

Chapter 3146– 3147 of A Dish Best Served Cold Novel

Chapter 3146

He even sent someone to negotiate with Tang Yun.

First, I want to know what is the purpose of Tang Yun leading the powerful to invade the summer?

The second is that we hope to avoid fighting through negotiation.

The Chu Sect is extremely powerful, and if it is not forced to be helpless, it is the Martial God Temple, and it is naturally unwilling to collapse with the Chu Sect.

However, what Ling Jiansheng and others did not expect was that since that night, Tang Yun and all the titled powerhouses had completely disappeared.

Even Tang Hao sent someone to Mark's hometown, and there was no news of Mark.

Moreover, in the following months, the martial arts in the hot summer also returned to peace, and no special circumstances occurred.

"It's really weird."

"What the hell does Truman want to do?"

"What came here is inexplicable, and what disappeared is also inexplicable."

Above Yanshan, Tang Hao said in confusion.

The Juggernaut shook his head, and he couldn't understand Chu Men's intention.

"However,

let's be more vigilant." "I always feel that next, the martial arts world, I am afraid that there will be a big wave." On

the top of Yanshan Mountain, the faint words of the sword sage sounded slowly.

He raised his head and looked through the window to the sky outside.

At the end of the Tianhe River, black clouds were surging, and the wind was surging.

It seems like a storm is brewing.

There is a big pair, the rain is about to come, the wind is full of the building!

At the same time, the Chumen Mountain, thousands of miles away, had been calm for several months.

Suddenly, a momentum burst out quietly.

Immediately afterwards, a red rainbow light quietly lit up in the Chu family.

Like a sword, it tears open the sky, cuts through the void, and rises into the sky.

In an instant, a hundred miles around, it was as bright as daylight.

From a distance, it looked like an aurora, blooming in the depths of the night.

The mountains and rivers trembled, and the earth shook with it.

There was a gust of wind, which brought boundless leaves under the rain.

Such a vision caused the mountains to tremble.

“This...”

“Is this?”

Everyone inside and outside the Chu family was shocked.

On Chumen Mountain, the guards on duty at midnight opened their eyes with surprise.

“This...Is this...”

“It’s the chief of the Chu family.. Is going to leave the customs?”

This sudden change caused countless people to tremble.

Jones family.

Patriarch Bill Jones, who had just fallen asleep after dealing with family affairs, was also awakened instantly.

He walked to the window and frowned immediately when he saw the direction of movement outside.

“It looks like a breakthrough.”

“The Chu family duo of that year finally regained consciousness?”

Bill Jones whispered.

After that, he put on his clothes, opened the door, and his opponent ordered: “Get the car and go to the Chu Family Manor!”

Not only Bill Jones, but the elders in Truman were also disturbed by such a huge movement. They rushed to Chu’s house overnight.

They wanted to see how powerful the new Patriarch of the Chu family had reached during this retreat.

“I just don’t know if it can be compared to his brother.”

... For

a while, several luxury cars drove out one after another, all rushing towards where the Chu family was.

Under the dark night, those countless pairs of lights, like a stream, rushing into the sea!

Rumble ~ At

this time, the entire Chu Family Manor was still trembling.

The rainbow light soaring to the sky is getting more and more prosperous.

Until the end, amidst the dazzling rainbow light, a majestic figure rose into the sky from the courtyard of the Chu family.

Between the sea of clouds, his hands stretched out, and he embraced the world.

Above the nine heavens, he was bathed in radiance, and he looked up to the sky and howled.

In a

short time, the surrounding heaven and earth forces, as if being called, surged wildly and gathered.

Then, toward that person’s body, crazily poured in.

In the storm, the burly figure and the aura of the whole person became stronger and stronger.

Until, the momentum is like a rainbow!

Chapter 3147

Wow~

This world, like a pot of boiling water, is boiling violently.

Finally, I don't know how long it took, the storm dissipated, and everything fell silent.

But the figure between the sea of clouds is still standing.

Like a generation of kings, standing on the top of Tianhe!

In the eyebrows, the edge is full, and the majesty is full.

Above the resolute face, there are things called pride and ambition at this moment, burning crazily.

Immediately afterwards, a mixed sound, like a bell in the morning and a drum in the evening, echoed everywhere.

“It's been too long.”

“Since I was defeated by you in those days, my strength has not been improved by Chu Zhengliang in many years.”

“Now, after many years of accumulation, I have forbore for a thousand days, and finally, today, I have cultivated a positive result.”

“After today, I think on this Chumen Mountain, who else would dare to say that I am inferior to you!”

“Hahaha~”

“

Hahahaha ...” Between the galaxies, Chu Zhengliang's eyes were red, and he looked up to the sky with a long smile.

It seems that he wants to vent all the grievances and grievances he has accumulated in his heart today.

Yes, in this family, Chu Zhengliang has tolerated it for too long.

Once, he was the most dazzling descendant in this family.

In terms of strength, even his elder brother Chu Zhenghong is not as good as him.

At that time, in the eyes of the tribe, Chu Zhenghong was just an unlearned dude. And Chu Zhengliang, who is the hope of the Chu family in the future, is a strong contender for the two positions of power in the Chu Family Patriarch and the Chumen Sect.

At that time, Chu Zhengliang was so radiant and beautiful that no one could match.

However, Chu Zhengliang never imagined that the positions he thought he had reached would fall into the hands of others.

Especially ten years ago, after Mark's mother and son were expelled, his elder brother Chu Zhenghong became like a different person, practicing frantically.

At an unimaginable speed, he rushed to catch up while practicing.

In the end, he defeated Chu Zhengliang in the battle for the Patriarch of the Patriarch of the Chu family.

The failure of that battle became the shadow and knot of Chu Zhengliang for many years.

As a result, for so many years, Chu Zhengliang's strength has not improved by half.

Until this time, Chu Zhenghong violated the family rules and the Patriarch was deposed.

Chu Zhengliang finally became the head of the house.

The long-cherished wish for many years was over, the heart knot opened, and with the understanding of the mind and nature, the cultivation realm that had been delayed for many years finally ushered in the moment of accumulation at this moment.

At this time, Chu Zhengliang was naturally energetic, and he was full of pride in his heart.

"Congratulations, father, further advancement in cultivation base, great achievement!"
At

this time, Chu Qitian had rushed over.

Wearing pajamas, he knelt down on the ground, looked up at his father, and his respectful voice resounded throughout the night sky.

Excited heart, shaking hands.

Today's Chu Qitian, Junyi's face is full of respect and joy.

As the saying goes, the son is the father.

The stronger his father's strength and the higher his status, the more shade he will naturally receive as a son.

Following Chu Qitian's respectful worship, he also awakened the other descendants of the Chu family.

For a time, in the Chu Family Manor, hundreds of people all knelt down.

To the man in the void, they worshiped in unison: "Congratulations, Patriarch, further advancement in cultivation, great success!"

.....

"Hexi Patriarch, great success~"

..... In the

Chu family, Countless clansmen knelt together.

The voices of soaring to the sky, the words of respect, converge into a stream, impacting the entire world.

In the overwhelming wave, Chu Zhengliang stood with his hand in his hand, sneer all over his eyes.

His eyes were as deep as the sea, like a monarch, looking down at the officials under his feet, as well as the vast world.

"From today onwards, the owner of the family will lead the Chu family back to the top of the world's martial arts!"

Chu Zhengliang was very proud, and the sound of mixed confession sounded like thunder.

The Chu family member at his feet suddenly boiled.

One after another voices of respect, this time one after another.
