## Chapter 314 - The Good Deeds

'You who are you? You're looking for death!' Brother Pao was burning with rage and didn't bother to think about Ye Yunjie's identity at all.

He didn't know Ye Yunjie, and seeing that she was following Liu Guohao down, and that she was quite pretty, he took it for granted that she was Liu Guohao's new secretary.

Changing secretaries was a common occurrence for Liu Guohao, it was like this in the past, and Brother Pao had seen it all before.

But you are just a small secretary, you dare to slap yourself, have you lived long enough!

Although Brother Leopard was one of Liu Guohao's men, he was definitely not someone who could be bullied by just anyone.

However, what made Brother Pao feel a little surprised was the slap that Ye Yunjie had just given himself, because it was too painful.

Brother Pao had been in the jungle for many years and had suffered countless slaps, from women he had slept with, to big players he couldn't afford to offend, or any other powerful person.

However, it was the first time he had seen someone like Ye Yunjie, who looked weak but had such a powerful strike.

Without boasting in the slightest, if Brother Pao did not see Ye Yunjie's slap, he would almost think that the other party was a 200-plus pound, two-metre tall strong man.

Brother Pao himself was tall and big, but Ye Yunjie's slap almost made him stumble, so you can imagine how powerful it was.

Moreover, this was a public place, so Brother Pao couldn't afford to lose face even if he was slapped.

However, Ye Yunjie's face remained unchanged as she raised her head and looked at the other party with contempt, saying in a low tone, 'Do you want to die?'

Hmm?

Brother Pao froze at his words, and then became even more irritated.

He raised his hand to hit Ye Yunjie, and cursed loudly under his breath, 'I think you're the one who wants to die!'

But before Brother Pao's slap could fall, it was grabbed by Liu Guohao, who even kicked out fiercely, directly hitting Brother Pao's abdomen.

‘What do you want? You want to die, reckless!’ Liu Guohao roared at Brother Pao.

Brother Pao was so aggrieved by the kick that he immediately questioned, ‘Brother Ho, what are you doing? This little b\*tch hit me first, what’s the matter? Is this little b\*tch particularly powerful?’

Just because Brother Pao said this, Liu Guohao had the heart to geld him.

What did he mean by having a new man and forgetting the old one? What is particularly powerful? If Ye Yunjie heard this, what would she think? What was he? He himself knows very well, with him, if not in Chujiang’s real estate industry some small delusions of anything else again.

‘If you talk nonsense again, I’ll get you killed!’ Liu Guohao’s eyes were full of fire as he yelled, ‘You shut your mouth, do you know who this is? You are so reckless!’

Brother Pao was not stupid, and when he heard Liu Guohao say this, he suddenly woke up a little.

Shit, could it be that he had thought wrong? This woman was not at all Brother Bao’s new secretary?

The expression on Brother Pao’s face gradually changed as he thought this, and he couldn’t help but be a little worried.

Seeing that Brother Pao had become more honest, Liu Guohao then dared to look at Ye Yunjie, but after seeing the cold expression on Ye Yunjie’s face, he knew that he had probably committed another crime.

Angry, Liu Guohao hurriedly walked up to Brother Pao and slapped him out, shouting, ‘You son of a b\*tch, do you know who this is? Hurry up and give me’

Before Liu Guohao could finish his sentence, he was interrupted by a voice from the side.

‘I know who she is!’

Hearing this voice, Liu Guohao couldn’t help but stare, and then he saw Liu Qiang walking over quickly.

Liu Qiang did not expect that he had not only met Jiang Hao here, but he had also seen Ye Yunjie.

Is this what it means to have a narrow path of injustice?

When Ye Yunjie saw Liu Qiang walking over, her face did not change as she looked at Liu Qiang indifferently and said in a cold voice, ‘You came just in time.’

As soon as Liu Guohao heard Ye Yunjie’s tone, his heart suddenly decorated, knowing that something bad was going to happen.

He was about to tell Liu Qiang to shut up and ask him to apologise to Ye Yunjie.

But before he could open his mouth, he was forcibly interrupted by his own son.

Liu Qiang snorted coldly and looked at Ye Yunjie with contempt in his eyes.

‘What a coincidence, just now I was curious as to how that little bastard could be in our family’s company, and I feel that you are also there!’ Liu Qiang said, ‘Hmph, that’s just right, I hadn’t forgotten what happened that day, I still want to seek revenge on you bastards, I never thought that you would come to my door today of your own accord!’

Hearing that his son had the audacity to speak to Ye Yunjie like that, Liu Guohao’s heart was about to jump out of his chest.

He hurriedly gave Liu Qiang a scowl while shouting, ‘Brat, what are you talking about, shut up, do you know that this is’

But once again, Liu Guohao’s words were cut off by Liu Qiang.

The latter pointed at Ye Yunjie and said arrogantly, ‘Dad, you don’t need to tell me, I know who they are, do you remember the last time I told you that I was bullied by someone? I’ll tell you today, it was this woman, and that little bastard over there who did it!’

#### Chapter 315 - Don’t Fight Dad

Liu Qiang pointed at Jiang Hao who was not far away and surrounded by a group of people in the middle, his face overflowing with loathing.

He followed up by saying to Liu Guohao, ‘Dad, what do you say, what should we do with these two people today? I was bullied by them that day, and it just so happens that they are all here today, so you have to take out this anger for me at any rate!’

Liu Qiang was quite proud of himself, because he felt that this was his family’s company and his father usually spoiled him.

Now if he heard that he was being bullied, he might not be able to tell what he would do to Ye Yunjie and Jiang Hao later.

Liu Qiang smiled at Ye Yunjie with an arrogant expression.

He said to himself, ‘B\*tch, how dare you be mad at me again this time? I’ll see if you still dare to jump up and down, this is my home turf!’

Liu Qiang even felt that Jiang Hao and Ye Yunjie’s fate was almost predictable, no matter what, these two people would not end up in a good place today.

But what surprised Liu Qiang a little was that after he had said such a large amount of words, Ye Yunjie still had that calm and relaxed expression, showing a faint smile.

Ye Yunjie snorted and shook her head slightly helplessly as she said to Liu Qiang, ‘Oh? Really, then I’d like to see if your father can give you this bad breath today!’

When Liu Qiang heard this, he hurriedly looked at his old man and said with an angry expression on his face, ‘Dad, you heard what this b\*tch said, right? She dares to disregard you, what are you still standing there for? Hurry up and have someone clean them up?’

Liu Qiang saw that his father was hesitant to take action, he was so anxious that he hurriedly urged, ‘Aiya, I know you don’t want to deal with such a small character, then I’ll let Brother Pao do it myself, and later on, tell the public that I did it!’

Liu Qiang looked at Brother Pao impatiently, pointed at Ye Yunjie and said, ‘Brother Pao, what are you still standing there for? Hurry up and clean up this b\*tch, and that little bastard over there!’

Brother Pao had already seen that Ye Yunjie was not an idle person, from Liu Guohao’s attitude towards her all along, or Ye Yunjie’s own calmness in dealing with changes, it could all prove that she did not take Liu Qiang into consideration.

Brother Pao looked at Liu Qiang and couldn’t help but shake his head slightly.

The company’s main business is to provide a wide range of products and services to its customers. What the hell is going on here?

‘Brother Pao, what do you mean? You’re not listening to me? Hurry up, give me a hard time to clean up these two’

This time, Liu Qiang did not finish his words, and then he heard a sharp sound coming out of thin air.

Then Liu Qiang felt his face burning hot, and finally his whole body was lifted over by that force and rolled on the ground twice.

‘You little son of a b\*tch, you you don’t want to f\*cking live you?’

Liu Guohao finally couldn’t stand it anymore.

Usually he did dote on his only son especially well, usually if Liu Qiang was bullied, Liu Guohao naturally had to teach the other party a lesson so as to take out his son’s anger.

But today Liu Guohao realised that because of this, it seemed that he had spoiled the brute so much that he had apparently lost his mind.

Liu Guohao was angry and desperate. Angry because his own son might have to spoil his good deed today.

He was desperate because he didn’t know how Ye Yunjie would deal with him later.

What Liu Guohao could do was to try to save his son and the Liu family.

When Liu Guohao thought of this, he punched and kicked Liu Qiang, who had fallen to the ground, without showing any mercy.

Liu Qiang was screaming on the ground, rolling and begging for mercy: 'Dad, don't hit me, you're going to kill me, please don't hit me, oops, it hurts, it hurts, Dad.'

If he didn't punish Liu Qiang properly today, if he fell into the hands of Ye Yunjie, he would end up a hundred times more miserable.

That kind of result was something Liu Guohao did not dare to imagine.

The worst part is that no matter how Ye Yunjie dealt with Liu Qiang in the end, Liu Guohao could only endure it. If he dared to resist even a little bit, then the Liu family would be the ones to suffer in the end.

Liu Guohao secretly glanced at Ye Yunjie with the rest of his eyes.

He found that Ye Yunjie still had that cold expression on her face, as if she didn't care about what was going on or Liu Qiang's death.

This attitude of Ye Yunjie simply made Liu Guohao desperate, because as long as Ye Yunjie did not shout to stop, Liu Guohao would not dare to stop easily.

But if the fight continued like this, Liu Guohao was really worried that his son would die by his own hand.

At this moment, Ye Yun-jie looked not far away and her eyes changed for a moment, and she hurriedly walked over.

Seeing this, Liu Guohao hurriedly slowed down the speed and power of his fists and kicks, giving Liu Qiang a moment to catch his breath.

Liu Guohao was also curious enough to look along with Ye Yunjie, and then he saw Ye Yunjie walking over to a boy not far away with a concerned look on his face.

'Young Jiang, are you alright?' Ye Yunjie asked, 'Did he do anything to you?'

Chapter 316 - Kneeling down

Although Ye Yunjie's voice was not loud, it was already loud enough for the few people present to hear.

And when they heard Ye Yunjie mouth Jiang Hao as Jiang Shao, the hearts of the few people present all went cold for a large part.

'Jiang Jiang Shao?' Liu Guohao was obviously taken by surprise, and the punches he threw all fell short, and his whole body almost fell.

Liu Guohao was completely dumbfounded, because he remembered that just now his son had pointed at Jiang Hao and called him a son of a b\*tch, and he was going to ask Brother Pao to clean him up!

When he thought of this, Liu Guohao's mind went blank and he became even more desperate.

He knew very well that if his son had only provoked Ye Yunjie, he would have taught him a good lesson and given Ye Yunjie a good apology, and the matter would have been settled.

But his own son, who was indisputable, had provoked Jiang Hao's head? He even threatened to teach him a lesson?

This is just like seeing a land mine and stepping on it with glee!

Moreover, Liu Guohao knew very well that this time, it would never be that simple.

The person who offended him was Jiang Shao, a member of the Shen family, and even Ye Yunjie had to respectfully call him master, and he was not even a dog in front of him, and now his son had almost cleaned him up!

Just thinking about this, Liu Guohao felt like his brain hurt so much that it felt like it was going to explode.

He couldn't help but stop his hands. With his hands on his head, he looked like he was in agony.

And just at that moment, Brother Pao on the side was also dumbfounded.

He had realised just then that Ye Yunjie would not be an idle person, after all, in order to quell her anger, Liu Guohao had even dealt such a cruel hand to his own son, which was almost unprecedented in the past.

But he never thought that this Jiang Hao would be at least one level higher than Ye Yunjie, and Ye Yunjie had to respectfully call out to him as Jiang Shao.

It seems that this is a big frown today!

Brother Pao had been following Liu Guohao for so many years, even if he didn't know Jiang Hao's identity, he could still see that this young Jiang's identity was probably so strong that it was terrifying.

And in the face of such a character, just now, he had almost cleaned him up, and even insulted him with his words, this account, who knows how he would be settled later?

He was just a man who worked for others, but he could never have imagined that one day he would actually commit this kind of thunderous rage!

Brother Leopard was in a state of panic and did not know what to do.

On the other hand, Jiang Hao looked at Ye Yunjie, and the tension in his own heart was finally relieved.

Just now, when he was ready to get up with a group of people, Jiang Hao was also very scared, thinking that if Ye Yunjie hadn't appeared in time, he might have really been finished.

But luckily, Ye Yunjie had appeared just in time, and it seemed that Liu Qiang had also been taught a lesson.

‘I’m fine.’ Jiang Hao said indifferently and said to Ye Yunjie, ‘I really didn’t expect that this Liu Qiang was actually the son of the owner of this company.’

Jiang Hao let out a bitter laugh, sighing that creation was too coincidental to write.

Ye Yunjie smiled and asked with a serious face, ‘Then, Jiang Shao, do we want to work with a different company?’

When Ye Yunjie spoke, she had no intention of holding back at all, her voice was like a normal chat.

But her words, when they reached Liu Guohao’s ears, simply became the last straw that broke the camel’s back.

Liu Guohao fell to the ground with a poof and looked at Ye Yunjie and Jiang Hao with a desperate face.

He knew very well that if this collaboration with Jiang Hao blew up, he would probably not be able to get along in Chu Jiang.

In order to get on with the overseas Shen family, Liu Guohao had used almost all the means, which had sinned against people and fed the pits dug by others, there were simply countless.

Liu Guohao also took a big gamble at the beginning, after all, if he could get a ride with the Shen family this time, then even if he wanted to take revenge on himself, those people would probably have to weigh their own weight in front of the Shen family.

But if the cooperation with the Shen family falls through, Liu Guohao can imagine what will happen to him.

Those enemies, those who had been victimised by him, and those who were already jealous of his ability to ride on the Shen family’s fast track, would all come to his door as soon as they heard the news.

When that time came, Liu Guohao would not even know how he would die.

Liu Guohao wanted to live, no matter what, even if the company was lost and his son was crippled, but having a life to live was the most important thing!

In front of a large audience, Liu Guohao knelt down on the ground, disregarding his own employees and the face he had accumulated over 20 years in Chujiang.

Immediately afterwards, Liu Guohao knocked his head on the ground

There was a ‘thud’, with great force and an extremely loud sound.

Liu Guohao lifted his head, followed by crawling forward two steps, and then fiercely knocked his head down again.

With another ‘thud’, Liu Guohao’s forehead turned blue, but he still ignored it and took another two steps forward, then knocked his head again.

Liu Guohao was kowtowing to the feet of Jiang Hao and Ye Yunjie under the gaze of at least a few dozen pairs of eyes.
