

## Chapter 3101

Immediately afterward, Zhifei also got into the car from the other side, and the convoy left the airport in a mighty manner.

It was not until the convoy left that Zhiyu came out of the airport.

Seeing the fleet of so many Rolls-Royces go further and further away, her brows frowned, and she was unspeakably bored.

At this time, in the lead car of the Rolls-Royce team.

Zhifei sat next to Tasha and said with a smile: "Tasha, I have taken a lot of advertising spots in Aurous Hill during this period.

I have already started to scroll the promotional posters of Miss Gu's concert for 24 hours. We will enter the city in a while. On the road, you can see at least twenty or thirty advertising resources."

Tasha asked in a puzzled way: "Mr. Su, Sara's concert tickets seem to have been sold out a long time ago. You are still doing so many off-site promotions. Isn't it a waste?"

Zhifei smiled and said with a serious face: "It's a trend! Although the carrying capacity of the concert has reached the upper limit, it is still 30,000 to 50,000 people.

The permanent population of Aurous Hill is almost 10 million. If we can save the remaining people who are out also covered, and Ms. Gu's popularity will also be greatly improved, don't you think?"

Tasha smiled awkwardly: "To be honest, Mr. Su, you can see from the top rankings of major websites and the search index of search engines that Sara's influence is currently the highest among domestic celebrities.

There is no one, so our operational thinking has long since paid no attention to building momentum. On the contrary, we have always deliberately refrained from building momentum and evaded it..."

"Why?" Zhifei asked in surprise: "Now stars are vying for traffic all day long. The traffic cost in the entertainment industry is getting more and more expensive.

Many celebrities are smashing the pot and selling iron to create momentum for themselves. Why are you doing the opposite? Right?"

Tasha earnestly explained: "This is what Sara meant. She feels that excessively creating momentum is wasteful on the one hand, and encroaching on public resources on the other."

After speaking, she said again: "Sara feels that the exposure of the entertainment industry is limited after all.

It is nothing more than a long-term loss. If she gathers too much traffic alone, the traffic of other people in the entertainment industry will continuously dilute, which is unfair to others."

Zhifei heard the drums in his heart, and asked in a low voice: "Tasha, I got get these advertising spaces. Looking back, Miss Gu will see it. Wouldn't she be upset?"

Tasha smirked: "I can't say this well."

## Chapter 3102

Zhifei nodded thoughtfully, and thought to himself: "There are so many advertising spaces at no cost. If the counter-effect comes up again, wouldn't it be self-defeating?"

Thinking of this, he asked along the way: "That's right, when will Miss Gu come here?"

Tasha cautiously replied: "I really don't know about this. Sara still has a job in Eastcliff, and she will not be able to come here until the end of her work.

Moreover, she usually travels by private jet and the time is always uncertain."

Zhifei nodded lightly, and said with a smile: "If you can contact her, you can tell me in advance and I will pick her up at that time."

Tasha agreed and said, "I will pass it to Sara later."

"Okay!" Zhifei smiled, and said deliberately: "That's right, I heard that Kim came to Aurous Hill yesterday, and he was put up by someone as soon as he got off the plane. Do you know who did it?"

Tasha said, "I really don't know this."

In fact, although Tasha did not know the details, she basically guessed that Charlie should have done this.

Therefore, she subconsciously looked at Zhifei again, feeling more or less sympathetic to him.

She knew that Zhifei bothered so much to pursue Sara.

But she knew better than Sara has no one but Charlie in her eyes. No matter how much Zhifei pleased Sara, Sara would never look at him more.

Therefore, she had known for a long time that no matter how hard Zhifei tried, the only thing waiting for him at the end is a failure. There was absolutely no second possibility.

While talking, she suddenly received a push on her mobile phone.

She took out her mobile phone and read it. It was a piece of news. The headline on it read:

"Kim Brokerage Company Announces an Announcement at 7:30 This Morning: Kim has announced that he will completely withdraw from the entertainment industry and will soon go overseas for further studies!" »

Tasha suddenly exclaimed, and then hurriedly clicked to view the details.

Zhifei also hurried over to find out.

In the details of this report, Kim's agency claimed that after careful consideration, Kim believes that he is not suitable for staying in the entertainment industry.

So he hopes to focus on his studies and go abroad to study for a master's degree in business administration in order to succeed in the future.

The family business was preparing for it, so he decided to leave the entertainment circle permanently.

Zhifei suddenly laughed when he saw this, and said:

“I think Kim’s news is fake, and it’s true that he has no face to stay in the entertainment industry.

The video of picking up yesterday is still the top searched one. It’s all on the Internet. It’s overwhelming ridicule. If it’s me, I must have no face to stay in this circle.”

Tasha smiled politely and said nothing.

However, she was surprised at Charlie’s methods in her heart.

Although the strength of Kim’s family is not as good as that of a top dude like Zhifei, it can be regarded as the first echelon in China.

Even Zhifei, wouldn’t dare to give him such a cruel hand, but Charlie seems to ignore this at all.

A rich second-generation star with a prosperous career, but when he first arrived in Aurous Hill, Charlie met him. The fame was buried in a pit, this kind of cruel method has never been seen in this circle before.

...

### **Chapter 3103**

The convoy drove to the entrance of Shangri-La. Zhifei said to Tasha, “Tasha, you have already booked the room, right?”

“Yes.” Tasha nodded: “It has been booked in advance.”

Zhifei heaved a sigh of relief and said: “Then I won’t send you in. Anyway, you have to go to the venue after you put your luggage. I will wait for you in the car. You will come out directly and I will take you to the venue.”

Tasha didn’t think much, and said, “Thank you, Mr. Su, and I will let everyone as soon as possible.”

After that, she pushed the door and got off.

Zhifei also hurriedly got down, first helped her take out the suitcase, took her team members in and checked in, and hurried back into the car again.

Zhifei sitting in the car was somewhat nervous.

He knew that his father had lived in Shangri-La quietly before and disappeared until now, so he didn’t want to step into Shangri-La as a last resort.

After Tasha finished the check-in procedure, she first brought her personal luggage and came to the reserved room.

She and Sara have a very good personal relationship, so they plan to live in the same luxury suite this time, so that they can take care of each other when they are out for work.

After she arrived in the room, she put down her luggage and made a video call to Sara.

The video was quickly connected, and Sara on the other end of the phone was lying lazily on the bed and asked lazily: "Tasha, have you arrived in Aurous Hill?"

Tasha replied: "I'm at the hotel."

After that, she switched cameras to take a picture of the hotel environment.

Sara hurriedly asked, "Have you seen Charlie?"

Tasha curled her lips: "Where can I meet him! But I saw Zhifei. He picked us up at the airport."

Sara couldn't help frowning: "Why did he come?"

Tasha said: "Nothing to do so diligently, it must be that the drunkard is not interested in drinking, and he has been asking me when you will arrive. I guess he thinks of the time to pick you up at the airport."

Sara blurted out: "I don't want him to pick me up! Charlie will pick me up at the airport when that happens, Zhifei shouldn't come to mess with me! Otherwise, I won't spare him!"

Tasha said helplessly: "Charlie, Charlie, I know your Charlie, and you don't know what is so fascinating about this guy who betrayed the marriage contract!"

Sara hummed: "You're not me, can you don't know anything! By the way, did you take my baby safely?"

Tasha said perfunctorily: "Brought it! Here it is! See!"

After speaking, the camera pointed at the suitcase and said: "Hey, isn't that in the suitcase!"

Sara couldn't wait to say: "Quickly open and let me check, there must be no mistakes!"

#### **Chapter 3104**

Helpless Tasha had to open the box at Sara's request, and took out the things she was talking about.

Sara watched the video for a long time, and after making sure that there were no problems, she breathed a sigh of relief and said:

"Tasha, you must help me put the baby away, don't make a mistake."

"Don't worry." Tasha said with a curl of her lips, "I would rather not let it out if I make a mistake, are you satisfied?"

"Hehe!" Sara happily put her chin in her hands and smiled like a flower: "Tasha is the best! Love you!"

"Don't, don't love me!" Tasha snorted with a look of disgust: "You still love your Charlie brother!"

Sara said seriously: "That's right! How can I say those two words to you, obviously only Charlie deserves it!"

Tasha said angrily: "Sara! You little white-eyed wolf who has forgotten her friends! How unfortunate, I have always been so good to you!"

Sara stuck out her tongue and made a grimace: "Slightly...I have to get up, I am ignoring you, goodbye!"

After speaking, she hung up the call.

Tasha shook her head helplessly and put Sara's baby in a safe place.

Then she quickly got out of the room, gathered other team members, and headed to the venue for acceptance.

Zhifei was naturally very diligent and accompanied along the way.

The motorcade carried the team to the Olympic Center venue. At this time, the entire performance site had been completely set up.

The van arranged by Zhifei had already transported the equipment brought by the group from Eastcliff to the venue.

As soon as she entered the venue, Tasha immediately instructed the people around her:

"Everyone hurry up and perform your duties, and the stage part is responsible for quickly checking and accepting all the hardware equipment.

Focus on the inspection of the elevators, and be sure to make sure that there is nothing wrong;"

"In addition, the lighting engineer hurriedly connect the computer, try the on-site lighting effects, and checked one by one to see if the equipment is damaged or there are any hidden dangers;"

"The sound engineer troubleshoot the audio equipment, check the status of the equipment one by one, and check the sound field at the scene by the way.

We must ensure that the listening experience of the audience in the venue is the best."

### **Chapter 3105**

Zhifei, who was next to Tasha, heard her words and hurriedly said to her:

"Tasha, for this concert, I specially asked a friend to get a batch of very good lighting and sound equipment from the United States, because these equipment are really good.

It's better, so I made my own claim and asked the executive company to replace the full set of plans. I didn't notify you. Please forgive me."

As soon as Tasha heard about the changed of equipment, she suddenly pulled down her face, a little nervous and annoyed, and said:

"Mr. Su, if I remember correctly, our cooperation with you is limited to your naming this concert, and we and you to donate money to charity organizations.

How can you change our lighting and sound equipment program without authorization?

For such a big performance, all the lighting and sound systems follow our entire performance program, even every light on this stage, every how bright every second of a song should be is preset in our performance program.

If you change it so arbitrarily, if it fails to match our original program plan, the stage effect and all will be greatly reduced!"

Zhifei hurriedly explained:

“Don’t get annoyed, I know I don’t have the right to make any changes to the execution plan of your performance, but I also completely did it out of good intentions.

After all, this is the first time for Miss Gu’s concert tour this year.

For one, I want to make this performance more perfect, so I just decided to call the shots without notifying you in advance and adjusted the overall plan.”

Speaking of this, he promised:

“Don’t worry too much, I have specially invited the best lighting sound engineer from the United States this time, and they will connect with your original executive team.

The equipment is completely based on yours requirements.

It has been optimized based on the previous program, so you can rest assured that the performance will only be improved and will never be compromised.”

Tasha looked at Zhifei and said seriously:

“Mr. Su, this matter is not just a question of the effectiveness of the performance.

The fundamental problem is that we must perform our duties in cooperation and do our own job well.

At the same time, we must also give enough respect to others.

It is indeed very inappropriate for you to directly intervene in our work.

If Sara knew about it, she would definitely be very angry!”

With that, she turned around and said to an assistant she brought:

“Find the person in charge of the executive company.

I want to ask him, it’s clear that we are their Party A.

Why do they have to cooperate with others to conceal it? Not follow us and make big changes to our project!”

The assistant hurriedly said, “Okay Sister Tasha, I’ll find him now!”

## **Chapter 3106**

Zhifei hurriedly stopped him, and then said to Tasha:

“Oh, Tasha, everyone is trying to make this concert more perfect, so you don’t have to go online like this, right?

In addition, the executive company is there.

I spent money to manage it, but they also did the best job with quality and quantity.

You can first let people try the effect of lighting and sound. As long as the effect is higher than the previous set of solutions, it will prove that these tasks are not done in vain.”

After speaking, he continued:

“Moreover, the lighting and sound equipment are operated by professionals like you.

Whether Miss Gu comes to rehearsal or perform, she focuses on the performance effect, not the brand of lighting and sound equipment.

As long as you don't tell her, how will she know?

If she finds that the performance of this arrangement seems to be exceptionally good at that time, I am afraid it's too late to be happy.

After the performance is over, I will personally apologize to her, and I will definitely not let it ruin her performance. What do you think?”

Tasha understood Zhifei's intentions too well.

He did this just to please Sara.

Why does he need to personally apologize to Sara after the show is over?

It should be for credit, right?

At this time, Zhifei said again: “Tasha, Miss Gu will come to the rehearsal tomorrow, and the concert will officially begin the next night.

Now, this set of equipment has been set up, temporary replacement is definitely impossible, so this time I ask you.

Do me a favor, I promise only this time, there will be no next time.”

After thinking about it, Tasha felt that what Zhifei said was really right.

For a concert of tens of thousands of people, it would take a few days to set up on-site equipment, and the time to transport the equipment is even longer.

Now if she wants to change back to the original hardware. This simply is impossible, and it seems that the only way to go on is to not tinker with the arrangement for now.

Thinking of this, she had to instruct the lighting engineer and sound engineer:

“You two will work hard today. Test all the equipment again to see if this new equipment is perfectly compatible with our previous solution.

If it can, it will be the best, but if it's not, you can take the time to solve it.

Even if you stay up all night, you must make sure that everything is done and perfectly ready for tomorrow!”

The two agreed without hesitation, and then immediately began to work.

Zhifei on the side breathed a sigh of relief, hugged Tasha, and said gratefully: "Tasha, thank you so much this time."

Tasha looked at him with a pious look, and secretly sighed in her heart: "This Zhifei Su is working for Sara's concert so hard.

He has to wait for the start of the concert, and see Sara carefully prepared the surprise for Charlie. Will, he not break down and die here on the spot?"

### **Chapter 3107**

In the evening, Tasha checked all the hardware equipment at the performance site and returned to the hotel after confirming that there was no problem.

As soon as she arrived in the room, she immediately made a video call to Sara.

The phone was connected, and Sara was resting in her room in her pajamas and mask.

She opened her mouth and asked: "Tasha, the venue is ready, right?"

Tasha nodded: "It's all ready. You can rehearse directly when you arrive tomorrow."

"That's good!"

Sara breathed a sigh of relief, and said with a serious face:

"I have played so many concerts, and not once have got as nervous as now. Cannot think of a business trip for this concert."

Tasha thought of Zhifei's affairs, and said: "By the way, Sara, I have to report something to you."

"Say it."

Tasha said: "That is, Zhifei, the person who bought the executive company privately, changed all the lighting and audio equipment for the concert."

"What?!" Sara immediately asked angrily: "Why would that Zhifei do this? What rights does he have?"

Contact him, no matter what method you use, you must replace the equipment with me before the show!"

Tasha hurriedly comforted: "Sara, don't worry. The situation of the equipment is like this.

Although the whole equipment is changed, there is no reduction or malicious damage.

On the contrary, he personally rented all the stage equipment from the United States."

With that said, her tone was already a little excited, and she said excitedly:

"Our lighting engineer and sound engineer have carried out the joint tuning of the equipment today, and the effect is really very good!"

To be honest, I have never seen such a high configuration Concert, even Michael Jackson's concerts during his lifetime, can't reach this level of hardware, and the stage effects must be very explosive at that time!"

Sara was relieved when she heard this, but she still felt a little uncomfortable.

She sullenly said: "This Zhifei is too independent. This is my concert for Charlie. He doesn't need his courtesy at all!"

Then, she hurriedly said: "That's right, you can let me calculate how much it costs to rent this equipment. After the concert, I will return the money to him!"

Tasha said, "Why Sara, Zhifei is willing to rush to get these, then let him do it, why should we give him the money?"

"That's different!"

Sara said: "This concert is for Charlie. If he needs to spend money to upgrade the equipment, then this concert is not pure enough in my mind, and it can even be said to be a failure. A stain!"

"I don't want to take advantage of him and leave myself such a big regret. Besides, I am not without money.

Even if he spends 100 million to upgrade his equipment, I can afford it."

### **Chapter 3108**

"That won't be enough." Tasha said: "I heard from the sound engineer, it would probably cost more than 20 million."

Sara said immediately: "Then give him 30 million after the concert is over!"

Tasha: "Give it to him this time, but you still have to think about it. If he does this next time, what shall we do? After all, you have a lot of concerts this time."

"It's okay." Sara said confidently: "Don't worry, after this concert, he will definitely not pester me again."

Tasha nodded thoughtfully: "That's right... When you show the surprise to Charlie at the concert, Zhifei will definitely not pester you anymore."

Speaking of this, she heaved a sigh of relief and said:

"In this case, I will arrange the finance to prepare a check for 30 million and give it to him as soon as the performance is over."

"Okay, then you will give it to him then, I don't want to deal with him."

"Okay." Tasha nodded, and then said again: "Oh, by the way, Sara, when will you come over?"

Sara opened the mouth and said:

"I should take off at around 8:00 in the morning and land at around 9:30, but I have made an appointment with Charlie."

"He will come to the airport to pick me up at that time, so you don't have to worry about me."

Tasha: "Today Zhifei has been asking me when you will be here. I doubt his intentions about you.

He may find a way to pick you up at the airport. You have to pay attention to it in advance."

Sara suddenly said depressed: "He wouldn't be so boring, would he?"

Tasha curled her lips: "Even for us the staff, he came to the airport to meet us personally, not to mention you?"

"I guess he has been paying attention to the arrival information of Aurous Hill Airport for a long time ago, maybe for your plane, he has yet He has already seen the information of departure and route application."

Sara thought for a moment and said:

"Well, let's do this. Tomorrow, I will use my family's plane to apply for a flight permit that departs at 11 o'clock in the morning, and put a smoke bomb."

"You also talk to the on-site staff and say I can only arrive at one point in the afternoon."

"After I arrive, I will go directly to the venue for rehearsal, so that Zhifei also believes it.

Then I rent a business jet and fly over quietly at 8 o'clock in the morning."

Tasha hurriedly said: "Why is it so troublesome? Just ask Charlie to pick you up.

When Zhifei sees him, he will know that you already have a sweetheart, so he may find himself in trouble and return."

"How do you do that?" Sara blurted out: "Charlie is married. If someone else knows about me and him, it will be bad for him when this spreads out."

Tasha was stunned for a moment, and said helplessly for a moment:

"Okay... Then I'll tell everyone that you will arrive at one o'clock in the afternoon, hoping to fool Zhifei."

...

## **Chapter 3109**

The next day.

Charlie and Claire got up early in the morning, and mother-in-law Elaine had already cooked breakfast.

While washing, Charlie received a WeChat message from Sara which said:

"Charlie, I can get to Aurous Hill Airport at nine o'clock and I will be out of the airport gate at ten o'clock. Is this time okay for you?"

Charlie immediately replied to her, no problem.

Then she sent another message, stating “I will see you then.”

During breakfast, Charlie took another look at the time.

Claire goes out at 8 o'clock normally, and he drives her to the hotel site of the Emgrand Group by himself, and then he will go to the airport. Time must be too late.

Claire said to Charlie while eating, “By the way, from today onwards, you don't have to work so hard.

You drop me and pick me up every day. I don't think there have been any strange murders in Aurous Hill in the past few days. It's okay now.”

Before Charlie spoke, Elaine hurriedly said, “Oh, my girl, this kind of thing can be sloppy. Maybe the murderer has been hidden temporarily.”

“You should be more careful. You are the only daughter of your mom. There must be no mistakes!”

Since joining Tomson, Elaine has basically recognized the reality that her future life will definitely depend on her daughter and son-in-law.

Needless to say, the daughter is gentle, kind, and filial to her parents. Although in the son-in-law's case she has no choice, he is an outsider after all.

Therefore, on the one hand, she cared about her daughter, and on the other hand, she was also worried.

If something goes wrong with her daughter, Charlie will turn his face and ignored his mother-in-law.

In other words, Claire is the guarantee for her to enjoy a good life.

Although Charlie knew that Jinghai's senior brother Cary has already died, and there would be no such strange murders in Aurous Hill in the future.

But in order to reassure his wife and father-in-law and mother-in-law, he took the initiative to speak:

“Claire, during this time, let's be more cautious and don't take it lightly, so I'll drop you at the construction site for a while.”

Claire smiled slightly and said, “After a while, you will have to work so hard to take me to the old town. I will not go to the Emgrand Group this morning.”

Charlie asked curiously: “Why are you going to the old town early in the morning?”

Claire smiled and said: “The Group's design work has been completed and construction has started, so now it is also accepting other design orders.”

“My employee received a new customer in the old city a few days ago.

To renovate an old house, the design plan was made by me. I have to go in person and talk to the owner over there.”

## **Chapter 3110**

Hearing that Claire had new customers, Charlie didn't think much about it.

Claire's company has two business lines, one of which is decoration design and the other is decoration undertaking.

Among them, decoration design is her main business, because she is good at design.

As for the decoration business, she is more of a supervisor, and the specific work has to be outsourced to the decoration company.

At present, the design work of the Emgrand Group has been completed long ago, the actual decoration is being carried out in an orderly manner, and is gradually on the right track.

So Claire's and part of the energy of the employees have been released and began to look for other projects.

After breakfast, the couple drove out of the house together, and Charlie drove her to the old city.

After the car drove a certain distance, Charlie said to Claire: "Wife, tell me the detailed address you are going to."

"I will open a navigation system, and I can also check the traffic information by the way."

Claire opened the mouth and said:

"I really don't know the specific house number, but I know it is near the Catholic Church in the old city, or you can drive there first."

Charlie couldn't help being a little surprised when he heard this.

This is because the old house where he lived with his parents when he was a child happened to be very close to the church in the old city.

He couldn't help but wondered: "Is Wife's new client is Zhiyu's mother, Auntie Liona?"

Thinking of this, he felt like he was thinking too much.

Due to a large number of historical buildings in the old city, many old houses are not allowed to be demolished and rebuilt, but there are still a large number of citizens living there.

So Claire's client should not be such a coincidence that it happens to be Liona?

At a certain moment, he also thought about asking his wife vaguely, such as her new client's last name, but he still gave it up after thinking about it.

When he drove the car to the Catholic Church in the old city, he turned left under Claire's instructions.

Seeing that he was getting closer and closer to the old house where he lived in childhood, he felt more and more uncomfortable with a sense of premonition.

Sure enough, when the car drove to the alley of the old house, Claire pointed to the old house clearly and said, "Husband, my client's house is that one. Just park the car at the door."
