

## The One and The Only Chapter 311 - 320

Yash Nics finished speaking, looked at Tong Yang again, and said indifferently: "As for you, please also reflect on it. Don't be a soldier for a few years and show your love when you see a woman. Song Pingting It's my wife, she has my guardianship, and you don't need to be affectionate."

Yash Nics's words made Tong Handong and Tong Yang both frightened and angry, and their faces were still hot.

Tong Handong said angrily: "I am now discussing with Xiaoting's family, when is it your turn to talk to the soft-boiled food?" Ma Baozhi also said, "That is, it is not your turn to speak. Sister, brother-in-law, you son-in-law. If not, let him go! Tong Yang is a hundred times better than him, and Tong

Yang is worthy of Xiao Ting!" Song Zhongbin and Ma Xiaoli and his wife would naturally not agree to such a rude and excessive request.

But Tong Handong and his wife were reluctant. Ma Baozhi said aggressively, "Sister, you didn't listen to my advice at the beginning. You married Song Zhongbin and suffered so

much. Now your daughter must listen to me and marry Tong Yang, otherwise she and Yash Nics is a trash together and still has to suffer."

Song Zhongbin and his wife argued hard on reason, and they had a quarrel with Tong Handong and his wife.

At this time, Tong Yang also cast a provocative look at Yash Nics, arrogantly said: "You and Ms. Song don't have a certificate, so they are not true couples. I have the right to pursue Ms.

Song, and I have the ability to compete fairly. "A look of anger flashed in Yash Nics's eyes, wondering if this person is stupid?

Just as the whole box was noisy, suddenly the door of the room kicked open with a slam.

Then I saw a group of men in suits and shoes breaking in. After the men in suits broke in, they quickly divided into two rows to make way for a passage.

Then, a man with a stature of only 1.7 meters but an exceptionally strong figure walked in slowly with his head raised.

This strong man, with ringed leopard eyes and beard, filled his body with a powerful aura, which made people shudder.

This leopard-eyed man is not goodbye, but Lu Cangtian's beloved brother, tiger charm.

Tong Handong was shocked and angry, and shouted: "Who are you, who let you guys break in? I and Boss Wang of Donghai Dragon Palace are friends. Believe it or not, I will let him throw you bastards out?"

Hu Fuwen Yan, his face sank, and he said indifferently: "Laughter, palm!" As

soon as Hu Fu's voice fell, one of his men stepped forward, grabbed Tong Handong's placket, raised his hand and slapped Tong Handong a few resounding slaps.

Tong Handong's cheeks were swollen and the corners of his mouth were bleeding.

It's so ruthless to hit someone if you don't agree!

Everyone was shocked.

Hu Fu had his hands on his back, looked around at everyone, and said lightly: "I'm here for two things."

"The first thing is to ask Miss Song Pingting to sign a name on this vaccine agency transfer

contract, and to act as an agent. The power is handed over to our Lu family."

"The second thing is that Yash Nics will go with me."

Song Pingting realized that this gang of murderers had come to grab vaccine agency rights and wanted to retaliate against Yash Nics.

Her face changed drastically: "You are whimsical, you leave quickly, otherwise we will call the police."

Hu Fu laughed haha, and said proudly: "Call the police? The police in Mannity City know that

I Hu Fu is working here, they will never dare to appear. , Ha ha ha!"

Tong Yang saw Hu Fu's group of people, they even beat his second uncle and threatened

Song Pingting. He felt that he had a chance to show off his skills.

He took a step and said loudly: "I will take care of things that the police dare not take care

of; I will take care of people that the police can't cure!"

Tiger Fu's eyes fell on Tong Yang: "What are you?"

Tong Yang is proud Said: "I am Tong Yang, the captain of the Mannity Military Region.

General Wang Daofang personally praised me as the Almighty King of the Mannity Military Region!"

"You'd better kneel down and apologize to my second uncle and Miss Song now. Otherwise, don't blame me.

Hu Fu chuckled and said, "If Wang Daofang showed up in person, I would give him two

points of face. As for you, whose trousers are not zippered properly, let you run out and

pretend to be a calf in front of me?"

Tong Yang burst into laughter. Anger: "You are seeking your own death!"

Tong Yang's fist hit the tiger talisman's chest, but it was like hitting a heavy wood.

The stout body of the tiger talisman is actually quite motionless. Instead, Tong Yang felt that his fist was about to be paralyzed by the force of the shock.

Tong Yang looked at his fist hitting Tiger Charm's chest and raised his head in horror.

The power of his punch was enough to kill a calf.

But hitting the tiger talisman is like scratching it?

Hu Fu grinned and sneered: "That's it?"

After speaking, he suddenly shot, grabbed Tong Yang's wrist, and snapped Tong Yang's wrist with a click.

Before Tong Yang had time to scream, Tiger Charm flew up and kicked Tong Yang in the chest.

Tong Yang spurted blood and flew out, smashing the table to pieces. He was seriously injured and couldn't get up again.

Everyone at the scene screamed in exclamation.

"Shut up!"

Hu Fu shouted angrily, scared everyone covering their mouths and returning to silence.

Hu Fu was very satisfied with everyone's fear of him. He looked at Song Pingting, "Miss

Song, I'll give you another chance to sign."

"If you don't want to sign, I'll kill all of your family members one by one, starting with your

daughter. Kill!" In a word, Song Pingting was so scared that she hugged her daughter tightly. Yash Nics, who had been sitting in a chair and drinking slowly, had cold eyes: "I didn't want to take your dog's life for the sake of my family's presence. But your words made you miss your chance to survive. "

After speaking, Yash Nics stood up, holding the white wine glass, and walked towards the tiger charm without hesitation.

Tiger Charm grinned: "You are Yash Nics, then you will die for me!" After he finished speaking, there was a tiger's roar, and his stature was like a tiger coming out of a stream, and he was going to kill Yash Nics with great force.

With his big fist, he slammed Yash Nics's body fiercely, as if he was about to punch Yash Nics into meat cakes.

Song Pingting screamed: "Yash Nics be careful!"  
Bang!

Tiger Fu's huge fist hit Yash Nics's chest like a cannonball.

But Yash Nics's body is like a Yuanruiyue!

Let the storm hit the shore, I will be as stable as a rock.

Tiger Fu's frightening punch hit Yash Nics, and Yash Nics remained motionless.

Even the little white wine glass in Yash Nics's hand did not spill a drop of the wine in the glass.

Hu Fu's eyes were round, and he looked up at Yash Nics in disbelief.

The horrified expression was just like Tong Yang just now.

He trembled: "You!" The

corners of Yash Nics's mouth rose slightly, with a smile but a smile: "That's it?"

Hu Fu's face became even more ugly when he heard that, he just wanted to use his ultimate move again.

However, Yash Nics has already taken a kick.

Fast as lightning, fierce as thunder.

The One and The Only Chapter 313

Boom!

The tiger charm was kicked and flew out from the door, hitting the wall of the corridor

heavily, and there were spider web cracks on the wall, and the momentum was astonishing.

Then, Hu Fu's bloated body slowly slid to the ground along the wall.

His chest was sunken deeply, and blood came out of his mouth, his neck was tilted, and he

died!

OMG!

This unbelievable fat man, the demon who casually beat the soldier king Tong Yang into a

serious wound, was kicked to death by Yash Nics!

Everyone turned their attention to Yash Nics, some were frightened, some were afraid, and some worshiped.

Yash Nics seemed to have done a trivial thing, his face was as usual.

He raised his hand and lifted the glass, drank the glass, and then coldly said to the trembling

men in suits: "Go away, take the dead fish outside the door and roll with them." These

men in suits, like a pardon, With the corpse of the tiger charm, fleeing in piss.

After everyone watched the men in suits ran away embarrassedly with the corpses of tiger

charms, they recovered from the shock.

Everyone looked at Yash Nics with different eyes, some with shock and contempt, some

with jealousy in shock, some with worry in shock, and some with pride in worship.

It is Song Pingting who is worried. She is afraid that Yash Nics will be punished if she will kill

the murderer.

Tong Ke is the one who admires and is proud. Her eyes are shining brightly, and she says

her brother-in-law is really amazing. The cousin, the king of soldiers, couldn't deal with a

ruthless character, but the brother-in-law killed the opponent afterwards.

The one who was shocked and jealous was naturally Tong Yang.

Tong Yang looked at Yash Nics in disbelief. Yash Nics's figure looked far less sturdy than

him. How could he kick the Tiger Talisman to death with one kick?

This is not true, it is certainly not true!

He immediately remembered that Hu Fu had withstood a heavy punch from him when he

was fighting.

Could it be that when Tiger Talisman was fighting with him, he was hit hard, and Yash Nics

just picked up the bargain?

The more Tong Yang thinks about it, the more he thinks it is possible. He is the king of

all-round soldiers in the Mannity City Military Region, and an ace fighter who has been

personally commended by General Wang Daofang.

His punch is enough to kill a calf, how can ordinary people withstand such a large force?

Thinking of that Tiger Talisman, he was already seriously injured after receiving his punch,  
but it was just a dead end.  
But I didn't expect the two tigers to compete, and finally Yash Nics happened to pick up this rubbish for a bargain!  
When Tong Yang thought so, the look in Yash Nics's eyes became more and more jealous and a little bit hideous.  
In his opinion, Yash Nics's glory should belong to him now!  
Song Pingting, Tong Ke, Song Zhongbin, Ma Xiaoli, and Song Qingqing had already greeted Yash Nics at this time, and they asked Yash Nics with concern, is it okay? Yash Nics shook his head slightly and said with a smile: "I have been a soldier, a mere thief, and I am not qualified to hurt me."  
Yash Nics said casually, but the speaker did not want to listen to it. Tong Yang and Tong Handong couple, Hearing Yash Nics's words, his face looked ugly. They also mocked Yash Nics for a few years as a soldier, probably not even a sergeant, and totally inferior to Tong Yang, who is already a captain.  
But now the captain's Tong Yang was beaten up to vomit blood, and in the end Yash Nics, who was not even a sergeant, saved everyone.  
Ma Xiaoli hurriedly said: "Yes, yes, Xiao Yang was injured, so he quickly called an ambulance."  
Soon, Tong Yang was sent to the hospital for treatment.

Tong Handong and his wife had planned to separate Yash Nics and Song Pingting, and then put Song Pingting together with their nephew Tong Yang. They started boasting how good Tong Yang was and how bad Yash Nics was.  
Unexpectedly, the appearance of the tiger charm made Tong Yang's face completely lost, but Yash Nics made the limelight.

And Song Pingting didn't separate from Yash Nics at all, let alone look at Tong Yang.

This made Tong Handong and his wife feel very shameless and angry. They felt that the people of the Song family were really better than the others, so they stayed in the Junan Five-star Hotel near the hospital and refused to live in Song Pingting's house.

Ma Xiaoli tried to persuade her to no avail, so she could only sigh and go home with her family first.

The One and The Only Chapter 314

Yash Nics's family left, in the hospital ward, only Tong Yang, Tong Handong and his wife, and Tong Ke were left.

Tong Handong couldn't help reproaching Tong Yang who was lying on the hospital bed:

"Xiao Yang, what did you do this time? You dropped the chain at a critical moment. You, the almighty soldier of the Mannity Military Region, can't beat a murderer?" Ma Baozhi He also complained: "That is, you behaved so badly and Yash Nics behaved so well, how could Song Pingting choose you?"

Tong Yang said fiercely, "Yash Nics, that kid is just picking up It's my advantage."

Tong Ke was shocked when he said this, and asked why?

Tong Yang snorted coldly: "The bastard Tiger Talisman, who was hit by me, has been seriously injured."

"If I hadn't hit the Tiger Talisman severely first, his thin body could defeat the Tiger Talisman? A joke!"

Tong Ke said to his cousin. With skepticism, everyone could see that the Tiger Charm was not injured at the time.

Moreover, Hu Fu withstood a punch from his cousin, and was able to easily break his

cousin's wrist and kick his cousin into the air. How could a severely injured person be able to do this?

However, Tong Handong and Ma Baozhi believed in what Tong Yang said.

The faces of both of them were suddenly enlightened, and they said one after another: "I

said why Yash Nics is so powerful. It turned out that the blind cat met the dead mouse. It happened!"

"It was our Xiao Yang who really defeated the tiger talisman. Yash Nics is just picking up bargains."

"This waste Yash Nics stole the glory that belongs to Xiao Yang!"

Listening to the words of his second uncle and aunt, Tong Yang was filled with indignation

and said bitterly: I won't just leave it alone. I will definitely let Yash Nics, a clown who cheats

on the world's name, show his true form, and I will take Miss Song."

Tong Ke saw that her cousin seemed to want to find Yash Nics's fault again, so she hurriedly

persuaded her. Said: "I think Yash Nics is still very good. It is not accidental that he can win

Tiger Talisman."

"Cousin, although you are very good, you are still inferior to Yash Nics. Don't be boring."

Tong Yang and Tong Handong were unhappy when they heard this, and they blamed Tong

Ke for abduction of arms.

Tong Ke was severely speechless and could only smile wryly.

Before long, Tong Ke left beforehand, leaving Tong Handong and his wife to look after Tong

Yang.

As soon as Tong Ke walked on his front foot, a tall lieutenant in the costume of a lieutenant

came to visit Tong Yang on his back.

This man named Chang Fei joined the army with Tong Yang, went to the north to participate

in the King of Soldiers, and won the title of China's Top 100 Soldiers with Tong Yang.

He is in the same brotherhood with Tong Yang, and he knows that Tong Yang is going on a blind date tonight.

He called Tong Yang just now and learned that Tong Yang was injured and went to the hospital.

He drove a military jeep hurriedly, rushed through more than a dozen red lights, and hurriedly rushed to visit his comrades.

After hearing how Tong Yang was beaten, Chang Fei said angrily: "Yash Nics dared to steal your credit for Tong Brother. It's really unreasonable. Let's go, we are now looking for him to settle the account."

"I'm the same as Tong Yang, unless Yash Nics can beat me. Otherwise, he is stealing your credit from Tong Ge, so he should be punished severely!" After Chang Fei finished speaking, he immediately called a few friends and took Tong Yang to leave the hospital forcibly, and drove straight to the riverside. In the garden area, look for Yash Nics's mildew.

Many people are walking in the small garden square in the Jiangbin Garden Villa community.

Suddenly, two military jeeps screamed and stopped at the door of Yash Nics's house, attracting people who were walking not far away.

Yash Nics's family was watching TV. Suddenly someone knocked on the door and shouted, "Yash Nics came out to die!"

Song Pingting and others thought it was people from the provincial capital who came to avenge Yash Nics, and their faces changed drastically.

The One and The Only Chapter 315

Yash Nics's face was as usual. After he walked out, he saw Tong Yang and Chang Fei several murderous guys. He froze for a moment, and then smiled and said to Tong Yang: "Are you here to thank me for saving you from Hu Fu, you don't have to be so polite." Tong Yang hatedly said: "Fart, Hu Fu was hit hard by me. It's cheap for you this night. I want to prove to Ms. Song that you are nothing but a pustule and I defeated the tiger charm." Chang Fei walked out with his head up at this time, squinting his eyes and said, "My name is Chang Fei, it's Tong. Brother's brother is also one of China's top 100 soldiers." "I'm here to change the boy's innocence. You can't take away his honor." Yash Nics frowned, "What?" Chang Fei said proudly. "My strength is similar to Tong Ge. He is injured. I will play on his behalf. If you lose, it will prove that you were lucky enough to defeat Tiger Talisman . You have to apologize to Tong Ge." Ma Xiaoli and others walked from the house at this time . When she came out, she anxiously persuaded Yash Nics: "Yash Nics, ignore them." Yash Nics nodded, turned around and said to Chang Fei and Tong Yang: "Sorry, my mother won't let me talk to you fools. Play!" After speaking, Yash Nics and the others turned and went back to the house. With a bang, the door closed. Only a few of Chang Fei and Tong Yang were left, stupid in place.

Tong Yang's expression was ashen: "It's too much!" Chang Fei was also flushed. He had never been so humiliated before. He said furiously: "If you don't let Yash Nics pay the price tonight, My last name is Chang!" After

he finished speaking, he winked with a few friends around him. A few friends immediately stepped forward and slapped the door hard. Chang Fei also stood at the door and shouted loudly, "Yash Nics, aren't you very good? Why are you here as a tortoise with your head down?" "Do you think you can hide? I will count three times. If you don't show up, I will just demolish your house."

Chang Fei actually counted: "One...two...three!" He counted. the third tone, seen Ning out, he commanded the strongest figure told friends: "the Bear, flung open the door!" figure full two meters high tower Han heard this, grin grinning: "! OK," he As he said, strode forward, lifted his big feet in combat boots, and kicked the door fiercely.

But what people didn't expect was that the door of the room opened with a click, and Yash Nics appeared at the door. At first sight, the big bear is going to kick Yash Nics like a powerful kick. Chang Fei and Tong Yang's eyes lit up, and they cheered together: "Good kick!"

But Yash Nics, who appeared at the door, reacted swiftly. Seeing the big bear kicking towards him, he subconsciously avoided and while avoiding Also flew a kick like lightning. boom!

Da Xiong's huge body was directly kicked by Yash Nics and flew out, and fell heavily in front of Chang Fei and Tong Yang. Chang Fei and Tong Yang played well with them, as if it turned into a cheer to Yash Nics, making them very embarrassed. Yash Nics walked out with his hands behind his back, and said lightly: "I didn't want to care about you, but I didn't expect you to be reluctant." A few friends of Chang Fei supported the big bear on the ground.

Chang Fei squinted at Yash Nics, and sneered: "I think we can let you go. You apologize to my boy brother. I admit that you are opportunistic. In fact, it is my boy brother's credit to defeat the tiger symbol."

"Also, You have to take the initiative to leave Miss Song's world. Because you are not worthy of her, she is the woman my boy looks after!"

Yash Nics said coldly, "What if I don't agree?"

The One and The Only Chapter 316

Chang Fei: "If you don't agree, I have a way to clean up you."

Chang Fei said, glanced at Song Pingting and others who just came out of the house, and

sneered right. Yash Nics said, "For example, I can beat you up in front of your wife right now,

and let her see you being beaten up like a dead dog in embarrassment."

"Also, you killed the tiger charm. Even if it is out of self-defense, it is considered excessive self-defense."

"I have people in the military and police. You will be arrested if I call you, and you will be in jail for at least 20 years."

Yash Nics squinted his eyes after hearing the words: "Your background It's no small, no wonder you have such a big tone."

Chang Fei said triumphantly: "The Criminal Investigation Captain Wang Zhixing is my uncle, and my dad is Chang Haixiong, a new colonel in the Mannity Military Region. Do you think I can cure you?"

"Now I am. Two ways have been given to you. Either fight with me and leave Miss Song if you lose; or I will call someone to punish you now."

Yash Nics said indifferently, "You don't need to call, I'll call you !"

Ning finished, I called the phone out to Code Chu:"! I want to within ten minutes, Wang

Zhi-line, often with male sea king party appeared in front of my house, "

Chang Tong Yang fly with them seeing , First was stunned, and then couldn't help but burst into laughter.

Tong Yang laughed so much that tears came out. He smiled at Chang Fei: "Haha, A Fei, this guy can really pretend, even pretending to call your uncle, Colonel Chang and General Wang, and want them to arrive in ten minutes!"

Chang Fei Fei was also full of ridicule: "He is really talking big and not afraid of flashing his tongue. He killed someone at the East China Sea Dragon Palace Hotel. If my uncle and they really come to catch him, they are afraid that he will be scared to pee." Tong Yang and others laughed haha. stand up.

Yash Nics ignored the sarcasm of a few guys. Instead, he turned his head and said to Song

Pingting and the others: "Xiaoting Tongke, you and your parents can bring Qingqing back to the house first, and just leave it to me to deal with it. "

Song Pingting's pretty face was full of worry, and he hesitated: "But..."

Yash Nics smiled and said, "Why, don't you believe me?"

Song Pingting quickly said, "Of course I believe you, but they..."

Yash Nics smiled and said: "It's okay, just a few clowns, I'll send it away."

Yash Nics's words made Chang Fei next to them so hateful that they could not wait to beat

Yash Nics immediately.

Tong Ke knew the secret of Yash Nics's identity. She felt relieved at this time and persuaded

Song Pingting to say, "Sister, let her brother-in-law handle this matter.

Let's take the children

into the house, or let the children see them fighting or something. That's not good."

Song Pingting had nothing to do, so she could only go back to the house with Tong Ke, Song

Zhongbin and Ma Xiaoli with her daughter.

At this time, Yash Nics, Chang Fei, Tong Yang and others remained in the front yard.

Chang Fei said impatiently: "Yash Nics, don't play tricks to delay time, now you either fight with me; or kneel down to apologize to my boy brother, and take the initiative to leave Miss Song."

Yash Nics coldly snorted, "A hundred soldiers in the area. Only the king, I dare to be so arrogant. If you are the god of war one day, then you will not go to heaven?"

"Bring the horse here, I will personally discipline you in place of Wang Daofang tonight!"

Chang Fei grinned and sneered: "Yang Yang, you can't, pretend to force you first, let's see how I beat you to the ground."

Chang Fei finished speaking, snorted, and rushed into his fists quickly. His body was like a dragon and his fists were like cannons. The most standard military fighting technique was a punch. Yash Nics's chest.

Yash Nics moved a step back and ducked quietly.

Chang Fei kicked like lightning and swept Yash Nics's head straight, and Yash Nics bowed his head to avoid it.

Chang Fei twisted his body and shook his arm, slamming his elbow sharply into Yash Nics's chest, but Yash Nics was still avoided.

Chang Fei's foundation is still very solid, and his strength is about the same as Tong Yang.

He is regarded as the best among soldiers, and he is regarded as an ace fighter.

But the king of soldiers, in front of the god of war, couldn't see enough. The king of soldiers, the trump card among the soldiers.

God of War, the god of the battlefield, the top three armies!

I saw that although Chang Fei's offensive might have been squally winds and showers, Yash

Nics seemed to be walking in a leisurely court, calmly coping, and easily evading, seemingly comfortable.

Even while evasive, Yash Nics commented: "The basic skills are good, but that's it. The speed is not fast enough, and the explosive power is not strong enough. With this ability, dare to speak wild words?"

Chang Fei breathed out dozens of them. He did not even touch the corners of Yash Nics's clothes.

He was anxious and angry: "There is a kind of you don't hide, just hit me."

Yash Nics: "Okay!"

Yash Nics finished speaking, and moved, his figure turned into an afterimage, flying towards Chang.

Tong Yang and the others at the side opened their eyes in disbelief, and thoughts in their

hearts: Such a terrible speed, so fast that the eyes can't catch them.

Chang Fei also only felt a flower in front of him, and Yash Nics appeared in front of him.

Before he could make any resistance, Yash Nics had already raised his palm and slapped it down.

The One and The Only Chapter 317  
slap!

A loud noise!

Chang Fei was pumped by Yash Nics's palm and spouted a mouthful of broken teeth mixed with blood. The whole person rotated twice before falling down.

"A Fei!"

"

Young Fei!" Tong Yang and a few friends exclaimed.

Several companions hurriedly stepped forward and helped Chang Fei to help him. Most of

Chang Fei's teeth were beaten, and half of his cheek was swollen like a pig's head.

Chang Fei was dizzy when he was beaten, but his mouth was vaguely angrily cursed:

"Asshole, dare to hit me, you are dead."

At this moment, a large number of vehicles, including a few police cars, suddenly roared

outside. There are more than a dozen military jeeps.

It turned out that Wang Daofang, Chang Haixiong and Wang Zhixing arrived.

When Chang Fei saw his father, uncle, and the chief came, he was like a child who had been

greatly wronged, struggling to meet him, and said with a whimper,

“General Wang, Dad,

Uncle, this bastard named Yash Nics , He killed someone.”

“Also wounded me and Captain Tong, you must call the shots for us!” As

soon as Chang Fei’s words fell, his father Chang Haixiong raised his left hand and slapped

Chang violently. Fei’s right face.

Snap it!

Chang Fei’s right cheek was also swollen, and the few teeth left in his mouth were also

blown away by his father’s sharp palm.

Chang Fei was beaten up, and Tong Yang and a few friends also looked stupid.

What’s going on here?

Chang Fei clutched his swollen face like a pig’s head, looked at him in disbelief, and

tremblingly said, “Dad, why are you hitting me?”

Chang Haixiong cursed, “Bast, do you know who he is? He is the chief who personally gave

your father and me the title, the teacher of our general king, the young commander of the

Northern Army, the God of War of China, Yash Nics!”

“You got the title of Little Soldier King, so you dare to be so arrogant and arrogant, I won’t kill

you little beast tonight!”

Chang Haixiong became more and more angry, took off his belt, and slammed down at his

son.

Chang Haixiong was here for real, his belt was often flared and fleshy, and the ghost cried

and howled.

The Tong Yangs next to them were all horrified, and they subconsciously aimed at Yash Nics with desperate faces. I thought to myself: I'm dead, let the disaster on the ground not cause trouble, but provoke the disaster in the sky, Yash Nics turned out to be the young commander of the North Realm, and this is all over. Chang Hai male is irritable, and the person he admires most is Yash Nics, the god of war. Last time Yash Nics attended the award ceremony and personally awarded him the title. He was so excited that he didn't sleep for several nights, and felt that this was the highest honor in his life. Unexpectedly, how long is this? His unfilial son dared to play sideways with the marshal, and he was furious with anger. At this time, the leather belt in his hand was slashed towards Chang Fei, every whip was skinned and fleshy.

Chang Fei has a strong body, but he can't handle such brutal attacks. Soon he curled up on the ground, seeing the resistance gradually weakening. But Chang Haixiong didn't mean to stop, as if he really wanted to kill his son. At this time, Yash Nics spoke lightly: "Well, Mo Zhen killed him. It is not easy for the country to train a soldier. Give him a chance to reform." Yash Nics's voice fell, and Wang Daofang also stretched out his hand. Grasping Chang Haixiong's wrist, he said solemnly: "Old Chang, the young marshal said that he had spared him." Criminal investigation captain Wang Zhixing also quickly said: "Old Chang, don't you hurry up, thank you young man for opening up the net?" Chang Hai Xiong grabbed his dying son and shouted: "Hurry up and apologize to the

marshal. If the marshal refuses to forgive you, I will cut you personally.” Not only was Chang Fei dying from the beating, but he was even more frightened in his heart.

At this time, he already knew that he would be punished for causing great disasters, his father, and even his chief Wang Daofang.

He knelt weakly in front of Yash Nics, and said with a trembling, “Marshal, I don’t know Taishan, please forgive me.”

Yash Nics said coldly, “It’s not easy to train soldiers in the country, and you For the sake of not causing serious consequences, I will give you a chance to rehabilitate. I hope you will do it for yourself. If you commit another crime, you will be punished at the same time.”

Chang Fei, as he received an amnesty, said repeatedly: “Thank you, Marshal, I They will definitely change their previous mistakes and strive to be an excellent fighter.”

Wang Daofang and others were all surrounded by Yash Nics at this time, like the stars

Gongyue, their eyes fell on Tong Yang and asked Yash Nics: “Marshal , This guy is the culprit in this matter, what should I do?”

### The One and The Only Chapter 318

Tong Yang was sweating, his whole body seemed to be fished out of the water, his body was trembling slightly, his eyes full of fear and despair.

The accomplices often fly, and they have been so miserably cleaned up. The fate of his main criminal, one can imagine, he now has the desire to die.

Yash Nics’s gaze fell on Tong Yang. Tong Yang’s right hand was broken by the tiger charm, and his ribs were also broken. With the current panic, it looked very miserable.

In the end, Tong Yang is Ma Xiaoli’s relative. Yash Nics does not bother to care about him.

He looks at him coldly and says: "I just gave Chang Fei a chance, and now I will give you another chance. If you commit another offense, you will never be merciless."

Tong Yang was overjoyed when he heard this, and thanked him again and again: "Thank you Marshal, thank Marshal. I must warn my second uncle and aunt when I go home, and they must not be rude to you, Marshal!"

Yash Nics said, "No. I don't want me and my family's peaceful life to be disturbed. You must not reveal the secret of my identity, otherwise you will be guilty of leaking state secrets."

Tong Yang and Chang Fei were so scared that they turned pale when they heard this, and said quickly: "Yes, less... No, Mr. Yash, we all know what to do."

Yash Nics waved: "Go back!"

"Yes!"

Wang Daofang stood up straight with everyone on the scene, saluted, and then hurried.

Evacuate.

When Yash Nics entered the house, Song Pingting and the others immediately surrounded him.

Song Pingting asked with concern: "Yash Nics, we saw you hit Changfei through the window. And so many criminal police and soldiers came just now. What did they say to you, did you embarrass you?"

Yash Nics Smiling: "The leaders of the military area and the police are here. They are very honest and serious. They criticized Tong Yang and Chang Fei, and apologized to me. Then they went back and did not embarrass me."

Song Pingting was relieved and smiled. Said: "That's good, I'm afraid they will unite to bully you."

Song Zhongbin and Ma Xiaoli also happily said, "Thank God, these leaders are good people.

They know who is right and who is wrong, and they didn't bully Yash Nics."

Only Tong Ke was secretly rolling his eyes at this time.

Bullying brother-in-law?

Brother-in-law doesn't bully them even if it's lucky!

Junan Hotel, top suite.

Tong Handong and Ma Baozhi are still discussing how to dismantle Song Pingting and Yash

Nics, and how to bring Song Pingting and Tong Yang together.

At this time, Tong Handong's cell phone suddenly rang, and the original Tong Yang called.

Tong Handong answered the phone and asked: "Xiao Yang, did you teach Yash Nics, did

Yash Nics agree to leave Song Pingting?"

Tong Yang was extremely embarrassed, and he said, "Second Uncle, I and Song Ping It's

impossible for Ting. Yash Nics and her are a match made in heaven. You don't want to talk

about it anymore, and you have to be polite when you see Yash Nics and them."

Tong Handong opened his eyes and said, "Xiao Yang, What's your situation? Didn't you say

that you fell in love with Song Pingting at first sight? Why do you say you give up now?"

Tong Yang said impatiently, "Let you stop mentioning it. Don't provoke Yash Nics again, so

be it."

After speaking, Tong Yang hung up the phone.

Tong Handong and Ma Baozhi were both surprised, and they didn't understand what

happened to Tong Yang?

Ma Baozhi guessed: "Will it be Xiao Yang and others who were beaten by Yash Nics again?"

Tong Handong said loudly after hearing this, "It must be so. Yash Nics had been a soldier. I

saw him kick a tiger talisman in a restaurant. I know that he is very powerful. Xiao Yang and the others must have been beaten by Yash Nics again, and they were afraid of being beaten.”

Ma Baozhi said: “Xiao Yang and the others are people with status, so it’s not easy to fight fiercely against a lunatic like Yash Nics. They lose their status. , So it’s a matter of peace.” Tong Handong said: “Yash Nics bullies people so much, we can’t just leave it alone .”

Ma Baozhi smiled bitterly: “But this is Mannity, not our site. We want to teach Yash Nics, and no one can do it!”

Tong Handong smiled and said, “You forgot that Xuan who has been pursuing our daughter Xiaoke? ”

Ma Baozhi eyes lit up:” .! Xuan less, Ouyang Xuan one of the four Tingzhu south, Ouyang family of the young master ”

Tonghan Dong laughed:” Yes, that he has been like a small Xuan Xiao Ke, a plus for us is respect. . We asked him to help teach Yash Nics, he is definitely willing to help.”

The One and The Only Chapter 319

Tong Handong and Ma Xiaoli immediately called Ouyang Xuan and asked Ouyang Xuan to help Yash Nics.

When Ouyang Xuan heard Yash Nics’s name, he felt familiar, but couldn’t remember who it was?

He smiled and said, “Uncle and Auntie, this matter is simple.”

“I am now a provincial capital, not in Mannity.”

“But you can pretend to invite Yash Nics to sing at the Diamond Dynasty KTV of China

Overseas. I told the boss of the Diamond Dynasty, Daniel, to find As an excuse, how about breaking Yash Nics’s legs in front of you?”

Tong Handong smiled with Ma Baozhi, and said again and again, "This is a good idea. We can see Yash Nics's broken legs with our own eyes, but this guy doesn't know why. We called someone to call, haha."

At nine o'clock in the evening, Ma Xiaoli received a call from her sister Ma Baozhi.

Ma Baozhi said that he wanted to sing and had already opened a private room in the Diamond Dynasty KTV, and wanted Ma Xiaoli and the others to accompany him.

Ma Xiaoli always cares about her natal relatives, let alone Ma Baozhi is her sister.

She agreed without hesitation, and then said to Yash Nics and the others: "Your aunts and uncles sing in Diamond Dynasty KTV. Let our family accompany you for a while, Yash Nics, will you go together?"

To be honest, Yash Nics is I don't want to go too much.

But seeing his mother-in-law's expectant eyes, he smiled and said: "They have come from afar, our family should do a little bit of landlord friendship. Now that they have opened a box to sing, let's go and sit with them."

Ma Xiaoliwen Yan was relieved, she was a little worried that Yash Nics and Song Pingting were unwilling to go.

If only their husband and wife attend the appointment, the sister and brother-in-law must also say that her family is inadequate and lacks courtesy.

Yash Nics, Song Pingting, Tong Ke, Song Qingqing, and Song Zhongbin and his wife drove two cars to the Diamond Dynasty KTV.

The Diamond Dynasty KTV is the most advanced KTV in Dongcheng District, Mannity City, decorated with magnificent and magnificent decorations, like a royal palace.

Yash Nics and the others soon came to the Jade private room.

In the private room, there are only Tong Handong and Ma Baozhi. They ordered red wine and snacks. They are singing a good day!

When Yash Nics and the others came in, Tong Handong and Ma Baozhi had just finished singing.

Ma Xiaoli took the lead and applauded: "Okay, the eldest sister and brother-in-law sang really well!" When

Tong Handong and Ma Baozhi saw Yash Nics coming, they looked at each other, and their eyes showed success.

Ma Baozhi changed from being mean today and became extra enthusiastic. He smiled and greeted him: "

My sister, your family is here, and Xiao Ke is here too!" Tong Handong also hypocritically

smiled: "During dinner tonight, our two families are making trouble. It's a bit unpleasant."

"I went back to think about it with Baozhi . I felt that they were all relatives and shouldn't be

upset. So I opened a box and called everyone out to sing and drink. The previous upset, let it pass!"

Song The Pingting family, and even Tong Ke, believed it true.

They all smiled and said that they were all relatives, and let all the unhappiness pass by with a smile.

Only Yash Nics laughed and said nothing.

The two families sat down, sang, drank, and ate snacks in a harmonious atmosphere.

Halfway, Song Pingting went out to the bathroom.

However, he was stopped by a drunk in the corridor at the door. The drunk believed that

Song Pingting was the princess of KTV, and insisted that Song Pingting go to his box to accompany the wine.

While this drunk was talking, he wanted to do something to Song Pingting. He yelled, "Aren't you just a high-level chicken? I'll rent you out for the night." Song Pingting was angry again. Angry again, backhanded the opponent a resounding slap: "Rogue, do you know how to respect women?"

Song Pingting's slap completely stabbed Ma Fengwo.

A middle-aged man wearing a flowered shirt and a big drunk-nosed nose rushed forward

aggressively with more than a dozen of his subordinates, helping the slapped drunkard, and

glaring at Song Pingting: "Bitch, do you dare to beat my cousin?"

The One and The Only Chapter 320

At this time, Yash Nics and his family also came out of the box.

Yash Nicshu was in front of Song Pingting, looking at the men in flower shirts, and asked

coldly: "What's the matter?" The

man in flower shirts pointed at the drunk next to him, and said viciously to Yash Nics: "I am

The boss here, Daniel, your woman beat my cousin!"

Song Pingting retorted, "He was obviously the one who played hooligans on me first!"

Daniel said viciously, "I didn't see it, I only saw you beat him. Now you'd better apologize to

my cousin and pay 100,000 yuan for medical expenses. Otherwise, I will strip you out now

and let you know what is a hooligan."

Yash Nics squinted his eyes and said, "A bunch of big men bully one.

Woman, so capable." A

cold light flashed in the big bull's eyes, and he looked at Yash Nics with a grin: "You are his

man, then I don't care about her, I care about you."

"I will give you two now. A choice. Either kneel down and apologize to my cousin for your

wife, or I will break your legs and choose your own choice!"

Song Pingting's family became nervous. Unexpectedly, they would encounter this when they

came out to sing and drink. Kind of trouble.  
On the other hand, Tong Handong and Ma Baozhi were secretly gloating.  
This guy called Daniel, Xuan Shao deliberately came to find Yash Nics's  
fault and helped  
them teach Yash Nics to his wife.  
The couple are now watching the theater with great interest. Is Yash  
Nics kneeling down  
and begging for mercy, or is Daniel knocked off his feet?  
Song Pingting worriedly whispered to Yash Nics: "Or let's call the police!"  
Yash Nics smiled and said, "Clean up a few craziness, there is no need to  
waste precious  
police resources."  
Daniel shouted ferociously, " Let's do it together , Knock off this kid's  
feet."  
After finishing speaking, he took the lead, leading a group of men, and  
rushed towards Yash  
Nics murderously.  
"Give me to die!"  
Daniel roared, and fist slammed Yash Nics's face fiercely.  
Yash Nics raised his left hand and easily grasped Daniel's fist.

Daniel's eyes widened instantly!  
Tong Handong Ma Baozhi and others also showed expressions of  
disbelief.  
This big bull has a sturdy figure, and this murderous punch was  
unexpectedly caught by  
Yash Nics? !  
Yash Nics's palms pressed slightly with five fingers, and Daniel's fist was  
immediately  
snapped by the pinched bones.  
Daniel instantly screamed with pain on his face.  
At this time, Daniel's men had already rushed in, raising their weapons  
to attack Yash Nics.  
Yash Nics let go of the bulls and met the thugs.  
I saw him walking through the flock like a tiger, shooting as fast as  
lightning and fierce as  
thunder.  
These little gangsters screamed and fell, no one was his enemy.

Daniel, who was able to get out, was horrified to find that the bones of his right fist were all broken, and his right hand was swollen like a bun. All of his more than a dozen subordinates also lay down. He sternly shouted at Yash Nics: "Good boy, you are cruel. But this is Dongcheng District, Mannity City, I am from Boss Shi. If you dare to make trouble in my place, you are dead." Yash Nics snorted coldly. "I don't care what your boss is, even if he himself appears in front of me. I let him kneel, he dare not stand." As soon as Yash Nics's voice fell, a group of murderous men came up not far from the stairs. The head of the person was wearing a black leather jacket. Before anyone walked in, the voice came first: "Who is so arrogant that he said that I should kneel and I dare not stand?"

When Daniel saw the black leather man, he immediately showed an expression of ecstasy, hurried up to meet him, and said excitedly: "Boss Shi, you are here, this kid, not only smashed my place, but also hurt me and my men! "
