

Chapter 3091

Soon, Harvey who received the reply put the call on Kim's cell phone.

After Charlie answered the phone, he turned on the speaker and handed the phone to Kim.

On the phone, Harvey asked tentatively: "Kim, are you there?"

When Kim heard his father's voice, he suddenly broke down and cried,

"Dad! Dad, save me, dad! Someone here wants to send me to the ship as a crew member for three years.

I am not allowed to disembark in the middle, Dad. Hurry up and find a way to save me back!"

Harvey said embarrassingly: "Kim, Dad may not be able to help you with this matter."

"What?!" Kim collapsed and blurted out, "Dad! I still have to attend Sara's concert.

I have to prepare for my personal concert next season. You can't leave me alone, Dad!"

"You are still thinking about that rubbish concert!"

Harvey angrily reprimanded: "When will you mature and grow up a little bit? Don't you think you have caused enough trouble?"

Don't think that I can rescue you every time you make a mistake. Wiping your bu.tt, I'll tell you the truth.

I can't help you when you are in trouble this time. You can wipe your bu.tt by yourself! If you can't wipe it, just don't hold it to me!"

Kim suddenly cried, and sobbed: "Dad! You can't be so cruel, I will die if you don't save me, Dad!"

Harvey resented iron and steel and reprimanded: "Kim! When will you grow up? Dad is talking about you.

Haven't you realized that in this matter I am powerless?"

You are now What we have to do is not to ask me to save you, nor to scold me for being cruel, but to learn from the pain, reflect on your own problems, and then perform well in the next three years!"

Kim couldn't help raising his head to look at Charlie, thinking desperately: "It seems that Charlie's strength is indeed much stronger than I thought.

Otherwise, it is impossible for Cynthia to plead uselessly, and even the father cannot do anything...

It seems that my next three years will be spent living at sea...I really can't get away..."

At this moment, Charlie said: "Okay, time is almost up, just stay here."

Harvey on the other end of the phone hurriedly pleaded: "Master Wade, my naughty son is really causing you trouble. Please take care of him in the future..."

Charlie smiled and asked him: "You seem to know my aunt very well?"

Harvey hurriedly said: "It's... an old classmate and friend for many years."

Charlie snorted, as if he had already seen everything, and said indifferently:

"I can let my aunt who is selfish to the utmost and loves her face to her bones, put down her body, put down the hatred of me, and humbled to help intercede.

I see you two's relationship should be more than just old classmates and old friends. Will you become my uncle someday?"

Chapter 3092

When Harvey heard this, he was so embarrassed that he got goosebumps all over his body on the other side of the phone.

Immediately, he quickly denied: "Master Wade, you have misunderstood.

Your aunt and I are really just old classmates and good friends. There is absolutely nothing improper..."

Cynthia hasn't divorced her original partner yet. Harvey naturally dare not expose the relationship between the two.

Otherwise, if it spreads out. Not only will he and Cynthia be discredited, but the Wade family will also definitely force her to cut off all contacts with him for the sake of face.

Even if Cynthia really loves him and insists on marrying him, the Wade family cannot agree, because they can't afford to lose that person.

In that way, he and Cynthia would never want to come together in an open manner in their entire lives.

If he insists, I'm afraid Cynthia will offend the old man and come with him, maybe in this case she won't get the last bit of inheritance.

Therefore, Harvey knew very well in his heart that he had to keep this secret, at least after the old man Wade drove the crane west, and Cynthia and her original partner formally divorced.

This thing could not be released to the public

Seeing him hurriedly denied it, Charlie has long since confirmed the relationship between him and Cynthia. For him, he had developed the ability to analyze things logically.

If something looks abnormal, there must be something deep in it. When Cynthia, was detained by Charlie in Aurous Hill at the beginning, she was not reluctant to say anything, and clamored in the rental house all day long.

So that Orvel had to pay attention and let all the neighbors living around her move out temporarily.

With her dissatisfied personality, how could she be willing to put aside her face and intercede for the son of an old classmate?

She didn't even go out and intercede for herself.

Therefore, on the surface, her behavior this time was very abnormal, and it seemed that it was extremely inconsistent with her personality.

But the more this happens, the more representative Harvey holds a high status in Cynthia's mind and is very important to her.

A woman who is nearly fifty years old had been separated from her husband for several years, and at the same time took another man very seriously.

No matter how to solve this question, the final result is two words: "extramarital affairs."

Chapter 3093

However, Charlie didn't say much, but smiled indifferently: "It seems that I think too much."

After speaking, he checked the time and said, "Okay, let's not say much. I will have someone arrange a fishing boat for offshore operations in a while.

Then let the son go onboard and experience it, and wait for the ocean freighter on my side to be ready. He can come back and board the ship."

Harvey felt distressed for a while, but he could only sigh: "Then please take care of him, Master Wade..."

At this time, Kim was completely ashes in his heart.

He couldn't imagine that he was still a top star in the music industry a few hours ago, and after a few hours, he would become a prisoner of Charlie.

Moreover, according to Charlie's statement, he couldn't even stay in Aurous Hill for a few days, and he was about to be sent to a fishing boat to experience life.

The conditions of the fishing boat were definitely much worse than that of a large freighter.

Apart from other things, the fishing boats are small in tonnage, and they must be swaying more severely in the sea.

In addition, there must be fish smell everywhere, and the conditions must be difficult.

However, he was alone and helpless in Aurous Hill at this time. He really did not dare to yell at Charlie anymore, but he could only shed tears and bear it silently.

As a local snake, Orvel quickly found suitable fishing boat resources for Kim.

After Orvel made a phone call, he ran back to Charlie eagerly and said, "Master, to tell you, this Kim is really lucky."

As soon as Kim heard this, a good expectation suddenly appeared in his heart, and he thought:

"Could it be that they can't find suitable fishing boat resources, so I don't have to go on a fishing boat to experience life?"

At this time, Charlie also curiously asked Orvel: "Why so?"

Orvel smiled and said: "I have a fishery company in Feng County, which is about 200 kilometers away from Aurous Hill.

My younger brothers have been in charge of it. I just called and asked. They happened to have two fishing boats.

To work in the South China Sea, the several boats in the fishery company's hands are all medium-sized fishing boats.

This type of vessel has limited tonnage, so you can't go too far. Generally, you are working near the South China Sea.

Return, about a month or so. They are loading supplies now and will set sail on time at 8 o'clock tomorrow morning."

Charlie estimated that with the resources in Zhiyu's hands, one month later, the ocean transportation business he and her joint venture should also be able to run, and then transfer Kim to the freighter.

But if he can't get up within a month, just ask him to follow the fishing boat a few more times.

So he nodded: "Okay, choose this one!"

Chapter 3094

When Kim heard this, his eyes suddenly went dark.

"It will sail early tomorrow morning?! This is too sudden, right?"

As soon as he thought of this, he heard Charlie say:

"It's a bit late to set sail tomorrow morning. Since it's your company, then tell your brothers, work hard to speed up, and strive to install before 8 o'clock this evening.

Get supplies, and then set off early. It doesn't matter if the road can be slower. The important thing is to let Mr. Zhong board the ship early."

Kim's desire to live is gone.

Orvel smiled and said, "It's fine, Master, I'll make a phone call!"

Charlie nodded in satisfaction, and said to Issac: "Mr. Issac, then you arrange a helicopter and send him over directly, and you can send him aboard as soon as he lands, don't delay."

Issac said immediately: "Okay young master!"

Afterwards, Issac immediately asked Orvel for the address. After Orvel communicated with his subordinates over there, he directly let several of his subordinates take a helicopter and sent the crying Kim to Feng County along the coast.

After Kim was taken away, Charlie looked at Orvel and asked with a smile: "Orvel, why do you have a fishery company in your hand? I haven't heard you mention it before!"

Orvel said hurriedly: "Hmm, Master Wade, you don't know that we are the people who take part in the game. Basically, we can do everything. I haven't studied much, and I don't know too much about business, so I like investing is such a simple and direct transaction."

After that, he explained: "In most of my business, I use some resources on the road, open up a channel, register a company, and then arrange a few brothers to start directly.

The same is true for fishery companies. I have friends and acquaintances over there. The local maritime department has a good relationship with me.

So I registered a company, leased five or six fishing boats, and sent a few younger brothers to manage it.

Basically, I can make a net profit of one or two million yuan a year. I open a few more businesses and earn income."

For Orvel, he does not have a business that can grow bigger and stronger.

After all, there is no core competitiveness, so he can only earn one or two million here, and one or two million there.

After accumulating less and more, not only can he feed more people, but he also earns more profits. The little bit of rolling gets bigger and bigger.

Charlie nodded his head with understanding, and also intends to make five handfuls of business, so he smiled and said:

"If you are interested, after the ocean shipping business starts, the supporting supplies procurement business will be handed over to you to do it."

"As far as I know, every ocean-going cargo tanker must prepare a large amount of various materials before setting off.

Rather than handing out this business to outsiders, it is better to hand it over to someone who is familiar and trusted."

When Orvel heard this, the whole person was already very excited, but still a little worried and said: "Master, I'm afraid that I am not capable enough to fulfill the requirements..."

Charlie waved his hand and said, "As long as you work hard, you won't be dragged down.

Then you go to Haicheng to register a company, complete the relevant qualifications, and arrange for a strong and reliable subordinate to look at it.

When my business is running, with the conservative estimate you can make tens of millions a year."

Chapter 3095

Orvel was very grateful when he heard this.

In the early years, it was relatively easy for him to make money.

Relying on his special attributes and various relationships, he could make a lot of money every year by playing side ball.

However, in recent years, he has gradually washed out.

Many things that were very profitable in the past are now no longer touched, so the income has dropped sharply.

However, he has many disciples. The cost of keeping them and feeding these people has not been reduced despite the decline in income.

On the contrary, as prices continue to rise and per capita income continues to rise, their costs are also rising.

Therefore, although he had a glamorous appearance in the past few years, he has been in a state of being stretched.

Charlie suddenly took the initiative to hand over all the supply business of the Ocean Shipping Group to him in the future.

And the huge profits contained in it are nothing short of help for him.

Moved, Orvel couldn't help but bowed and said, "Thank you, Master, for your support!"

Charlie nodded and smiled: "You don't have to be so polite between you and me."

After speaking, Charlie said again: "I will give you Melba's contact information later, and you can talk to her directly about the business connection in the future."

Immediately, Charlie remembered something, and said, "Oh, yes, in the future, I believe it will be indispensable to deal with some local people.

There must be countless local snakes in this place, and you will have to arrange some younger brothers here to help Melba solve some things that she is not good at.

I will treat this business as a security business outsourced to you at that time. The profit margin should also be considerable.

Then, from the masters of the He family, I will arrange one or two for you."

Orvel quickly said, "Master can rest assured, I will go all out to ensure the normal operation of the terminal!"

"Okay!" Charlie nodded with satisfaction, and said:

"If this is the case, then you should hurry up to plan when you go back, and consult with Melba to see what you need to prepare and do your homework in advance."

After speaking, Charlie looked at the time, stretched his waist, and said to Orvel and Issac:

"Okay, let's be here today. You two have worked hard too. Two days later, it will be the concert of Sara.

Pay more attention to the situation in Aurous Hill, if there is any evil moth coming over, please tell me in time."

Chapter 3096

Issac hurriedly said: "Master, Zhifei from the Su family has been busy with Miss Gu's concert recently. He is very courteous, and he specifically came to me and wanted to buy the biggest billboard here. I ignored him. I think this guy might be planning to make some monsters on the day of the concert. Do you want to do it in advance?"

Charlie smiled slightly, and said: "Zhifei must be interesting in Sara. As the so-called fair ladies and gentlemen are so charming, it is not wrong to like her.

As long as he doesn't act like Kim, don't care about him. "

Issac said earnestly: "Master, I think that he will definitely be a scourge in the future.

Instead of letting him develop like this, it is better to start early to avoid future troubles."

After speaking, he suddenly remembered something and couldn't help but said excitedly:

"Master, or send him to Syria too, and be a company with his father over there."

Charlie smiled and said, "Are you addicted to sending someone to Syria?"

Issac laughed and said, "It's not true. The main reason is that the kid has impure motives for Miss Gu and I want to get him to Syria once and for all."

Charlie waved his hand:

"I want to cooperate with Zhiyu now. This cooperation hasn't officially started yet. I turned around and send her brother to Syria. How can I cooperate in the future?"

Issac said: "Master, you sent her dad to Syria, didn't she say nothing?"

Charlie shook his head and said, "That's different. Zhiyu's concept of right and wrong is very strong.

I sent her dad to Syria for several reasons that cannot be refuted.

The first is that Zynn did organize an anti-Wade alliance, there were hatreds and grudges with my father; second, he is inferior to his beastly father, and helped him to abuse, which indirectly caused his wife and daughter to be in danger;

Third, Zynn, as a father, not only watches his daughter indifferently in danger, He even wandered around Chengfeng like a dog, begging for mercy. I sent him to Syria, and Zhiyu knew he deserved it."

After speaking, Charlie said again: "However, if I also throw Zhifei into Syria now, she will definitely not be able to accept it, and there is no reasonable reason for me to do this, and this act can't stand for reason."

"Okay." Issac said in a daze: "Actually, I just think this guy really follows Miss Gu with bad intentions, but you can rest assured, Master, I will definitely keep an eye on him.

If he dares to fix any monsters, as long as you give a word, I will immediately control him."

Charlie smiled, and said, "Tomorrow the team from the Sara's will be here. If they need your help, you must be more dedicated."

Issac immediately stated: "Master, don't worry, in my heart, Miss Gu's priority is second only to you!"

...

Chapter 3097

In the early morning of the next day, the two business jets landed at Aurous Hill Airport 15 minutes apart.

There are planes landing early in the morning, which is very rare in Aurous Hill.

Because most of the first flights on duty are from the airport early in the morning, so there are a lot of planes departing from the airport in the early morning, and there are almost no incoming planes.

Of the two business jets, one flew from the north, and the other flew all night from the far southwestern Indian Ocean.

This business jet flying from the north is full of Sara's management team.

They will begin the inspection and final adjustment of the concert venue and stage sound equipment this morning to prepare for her rehearsal tomorrow.

In the business jet flying from the Indian Ocean, apart from the flight attendant, there is only one passenger, and this passenger is Zhiyu.

She left for the Maldives yesterday and handled the ownership change of the island with Anson. After the formalities were completed, she flew back non-stop.

When her business jet stopped at the stand, dozens of Sara's team members in the business jet in front had already left in the airport shuttle bus.

She got into an off-road vehicle prepared at the airport and headed to the business jet terminal.

When she finished the entry formalities and walked out of the passage, she happened to meet Sara's team members picking up luggage in the luggage area.

Seeing this group of people's large bags and small bags, as well as various professional flight cases, Zhiyu glanced more subconsciously, and then guessed the origin of this group, knowing that they must be Sara's team.

However, she didn't think much, so she planned to bypass them directly to the exit, and then go to the parking building to pick up the car and go home.

Unexpectedly, at this time, a familiar man appeared in her field of vision. This man was her brother Zhifei.

At this moment, he rushed in from the outside and came directly to a female leader of Sara's team, and smiled diligently:

“Oh, a lot of people! But I was looking forward to it. You had to board the plane so early. Have you worked hard all the way?”

Tasha smiled awkwardly, and asked in surprise, “Why did Master Su arrive at the airport so early?”

Zhifei hurriedly said: “I’m was afraid that you will be struggling too hard, so I wanted to bring the convoy to pick you up.

The convoy is waiting outside and can take you to the hotel at any time!”

Chapter 3098

Seeing Zhifei, Zhiyu hurriedly stopped and turned sideways silently so as not to be recognized by him.

At the same time, she quietly looked at him twenty or thirty meters away from her corner.

Seeing her brother’s courageous and flattering look in front of Tasha, she suddenly felt a little sick in her heart.

She suddenly felt that the men of the Su family had a very strong purpose in doing anything.

Take her father as an example. The two women almost died at the hands of her grandfather, but when her grandfather needed him to act as a facade, he was still able to put everything down and return to his father to play the role of a filial son.

In the final analysis, he wanted to strive for the seat of the Su family heir.

In the face of this purpose, the daughter is not that important at all.

As for the older brother, the same is true.

A few days ago, he had just sat down, the fact that he still stood in line with his grandfather after she and her mother were almost killed by grandfather.

From this alone, it can be seen that his pursuit of utilitarianism is comparable to that of his father.

The same is true for Sara.

Even with so many things happening at home, his pursuit of Sara has not been affected in any way, and there has never been a momentary pause.

At the moment, only Sara’s brokerage team is coming to the airport, but even so, her brother has personally come forward to greet them, from this we can see how diligent he is.

Zhifei came to pick up Tasha and coworkers’ entourage early in the morning, just to please the people around Sara first.

He felt that as long as these people feel that he is a good man with good intentions, these people will definitely say good things for him in front of Sara.

In his opinion, most women seem to be assertive, but in fact, there is not much assertiveness and persistence in their bones.

Many girls don't like a man at first, but once people around her are blowing air in her ears, brainwashing her, and constantly saying good things about the man, her heart will change little by little.

And many boys will use this as a tactic after pursuing girls to no avail, and there are countless successful cases in the market.

Therefore, Zhifei made a special trip to the airport to show his courtesy to Tasha and other Sara's team members.

Chapter 3099

In order to pursue Sara, Zhifei did not bother much during this time.

During this period of time in Aurous Hill, he has been carrying Sara's team on his back, paying for them with his own money, and secretly upgrading the hardware for the concert this time.

Originally, Sara's various equipment configurations for this concert have reached the upper limit of commercial performances, and the cost was so high that it was almost close to the revenue balance line.

And this level of equipment is already the limit of global commercial concerts. Even top singers such as Michael Jackson and Beyoncé would not be higher than this.

But Zhifei felt that he must let Sara feel his own good intentions.

Therefore, he spent money to buy the team responsible for the sound and lighting of the concert and the stage art.

With Sara's team on his back, he replaced the hardware and equipment such as the sound and lighting of the concert with the top level of the Olympic opening ceremony.

The freight for these equipments from overseas by air alone cost millions, plus the equipment leasing and commissioning costs, the overall cost has exceeded 30 million.

You must know that only tens of thousands of people will participate in a concert, and the face price of the performance ranges from one to two thousand to two to three hundred. If you take the median, the per capita ticket price is only one thousand. The box office revenue is only a mere tens of millions.

For any team, it is impossible to spend 30 million to build on-site equipment, because in this way, even if all the concert tickets are sold out, they will lose at least 15 million.

But Zhifei didn't care.

What he wanted was to use this almost stupid generosity in exchange for Sara's favor.

Throwing thirty million, just to make the concert of his sweetheart reach the top international level, Zhifei himself is happy with his arrangements, and he felt that this move would definitely win Sara's favor.

Moreover, he even thought that if his confession at the concert is unsuccessful, he would look for a public relations company to bring the rhythm to the whole network.

By then, as long as the media exposes the fact that he is spending 30 million, and then puts himself in an “infatuated man” persona, it will invisibly bring strong psychological pressure to Sara.

Sometimes, moral kidnapping is also a good way to pursue the other party.

Tasha, who is like any other human being, naturally knows why Zhifei is so diligent.

She hurriedly said to Zhifei: “Mr. Su you don’t have to be so polite. I have communicated with the execution company that cooperated with us before in Aurous Hill. They have arranged a pick-up vehicle, so we won’t bother you.”

Chapter 3100

Zhifei heard this and knew that the other party was deliberately keeping a distance from him, but he was not angry.

Instead, he smiled and said: “Tasha, you may not know that the bus driver that the executive company arranged for you, had a sudden illness this morning, and he went to the emergency department of the hospital.

The executive company was unable to find an alternative immediately, so I hurried over to prevent you from waiting at the airport.

After all, you are not only crowded, but also so with more baggage equipment, the need for taxis will definitely be endless.”

When Tasha heard this, she guessed that whether it was true or false, she could not refuse Zhifei, because they were relatively short on time.

So they have to hurry to the hotel to check-in, put down their luggage, and immediately follow the schedule.

They have to take all kinds of equipment to the venue. If they don’t take the vehicles arranged by Zhifei, it might be a delay of two or three hours.

So she had no choice but to say thankfully: “Mr. Su, thank you so much...”

Zhifei hurriedly said, “What are you doing so politely with me.”

After speaking, he quickly reached out and took Tasha’s suitcase, and said: “The convoy is right outside the door, let’s set off quickly.”

“Okay.” Tasha nodded and hurriedly said to the staff around her: “Everyone quickly pick up the luggage, and then take the car to the hotel. Time is tight, everyone move faster.”

The group hurriedly sorted their luggage and items, and together with Tasha, headed to the exit under the leadership of Zhifei.

At this time, outside the exit of the corporate jet building, more than ten black Rolls-Royce cars and two vans were parked neatly.

Such a grand stage shocked the young people in the team.

Because Sara was low-key and never used top luxury cars like Rolls-Royce, most of her staff had never had the opportunity to ride in a Rolls-Royce as well.

Now they see more than a dozen Rolls-Royce picking up the plane, one by one. There are some uncontrollable joys.

As Zhifei put Tasha's luggage into the trunk of the lead car, he said to everyone: "Look for a car nearby and get in. We have many cars and are spacious. One car can seat two or three people."

"Some of the luggage that needs to be carried to the hotel is hard for everyone to carry by themselves. As for the equipment that needs to be sent to the venue, it will just stay here.

I have arranged two trucks behind me and professional transport personnel. It will help send the equipment directly to the venue, so that it can save a little trouble too!"

Most of the team brought by Tasha were girls, and Zhifei's thoughtful and careful arrangement immediately won him a lot of favor.

So, the girls cheered, and after thanking Zhifei, they got into the car nearby.

Zhifei put the suitcase in, and said to Tasha, "Tasha, you can take this car with me. It just so happens that I have something to communicate with you on the road."

"Okay." she nodded and was about to open the car door. Zhifei hurriedly stepped forward, opened the door in front of her, and said with a smile: "Come on, please get in the car."

Tasha thanked him and got into the car.
