

Chapter 3132– 3133 of A Dish Best Served Cold Novel

Chapter 3132

In this case, Mark was naturally a little tangled.

“Forget it, it’s important to save people.”

“Yun’er, I’m sorry.”

Mark was not an indecisive person either. After a brief struggle, he acted decisively and stepped forward.

Tang Yun at this time had passed out in a coma.

His breath was dying, there was no consciousness, and he could only let Mark move and wait for Tang Yun to wake up, it was already a few days later.

Familiar doors and windows, familiar herbal fragrance.

For a moment, Tang Yun seemed to feel that time still stayed when she first met Mark.

The young man had just sneaked away from his dress, and he was just rescued from the ghost gate by Grandma Chu after he became confused.

She didn’t know Mark, she didn’t practice the Dragon God Body together, and she didn’t have the entanglement that shouldn’t be there in the rain forest cave.

Everything is just a dream.

After waking up, she was still the master of Truman who was cold and refined, with nobleness.

But now, too much upset and entanglement in her heart already made Tang Yun feel very tired, very tired.

“Huh?”

“Who is outside?”

Just when Tang Yun was lost, there was a sound of footsteps outside the closed door.

Although the footsteps were light, they were inaudible. But Tang Yun's powerful perception was still quickly noticed.

Squeaky~ The

old door was pushed open.

The sunshine outside, like water, came in, mixed in the gentle spring breeze, and flowed through the room.

A kind old woman walked in with a cane.

There was a kind smile on the old face.

Seeing the old man, all the guard on Tang Yun's body disappeared in an instant. The beautiful eyes, like water, turned red in an instant.

He was silent for a long time, and finally shouted tremblingly: "Grandma."

Tears also came out at the same time.

Only in front of this old man, the former noble master of the Truman, could he let go of all his majesty and dignity, like a child who had just entered society, tears and weeping in the arms of the old man.

"Stupid boy, why are you crying?"

"They are all mothers."

"Women are weak, but mothers are strong."

"What's more, you Nizi are not as fragile as those vulgar fans outside. "The

old man comforted softly.

When Tang Yun heard this, she suddenly raised her head and asked the old lady Xiang: "Grandma, who told you?"

"Is it Mark?"

"He said nonsense."

"I didn't give him a baby."

Tang Yunbei bit her red lips lightly and said stubbornly.

The old lady shook his head and smiled: “Xiao Yun’er, you deceived others, but you can’t deceive your grandma.”

“I’m a half-length man, and I haven’t experienced anything.”

“More Besides, I treated your injuries.”

“I don’t know what’s your physical condition, your grandma?”

“But you stupid girl, but it’s really too nonsense.”

“After giving birth, it’s when a woman is weakest. You actually ignore your body and fight fiercely with others. “

This is also delivered by Mark in time, otherwise, even the gods will not be able to save you.” The

old lady said softly, with a bit of condemnation in his low tone.

Tang Yun lowered her head and did not speak any more.

The room suddenly became quiet.

However, the old lady seemed to see the boredom and entanglement in Tang Yun’s heart, and asked softly: “Yun’er, do you have something to ask grandma?”

“Yeah.” Tang Yun nodded gently, and then hesitated for a while. “Grandma, I’m so confused now.”

“I really don’t know, what should I do.”

“I don’t want to live up to the teacher’s expectations of me, but sometimes I feel lonely, and I want to be accompanied, and I also want to Live a safe and stable life.”

Chapter 3133

The flames of war and blood have never been Tang Yun’s longing.

Even if she sat on the position of the master of the Chu Sect back then, it was definitely not because of liking, but more of a responsibility.

It is the family and her teachers who have given her the responsibility.

Before, Tang Yun had no distractions.

In addition to pursuing the supremacy of martial arts, he is thinking about how to fulfill his responsibilities and missions.

But now, the appearance of Mark has frozen Tang Yun's heart for a long time, discovering new possibilities in life.

"Stupid girl, the answer to this question is actually very simple."

"A person lives for the whole life, but for a moment."

"The best way to live is to live for yourself, of course."

"Anyway, everything is fine."

"Life is your own, don't suffer yourself because of the so-called mission and responsibility."

Old lady Chu said earnestly.

"Do you know that your grandmother and I faced the same problem with you."

"In the end, I chose him."

"Because of my decision, my teacher expelled me from the teacher in anger. Door."

"But I don't regret it."

"Because I like him, I'm willing to be the woman behind him, husband and teach children, and have children for him." When

these words were said, the old lady said on his old face. Showed a kind smile.

Tang Yun seemed to see the original form of "happiness" in her body.

At this moment, Tang Yun was slightly startled.

There was a yearning and envy quietly in my heart.

Perhaps infected by the old man's emotions, Tang Yun's original upset in his heart was swept away.

An intoxicating smile appeared on her delicate pretty face.

"Okay, Yun'er."

"You have a good rest first ." "Don't

worry, I won't talk to anyone about grandma in today's conversation."

"Juniors, I will never interfere with the old things.

" Children and grandchildren have their own children and grandchildren~"

Old Madam Chu didn't say much about him, but after checking Tang Yun's injuries, he turned and left.

Only Tang Yun left behind, bewildered.

"Hey~"

"Why are you in a daze?"

"The effect is gone, and it won't come out yet."

"The clothes I just bought for you, can you try to fit them."

"Continue to the medicinal bath to heal the injury at night."

Suddenly, the ears There was a voice. Mark had already appeared in the room at some unknown time.

At this time, Tang Yun was still taking a medicated bath in the barrel to heal her injuries.

Seeing Mark, Tang Yun was panicked, and hugged her chest with her hands. Ruyu's delicate body shrank into the water again, and her blushing face roared to Mark: "Get out!"

"If you don't go out anymore, I will kill you." ~"

"Kill me?" Mark shook his head and chuckled, "Save it, it's hard to kill a chicken in your current situation."

"Can't you get out?" Tang Yun was a little angry, and asked Mark forcefully again.

Perhaps it was the reason for the excessive mood swings. Tang Yun was involved in the injury again and coughed violently.

"Well, I'll go out, don't be angry, your body is important." Mark quickly got soft, put his clothes aside, and Mark walked out.

However, before leaving, Mark didn't forget to turn his head and give Tang Yun a blank look: "Don't let me see it? I really think I'm rare?"

"Besides, I haven't seen it before."

“You ~ bastard, go to hell!” Mark’s words almost killed Tang Yun. Picking up the clothes next to him, he smashed towards Mark.

Mark ran away and disappeared in a slip of smoke.

Seeing this guy running faster than a rabbit, Tang Yun was angry and laughed.

This bastard is still as shameless as before!

Tang Yun couldn’t imagine that if her son was as irritating as Mark in the future, she was afraid that she would live less than 30 years as a mother.

And after sending clothes to Tang Yun, Mark left the old house of the Chu family and went to a nearby hill.

“All come out.”
