

# Chapter 3138– 3139 of A Dish Best Served Cold Novel

## Chapter 3138

“Will the other two of the Chu Clan let you go?”

“

Even grandma can't spare you.” “What's more, you won't be an opponent of the Chu Clan at all.”

“The Chu Clan's strength is far superior to yours. Imagine.”

“So, Mark, will you listen to my advice.”

“Don't think about fighting with the Chu family anymore.”

“Let go, okay?”

“You will be your mother and your child.” , Think about it for everyone who loves you, okay?”

Tang Yun looked at Mark, even with some begging in her tone.

She didn't want Mark to stand on the opposite side of Truman, and she didn't want Mark to take risks.

Although, the power that Mark showed now was already extremely powerful.

However, if you want to defeat the Chu Family, these are not enough.

Facing Tang Yun's persuasion, Mark did not immediately answer.

Instead, he turned his head, turned his back to Tang Yun, and said in a deep voice: “Yun'er, you don't have to persuade you anymore.”

“In the rain forest, I already told you.”

“I belong to the Chu family. The grievances, if you want to solve them completely, there is only one battle!”

“Otherwise, if I spare the Chu family, then the Chu family's father and son will not let me go.”

“What's more, if the Chu family doesn't give me justice, I How can I be worthy of the suffering and humiliation my mother and I suffered.”

“But~”

“Enough.” Tang Yun wanted to say something, but was interrupted directly by Mark, “I know your identity, so I don’t want to talk to you more about this matter.”

“I just want to say now . I want to ask you, that child, is it because you were born for me?”

Mark turned his head and looked directly at Tang Yun with cold eyes, but his words were suppressed with a bit of anger.

For so many years, Mark worked so hard and suffered so much, for what?

Isn’t it just for one day, to kill the Chu Family by his own ability, Yixue’s insults back then.

This is Mark’s obsession, and it is Mark’s persistence and persistence for many years.

But now, the person Mark cares most about has repeatedly hit his dream and prevented him from pursuing it.

If it were someone else, Mark would have turned his face in anger a long time ago.

“What if I say yes?”

“Will you be willing to step back for our sake, no longer go to the Chu family, and no longer be an enemy of Chumen?” Tang Yun’s eyes were a little red, like a little girl eager to be cared about. , Asked Xiang Mark.

But when Mark heard this, his brow furrowed deeper: “Yun’er, don’t force me, okay?”

“These are two different things, I don’t want to confuse them.”

Tang Yun smiled immediately.

In the laughter, there was a bit of self-deprecation and disappointment.

Even if Mark didn’t answer positively, Tang Yun already knew Mark’s answer.

Suddenly, Tang Yun felt boring.

After all, is she still affectionate?

“Well, I know. From now on, I won’t persuade you again. Before, you just assume that I have never said it.” Tang Yun smiled desolately.

All the original fantasy and expectations for the future disappeared in an instant.

“Yun’er, don’t be like this.” Seeing Tang Yun’s appearance, Mark felt a pain in his heart.

But Tang Yun ignored it, and continued to speak, but the tone of his speech had returned to the coldness of the past: “Mark, don’t you really want to know who the child is?”

“I will tell you today.

” In fact, from beginning to end, I don’t know anything about children.”

“Also, in the rain forest, I gave you the fire spirit fruit, but it was only a favor to you.”

“I just didn’t expect it, dignified Huaxia.

Wushuang Grandmaster , he was sentimental, thinking about what happened between us, and he was not ashamed, and asked me if I would have children for you?” “I, Tang Yungui, is the master of Chumen, the first in the sky. Powerful and majestic in the world.”

“And you, but a country boy from a poor background.”

“You should know what kind of gulf exists between you and me, regardless of your status, status, or power background.”

“The master of the sect gives birth to you children. , Ask this, don’t you find it ridiculous?”

## Chapter 3139

Tang Yun sneered, and the words were filled with chill and resentment.

How ugly is Tang Yun’s remarks?

But Mark didn’t save any face.

At that time, Mark clenched his palms, and looked directly at the woman in front of him: “So, you think I am Mark humble and insignificant, not worthy of you, the Lord of Truth, and not worthy of letting you live for me. Parenting?”

“Is the master of the sect wrong?” Tang Yun asked in a cold voice, “you are not only a nameless, but also a shameless bastard who is arrogant and unfeeling!”

“If it weren’t for the sect master, he is hurting now. Body, I have already killed you here.”

“You can’t even fight me, and you still

want to compete with the Chu Family?” “Firefly, but always want to compete with Haoyue?”

“It’s just self-inflicted shame. “

Tang Yun said coldly, but there were inexplicable emotions in the words.

It’s like anger, and it’s like venting resentment.

However, Tang Yun hadn’t noticed that when she said these words, Mark’s gradually cold face, and the increasingly tight palms.

Finally, after Tang Yun’s last sentence fell, Mark’s long-suppressed emotion finally broke out.

“Haha~”

“What a firefly, what a shame.”

“It turns out that Mark is so insignificant in your eyes.”

Mark laughed, he looked at Tang Yun, double Eyes are as red as blood.

In the laughter, there is even more sadness and loss.

In the past few days, all the softness in Mark’s heart disappeared at this time.

“You are right, your Tang Sect’s sovereignty is overwhelming and majestic.”

“Compared to you, I am nothing but a country boy, humble and contemptuous, and antsy dust.”

“I can’t get into the eyes of your Tang Sect master, let alone deserve it Let your Tang Yun sect master give birth to me.”

“It’s me, being passionate.”

“It’s me, it’s boring to ask for it.”

Mark laughed at himself , above his determined face, but at this time it was all lonely .

“However, that’s fine.”

“I don’t have to worry about going to the Chu family

anymore .” After speaking, Mark stopped staying and turned away,

“Mark, stop!”

“Are you really afraid of death?”

“Do you really want to find your own dead end ?”

“You must think clearly that you will not only face the anger of the Chu family, but also the siege of the three Chumen.”

“At that time, your only ending will be death. There is no place to bury!”

Tang Yun was anxious when he saw Mark was leaving, and shouted again.

She didn’t know why she wanted to persuade Mark, maybe, deep down, she still wanted to face Mark with a sword.

“So what?”

“I said long ago that the battle with the Chu family was my fateful battle.”

“What happened back then, I have to ask for justice.”

“I don’t regret it though I die!”

A few words are more important than ever.

“Also,” Mark’s steps suddenly stopped, his low tone, with extremely cold and chill, “I Mark has no intention of being an enemy of Chu

Sect.” “But if Guizong Sect interferes with me and Chu Family. About this matter, then, it is the strongest of the Chu Sect, and the dragon master is also correct.”

“In addition~” After that, Mark suddenly turned around, his deep eyes looked at the beautiful and graceful woman in front of him, and sneered. The voice sounded quietly.

“Tang Yun, people beyond Behind.”

“Do not think that he is the first day standings, will be invincible.”

“Do not think more, Truman is the best in the world were the door, can be fearless.”

“Believe, I, in the near future, I will give the Chu Family, Chu Sect, and Tang Yun Sect Master, a huge surprise.”

“I will let you know what kind of existence is the person you despise today. “

Hoo~ The

cold wind is bitter, rolling up the raging sand in the sky.

Under the sea of clouds, Mark stood proudly and sneered.
