

Chapter 3054– 3055 of A Dish Best Served Cold Novel

Chapter 3054

The curiosity in everyone's hearts is undoubtedly more intense.

Even Wei Chen and Wei Guang, who had been kneeling down forever, couldn't help raising their heads, frowning.

"Damn it, these two old guys, why are they here?"

"Aren't they already scared so scared that they can't avoid it as a turtle?"

"Could it be that you came to see us making a joke?"

Wei Guang stared at the two people in front of him from a distance, but whispered.

Wei Chen soothed: "Forget it, leave them alone."

"Wait at ease."

"Mr. Chu, I should be back soon."

During the conversation between Wei Chen and Xu Haisheng, Lu He and Xu Haisheng had already been introduced into Xujia Manor.

"Sorry for both of you, my cousin is not here." Remember to read for a second <http://m.kanshu8.net>

"If you want to greet you, come back another day." Denren Ye said apologetically.

"It's okay, we have time, we will wait."

"The two of us have long wanted to visit Noirfork in person, but we have not dared to go, for fear of abruptness."

"Now that Mr. Chu is visiting Gritsberg, we have to come and visit, ask what happened back then, and apologize personally." Lu and He said politely.

Denren Ye smiled softly: "Well then, just wait if you want."

Just like this, everyone inside and outside the house is waiting.

Tang Hao and the others were waiting for Mark to return, but the people outside wanted to see, who was the sacred person who brought the Wei family to worship?

Time passed slowly.

Seeing, the sunset is west.

The afterglow of the setting sun dyed the world red.

Cynthia Chen and others were also a little tired of waiting, and they had a return in their hearts.

The others around also shook their heads in disappointment.

“Hey~”

“It seems that today’s big man can’t appear again.”

.....

“Yes, I don’t know when I can come back.”

“It’s been three days now, and the waiting flowers are grateful.”

.....

“You guys watching the excitement, why are you in a hurry.”

“People are waiting on their knees, aren’t you in a hurry?”

.....

It was dusk, and everyone complained slightly.

Cynthia Chen, Wang Yingying and others are also preparing to leave.

“Hey~” “It’s really disappointing.”

“I thought I could feast my eyes and see the real big people with my own eyes.”

“It now appears that none of the three of us have this fate.”

“Let’s go, let’s go back too.”

It's been almost a day since I came out, and there will be classes tomorrow, so Wang Yingying went back openly.

However, just as Cynthia Chen and the others turned around.

Boom~

In the distance, there was a sudden roar.

The deep engine sound, like a beast, roars Tianhe.

“coming?”

“fast!”

“Quickly, go to meet you.”

When everyone was panicking, Xue Renyang and others, who had been waiting outside the manor, saw Ye Fan's car first.

Excited, he quickly arranged manpower and went over to greet him.

At the same time, the Wei family and Xu family elders, who had been kneeling outside, also turned around and knelt toward the place where the car came.

Even Tang Hao and Lu He, who had been waiting in the hall, walked out of the hall after receiving the news.

Seeing such a battle, everyone guessed it almost subconsciously.

That person, here it is!Whoosh whoosh~

In an instant, everyone here turned around, and hundreds of pairs of eyes looked at the roar of the engine.

At the end of the road ahead, a black off-road vehicle roared like a beast. The steel car body splits the sky and the earth, and the wheels fly straight into here.

“Get out, get out of everything!”

“Don't get in the way~”

Xue Renyang led hundreds of his men and quickly cleared the way for the vehicle.

Until the end, the luxury car stopped.

Xue Renyang led all the people under his banner, standing on both sides respectfully, bowing and bowing together: "Respectfully welcome the return of Dragon Lord!"

.....

"Welcome the return of the Dragon Lord~"

.....

In this way, facing the skyward wave, against the eyes of all eyes. A handsome young man, holding your graceful woman, slowly walked out of the car.

At the moment when the young man appeared, the Wei family bowed their heads and the Xu family bowed down.

The lords of the two wealthy Lu Xu bowed to the Prime Minister to greet him.

The world is silent.

The scorching sun is not as bright as his dazzling!

Chapter 3055

In front of Xu's house, there was a rush of people.

Among the eyes of everyone, there was only a young man, a woman, who walked on foot to meet everyone's gaze.

Wei Chen and others bowed their heads and bowed: "My Wei family deserves a million deaths, please forgive me, Mr. Chu~"

The Xu family elder also bowed his head to his ears: "Mr. Chu, please forgive me~"

Not only them, Xu Haisheng and Lu He, who were waiting in the hall before, were also full of respect and apology, holding their fists and bowing: "Mr. Chu, Lu He, the head of the Lu family~"

"Xu Haisheng, the head of the Xu family, come here to plead!"

.....

There are sounds of kneeling and worship everywhere, and respectful eyes everywhere.

However, Mark remained calm in the face of the soaring wave.

On the delicate face, there is no joy or sadness.

What tycoons are wealthy, what social celebrities. At this moment, it seemed that he couldn't even enter Mark's eyes. Remember to read in one second <http://m.kanshu8.net>

“My God~”

“Is he the immortal who made the Wei family surrender and let the wealthy family worship?”

....

“This...this is too young.”

“It's dead, it's only in your early twenties.”

“At this age, you haven't graduated from university yet, right?”

When they saw Mark appear, everyone waiting here was already shaking mad.

They thought that this big man who could frighten the wealthy of the Quartet would have to be a middle-aged man over forty years old.

But in the end, it hit everyone in the face severely.

No one thought that the other party was so young and too young?

“Wow~”

“Nan Nan, Terrisa Qiu, look, the other party is so young.”

“It feels like we are the same age.”

“Perhaps, this is the hero who was born a boy?”

“It's over, I feel I have been conquered by him.”

“I really have no resistance to such a good person.”

When everyone was trembling at Mark's youth, Su Mumu, who was walking with Cynthia Chen, had already fallen. The gaze of the young man in front of him was full of admiration and infatuation.

What kind of man is the most attractive.

It's not a handsome man, or a rich man, but a truly outstanding and successful man.

That kind of aura, that kind of halo, that kind of glory, enough to make any woman lost.

Not only Su Mumu, but even Wang Terrisa Qiu, who has always been independent and strong, can hardly hold on to herself at this moment.

Qiao's face was flushed, and she said excitedly.

"Yes, good people are always the most attractive."

"Nan Nan, now you should know what is meant by someone outside of a person? There is a heaven outside of the sky."

"The brother Mark in your mouth, no matter how great, can he beat others?"

"He may be a little powerful in the Noifork land, but this Mr. Chu has the power to dominate the hot summer."

"Zhonghai Wei family, Gritsberg wealthy family, rush to come to worship!"

"Among our sisters, if anyone can capture his heart, this life will be considered no regrets."

Wang Terrisa Qiu and Su Mumu both spoke with excitement, and when she praised the boy in front of her, she did not forget to belittle the person Cynthia Chen liked before.

"Ok?"

"Nan Nan, why don't you speak."

"What do I want to say to you, compared to him, is your brother Mark, isn't it a bullshit?"

"So, don't miss him anymore."

"There are so many good people."

"Our Nan Nan wants to be handsome and talented. We deserve a better one."

Wang Terrisa Qiu suddenly realized that Cynthia Chen hadn't spoken since the other party appeared.

She immediately turned her head and asked Cynthia Chen curiously.

However, it doesn't matter if Wang Terrisa Qiu doesn't look at it. After seeing it, she discovered that Cynthia Chen had already burst into tears at some point.

"Nan Nan, what's wrong with you?"

"It's so good, what are you crying for?"

“You won’t be surprised by the aura of that Mr. Chu, are you?”

Seeing Cynthia Chen’s face full of tears, Wang Terrisa Qiu and Su Mumu were both frightened, completely unable to understand the situation.
