted.

Sometimes, some people missed it, just missed it.

It is impossible for Mark to betray the girl who has been waiting for him to return in Wrilfill for Xu Lei.

"Brother Mark, what are you thinking about?"

"Why don't you speak anymore?"
