

Chapter 3082– 3083 of A Dish Best Served Cold Novel

Chapter 3082

“And I’m Mark, but I’m from a stubborn background and I’m not famous.”

“Naturally, I don’t have the right to talk to Tang Yun, Tang Sect Master.”

Mark sneered, and the words were full of sarcasm.

“I don’t have any~” Tang Yun showed a bit of panic in her eyebrows in response to what Mark said, and quickly defended.

“Don’t you?” Mark suddenly smiled even more.

“Tang Yun, you are still lying to me!”

“Is it true that I was the boy in the old house of the Chu family?” Mark roared in a low voice, his eyes red.

Once, Mark thought that by seeing Tang Yun goodbye, he would remain calm.

However, he still couldn’t control himself after all.

There is too much entanglement between him and her, too much past.

Seeing her, will remind Mark of the heavy weight, how can he be calm?

“Okay!”

“You said you didn’t.”

“Then I’ll ask you, why did you show up in the land of Denham?”

“I’ll ask you again, the town of Nuo Da was almost razed to the ground, why? The place where you live is intact?”

“Lastly, I ask you, with the previous level of vitality exploding, who else can do it except your Tang Yun master?”

“You said the tragedy here has nothing to do with you. Who do you think would believe?”

Mark asked repeatedly, every time he asked, Mark's momentum became stronger, and Tang Yun's pretty face became paler.

In the end, there was a gust of wind in this courtyard, and Mark's mighty power was as majestic as the abyss!

However, Tang Yun's pretty face was pale, and she looked at Mark's eyebrows with disappointment and sadness.

After a brief silence, the beautiful woman in front of her suddenly smiled.

There was loss and self-deprecation in that smile.

"Since you think it is me, then it is me."

"It is Tang Yun who is fierce and cruel, slaughtering a hundred thousand lives."

"It is also me that Tang Yun is rampant and burns a hundred miles of land."

"It is I who will fertile land, Become a barren land."

"It was I who made this rich town without any vitality."

"Like you said, all things are done by me, Tang Yun."

Tang Yun said coldly, coldly. In the words, they were full of anger and disappointment.

No one knows why the master of Truman in front of him is so angry?

Was it because she was a stranger to Mark, or was it because Mark said she was killing innocent people indiscriminately?

"Sure enough, you did it!"

After Tang Yun admitted, Mark's eyebrows were already as sharp as a knife.

The surging power can't help converging on him, and in his veins, the majestic vitality gallops bravely.

Mark at this time was like a strong bow drawn into the shape of a full moon.

It seems that the next moment, there will be a deadly killer move.

"Why, Mr. Chu is planning to kill me and avenge this dead compatriot?"

"Or, grab me and hand it over to the Martial God Temple for credit?"

Seeing Mark's gradually cold eyes, Tang Yun's pretty face did not show any fear. Instead, he asked Mark lightly.

The cold words were full of ridicule and mockery of Mark.

"I received the title of Yanxia, and I should protect the people of Yanxia!"

"You are in my land of Kyushu, killing wantonly."

"As the title of Yanxia Pillar, shouldn't I kill you?"

"I shouldn't take you to pay tribute to those ten Tens of thousands of creatures?"

Mark clenched his palm tightly, his cold words exploded like thunder, killing intent raging.

"Mr. Chu is really selfless."

"This feelings of family and country, Tang Yun is moved by it!"

"I see the Martial God Temple in the future, I can give you one, the best patriot award."

Tang Yun still sneered. Then, there was a deep resentment and anger in the words.

"Enough!"

"Tang Yun, don't think that you are the master of the Chu Sect and I dare not move you."

"Today, if you don't give me a reasonable explanation, I will try my best and I will never spare you. !" Mark uttered angrily, apparently agitated by Tang Yun's sarcasm.

Chapter 3083

He didn't know what Tang Yun's yin and yang weird mean.

This attitude is not at all like the appearance of a Truman sect master, on the contrary, it resembles a bitter woman who has been bullied.

Moreover, Mark didn't even understand why the master of the dignified sect, as the strongest person on the list today, would slaughter these unarmed innocent people.

Hundreds of thousands of people are all in ashes and annihilated.

Mark felt a bit vocal about such behavior.

"Never go around me?"

“Really?”

“Mr. Chu deserves to be the honor of Noirfork, so majestic.”

“I want to know how Mr. Chu doesn’t forgive me?”

Tang Yun sneered with cold eyes. , Looking straight at the boy ahead.

“Don’t you want to explain?”

“Okay!”

“I’ll explain to you.”

“I killed them, there is no reason, it is purely in a bad mood.”

“How about this explanation, Mr. Chu is still satisfied?”

Tianhe Below, between the courtyards, Tang Yun stood forever.

On that majestic face, there was resentment and anger, and even the tone of his speech was a bit of anger.

“Tang Yun, don’t force me!” Mark clenched his palms, his words were like ice, and every word was paused.

“Forcing you?” Tang Yun chuckled lightly.

“Does this force you?”

“By the way, I want to tell you that I will not only razed this small town to the ground, but also slaughtered Denham, slaughtered Noirfork, leveled down your Ye family old house, and killed your parents and relatives.”

“I want you to do this .” ungrateful people, into ghosts, then homeless! no parent can be with! “

Like an ocean storm, sweeping across the four directions.

In a short time, in the entire courtyard, Sha Fei stone walked away, and the rubble fell to pieces.

However, facing Tang Yun’s harsh words, Mark stepped forward and suddenly shouted!

“Tang Yun, do you dare?” The sound was like muffled thunder, deafening.

“Noirfork is the land of my Marksangzi, and Denham is the former home of my native land. All of my dearest relatives are here.”

“If you move them, I will crush you to ashes!”

Mark’s brows were cold and violent. There was endless anger in the anger.

Drinking in a row, only if the thunder exploded.

Everyone has something they want to protect at all costs.

And his parents and relatives were the biggest weakness in Mark’s heart.

Now, Tang Yun has undoubtedly touched the most inviolable Ni Lin in Mark’s heart. How could this make Mark not angry?

“Haha~”

“Mark, what I killed was your relatives, and what I destroyed was the former residence.”

“To deal with such a grieving person like you, why should Tang Yun show mercy to you?” Even in the face of Mark With murderous words, Tang Yun still didn’t mean to regress, and was tit-for-tat.

“You’re looking for death!”

Boom~ the

The surging power, like a tide, overflowed from Mark in all directions.

The earth cracked and the grass fell and flew.

The squally wind that brought up was like an ocean storm.

The majesty of the titled master is undoubtedly revealed at this moment without reservation.

Facing Mark's endless power, the beautiful woman in front of him still stood quietly.

Her eyebrows are like ink, and there is no joy or sorrow on her beautiful face.

She just stood there with her beautiful eyes looking straight at Mark, never moving away.

However, no one noticed Tang Yun's red eyes during the storm.
