Chapter 3074

The fat man also noticed something unusual, especially after he saw the license plate of one of the cars, which was Jiang q00001, the two of them were stunned.

“Xiao...Xiao Liang, this...this is the one in the city.”

“It seems that the above is also very important to this task.”

“Hahaha~”

“Quickly, it’s time for us to perform meritorious service .” ~” After a

brief surprise, the fat man was suddenly excited and ecstatic. He only felt that his opportunity for promotion had come.

While they were talking, the two quickly ran over.

Soon, an old Audi a6 parked on the side of the road, and two middle-aged men got out of the car.

“I’ll go!”

“Isn’t that Zhang Wuye?”

“The one next to him is also familiar.”

“Yes, I think of it, it’s a new one from the city government.”

“My God! “

What the hell is going on?”

“Could it be that someone stabbed the sky?” When

I saw the two, all the passers-by around were shaking mad.

One by one, his eyes were staring, full of horror, and he roared out of voice.

After all, these two people, one of them is a leader in the secular world, with great prestige.

The other one is in charge of a city, with great power.

These two people, arguably the most powerful people in Yinan City, have both appeared now, and everyone is naturally frightened.

“Wuye, Lin Shi, why didn’t you tell me in advance when you came.”

“It’s just a little trouble, we can solve it.” The fat traffic policeman bent over and walked forward and said flatly.

Zhang Chenghu didn’t speak to another middle-aged man in a suit, just glanced around, and then asked, “You stopped a car from Wrifill?”

“Yeah, Lin Shi, we are about to ask You report.”

“The two fanatics not only violated the rules, insisted on breaking through the barriers, but also fought against us.”

“However, they have been controlled by me. They are right in front, and I will quickly tune in to support, as long as Lin Shi gave the order, and I immediately took the two assassins!” The fat traffic policeman reported in an inviting tone.

“

Take Nima!” Zhang Chenghu, who was on the side, peeed and yelled, then kicked the fat traffic policeman to the ground.

“You don’t have a long-eyed bastard. We in Yinan are afraid that you will be killed by you!” After

kicking the obnoxious person away, Zhang Chenghu and the two ran all the way and rushed over.

“Er, sorry, we are late.” The

first thing Zhang Chenghu saw was Li Er sitting in the driver’s seat.

In fact, after seeing Li Er driving, Zhang Chenghu realized that what Li Er said on the phone should be true.

After all, in Noirfork today, Li Er can be the driver, except for that person, I’m afraid it’s someone else.

“It seems that you still have some self-knowledge.”

“Mr. Chu is just behind, if you have anything to say to Mr. Chu.” Li Er said coldly.

Zhang Chenghu’s face immediately paled a bit, and then he looked in the direction of the back seat.

The window was closed so that Zhang Chenghu couldn’t see Mark’s face at all, only a vague figure.

But even through the car window, Zhang Chenghu still felt an invisible pressure following him.

“Mr. Chu, I’m sorry, but I, Zhang Chenghu, didn’t take care of me well, and it frightened you.” Zhang Chenghu apologized again and again, with a low posture.

After all, Mark is the co-leader of Noirfork Big Brother, and Zhang Chenghu is only a brother in front of Mr. Chu.

When Zhang Chenghu apologized in panic, the middle-aged man beside him was calm, he just said politely: “In Xialin Nanhai, the lord of Yinan city. I heard that Mr. Chu is here to visit Yinan. I wonder if Mr. Chu has time. , I have set a dinner party at the Phoenix Hotel to do my best to Mr. Chu as a landlord.”

Lin Nanhai smiled slightly and extended an invitation to Mark.

Inside the car, Mark still sat quietly with his eyes closed, and the window behind it never fell.

Seeing this scene, Xiao Liang and the fat traffic policeman in the back had been completely scared to pee, their legs were soft, almost lying on the ground.

Let the two big brothers of a prefecture-level city, black and white, come to worship in person, but they just ignored them, and the windows of the car were never dropped.

My God~

Who did they provoke just now?

Chapter 3075

“Mr. Chu?”

Seeing that no one responded for a long time, Lin Nanhai asked tentatively.

However, it is still the case.

Zhang Chenghu next to him couldn't stand it anymore, so he helped persuade him: "Mr. Chu, Lin Shi learned that you are here in Yinan, but came on a transfer and invited you to a banquet."

"Look at Lin Shi's sincerity. For the sake of this, why don't you leave tonight and let Lin Shi and I be a landlord?" Zhang Chenghu smiled, and then looked at Li Er, hoping that Erye would persuade him to persuade him.

Finally, the car windows slowly fell.

The handsome profile of the young man was revealed.

Although Lin Nanhai had long known from Zhang Chenghu that Mark was young and famous, when he saw Mark himself, he was still deeply shaken by Mark's youth.

"Now we should be able to go?"

Mark's indifferent voice slowly sounded when Lin Nanhai was slightly lost.

When Zhang Chenghu heard the words, they were taken aback.

Immediately nodded and responded : "Haha~"

"Of course, of course."

"I came here personally with Lin

Shi , and they came to let Mr. Chu go." Lin Nanhai also nodded, "Yes, it was all a misunderstanding just now. I'll take care of someone who offends Mr. Chu." While

speaking, Lin Nanhai turned his head and stared at the two little traffic policemen hiding behind: "You two, you have a terrible disaster, and you still have a face there. Look?"

"Hurry up and apologize to Mr. Chu?"

Lin Nanhai screamed, making the two staff members tremble.

However, the traffic policeman named Xiaoliang whispered in fear: "I...we are also executing orders, not as mentioned above. Except for military vehicles, other vehicles are forbidden..."

"Nonsense!" Lin Nanhai sipped again, "Mr. Chu returns home to visit relatives, can this be regarded as a miscellaneous vehicle?"

"Give me a little eye in the future. All the cars that Mr. Chu rides will be released everywhere."

“Have you heard?”

Lin Nanhai’s voice was loud, as if it was deliberately for Mark to hear it, in short, he gave a lot of face.

Faced with Lin Nanhai’s reprimand, these little employees naturally only listened.

But Mark was accustomed to seeing these gestures and flattery, and there was no waves in his heart.

Just waved his hand, wantonly Li Er could leave.

“Mr. Chu, don’t you really stay for a meal?”

“People, after all, are the master of a city.”

“So, isn’t it a bit impolite?” Li Er whispered.

I always felt that Mark left like this, and didn’t even say hello. He was a little bit ignorant of praise.

Mark chuckled slightly: “It’s his business, please, it’s my business to eat or not. It’s nothing impolite.”

“You can go, don’t waste time.”

Hearing what Mark said, Li The corners of his eyes twitched fiercely.

I thought it was Mr. Chu, so he dared to save the face of the lord of the city.

In this way, Mark and the two of them drove away in the middle of the roar of the engine.

The two of Zhang Chenghu and Lin Nanhai behind them were just like that, their faces turned blue and purple.

“Huh, what!”

“I gave him a face? ” “I don’t know how to promote it

!” In the

end, Lin Nanhai couldn’t hold back his anger and cursed harshly.

Obviously, being so ignored by Mark made Lin Nanhai extremely angry.

After so many years, how has he been so despised?

It's all about the invitation to the banquet, but the other party didn't even give him a greeting.

What does this mean?

This obviously doesn't put him in Lin Nanhai's eyes!

"What shit chor?"

"Koto said it nicely is the statue, a powerful overlord. At worst, is a bully boss!"

"Do not let me Zhuadaobabing best!"

"Otherwise, every minute you let ornament

Dang go to jail." Lin Nanhai was extremely angry, almost bursting out of fire in his eyes
