

Chapter 3050– 3051 of A Dish Best Served Cold Novel

Chapter 3050

“Try to be tactful.”

“Don’t be like the King of Fighters.”

Tang Hao didn’t say much, only returned a good word, and then left here.

As for Mo Gucheng, who had previously threatened to teach Mark a lesson, now he naturally doesn’t care about Mark’s affairs. He just wants to accompany his son well and make up for his mistakes.

On the other side, on Yanqi Lake, the sky is clear and the green waves reflect the willows.

Today, it is the beginning of spring.

Although the spring is cold, the weeping willows by the river are already green.

On the vast Yanqi Lake, a flat boat swayed slowly.

Above the boat, there was a thin young man and an intoxicating woman standing quietly. The first website

The young man stands with his hands, and the beautiful woman smiles.

“Brother Mark, do you remember?”

“Back then, you were here to turn the tide.”

“With one person, step down the entire Yenching.”

“Brother Mark at that time was really dazzling and dazzling.”

“Like the stars in the sky.”

Looking back on the past, Xu Lei smiled lightly, her beautiful eyes completing her crescent.

In the past few days, Mark has been with Xu Lei.

Accompanying this silly girl to climb mountains and lakes, I visited almost all the scenic spots of Gritsberg City.

Originally, Mark planned to send Xu Lei home after visiting these.

But Xu Lei insisted on coming to Yanqi Lake again. Although Mark didn't know why Xu Lei came here, she still did what she wanted.

"Why, now your Mark brother is not dazzling?" Mark lowered his head, looked at the girl in front of him, and asked with a smile.

Xu Lei giggled: "I don't know if you are still dazzling, but I know that Brother Mark's cheek is still as thick as before."

.....

"Well, Leier, we have been out for so many days, we should go back too."

"If you don't go back, those old clan relatives of yours shouldn't think that I abducted their Patriarch?"

The day is getting thinner, and the day is going to pass again.

Mark and Xu Lei are on their way home.

However, how did the two of them know that in the few days when they were away, the whole Gritsberg City had caused much disturbance.

Outside the Xujia Manor.

Wei Chen and others were still kneeling, even the Wei family, let alone those in the Xu family.

However, the old man Xu Wenqing was old and frail after all. When he knelt until the next day, he fainted and was sent to the hospital.

But that's the case, there are still hundreds of people kneeling outside Xu's house.

As for the onlookers, that's even more.

Thousands of people blocked the streets here.

Among the crowd, there was discussion and curiosity everywhere.

Today, it coincides with a holiday.

The students from nearby Yenching University came out to play, and when they saw it was so lively, they joined together.

"Nan Nan, a lot of people."

"Come and see."

“Will you be happy?”

“It’s been over a year now, why are you still so downhearted.”

“Isn’t it just a man?”

“If you miss it, you will miss it. Based on our Nan Nan’s conditions, we can definitely find something better than that smelly man?”

At this time, several Terrisa Qiuyanyan girls were chatting and looking forward curiously.

These girls are beautiful and beautiful.

Especially one of the young girls in a goose yellow coat was pretty and intoxicating, which caused the passers-by to look sideways, and her pretty face with worries was very annoying.

If Mark were here, he would definitely recognize that this intoxicating girl was Chen Ao’s daughter, Cynthia Chen.

Since Chen Ao was expelled that year, Mark’s contact with the Chen family has basically been broken.

And Cynthia Chen was ashamed because of his father’s affairs, and since then he has no face to contact Mark.

People who had been so familiar with each other were so cut off.

No one knows what kind of sadness Cynthia Chen has in his heart for so long.

Chapter 3051

During this more than a year, Cynthia Chen spent almost all of his time in depression.

I’m not interested in doing anything.

The girl who used to be so glorious was as if she had lost her soul.

Every day, class, get out of class, and meal are like walking dead.

There is no light in the eyebrows.

In the eyes of others, Cynthia Chen looks completely broken in love.

Therefore, taking advantage of today’s holiday, several of her roommates forced Cynthia Chen out to relax.

Otherwise, they are really worried that Cynthia Chen will be depressed because of this.

However, in the face of the comfort of several sisters, Cynthia Chen shook his head and laughed softly, a little lonely: “Better?”

“I am afraid that in this life, I will never meet someone better than him.”

“Hey, Nannan, can you fight for your breath?” Hearing this, the companion next to him felt angry and immediately raised his forehead, “We are short of everything in the summer, and the most important thing is people.” m. kanshu8.net

“There is a sky outside the sky, and there are people outside the world, but you haven’t encountered it.”

“Believe me, in the future you will come out and get in touch with more people. In less than three months, you will find excellent people everywhere.”

It was the head of their dormitory who was talking at this time, named Wang Terrisa Qiu.

It is also the oldest of them. Not only is they excellent in learning, but also has a strong sense of responsibility. Cynthia Chen and the others would call her Terrisa Qiu sister on weekdays.

Now, Wang Terrisa Qiu is talking about Cynthia Chen who hates iron and steel.

“Yes Nannan.”

“It’s his regret to lose you.”

“Why are you so hard for yourself?”

“Come out.”

“Don’t live in the past anymore.”

“you deserve better.”

“It’s time for you to start your own life.”

Cynthia Chen’s other foreign sister also persuaded softly.

Cynthia Chen didn’t speak, but her pretty face was still drooping.

“Nan Nan, look up.”

“The willows on the roadside are all green.”

“Winter has passed, and spring is here.”

“One year has passed again.”

“If you continue to be so depressed and waste time like this, are you right about yourself? Are you worthy of your parents and relatives who have high hopes for you?”

“We will take you out for relaxation this time, just hope you will make up your mind, forget him, come out quickly, and start your life well.”

Wang Terrisa Qiu continued to persuade, the words were concerned, and there was hope.

Cynthia Chen was still silent, but after hearing Wang Terrisa Qiu's words, she looked up and looked around.

The frozen river has long been unsealed, and the river is gurgling.

The decayed old tree has revealed its green buds, and the wind blowing in the distance is also vaguely warm.

"Spring, it's really here."

Cynthia Chen raised his head and looked at the bright light in the distance. The long-frozen heart actually began to show signs of melting.

In the end, Cynthia Chen seemed to have really figured it out. She clenched her palms and bit her red lips, and said firmly: "Sister Terrisa Qiu, Mu Mu, you are right."

"I should make up my mind and forget about him."

"He and I are people of two worlds."

"The Tao is different, so why don't you forget it?"

"After all, I have suffered myself, and I can't feel sorry for my relatives."

"I have decided. Starting today, I will erase all traces of him around him."

"Photos, gifts, and everyone related to him, I will discard them all."

"It's been over a year, and it's time for me to start a new life."

"Mark, from today onwards, this lady will never miss you again!"

Cynthia Chen's words were firm, clenching his palms and gritting his teeth.

In the end, as if to say goodbye to the past, Cynthia Chen actually shouted out to the sky.

When he decided to let go, Cynthia Chen was relieved.

It seems that the stone that has been held in my heart for many years has completely fallen.

"Hahaha~"

"That's right."
