

Chapter 3100– 3101 of A Dish Best Served Cold Novel

Chapter 3100

Not even a hint of guilt was revealed.

You are still brazen, wanting to kill all the people of Noirfork?

How can they forgive such a frenzied person?

Therefore, Tang Yun was not given any chance.

After the words fell, Mo Gucheng gave a fierce punch and slammed Tang Yun directly into the chest.

“Tang Men Lord, not my summer Budokan not you.”

“But you go too far!”

“Today, I will punish Wu Temple, which you cut the devil!”

As the saying goes, is what can not be tolerated endure.

If Tang Yun had an attitude of apologizing and knowing his mistakes, due to the power of Chumen, perhaps the Juggernauts would leave Tang Yun for his life.

But now, Tang Yun has said nothing.

That being the case, how can they be afraid of the hot summer?

The big deal is to tear his face with Truman.

If you want to fight, then fight.

The scorching summer is famous for five thousand years. In the face of foreign enemies, there has never been a bottom line.

Om~

So, at the moment when he made up his mind to get rid of Tang Yun, the sword in Juggernaut’s hand came out of its sheath.

That loud sword sound, just like a dragon roaring and a tiger roar, resounded through the entire void.

Vertical and horizontal sword energy, split the world.

Tang Yun's chest is also where the sharpness goes.

“Tang Sect Master, that's it.”

“Your biggest mistake in this life, is to provoke my summer martial arts, I provoke the Valkyrie Temple!”

Boom ~

Juchui shattered void, voices resounded through the Universe.

After the Juggernaut and the King of Fighters both shot, Tang Hao was not to be outdone.

The black hammer in his hand rose against the storm.

In the end, it was like a heavy mountain, held by Tang Hao.

In this way, with the momentum of crushing Ling Xiao, he smashed at Tang Yun fiercely.

One punch, one sword and one hammer, three titles, three pillar nations, three strong offensives.

It suddenly bloomed among the sparks of lightning.

Like fireworks, blooming in the night.

That surging power is just like Edensberg.

No one doubts that Tang Yun will definitely die under this offensive!

Perhaps, Tang Yun is the lord of Chumen and the number one in the ranking list.

But after all, she was seriously injured and weak.

No matter how brilliant it was once, in a strong power, it can no longer stop the mortal blow of the Juggernauts.

“After all, do I still fall here?”

Tang Yun, who was standing at the crossroads of life and death, in her beautiful eyes, looking at the majestic energy that was getting closer, and feeling the endless power that came surging. , Did not show half of panic and fear.

On the beautiful face of Qingcheng, everything was nothing but grief and loss.

At the last moment of her life, Tang Yun unexpectedly raised her head again and looked at the direction of downtown Denham.

Although, she has decided to cut off all relations with him.

But why, before dying, the face that appeared in his mind was still him.

Even, subconsciously looking at the past, it was the direction that the teenager left.

But what's the use?

Even if she was pregnant in October for him, she would also do it for him when she traveled thousands of miles to Noirfork.

In exchange, it was just a sentence from him, never seen again.

A few words, but Tang Yun hurts, almost heartbroken.

Sometimes, Tang Yun would also ask herself if she would choose to keep the child if she did it again.

can you?

Maybe it will.

Call ~

Thousands of offensives have already come to the front.

Tang Yun closed her eyes calmly.

She looked quiet, like a young girl, raised her head and opened her arms to the sun.

“That's it, it's over.”

Tang Yun smiled and whispered softly in her heart.

Her beautiful eyes were closed, her eyes were already in deep darkness.

However, no one saw it. There were two lines of clear tears, flowing down the corner of Tang Yun's eyes.

It is loneliness, sadness, or loss.

No one knows what kind of emotion Tang Yun is rushing to death at this time.

“It’s over.”

Ye Qingtian closed his eyes and couldn’t bear to look again.

“Tang Yun, the era that belongs to you is completely over.” In the wind and rain, Mo Gucheng grinned.

However, just when the King of Fighters and others believed that Tang Yun would undoubtedly die next, who could have imagined that there was a thunderstorm in the depths of the Tianhe River.

Immediately afterwards, a icy voice seemed to come from the depths of Jiuyou.

In an instant, swept Tianhe!

“The woman of the Dragon Lord, who would dare to touch her?!!!” A word made Tianhe tremble and the stars dimmed.

three Juggernauts never dreamed that their combined strike force could not stop Tang. A note of swordsmanship of rhyme.

“Not good!”

“Back, fast back~” After a

brief panic, the Juggernaut saw the unabated sword light, and was shocked immediately and hurriedly shouted.

However, how fast is Tang Yun’s offensive?

Seeing the sword light flashed, the fierce sword aura had already been severely cut on the bodies of the three Juggernauts.

The cold light surging, the sword intent is vertical and horizontal.

Even the opportunity to retreat was not reserved for the Juggernauts.

Seeing that the three titles of Wushen Temple were swept by Tang Yun's majestic sword energy in an instant.

Like a strong wind, the fallen leaves are rolled up.

The bodies of Tang Hao, King of Fighters, and Sword Saint flew up at the sound, and then fell to the ground fiercely.

Pouch ~

Sword Qi enters the body, Qi and blood roll over.

The road was red, and then slowly flowed down from the corners of the mouths of the three Juggernauts.

One sword defeats three people!

The power of the Truman Sect Master was undoubtedly revealed at this moment.

The wounded King of Fighters and the others were completely stunned, staring at the majestic woman in front of them in amazement.

"This...what kind of swordsmanship is this?"

"The offensive is actually... so powerful?" The

King of Fighters was really frightened.

If he was injured by Tang Yun before, it can also be attributed to negligence of the enemy.

But now, the three of them joined forces, but they still couldn't stop Tang Yun's swordsmanship.

This can only show that the gap in strength between them is too big.

"It's worthy of Tang Yun, seriously injured, but he can still fight one against three."

"If it's his heyday, how strong should he be?"

Tang Hao got up from the ground, wiping the blood from the corners of his mouth while whispering. With emotion.

A huge sense of powerlessness was born in his heart at this time.

However, just when the three of them were shocked, a cold voice, like the singing of death, quietly sounded in the void in the night.

“Heaven and earth hate how much mercilessly, the lonely cry in the night will not last long!”

“Yunyan Jian Jue, the second sword, Bing Xin!”

Whoosh ~ the

sword is like a rainbow, cold and cold.

At the moment Tang Yun took out the sword, Juggernaut and others only felt that the world in front of them had disappeared.

The sun, the moon and the stars were all overshadowed by it.

In the eyes of Tang Hao and the three of them, only Tang Yun’s sharp sword aura was left.

I don’t know why, when they saw Tang Yun’s sword, the three Juggernauts felt that their throats were severely choked by the god of death.

Yes, under Tang Yun’s sword, they actually felt the threat of death.

It is conceivable that this sword of Tang Yun is so powerful?

An unprecedented fear, like a tide, swept from the depths of the hearts of the three Juggernauts.

Is this the majesty of the Truman powerhouse?

Is this the strength of the top ranking list?

Before that, the Juggernauts had never imagined that there was such a big gap between themselves and the world’s top martial arts experts.

Could it be that their three pillar nations are really going to fall under Tang Yunjian?

Tang Hao and others were almost desperate.

They also wanted to avoid it, but the Juggernaut knew very well that with their speed, it was simply not faster than Tang Yun’s sword power.

What's more, they had just been hit hard by Tang Yun, and they were already in an embarrassing stage when their old power had just exhausted and new power had not yet come into being. Under such circumstances, they had no room to fight back in the face of Tang Yun's fierce storm's powerful offensive.

Can only watch in horror, Tang Yun's sword aura suddenly cut out.

"Tang Yun, dare you!"

The God of War in the distance had naturally noticed the crisis of Juggernaut and others.

While yelling, he rushed to rescue the emergency frantically.

At the same time, Ye Qingtian also showed his power.

Repeated attacks were like a river rushing, smashing in the direction of Tang Yun.

What he did was to do his best to weaken Tang Yun's sword energy attack.
