

## The One and The Only Chapter 31 - 40

Hu Dongbing raised his right hand and motioned to his men to be quiet.

Then, he sneered at Yash Nics's so scared Song Pingting, Hong Daxiang and others, and

said to Yash Nics mockingly: "Come to fight?" The

corner of Yash Nics's mouth rose slightly: "Are you sure?"

Hu Dongbing sneered. He wanted to answer, but he suddenly heard the sound of police

sirens coming from the street in the distance.

Then, black special police riot vehicles, like a long black dragon, roared in.

In the shocked eyes of Hu Dongbing and his men, the scene was instantly surrounded by

more than one hundred special police explosion-proof vehicles.

One by one, armed police special forces wearing black combat uniforms, holding

submachine guns, jumped out of the car with agility.

In a few blinks of an eye, Hu Dongbing and hundreds of his men were completely

surrounded by thousands of heavily armed task forces.

In the shocking gazes of everyone on the scene, the man in the colonel's uniform walked to

Yash Nics with strides, saluted and said loudly: "Report, the Raptors Special Forces colonel,

Dian Chu, led a thousand special forces. Soldiers, now in place, please give instructions."

Yash Nics looked at Hu Dongbing and others who were already stunned, and said lightly:

"Come to fight!"

Thousands of special service fighters on the scene, facing Hu Dongbing's gang of

gangsters, shouted. : "Come to fight!"

Huangdang!

The iron pipe in the hands of a small bastard fell to the ground, his legs trembling raised his

hands, and he trembled: "I surrender..."

Dang, Dang, Dang... There

were hundreds of bastards on the scene, as if they were in their hands. The weapons became hot, and everyone rushed to throw them away and surrendered.

Dangdang!

The machete in the hand of the nine-stripe dragon Hu Dongbing also fell to the ground, his eyes filled with fear, and he followed his men and surrendered. Nonsense, although he is very prestigious in the underground circle of Mannity.

Even a word can make someone completely disappear from the world.

But in the face of the current situation, facing thousands of heavily armed secret service soldiers.

Not to mention the battle, he felt that he was not too scared to pee his pants with thousands of submachine guns pointed at, which was pretty good.

As for fighting, isn't it stealing confessions from the table of the king of Hades and seeking his own death?

Not only Hu Dongbing's group of gangsters turned pale with fright, but Song Pingting, as well as Hong Daxiang and other workers from the demolition team, were dumbfounded.

Hong Daxiang and other workers looked at Yash Nics and wondered what Yash Nics came from.

Why are there so many secret service soldiers here, and the officer in the uniform of the colonel must report to Yash Nics respectfully and ask for instructions.

After Song Pingting's last operation to save her daughter, her receptive ability has become a little stronger. It is speculated that Yash Nics should once again seek the help of the head of the year.

She felt that Yash Nics was really lucky. After he was discharged from the army, the old chief knew that he had something to do and took care of him in this way.

When Yash Nics saw Hu Dongbing surrender, he squinted his eyes and said coldly: “Heh, what do you mean, didn’t you just say that I was allowed to fight?” Hu Dongbing bit his head and said, “I don’t know Taishan. this time I Renzai Mr. somebody like you, no need to tell me this little guy usually care about you please when I was ass, let me go, I’ll take Mr. damages. ” snapped!

As soon as Hu Dongbing finished speaking, Yash Nics slapped him fiercely, slapped him with two teeth, and half of his cheeks became swollen. Yash Nics said coldly: “When you bully the weak and ordinary people, have you ever thought of letting them live? Now you are starting to pretend to be a dead dog and begging for mercy?”

The One and The Only Chapter 32

Hu Dongbing is a ruthless man who has taken a lot of blood, even though he was frightened by the identity of Yash Nics and so many secret service soldiers. But the moment he was beaten, his eyes still flashed a touch of hostility, subconsciously wanting to attack.

But he quickly restrained it again, hiding the hostile color in his eyes, covering his face and lowering his head, not daring to speak, thinking bitterly: You made you cruel, I was making trouble at the construction site today. Disrupting public order is sentenced to a maximum of three years in prison.

I know I can’t fight you, and after three years I will come out, and I will kill your family secretly and make you feel bad.

Yash Nics looked at Hu Dongbing, who lowered his head and did not say a word, with the corners of his mouth raised slightly, and said with a sneer: “Are you thinking now? Even if you offend me, today’s affairs are not big. Disrupting the order will be sentenced to one or

two years at most. Waiting for you Come out and take revenge on me or my family?”

Hu Dongbing raised his head and looked at Yash Nics in horror, but argued: “I dare not...”

Yash Nics looked at Hu Dongbing indifferently, and said lightly: “You accept It doesn’t matter if you don’t admit it, or if you dare or dare, because you have no future.”

Hu Dongbing heard Yash Nics’s words, his heart trembled, and he seemed to realize something. He cried out in shock and fear: “I I know you must be a very powerful and powerful person, but so many people are watching, you can’t avenge your personal revenge .” He said that, suddenly toward the workers such as Hong Daxiang, as well as the passers-by and the audience who stopped to look in the distance shouted: “

Public revenge has been reported , and some big people have reported private revenge .

Everyone should take video and take pictures. Everyone will testify to me.” “I, Hu Dongbing, is just disturbing public order, but he threatened me to die. If I really have an accident, everyone will help me expose his evil deeds. ! ”

Ning looked at the clown’s Hudong Bing, light, said:” I told enough yet “?

Hudong Bing action froze, looked alarmed Ning.

Yash Nics calmly said: “The crimes you have committed over the years are exhausted, and it is not enough to shoot you ten times. You deserve it when you have committed it.”

Hu Dongbing heard Yash Nics’s words and was completely scared. His eyes were full of horror, but he made the last struggle: “I don’t know what you say, don’t want to plant me?”

“Plant?”

Yash Nics sneered, “I need to plant you? I can kill you with just one phone call. All the bottoms are up, Dian Chu!”

Dian Chu understood and immediately made a call.

Only five minutes later, Dian Chu's cell phone rang. Dian Chu connected the phone, pressed the hands-free button, and then heard a loud and powerful voice from the phone, and quickly read: "In 2003, Hu Dongbing lost money in Tianhai City, suspecting that the dealer Xu Baoming made a thousand dollars. , to kill; " " the same year, Hudong Bing fled in Gimhae, gathered around a bunch of fellow culprits, a brawl, personally hacked to death nine people; " " 2005, local businessmen charged five million commission, killing one foreign businessman Liang Youcai Six mouths..."

Hu Dongbing opened his eyes wide, his face as gray as death. Many of the crimes he committed in the past were very hidden crimes, and they were picked up one by one. Every time the person on the phone reads a crime of his, his face becomes desperate. The expression he looked at Yash Nics was also full of fear. Yash Nics was able to expose all the unsuccessful cases he had made in the past few minutes with a casual sentence, which shows Yash Nics's ability to pass the sky. The people around were looking at Hu Dongbing angrily. Everyone knew that Hu Dongbing was not a good stubborn, but he didn't expect this person to be a demon who killed countless people. In Dian Chu's cell phone, a crime committed by Hu Dongbing over the years is still being traced. Yash Nics coldly interrupted and said, "Okay, don't read it anymore. I don't want to listen to this guy's evil deeds. These crimes alone are enough to send him to hell."

Hu Dongbing stood unsteadily and weakly. Kneeling on the ground with a thump, like a beast on the verge of death, begging to look at Yash Nics, hoarsely said: "Please, let me go..."

Yash Nics said coldly: "When you go to hell, tell the king. "

The One and The Only Chapter 33

Ning finished, he commanded Code Chu said: "These people left out of their removal to the police, at the same time to send them all the evidence together in the past, be severely dealt with."

"Yes, sir !"

Dian Chu gave Yash Nics a resounding and powerful military salute, and then commanded the special soldiers on the scene to take Hu Dongbing and others away.

Hong Daxiang and the workers of the demolition team waited for the special service

soldiers on the scene to withdraw before they recovered from the shock.

Song Pingting also asked softly: "Yash Nics, explain, what's the matter. Why are so many secret service soldiers dispatched to arrest Hu Dongbing?"

Yash Nics blinked and smiled: "I didn't tell you. Have you ever worked? I have been a soldier for a few years before. It happened to be my former chief who led soldiers in Mannity during this period of anti-terrorism exercises. Hu Dongbing and his group were unlucky and hit the gun."

Hong Daxiang also asked curiously: " But just now I saw the colonel, he salutes you and treats you respectfully." Song Pingting and others also looked at Yash Nics, waiting for Yash Nics's explanation.

Yash Nics smiled and said, "They are probably for the sake of my former chief, so they are more polite to me."

Hong Daxiang and others believed it was true, and finally believed that Yash Nics was an ordinary veteran.

This time, Hu Dongbing and his gang were unlucky, and they happened to encounter the anti-terrorism operation above, which happened to bring Hu Dongbing and the others in one

pot.

This is called multiple acts of unrighteousness will kill itself. Only Song Pingting frowned and looked at Yash Nics suspiciously. She always feels that it is not that simple, but Yash Nics's explanation is reasonable and seems reasonable.

Yash Nics turned off the topic and said, "Well, this group of gangsters have been arrested.

The demolition team will make arrangements and get ready to resume work!" In the evening, news time.

Song family mansion, dining room.

Mr. Song, Song Zhongxiong and Song Zhongping, important members of the Song family, were sitting together for dinner, and news from local TV stations was shown on the TV in the dining room.

Father Song asked, "Zhongxiong, I remember that today is the day when Ningda Company officially started to demolish Haitang City Village? How did Jiuwenlong do things for us?" Song Zhongxiong smiled and said, "Dad, I have already asked this morning. According to Long Ge, he sent someone to smash the excavators and earthmoving trucks of the Ningda Company's demolition team. He also injured the Ningda Company's demolition workers. Let's say that Ningda doesn't want to carry out this project. Go down."

"I had a meeting at Mingda Company in the afternoon. I just came back. I haven't asked Brother Long about the recent progress."

Father Song said with satisfaction, "Very well, you can make a call now. Tell Jiuwenlong and let him It's a lot of trouble. You must let Song Pingting know that she can't handle this project and force her to come to our house for help."

Song Zhongxiong said yes, and then took out his mobile phone to call Hu Dongbing.

But after making the call, he was stunned.

Father Song, Song Zhongping, Song Haoming, Ge Meili and others looked at Song

Zhongxiong in amazement, and asked, "What's wrong?"

Song Zhongxiong said with a puzzled face, "If you are prompted to turn off the phone, it

might be that Brother Long's phone is dead. ? the "

Song Haoming suddenly, pointing to a huge LCD TV on the wall, exclaimed:" look, Ge, he

was on TV "!

Song everyone heard shouted look to television, I saw on the TV news, Teams of secret

service fighters were escorting criminals into the car.

Then, the camera shows one of the arrested criminals with a close-up face, which is the

Jiuwenlong Hu Dongbing.

At the same time, the voice of the news broadcaster was heard on TV: "Today, the city

carried out an anti-crime operation and arrested a gang of criminals who committed many

crimes. The first thief was Hu Dongbing, who committed several murders. This time, the law

will wait for him. Severe punishment..."

Everyone in the Song family was dumbfounded. After a while, Song Zhongxiong said with

difficulty: "Brother Long, it's over?"

The One and The Only Chapter 34

Song Qingsong's family saw Jiuwenlong being caught in the news, they were all

dumbfounded.

Soon, Song Zhongxiong called through his relationship to find out the truth of the matter.

After he finished the call, he smiled bitterly and said to Song

Qingsong and the others: "Dad,

it is said that there was a chief who led the troops in a counter-terrorism exercise in China

Shipping recently. Brother Long and the others happened to hit the gunpoint this time, and

they were easily treated by them. It's done."

Song Qingsong's family looked at each other when they heard this.

Song Zhongping suddenly realized: "I just said Song Pingting and his family, how could they

have such a great ability, called the special service fighters to deal with Long and the others.

It turned out that Long and the others were unlucky, and they happened to run into this stall.

.”

Song Qingsong face can not be reconciled:”! Song Ping Ting a little slut, really blind dog feces hit, go shit ah ”

Song Zhongxiong said:” dad, I think the pressure is reapplied to give Song Painting ”

Song Qingsong frowned and said, “Jiuwenlong Hu Dongbing and the group have been arrested. Is there any way you can force Song Pingting to hand over the project to us?”

Song Zhongxiong smiled and said, “Zhongsheng Group’s President Cao Jianbin, he has always been very interested in the Haitang Shopping Plaza project.”

“We can find him to cooperate and let him be responsible for exerting pressure on Song

Pingting .” Song Qingsong’s eyes lit up and said in surprise:

“Zhongsheng Group has great

strength. Hou, Cao Jianbin used any means casually. Song Pingting’s Ningda company was

about to be destroyed. After she got into trouble, she would definitely be forced to come to

our home for help. By then, the Haitang Shopping Plaza project would be completed

logically. Back to our hands.”

Song Zhongxiong nodded and said: “Yes, we can choose to cooperate with Zhongsheng

Group to complete this project at that time. It is not guaranteed that we will be able to marry

the Cao family and climb the Cao family.

Where’s the big tree.” Song Qingsong was stunned: “What do you mean by marriage?”

Song Zhongxiong said with a smirk: “Dad, Cao Jianbin is actually very interested in Song

Pingting .” Song Qingsong and others were a little stunned when they heard Song

Zhongxiong’s words.

Cao Jianbin is fifty years old this year. He has married three wives, all of whom are dead.

Now he is a widower.

However, he is the president of Zhongsheng Group, a well-known rich man in the Chinese society.

Song Qingsong frowned and said, "Song Pingting gave birth to a child out of wedlock, and now she is still confused with that crippled man named Yash Nics.

Boss Cao has great financial power and extraordinary status. Will he look down on Song Pingting?"

Song Zhongxiong smiled and said: "Dad, you don't need to worry about this level.

Boss Cao, doesn't like girls, but only likes young women, just like Song Pingting."

Song Qingsong was relieved after hearing this, "That's good, if Boss Cao really saw Song Pingting, that was the blessing of that little bitch."

... In the

next few days, Song Pingting's Ningda Company officially demolished the old buildings in Haitang City Village.

As the saying goes, when an excavator rang, gold is ten thousand taels.

After the construction team started, Ningda Company spent money just like running water.

When Song Pingting founded Ningda Company, she took 5 million yuan in start-up capital from Yash Nics.

When the construction just started, Yash Nics added another 20 million.

But in terms of funding, Ningda is still very tight.

Song Pingting began to worry about funds, but she didn't talk to Yash Nics again.

After all, in her opinion, Yash Nics was buying a car and a house, and Yash Nics from Nanjing

University also took out the money twice.

She estimated that Yash Nics's money had already been spent almost, and she was too embarrassed to use Yash Nics's money again.

However, the Haitang Shopping Plaza project has just begun, and there are still more places to burn money, and many places need to be advanced.

Song Pingting thought about it, and felt that the only way now was to increase investment.

As a result, she actively contacted several powerful consortium companies in the past two days, and brought her prepared investment plan to attract investment everywhere.

As a result, hit a wall everywhere!

Basically all the owners of the consortium think that Haitang Shopping Plaza is a good project.

But Song Pingting is too young and has little qualifications, and Ningda Company is weak.

They were not optimistic about Song Pingting and Ningda Company, so they refused to invest.

The One and The Only Chapter 35

evening, Song Pingting returned home carrying a briefcase and dragging her exhausted body.

At home, Song Zhongbin and Ma Xiaoli had just made a sumptuous dinner, while Yash Nics was playing with his daughter on the sofa.

When the daughter saw Song Pingting, she trot over immediately and giggled: "Mom, you are back, come and play games with us."

Song Pingting bends over and kisses her daughter softly, "Mom."

"I'm so tired at work. I'll spend a day with you on the weekend, okay?" Song Qingqing nodded

obediently: "Well, mother, sit down, and my father and I will give you a kick on the back."

Song Pingting was pulled by her daughter. Sitting down on the sofa, her daughter pressed

her shoulders herself, and at the same time she told Yash Nics to say: "Dad, I will press my

mother's shoulders, and you should press my mother's feet quickly.

Mom works to make

money to support the family. It's hard work."

Song Pingting Qiao Blushing, he said no to Yash Nics in embarrassment and don't listen to the child.

But Yash Nics had already reached out and picked up her feet in high heels, and could not help taking off her stiletto heels.

Putting her feet on her own laps, while gently pressing her beautiful feet through the stockings, she smiled and said, "Qingqing is right. Mom has worked hard, and Dad has to wait for mom."

Song Pingting's face blushed, struggling twice, but couldn't get rid of it, and she was a bit embarrassed.

Fortunately, after a while, Ma Xiaoli came over from the dining room and shouted: "What are you doing, ready to eat."

Song Pingting was frightened and forcibly moved her feet away from Yash Nics's legs and wore them in a panic.

Going on the high heels, she replied: "Okay, eat." Ma Xiaoli showed an ambiguous smile on her face, pretending to see nothing, holding her granddaughter, and heading towards the dining room first.

Song Pingting put on her shoes, and whispered to Yash Nics next to her in shame: "It's all on you, let mom see the joke, right?"

Yash Nics smiled, did not answer Song Pingting, but asked faintly: "Seeing that you seem to be very busy these days, and you are still frowning. Is there something wrong with the company? Tell me?"

Song Ping Ting shook her head, "It's okay. It's just that I want to attract a few investors recently, but everyone is not optimistic about Ningda Company, and they don't want to invest."

Yash Nics heard it and said meaningfully: "Don't worry, you can't guarantee it. In a few days, they will cry and beg you to invest in them."

Song Pingting couldn't laugh or cry: "Yash Nics, you really want to be beautiful." The

family sat down for dinner, and the food was very rich.

However, Song Pingting had just eaten a few bites, and suddenly her mobile phone rang.

She took her cellphone and walked to the balcony to answer the call. She came back a few

minutes later, her expression a bit abnormal.

Yash Nics asked calmly, "What's wrong?"

Song Pingting said, "It was a call from Cao Jianbin, President of Zhongsheng Group. He said

that he wanted to invest in the Haitang Shopping Plaza project. Let me go to Junan Hotel to

talk to him now."

Yash Nics said lightly: "Aren't you pulling investment? Someone is willing to invest. That's a

good thing, but how do you think you are a little hesitant?"

Song Pingting said with a bitter smile: "Zhongsheng Group is strong, and Cao's family is

also the top giant in China Shipping. . Boss Cao wants to invest in our project, which is a

good thing. But what I wonder is that I haven't asked him to invest.

How did he know that I'm

investing in investment and contact me proactively?"

She hesitated and added: "In addition, I heard that Cao Jianbin's private life is a bit unruly,

so hesitate to see him?"

Yash Nics said indifferently, "In that case, I will drive with you to see if he invests sincerely. "

In fact, Song Pingting said that Cao Jianbin's private life was improper, which is already a

very euphemism.

Many people know that Cao Jianbin is a well-known old pervert, and many businesswomen

are afraid to negotiate business with him.

When she heard Yash Nics accompany her to see Cao Jianbin, she was relieved a lot, and

nodded and said, "That's good, but your impulsive temperament must be restrained and you

can't hit people casually."

Yash Nics smiled and said, "Don't worry. I don't hit people casually, but I don't hit people casually."

The One and The Only Chapter 36

Junan Hotel, in the Jade Box.

Over fifty years old, Cao Jianbin, who is obese, is drinking red wine with Song Haoming and

Ge Meili. There are a few bodyguards in suits and leather shoes standing around him.

Ge Meili stood next to Cao Jianbin at this time, bent down to pour the wine to Cao Jian, and

said in kindness: "Boss Cao, our husband and wife are juniors. In the future, you elders, but take care of us juniors."

Cao Jianbin squinted. Squinting at Ge Meili, wearing a cheongsam, when he took the red

wine that Ge Meili handed over, he calmly touched Ge Meili's hand twice, and said with an

ambiguous smile: "Hehe, other benefits of my old Cao No, I like to get along with you young

people. I especially like to take care of the beautiful juniors like Miss Ge, hahaha."

Ge Meili tweeted, "Death!"

Song Haoming was beside him, laughing stupidly.

At this moment, there were two clear knocks on the door suddenly.

Then the door of the box was opened, and a waiter came in with a pair of handsome men

and beautiful women.

The waiter respectfully said: "Mr. Cao, Miss Song is here."

It turned out that the two handsome men and beauties who came in were Yash Nics and

Song Pingting.

Only when Song Pingting came in knew that not only Boss Cao was here, but Song Haoming

and Ge Meili were also there.

Since her family was kicked out of the family, she has completely disliked the people of the

Song family.

Seeing Song Haoming and Ge Meili at this time, she was taken aback for a moment, and

then coldly said: "You are here, it's not that a family doesn't enter the house. Since you are here, then I don't need to be here anymore and say goodbye." After she finished speaking, she wanted to leave with Yash Nics. But Song Haoming stood up and deliberately said, "Song Pingting, why are you doing this?" Ge Meili also came over and said: "Yes, you are here tonight to discuss investment with Boss Cao. In business, business, and personal feelings, this is your fault ." Cao Jianbin also walked over now. , Said with a smile: "Miss Song, feelings belong to feelings, and business belongs to business. This time I am going to invest a lot of money in your project, and I also actively invite you to meet and talk. But you just have to leave, which is a little bit of inconvenience to me Is Cao's face saved ?" Song Pingting also felt that business should not be sentimental. Now the company is in short supply of funds and urgently needs a consortium to invest. Besides, the Cao family is the top giant of Mannity, and Cao Jianbin takes all of the black and white in Mannity. If you offend him, then she basically doesn't want to do business in Mannity. She forcibly calmed her mood, squeezed out a smile, and said: "What Boss Cao said is that I was emotional. Okay, I see Boss Cao's love, and I will stay and talk about investment matters."

Cao Jianbin smiled. He said, "That's right, come and sit down and talk." He said, one hand stretched out to Song Pingting's waist, and he wanted to sit down with his arms around Song Pingting. But just halfway through his hand, Yash Nics had already stretched out his hand suddenly and held it together. Yash Nics looked at Cao Jianbin with a smile: "Boss Cao, it's nice to meet you." Cao Jianbin looked at Yash Nics in fright: "Who are you?"

Song Pingting noticed Cao Jianbin's actions just now. She was just about to dodge, but she did not expect that Yash Nics had already cleverly stopped Cao Jianbin's wiping.

She looked at Cao Jianbin a little wary at this time and introduced: "He is Yash Nics, my husband."

The One and The Only Chapter 37

Cao Jianbin looked at Yash Nics, and said without a smile: "It turns out that it is Miss Song's husband. I don't know where he is?"

Yash Nics said lightly, "Guarding the family and defending the country." ! "

Cao Jianbin eyes wide open: " ? what "

Song Haoming said, grinning: " Cao boss, you do not listen to his boast that he actually used

to be a poor soldier, now retired, and was not working Xianhan. "

Cao Jianbin Hearing this, he mocked Yash Nics and said, "Oh, this is the first time I have seen a poor soldier.

He speaks so noble." After he finished speaking, he pulled his hand directly from Yash Nics's hand, disdain to talk to Yash Nics. The humble vagrant shook hands.

Song Haoming and Ge Meili both looked at Yash Nics and Song Pingting fortunately.

Song Pingting looked at Yash Nics with some worry. She was afraid that Yash Nics would hurt her self-esteem, and she was also afraid that Yash Nics would get angry and beat others. After all, Yash Nics was never used to others.

Song Pingting held Yash Nics's hand tightly and defended Yash Nics: "Without soldiers, there will be no peace. Soldiers are responsible for defending their homes and the country. I think Yash Nics is right, and soldiers are already glorious and noble!" Cao Jianbin coveted Song Pingting's body naturally wouldn't quarrel with Song Pingting. He immediately followed Song Pingting's words with a smile and said,

“Miss Song’s words are reasonable, and my old Cao is convinced. Come, everyone sit down.”

After Cao Jianbin sat down with Song Haoming, Ge Meili, and Yash Nics and Song Pingting.

Cao Jianbin asked his subordinates to bring out a bottle of red wine, which turned out to be

a bottle of top red wine worth millions of Roman Kangti.

Roman Conti red wine is the world’s top red wine, and the famous Lafite becomes a

beggar’s wine in front of it.

Cao Jianbin wanted to show off his money charm in front of Song Pingting.

He believes that few women can achieve the charm of money, especially Song Pingting, a

woman whose company is short of funds.

Both Song Haoming and Ge Meili were stunned by Cao Jianbin’s heroic deeds. There are

many people who can afford to drive a million-dollar luxury car, but there are really few

people who can afford a million bottles of red wine.

Ge Meili opened the bottle herself, poured the red wine into the decanter, and then poured

the wine for everyone herself.

Cao Jianbin picked up the wine glass and said with a smile: “Come on, I will toast everyone,

Miss Song, Xiaoming, Xiaoli, who else?”

Song Pingting: “Yash Nics!”

Cao Jianbin smiled: “Yes. And I also respect Yash Nics. Look at my memory, and I forgot it in a blink of an eye.”

Everyone at the scene knew that Cao Jianbin deliberately buried Yash Nics and mocked

Yash Nics as an unknown pawn, and he didn’t deserve to be remembered.

Yash Nics smiled and said: “It’s okay, it will be hard for you to forget me in the future.”

Cao Jianbin vaguely felt a hint of sharpness from Yash Nics’s words, he sneered and said:

“Not necessarily, I manage everything every day. The funds handled every day Just over 100

million, there are countless dignitaries that I know every day. Ordinary people, I really can't remember."

Song Pingting sensed the smell of gunpowder in the air, and she quickly said, "Drink, drink."

After that, she drank first. The red wine in the glass is a respect first.

Cao Jianbin smiled, and had a drink with Song Haoming and Ge Meili.

However, after Cao Jianbin took a sip of his wine, he suddenly said to Yash Nics: "Yash Nics, as you, hasn't the ability to drink such an advanced red bar in your life?"

Cao Jianbin said, Song Haoming told Ge Beauty looked at Yash Nics gloating.

They knew that Boss Cao did it intentionally.

Deliberately show strength in front of Song Pingting, while taunting Yash Nics.

Then the images of Boss Cao and Yash Nics will be judged high and low in front of Song Pingting.

Song Pingting must dislike Yash Nics ashamed, and naturally admire Boss Cao, then Boss

Cao will be able to capture Song Pingting's heart.

Boss Cao has a great play!

The eyes of everyone in the box fell on Yash Nics, wanting to see Yash Nics's shame, incompetent, furious appearance.

Song Pingting worries about Yash Nics's self-esteem injury. She is already considering giving up accepting Cao Jianbin's investment and leaving directly with Yash Nics.

She would rather not invest than her husband would be humiliated. However, Yash Nics did not change his face.

Under the gaze of everyone, he picked up the red wine glass, took a light sip of the wine, then vomited, put the wine glass down, and said coldly: "Fake wine."

The One and The Only Chapter 38

Everyone at the scene opened their eyes wide, and everyone looked at Cao Jianbin in

surprise.

Cao Jianbin's face sank, and his voice became severe: "Boy, you can eat rice but you can't talk nonsense."

"I kindly entertain you with top-quality red wine, but you slander me as fake wine. Today, if you can't prove that this wine is) Fake, I want you to swallow all the wine bottles in your stomach!"

Boss Cao was angry and the consequences were serious! Song Haoming and his wife gloated at Yash Nics. Yash Nics dared to say that Boss Cao's top red wine was fake wine. Isn't this slapped Boss Cao in the face?

If Yash Nics can't prove that this bottle of wine is a fake wine tonight, I'm afraid it will be

Boss Cao's bodyguards, who will cork the whole wine bottle to Yash Nics and swallow it.

When Song Pingting saw Cao Jianbin's anger, she also became anxious.

The investment is not small tonight. If Cao Jianbin is offended, Yash Nics will be retaliated against by Cao Jianbin.

She quickly stood up, pulled Yash Nics, and apologized: "Boss Cao, I rarely drink red wine on a fair day. He doesn't have a high level of wine tasting. I will apologize for him when he said something wrong, okay?"

Yash Nics He said lightly: "My wife, there is no need to apologize to him, although I prefer our Chinese white wine to red wine. But whether Roman Kangti is true or not, it can still be drunk."

Yash Nics said here, his eyes fell on Cao Jianbin said coldly: "It's a good thing that you want to invest in our project, but I think you are a drunkard who doesn't want to drink. You just look down on me, and use such a bottle of fake wine to fool everyone. It's too much."

Cao Jianbin said angrily: "You keep saying that this is a fake wine. If I can prove that this

bottle of wine is true, what will you do?”

Yash Nics said indifferently : “If you can prove that it is true, everything You decide.”

Cao Jianbin sneered: “Okay, if I prove that this bottle of wine is true, you can give me this bottle to eat. If you don’t eat it, I will let my subordinates force you to eat it.”

Yash Nics’s mouth rose slightly: ” What if it turns out that this bottle of wine is a fake?”

Cao Jianbin’s eyes flashed with panic, but disappeared in an instant. He raised his head and

said loudly, “If it is fake, I will leave it to you.”

Yash Nics smiled. Said: “Well, if it turns out that this bottle is fake in the end, I don’t need

you to swallow the bottle. You can use this bottle to smash your pig’s head.”

Song Haoming and his wife don’t think it’s too much of the excitement. He laughed beside him and said that they were notaries.

Song Pingting didn’t expect that Yash Nics and Cao Jianbin would be even better, and they would bet on the spot.

She wanted to stop it at this time, but it was too late.

She was so anxious that she shook Yash Nics’s hand very nervously, and whispered anxiously: “Yash Nics, what is the identity of Boss Cao? How could his wine be fake? Why are you angry with him? What should you do if you lose? ”

Yash Nics said

calmly: ” Whether he has money, and whether this bottle of wine is fake or not has no

inevitable relationship. This bottle is fake wine, and we will not lose.” Cao Jianbin sneered

when he heard Yash Nics’s words. : “I don’t know the height of the mud legs, I want you to

be convinced tonight.” After

he said, he ordered one of his subordinates: “You, go and call the chief appraiser of the hotel

to me and personally appraise it. My bottle of Roman Kangti, is it true or not?” The

subordinates

respectfully said: “Yes, boss!”

Not long after, Cao Jianbin’s subordinates called the chief appraiser of Junan Hotel Zhai Younian.

Junan Hotel is one of the most famous five-star hotels in China Overseas. Zhai Younian is also a well-known wine appraiser in the wine culture circle of China Overseas. He is also the chief wine appraiser of Junan Hotel.

When Cao Jianbin saw Zhai Younian, he immediately waved his hand and said, “Expert Zhai, you are here. Some people say that Cao’s bottle of top Roman Kangti is a fake wine. You come to taste and taste it on the spot. I will prove to everyone that this wine is Is it true?”

The One and The Only Chapter 39

Zhai Younian walked over quickly, shook hands with Cao Jianbin, and then smiled: “The top Roman Kangti, the best red wine in the world. I must taste it carefully and determine the true and false seriously. .”

Ge Meili had already personally picked up the decanter and poured a small glass of red wine

again. Shi Shiran came over and handed the red wine to Zhai Younian.

She smiled and said: “I have watched Mr. Zhai’s wine tasting lecture on TV. Mr. Zhai has a deep research on red wine, is knowledgeable, and the young woman admires it. This time I was able to witness Mr. Zhai’s tasting of the true and false red wine. It is really us. It’s an honour to be here.”

Zhai Younian proudly took the wine glass and smiled reservedly: “This young lady has passed the award.” Cao Jianbin urged: “Expert Zhai, you hurry up and taste it. I want to let some unknowingly so-called mud legs lose. He was convinced.” Zhai Younian nodded, and then he shook the wine glass twice, shaking the red wine in the glass to sober up the wine.

Then he closed his eyes, put the wine glass under the tip of his nose, and lightly sniffed the aroma of the wine, instantly revealing an intoxicated expression. Then, he took a light sip of the red wine, and then showed an extremely intoxicated expression like drinking a fairy. He opened his eyes and said excitedly: "It is this incomparable taste. This 100% is a 90-year-old Roman Conti red wine. It is absolutely correct." Zhai Younian's words fell, and Song Pingting, who was always worried, was pretty. His face instantly turned pale. Song Haoming picked up the red wine bottle from the side of the table. It did say that it was produced in 90 years in French. He was pleasantly surprised and said: "God, expert Zhai tasted the wine really accurately. It is indeed the top-quality Kande red wine of the 1990s." Ge Meili smiled and said: "So, this bottle of wine is real, Yash Nics, you have lost." Cao Jianbin and others' eyes all fell on Yash Nics, Cao Jianbin looked at Yash Nics, and said with a sneer: "You Lost, now you ate the bottle yourself, or let some of my bodyguards help you?"

Song Pingting was very anxious. She just wanted to intercede with Cao Jianbin, but Yash Nics smiled and said: "Am I losing?" Cao Jianbin said with a sullen face: "There are already experts on the spot that this is real wine. Don't lose, huh, aren't you planning to shame on it?" Yash Nics looked at Zhai Younian mockingly, and said, "Just relying on you, the so-called expert, drank a sip of alcohol and showed a comfortable expression after constipation was unblocked. Then he Saying this wine is real, is it real?" When Zhai Younian heard Yash Nics's words, he was furious: "Ignorant boy, do you dare to question my wine appreciating ability!" Cao Jianbin also said coldly: " Boy, it seems that you are really going to

cheat. Come, help him swallow this wine bottle for me!” As soon as Cao Jianbin’s voice fell, the door of the box was suddenly pushed open.

A group of people filed in, headed by an obese old man in a retro Tang suit, blushing, holding a bottle of red wine tightly in his arms, and looking around when he came in, he asked

excitedly: “Mr. Yash , May I ask who is Mr. Yash?”

Cao Jianbin saw the red-faced old man, and blurted out in shock:

“Ah, the richest man in

China Sea, Xiao Zhiyuan, Xiao old!” Xiao

Zhiyuan: “Little Cao, you are here too!”

Although Cao Jianbin is Mannity Hehe A well-known rich man, but regardless of his wealth,

qualifications, and contacts, he is far inferior to Xiao Zhiyuan.

He smiled flatly and said: “Yeah, how come you, Xiao Lao?”

Xiao Zhiyuan hadn’t spoken yet. A man with a Chinese character face beside him had

already spoken loudly and forcefully: “I and Xiao Lao are entrusted by others. The wine is for

Mr. Yash Nics.”

Cao Jianbin was surprised when he saw the man with the national character face.

This man with the face of the country character is no one else, he is the head of the China

Shipping Food and Drug Administration, Zhao Jianhui, and Zhao Ju.

The One and The Only Chapter 40

Cao Jianbin looked at Xiao Lao and Zhao Ju with shocked expressions. He said, “Are you

here to give Yash Nics wine?”

The others in the box were also very shocked.

Xiao Lao, the richest man worth hundreds of billions of dollars in China Shipping, and Zhao

Bureau of the Food and Drug Administration.

We even brought wine to Yash Nics overnight together. How much face is Yash Nics?

Xiao Lao said: “Yes, we are here to bring Mr. Yash the wine, where is Mr. Yash?”

Yash Nics smiled and said, “I am Yash Nics.”

Xiao Lao, Zhao Jianhui and the others immediately came to him. Next to Yash Nics, he handed the red wine in his hand to Yash Nics like a treasure, and said with a smile: "Mr. Yash, I heard that you want to drink a good Roman Kande, I immediately brought this 90-year-old Kande red wine from my collection. "

Xiao Zhiyuan and Zhao Jianhui suddenly received a call. A school officer named Dian Chu asked them to send a bottle of Kande wine here to Mr. Yash. Xiao Zhiyuan and Zhao Jianhui heard that such a school officer was the captain of the guard of the North Army Marshal, and the confidant in front of the Marshal. Therefore, they both dared not neglect at all, and hurried over. Yash Nics picked up the red wine handed by Xiao Zhiyuan, glanced at it, then smiled and said, "Lao Xiao, Zhao Ju, you are here just right. Cao Jianbin also took a bottle of Kandi red wine to show off in front of me just now. You two gave me Look, whether his bottle

of Kandi red wine is true or not ." When Yash Nics said this, Cao Jianbin's expression changed not far away. Xiao Zhiyuan frowned when he heard this: "In 90 years, Kangdi only produced 7,440 bottles. Now more than 30 years have passed. Now the rest is rare. My hobby is to collect all kinds of top red wines. If China Shipping has a second bottle of real The 90-year-old Kande red wine must be in my cellar."

"So, I don't need to look at it, I can conclude that his bottle must be a fake wine. Yash Nics smiled lightly and said: "No, I have an appointment with Boss Cao. You two should give me a serious evaluation."

Xiao Zhiyuan and Zhao Jianhui appraised Cao Jianbin's bottle of red wine on the spot. Xiao Zhiyuan is the richest man in China Shipping. Most of China Shipping's top wines are in

his wine cellar collection. No one dares to doubt his ability to appreciate the authenticity of red wines.

Zhao Jianhui is from the Food and Drug Administration. He came from the grassroots level.

He has been responsible for counterfeit medicines and alcohol for decades, and he has also developed a pair of eye-catching eyes.

The two of them quickly came to the identification results. Xiao Zhiyuan stared at Cao

Jianbin and Zhai Younian, and said coldly: "You two, dare you say this bottle is real wine?"

Zhai Younian trembled like chaff. Said: "Old Xiao, when Boss Cao's men found me, they

asked me to say this in private. He gave me 30,000

yuan in benefits and asked me to describe the fake wine as real wine. I knew it was wrong."

Cao Jianbin's expression was on his face. It's even more ugly, it can be said to be a scandal.

He looked at Yash Nics in surprise, and said bitterly: "Good boy, I underestimated you, you

can ask Mr. Xiao and Bureau Zhao to escort you. Okay, I'll admit it tonight, let's go another

day. Look." After

Cao Jianbin finished speaking, he wanted to leave with his subordinates dingy.

But Yash Nics coldly called him: "Wait, it is confirmed that your bottle is a fake wine. If you lose, you want to go like this?"

Cao Jianbin just wanted to speak, and Yash Nics had suddenly picked up the fake wine

bottle. , Slammed on Cao Jianbin's forehead like lightning.

With a snap, the red wine bottle was shattered and Cao Jianbin's face was covered with

blood.

Yash Nics threw away half of the wine bottle in his hand and said indifferently: "This is a

little lesson for you, don't hit my wife's idea in the future, or you will die miserably."
