

# Chapter 3148– 3149 of A Dish Best Served Cold Novel

## Chapter 3148

However, no one noticed that among the thousands of Chu family members, there was an old man with worried eyes.

The thing he worries the most has happened after all.

At this time, members of the other families among the three Chumen families also rushed to one after another.

“Haha~”

“As expected of the Chu Family Patriarch !”

“Sure enough, so domineering~”

Amid the hearty laughter, the Patriarch of the Jones Family, Bill Jones, had already taken his son to the Chu family.

“Yes ah.”

“Congratulations, Chu master of the house up.”

“Look at this momentum, Chu master of the house now power and influence, fear is not lost that year Chu Hades up.” “Chu

family really is Canglongwohu ah ~”

“gone a Chu Hades, Now I have you

, Chu Zhengliang.” “From now on, maybe the position of the master of the Chu Clan is also yours.”

The elders in the Chu Clan also came to congratulate, and in their words, complimented. The flattery meaning is particularly vivid.

“Haha~”

“If you congratulate me, someone from Chu will continue.”

“But don’t talk nonsense about the position of the Chu

Sect Master .” “Now the Tang Sect Master is a young and strong year, and it can be described as the prosperous spring and autumn. In the future. The future is far beyond

limit .” “I, Chu Zhengliang, may be considered a small accomplishment now. But I am still a long way from the Tang Sect Master?”

Seeing some guests come to congratulate, Chu Zhengliang undoubtedly quickly regained his power. Come forward with a smile on his face to greet the guests.

Especially after hearing some Chumen elders say that he might be in charge of Chumen, the smile on Chu Zhengliang’s face was undoubtedly even worse.

However, happy to happy, at least humility, still need to have.

“Hey?”

“The Chu Patriarch is really too modest.”

“We elders, but we all think that your position as the Chu Sect master is more suitable than Tang Yun’s yellow-haired girl.”

“On potential, perhaps Chu Patriarch. Not as good as her.”

“However, in terms of comprehensive abilities such as responsibility and responsibility, the Chu Patriarch is undoubtedly far superior to Tang Yun.”

“As early as a few months ago, we had recommended to the elder that you would succeed Tang Yun and take charge of Chumen. “

At that time, the Great Elder refused because of your lack of strength.”

“Now, the Chu Patriarch has lived up to the expectations, and the martial arts cultivation has taken a step forward.”

“The current Chu Patriarch, replacing Tang Yun, took over the position of the Chumen Sect Master, but It couldn’t be more appropriate.”

“When we go back, I will ask the great elder again. I suggest that you, the master of the Chu family, succeed Tang Yun and become the master of the

Chumen !” In front of the Chu family, several elders said. I didn’t feel like I was talking.

When Chu Qitian on the side heard it, he was undoubtedly happy.

If the father were in charge of Truman, then his status as a son would undoubtedly rise to the sky.

Even if their father and son manage them properly, the next Chu Sect master will most likely belong to him, Chu Qitian.

“Thank you elders for showing your love.”

“But the Tang sect master is not bad to us, and he is still the teacher of Tianqi Dogzi. If I, Chu Zhengliang, become the sect master and pass it out, others will not be able to say that Chu Zhengliang is ungrateful, only profit?”

“So, I see this One thing,

forget it...” Chu Zhengliang still declined.

At this time, Bill Jones interrupted and laughed: “Haha~”

“Brother Zhengliang, don’t postpone it.”

“The elders are optimistic about you, how can you fail the elders’ kindness.”

“What’s more, the sect master The position is related to the overall rejuvenation of the three

families of Chumen.” “The people selected by the elders are naturally the ones who can bring the greatest benefit to us.”

“Brother Zhengliang has the strongest comprehensive ability now, so it’s naturally incumbent.”

“But. ..” Chu Zhengliang still had trouble doing the same thing.

“Don’t worry about it, you don’t care about this matter, Patriarch Chu, our elders have their own decisions. When the time comes, you can wait for the appointment with ease.” The elders of Chumen laughed.

## Chapter 3149

After expressing congratulations to the Chu family, the Chu Clan members returned one after another.

But the head of the Jones family, Bill Jones, stayed.

“Brother Zhengliang, I really congratulate you.”

“Forefoot repair is broken, and the back foot is sent to the Truman Sect Master.”

“Brother Zhengliang will fly to the top in the future, don’t forget us brothers.”

Bill Jones said with a smile. , The tone is also very close, completely close to the look.

After all, among the three Chumen families, the Jones family is the weakest.

Seeing that Chu Zhengliang was very likely to be the master of the Chumen, Bill naturally wanted to hug this thigh tightly.

In the future, he can count on Chu Zhengliang to be able to help them more than the Jones family.

When Chu Zhengliang heard the words, he shook his head and smiled: “

Just listen to those old things, don't take it seriously.” “Just like back then, it was also these old things, saying that Tang Yun would not be allowed to become Chu anyway. The master of the door.”

“But what is the result?”

“Tang Yun was the last in charge of the Chu door.”

Chu Zhengliang smiled faintly, and while speaking, he took a sip of the tea at the table, and then continued. Tao.

“Now that the master of Tang Yun has been in charge of Chumen for several years, although he has no great achievements, he has no fault.”

“What's more, Tang Yun ranks first in the sky.”

“This strength alone is enough to make him sit firmly in the door. The Lord is now.”

“If others want to take their place, I guess they have to be on the top of the list first and take the lead .”

Chu Zhengliang is not someone who loses himself when others boast.

Years of forbearance has already allowed him to develop a sensible and calm temperament.

Therefore, Chu Zhengliang wasn't too interested in the words of Elder Chumen.

But Bill Jones shook his head and said, “Brother Zhengliang, you have been in retreat for the past few months. You don't understand many things.”

“As far as I know, Tang Yun hasn't shown up for more than a year.

” Moreover, there is no news!”

“Today, the elders of Trumen have been furious.”

“Especially the elders of Trumen, who have threatened several times that they will start the “destroyed master” program.”

“It can be said, Trumen. The elders have accumulated their opinions on Tang Yun to a very deep level.”

“Nowadays, among the senior Chumen, there are not many who really support Tang Yun.”

“Even the Tang family have opinions on Tang Yun.”

“It’s not an exaggeration

to say that the people

betrayed their relatives .” “It can be said that abolishing Tang Yun’s position as the master of the house is one step away.” “Today’s situation, for your Chu Zhengliang, there is undoubtedly a lot to do.

” I can tell you without hesitation, as long as the “Destroyer” program is started, you will succeed Tang Yun as the master of the Chumen Sect. It is a certainty.” In the

hall, Bill Jones lowered his voice and gave a very detailed direction. Chu Zhengliang analyzed the current situation.

“Are you serious?”

Chu Zhengliang undoubtedly became serious, and even his tone of voice became a little hot.

Chu Zhengliang is by no means a generation who is willing to be ordinary, willing to be the next generation.

Even after losing to his brother, Chu Zhengliang never gave up his ambitions and dreams for so many years.

Now that Shou Duyunkai see Yueming, Chu Zhengliang became the head of the Chu family as he wished.

However, his goal is more than just that.

His biggest dream is to become the world’s first person in martial arts like his father, with the power and power to make sentient beings tremble.

And now, Chu Zhengliang didn’t expect that he was so close to his goal.

“That’s natural!”

“We have known each other for decades, and we are in-laws. Can I lie to you?”

“So Zhengliang, let go of the fight.”

“The time and place are right, everything is on your side.”
