

Chapter 3060– 3061 of A Dish Best Served Cold Novel

Chapter 3060

“But Nan Nan, tell us how you met your boyfriend.”

“We really didn’t expect your boyfriend to be so good.”

“From now on, you marry into a wealthy family and become a rich wife. You can’t forget our sisters.”

.....

“By the way, if you have time to help us ask your boyfriend if there are any good boys around him, please introduce me~”

.....

After learning of the close relationship between Mark and Cynthia Chen, Cynthia Chen’s two good sisters suddenly became idiots, dreaming that they could also find a good boyfriend like Cynthia Chen.

“Go go, what are you talking nonsense?”

“Brother Mark is married.”

“Where is my boyfriend?” Remember to read the book for one second <http://m.kahnshu8.net>

“Also, he just treats me as a younger sister~”

Cynthia Chen blushed and explained quickly.

In fact, she never expected that she would become Mark’s girlfriend. As long as Mark remembered her and talked to her, Cynthia Chen was already satisfied with satisfaction.

Like in student days, it’s so simple and pure.

Not asking for results, as long as you can silently accompany and watch, it is already very good.

“Where is Mark?”

“He hasn’t come back yet?”

“Didn’t it take half an hour? How long have I been waiting?”

In the Xu family hall, Tang Hao roared angrily.

He was almost furious.

He had a good conversation with Mark just now, and suddenly Mark wanted to go out for a while, and he would come back after a while.

But three or four hours have passed, and the kid hasn’t even been seen yet. This immediately made Tang Hao impulse to be tricked.

“Mr. Tang, don’t be angry.”

“My cousin may be delayed, I’ll let someone find him.” Denren Ye calmed down.

“Sorry, I’m sorry, Master Haotian has been waiting for a long time.”

“I did have something urgent just now, and I’ve dealt it all now.”

At this time, Mark just rushed back, and heard Tang Hao’s anger from a long distance away, and immediately apologized.

“Hmph, throughout the hot summer, you guys, dare to let me wait for so long.”

“God of War is not as big as you!”

Tang Hao blushed and his neck was thick, but apart from a few complaints, he really didn’t dare to do anything to Mark.

Is it possible to beat him again?

It’s fine if you can’t beat it, it would be shameful if you can’t beat it.

Tang Hao had seen Mark’s ability.

The king of fighters who slapped his face was bloody.

Now Tang Hao really couldn’t guarantee that he must be Mark’s opponent.

“Hey~”

“Sorry, sorry.”

Mark is also a thick-skinned comparison, but he can still laugh when the martial arts seniors said so.

“Okay, I don’t bother to talk nonsense with you.”

“Just talk about business.”

“Recently, around my hot summer, I suddenly discovered a large number of titled powerhouse activities.”

“I suspect now, it’s probably for you.”

“After all, I heard that you killed the elder Chumen during your trip to the rainforest?” Tang Hao asked with a solemn expression.

Mark nodded and said calmly: “Well, I did kill a few.”

“I’m going, are you sure?” Tang Hao stared at Mark so calmly.

“Forget it, I don’t bother to talk about you, kill all.”

“During this time, find a place to hide first.”

“I am more and more suspicious now that those people were sent by Chumen to take revenge.”

“Before, we sent the little king of fighters to investigate, but we were beaten up and sent back. Now we are still wandering around the ghost gate. It’s not certain whether we can survive.”

“It can also be seen from this that the opponent is coming fiercely.” Tang Hao’s expression was heavy.

Mark was puzzled: “Little King of Fighters?”

“Well, he is the son of the King of Fighters, Mo Wuya. The strength can barely be considered the title level.” Tang Hao explained.

Puff~

When Mark heard this, the tea that had just entered the mouth sprayed out.

“You mean him?”

Chapter 3061

“What’s the matter, you know?”

Mark’s reaction made Tang Hao very puzzled.

“More than acquaintance, our relationship is okay.”

“I saved his life several times.”

Mark sipped his tea while shook his head and smiled.

“Ok?”

“Have you saved his life?”

“When did I never hear him talk about it?”

Hearing this, Tang Hao was undoubtedly more shocked.

This is a good thing.

The King of Fighters has always hated Mark. If Mark has a good relationship with the King of Fighters’ son, he can use this as an opportunity to let the two of them settle their suspicions. The first website [m. kanshu8.net](http://m.kanshu8.net)

“Fine, the past thing is gone, let’s not mention it.”

“I don’t expect him to thank me, don’t hate me.”

“Haha~”

Mark smiled calmly.

In fact, what he said is not unreasonable.

Mo Wuya provoked Mark when the Japanese war broke out. According to Mark’s temperament, Mo Wuya would definitely die at that time.

However, thinking that he is a strong hot summer, Mark just opened up, leaving him a sigh of relief. This naturally saved his life.

Also not long ago, if it were not for Mark’s words to save him, Gaia would have killed Mo Wuya long ago.

Counting this, Mark had saved Mo Wuya’s life at least twice.

“Okay, you are still in the mood to laugh.”

“Don’t deceive me these words, remember them, have you heard them?”

“You are also considered a person who has passed through the ghost gate once.”

“But last time, although the opponent you faced was strong, our Hot Summer Martial Arts can always protect you.”

“But if this revenge really comes from Truman, it is the God of War and cannot protect you.”

“The best way is to run into the mountains and hide.”

“They can’t find you, they will naturally retreat.”

Seeing Mark’s appearance as if nothing had happened, Tang Hao was a little anxious, and his tone was full of care.

Mark didn’t say anything about this.

He didn’t want to explain, besides, if he explained it himself, I guess Tang Hao wouldn’t believe it either.

Therefore, Mark simply ordered a little perfunctorily, and then prepared to send Tang Hao away.

“Mr. Tang, are you leaving now?”

“The dinner party here is ready. You won’t leave after the dinner party?”

When she walked to the door, Xu Lei in a long skirt just came over and politely invited Tang Hao.

Although Xu Lei is not familiar with martial arts matters, she must be an extraordinary person to get acquainted with her Mark brother. Of course Xu Lei must entertain him properly.

“Look at people, then you?”

“I’ve been waiting for you for a day, you even leave me here to eat, or the girl is reasonable.”

“You guy, apart from a brute force, you don’t understand a bit of humanity.”

Tang Hao gave Mark a blank look. Then he smiled and declined to Xu Lei: “No need to trouble, I have something to do, wait for the next time I come to Miss Xu’s banquet.”

After speaking, Tang Hao got up and left.

Mark and Xu Lei kept sending him to the entrance of the manor.

“Okay, let’s stop here, don’t give it away.”

“By the way, if you are okay, leave as soon as possible, don’t stay in Gritsberg, and you will rarely come here in the future.”

“I have a headache when I see you now.”

Before leaving, Tang Hao did not forget to instruct Mark to leave Gritsberg as soon as possible.

“Also, this girl is nice.”

“Pretty, reasonable and understanding.”

“You kid, don’t let the girl down.”

Although only a short time with Xu Lei, the head of the Xu family left a good impression on Tang Hao.

No wonder, Mark’s favor can be won.

This Xu Lei has a unique charm.

Xu Lei’s pretty face blushed when she heard this, and she immediately lowered her head.

When Mark heard it, he stared: “Hey, you can’t talk nonsense.”

“She is my sister paper.”

“Huh? Your sister? Not a lover?” Tang Hao asked directly without hesitation.

Mark’s face turned black at that time.

Lover peat~
