

Chapter 3058– 3059 of A Dish Best Served Cold Novel

Chapter 3058

“Did you come to see my cousin?”

“Since it’s here, why not come in.”

“And, what happened, why are you crying?”

Although Denren Ye has only had a relationship with Cynthia Chen, she was extremely impressed with this girl.

After all, when Denren Ye met Cynthia Chen for the first time when he was in Denham, he regarded Cynthia Chen as Mark’s girlfriend.

Moreover, the meeting was very unpleasant.

It was precisely because of this that Denren Ye remembered Cynthia Chen’s appearance.

However, to Denren Ye’s surprise, she had just finished speaking and before she could respond, Cynthia Chen cried and ran away.

“Is it weird?”

“Could it be that Miss Chen has encountered any difficulties, I am sorry to tell my cousin Mark?”

Seeing the girl who ran away with tears, Denren Ye was puzzled. Remember to read in one second <http://m.kanshu8.net>

After thinking twice, he immediately returned to Xu’s house.

“Nan Nan, if you really can’t forget, then go after it bravely.”

“He was in Noirfork before, you think it’s far away.”

“Now, he is in Gritsberg, you can meet him.”

On the way back, Wang Terrisa Qiu and Su Mumu were still persuading Cynthia Chen.

But Cynthia Chen wiped away his tears, but shook his head: “He probably won’t see me.”

“He is kind to me and my father.”

“But our family lost him.”

“I have any face to see him again.”

“How can I know if I don’t try.” Wang Terrisa Qiu persuaded from the side.

Cynthia Chen’s brows were dim, but he shook his head: “Forget it, he won’t see me.”

Since the events of that year, Mark has never looked for her again.

The meaning is already obvious, Mark has been completely disappointed and disgusted with their Chen family.

Although Cynthia Chen feels lost, what can he do.

She didn’t have the face to meet the boy.

“Our family Nannan is so good-looking, tell me about someone who doesn’t know what is good or bad, and doesn’t want to see you.”

When Cynthia Chen was lost, a faint laughter came from not far away.

At the moment when he heard this, Cynthia Chen’s whole body seemed to be electrocuted, and her body trembled suddenly.

She immediately turned her head and saw the familiar but unfamiliar profile face as expected.

“Ye... Mark?”

Cynthia Chen was completely stunned, she never expected that she would meet Mark again in this way.

Not only Cynthia Chen, but Su Mumu and Wang Terrisa Qiu, who were walking alongside, were also stunned. Their beautiful eyes were huge and panic. They stood there with their mouths open. They were so scared that they couldn’t say a word.

After all, the young man in front of him is a big man who made a few giants bow and bow down.

These fairy-like characters, they could only see and admire from a distance before, but now they appear in front of them so close, they are naturally panicked.

“Why, if you haven’t seen me in a few years, you don’t know me?”

At this time, Mark had already walked up to Cynthia Chen and smiled lightly.

The cordial tone is exactly the same as before.

At that time, Cynthia Chen couldn’t help himself anymore, tears in his eyes flowed out uncontrollably.

The whole person was crying.

Mark was confused at the time, and quickly stepped forward to wipe away the tears from her forehead: “What’s the matter, Nan Nan. Someone bullied you?”

Cynthia Chen shook his head, his voice choked: “Brother Mark, I thought, you don’t want to see Nan Nan anymore.”

Hearing this, Mark was just shocked, and immediately shook his head and smiled: “Silly girl, what do you think?”

“Good point, why don’t I want to see you.”

“What happened back then was wrong, and it was your father who was wrong. What’s wrong with you?”

“For more than a year, I have been too busy, otherwise I would have found an opportunity to come to Gritsberg to see you.”

“How is it, how is it?”

“Study is going well...”

Chapter 3059

After a brief conversation, Mark invited Cynthia Chen to a meal.

Then, Cynthia Chen was sent back to school.

After getting acquainted, now that Mark came to Gritsberg, he naturally wanted to meet his old friend.

“Is this Yenching University?”

“The highest hall for students in the summer, looks really magnificent.”

In front of the university, Mark looked up at the Centennial School in front of him, but smiled lightly.

Cynthia Chen nodded: “Well, Brother Mark, do you want to go in and have a look?”

Mark shook his head: “It’s too late today, so I won’t go in. Besides, I still have something to deal with, wait for next time.”

“Also, it is not convenient for me to come to Gritsberg. If you have any needs in the future, or encounter any difficulties, you can go to Xu’s house and find your sister Xiaolei.”

“It’s the Patriarch of the Xu family, Xu Lei.”

“Have you heard?” Mark said concerned. Remember the URL <http://m.kanshu8.net>

After a few brief conversations, Mark was about to leave.

However, before Mark took a few steps, Cynthia Chen stopped him again.

“Yep?”

“What’s wrong, Nan Nan, is there anything else?”

Mark turned around and asked curiously.

Cynthia Chen opened his mouth, but he was hesitant to speak.

“Nan Nan, what’s wrong with you?”

“The way you look right now is nothing like Cynthia Chen I know.”

“When you and I met for the first time, you dared to scold me.” Mark said with a smile.

Then Cynthia Chen said, “Brother Mark, I want to say sorry to you on behalf of my father.”

“What happened back then, it was my father who failed you.”

When saying this, Cynthia Chen lowered his head, and his words were full of guilt.

What happened back then, for Cynthia Chen, was undoubtedly a thorn, deeply pierced in her heart.

So long that she didn’t even have the courage to see Mark.

But Mark had already taken lightly. He shook his head and smiled: “Nan Nan, it’s all past, so don’t mention it again.”

“If it were me, in the face of the situation at the time, maybe he would make the same choice as your father.”

“Everyone has something in their heart that they want to protect the most.”

“For him, it will always make people desperate.”

At the beginning of the Noirfork crisis, Chen Ao chose to betray in order to protect his daughter.

To be honest, Mark at the time really wanted to kill Chen Ao.

Because what he hates most is betrayal.

Later, for the sake of Cynthia Chen’s pleading, Mark just spared his death and expelled him from Noirfork.

Now that it has been so long, the anger in Mark’s heart has long since dissipated.

He even admired Chen Ao somewhat because he was a good father.

At least when your children are in danger, dare to stand up and do something.

It's better than some people who face the humiliation of their wives and children, but they only know that they should be a turtle.

However, appreciation goes to appreciation, after that incident, Chen Ao would never be able to reuse Mark.

After all, what Mark needs is a loyal and qualified subordinate.

In this regard, Chen Ao is undoubtedly far from qualified.

Mark will never reuse those who have betrayed him.

“Okay, Nan Nan. I really should go now.”

“Otherwise, those people in the Martial God Temple, I'm afraid they will be anxious.”

“As for your father, I won't go to see him.”

“You saw him after you went back, so please help me to say okay.”

“Tell him I admire him because he is a good father.”

In the faint laughter, Mark has already left.

Cynthia Chen stood behind him for a long time. Until Mark's back figure completely dissipated at the end of the line of sight.

“Hey, hey, people have gone far away, do you still want to watch?”

When Cynthia Chen was lost, Su Mumu and Wang Terrisa Qiu did not know when they had already appeared behind Cynthia Chen, and immediately teased them.

“I don't have any.” Cynthia Chen was embarrassed.

“Yo-yo-yo, are you blushing?”

“Haha~”

“I'm happy now.”
